### Our Company

We are the largest discount retailer in the United States by number of stores, with 8,210 stores located in 35 states, primarily in the southern, southwestern, midwestern and eastern United States, as of January 4, 2008. We serve a broad customer base and offer a focused assortment of everyday items, including basic consumable merchandise and other home, apparel and seasonal products. A majority of our products are priced at \$10 or less and approximately 30% of our products are priced at \$1 or less. In 2006, our average customer purchase was \$9.31.

We offer a compelling value proposition for our customers based on convenient store locations, easy in and out shopping and highly competitive prices. We believe our combination of value and convenience distinguishes us from other discount, convenience and drugstore retailers, who typically focus on either value or convenience. Our business model is focused on strong and sustainable sales growth, attractive margins and limited maintenance capital expenditure and working capital needs, which result in significant operational cash flows (before interest).

We have expanded rapidly in recent years, increasing our total number of stores from 5,540 as of February 1, 2002 to 8,229 as of February 2, 2007 (representing an 8.2% compound annual growth rate, or CAGR). Over the same period, we grew our net sales from \$5.3 billion to \$9.2 billion (representing an 11.5% CAGR), driven by growth in number of stores as well as a five-year average same store sales growth of 3.7%. For the 39 week period ended November 2, 2007, we generated net sales of \$6.9 billion, an increase of 4.8% over the prior year period, including a same store sales increase of 2.8%. We have temporarily decelerated our new store growth rate to enable us to focus on improving the performance of existing stores, including remodeling or relocating a number of stores to improve productivity and enhance the shopping experience for our customers.

### Stores

The traditional Dollar General® store has, on average, approximately 6,900 square feet of selling space and generally serves customers who live within five miles of the store. Of our 8,210 stores as of January 4, 2008, more than half serve communities with populations of 20,000 or less. We believe that our target customers prefer the convenience of a small, neighborhood store with a focused merchandise assortment at value prices.

We aggressively manage our overhead cost structure and typically seek to locate stores in neighborhoods where rental and operating costs are relatively low. Our stores typically have low fixed costs, with lean staffing of usually two to three employees in the store at any time. In 2005 and 2006, we implemented "EZstore™", our initiative designed to improve inventory flow from our distribution

centers, or DCs, to consumers. EZstore has allowed us to reallocate store labor hours to more customer-focused activities, improving the work content in our stores.

We also attempt to control operating costs by implementing new technology when feasible, including improvements in recent years to our store labor scheduling and store replenishment systems in addition to other improvements to our supply chain and warehousing systems.

### ***Merchandise***

Our merchandise strategy combines a low-cost operating structure with a focused assortment of products that allows us to offer our customers a compelling value proposition, consisting of quality merchandise at competitive prices. We believe our merchandising strategy generates frequent repeat customer purchases and our focused merchandise assortment encourages customers to shop at Dollar General stores for their everyday household needs. We separate our merchandise into the following four categories for reporting purposes: highly consumable, seasonal, home products and basic clothing. Highly consumable consists of packaged food, candy, snacks and refrigerated products, health and beauty aids, home cleaning supplies and pet supplies; seasonal consists of seasonal and other holiday-related items, toys, stationery and hardware; and home products consists of housewares and domestics.

We maintain approximately 4,900 core stock-keeping units, or SKUs, per store and an additional 8,000 non-core SKUs that get rotated in and out of the store over the course of a typical year. The percentage of net sales of each of our four categories of merchandise for the periods indicated below was as follows:

	2006	2005	2004
Highly consumable	65.7%	65.3%	63.0%
Seasonal	16.4%	15.7%	16.5%
Home products	10.0%	10.6%	11.5%
Basic clothing	7.9%	8.4%	9.0%

Our home products and seasonal categories typically account for the highest gross profit margin, and the highly consumable category typically accounts for the lowest gross profit margin.

We purchase our merchandise from a wide variety of suppliers. Approximately 11% of our purchases in 2006 were from The Procter & Gamble Company. Our next largest supplier accounted for approximately 5% of our purchases in 2006. We directly imported approximately 9% of our purchases at cost in 2006.

### ***Customers***

We serve the basic consumable, household, apparel and seasonal needs of customers, primarily in rural and small markets. According to AC Nielsen's 2006 Homescan® data, in 2006 approximately 41% of our customers had household gross income of less than \$30,000 per year. We are also increasingly focused on serving higher income customers and estimate that, in 2006, approximately 38% of our customers were from households with \$30,000 to \$70,000 of annual income. Our merchandising and operating strategies are primarily designed to meet the needs of these consumers. Approximately 21% of our customers were from households with annual income greater than \$70,000.

### ***Recent Strategic Initiatives***

In 2006, we launched strategic initiatives aimed at improving our merchandising and real estate strategies, which we refer to collectively as "Project Alpha." Project Alpha was based upon a comprehensive analysis of the performance of each of our stores and the impact of our inventory model on our ability to effectively serve our customers.

Our merchandising initiative is meant to move away from our traditional inventory packaway model, where unsold inventory items were stored on-site and returned to the sales floor to be sold the next year, year after year, until the items were eventually sold, damaged or discarded. Our initiative is an attempt to better meet our customers' needs and to ensure an appealing, fresh merchandise selection. With few exceptions, we plan to eliminate, through end-of-season and other markdowns, existing seasonal, home products and basic clothing packaway merchandise by the end of fiscal 2007. With the exception of certain holiday seasonal and winter apparel items, substantially all of the inventory targeted by this initiative had been sold or eliminated as of November 2, 2007. In addition, beginning in fiscal 2007, we have started selling virtually all current-year non-replenishable merchandise by taking end-of-season markdowns, allowing for increased levels of newer, current-season merchandise. We believe this strategy change will enhance the appearance of our stores and will positively impact customer satisfaction as well as the store employees' ability to manage stores, ultimately resulting in higher sales, increased gross profit margins, lower employee turnover, and decreased inventory shrink and damages. We also expect that this improved inventory management will result in more appropriate per store inventory levels. We expect to increase our sales mix of merchandise categories with higher gross profit margin items, such as home products, basic clothing and seasonal merchandise (which were the primary elements of packaway inventory), as we become increasingly able to improve our merchandise assortments and stock our stores with more current inventory.

In 2006, we also initiated a new store layout that we believe will further drive sales growth and margin enhancement through an improved merchandising mix. The new layout was launched in a test mode in early 2006, was improved during the year, and became our standard new and remodeled store format by the end of 2006. As a result of the opening of new stores and the re-formatting of a limited number of existing stores, there were 906 stores operating in this new format as of January 4, 2008. The results have been encouraging, as we have seen additional sales from these new and remodeled stores, including an increased mix of higher margin goods. Additionally, improved merchandise adjacencies and wider, more open aisles have enhanced the overall guest shopping experience.

We also initiated significant improvements to our real estate practices beginning in 2006. We are fully integrating the functions of site selection, lease renewals, relocations, remodels and store closings and have defined and are implementing rigorous analytical processes for decision-making in those areas. We continue to analyze our real estate performance and to look for ways to further refine and improve our practices. As a first step in our initiative to revitalize our store base, we performed a comprehensive real estate review resulting in the identification of approximately 400 underperforming stores all of which we closed by the end of our second fiscal quarter of 2007. Additionally, in connection with the Transactions (as defined below), management approved a plan to close an additional 60 stores prior to February 1, 2008. These closings are in addition to stores that are typically closed in the normal course of business, which over the last 10 years constituted approximately 1% to 2% of our store base per year. We do not currently expect any additional closures beyond those to be closed in the normal course of business; although, as part of our ongoing real estate practices, we will continue to evaluate our store base for underperforming stores. We have also temporarily decelerated our new store growth rate to enable us to focus on improving the performance of existing stores, including remodeling or relocating a number of stores to improve productivity and enhance the shopping experience for our customers.

### **Our Industry**

We compete in the deep discount segment of the U.S. retail industry. Excluding supercenters (e.g., Wal-Mart), this segment generates approximately \$43 billion in sales per year and grew at a 10.2% CAGR between 2000 and 2005. Our competitors are both traditional "dollar stores", as well as other retailers offering discounted items or convenience (e.g., Walgreens and CVS). The "dollar store" sector differentiates itself from other forms of retailing in the deep discount segment by offering consistently low prices in a convenient, small-store format. Unlike other formats that have suffered with the rise of

Wal-Mart and other discount supercenters, the "dollar store" sector has grown despite the presence of the discount supercenters.

We believe it is our substantial convenience advantage, at prices comparable to those of supercenters, that allows Dollar General to compete so effectively. As such, Dollar General stores have performed well in the presence of increased competition from Wal-Mart and drugstores. Based on a sample of markets that had relatively high concentrations of Wal-Mart stores, Dollar General stores typically have a higher net sales per square foot and operating profit compared to its stores in markets with lower concentrations of Wal-Mart stores. Similarly, Dollar General stores in a sample of markets that had relatively high concentrations of CVS stores are more productive on net sales per square foot and operating profit bases while maintaining similar operating margins.

We believe that there is considerable room for growth in the "dollar store" sector. According to AC Nielsen and Retail Forward, "dollar stores" have been able to increase their penetration across all income brackets in the last 6 years. Though traditional "dollar stores" have high customer penetration, the sector as a whole accounts for only approximately 1.4% of total consumer product goods spending, which we believe leaves ample room for growth. Our merchandising initiatives are aimed at increasing our stores' share of customer spending.

### **Our Competitive Strengths**

*Market Leader in an Attractive Sector with a Growing Customer Base.* We are the largest discount retailer in the U.S. by number of stores, with 8,210 stores in 35 states as of January 4, 2008. We are the largest player in the U.S. deep discount segment with a nearly 21% market share, almost 1.5 times that of our nearest competitor. We believe we are well positioned to further increase our market share as we continue to execute our business strategy and implement our operational initiatives. Our target customers include the approximately 70% of U.S. individuals who earn less than \$50,000 per year. According to Nielsen Media Research, in 2006, approximately 65% of households shopped at least once at a discount store (up from 59% in 2001).

*Consistent Sales Growth and Strong Cash Flow Generation.* For over 15 consecutive years, Dollar General has experienced positive annual same store sales growth. Nearly two-thirds of our net sales come from the sale of consumable products, which are less susceptible to economic pressures (such as increased fuel costs and unemployment), with the remaining one-third comprised mainly of basic clothing, seasonal and home products, which are subject to little trend or fashion risk. We have a low cost operating model with attractive margins, low capital expenditures (approximately 2% of net sales for the 39 weeks ended November 2, 2007) and low working capital needs, resulting in significant cash flow generation (before interest).

*Differentiated Value Proposition.* Our ability to deliver highly competitive prices in a convenient location and shopping format provides our customers with a compelling shopping experience and distinguishes us from other discount retailers, as well as convenience and drugstore retailers.

*Compelling Unit Economics.* The traditional Dollar General store size, design and location requires minimal initial investment and low maintenance capital expenditures, which, when combined with strong average unit volumes, or AUV, provides for a quick recovery of store start-up costs. In fiscal 2006, our traditional stores that were open for the entire period had an AUV of \$1,115,477 and an average investment in inventory and fixtures of approximately \$250,000. The ability of our stores to generate strong cash flows with minimal investment results in a short payback period.

*Efficient Supply Chain.* We believe our distribution network is an integral component of our efforts to reduce transportation expenses and effectively support our growth. In recent years, we have made significant investments in technological improvements and upgrades, which have increased our efficiency and capacity to support store growth.

*Experienced and Motivated Management Team.* In January 2008, we hired experienced retailer Richard Dreiling to serve as our Chief Executive Officer. In addition, over the past two years we have strengthened our management team with the hiring of David Beré, our President and Chief Operating Officer, and Beryl Buley, our Division President, Merchandising, Marketing & Supply Chain, and we have replaced a majority of our senior merchandising and real estate teams. Our leadership team has significant experience and is balanced between industry and Dollar General veterans. In connection with the Transactions, we entered into agreements with certain members of management (the "Senior Management Participants") pursuant to which they elected to invest in Dollar General in an aggregate amount of approximately \$10.4 million, including \$3.2 million in rollover equity. See "The Transactions."

## **Our Business Strategy**

Our mission is "Serving Others." To carry out this mission, we have developed a business strategy of providing our customers with a focused assortment of attractively priced merchandise in a convenient, small-store format. We believe this strategy will expand our leadership position within the deep discount segment of the U.S. retail industry while increasing our profitability and maximizing our cash flows.

*Continue to Deliver Value to Our Customers.* Our ability to deliver highly competitive prices in a convenient shopping format provides our customers with a compelling shopping experience and distinguishes us from other discount retailers, as well as convenience and drugstore retailers. We plan to continue to improve on this value proposition to our customers by implementing operational improvements as described herein that will further enhance our business model.

*Drive Financial Performance through Operating Improvements.* After a period of rapid store growth in the mid to late 1990s and early 2000s and the transition from a close-out retailer, we are now increasingly focused on growing profitability and in the early stages of implementing certain targeted retail practices which are expected to have a substantial impact on our gross profit margins, sales productivity and capital efficiency. We expect to expand on these efforts by:

- completing Project Alpha, particularly the final steps in the transition from a packaway inventory management model to a model that clears seasonal merchandise at season end;
- optimizing our real estate selection and existing site management through comprehensive real estate reviews and more robust analytics and technology, with enhanced management directing more disciplined processes;
- better merchandising and category management, SKU rationalization and space reallocation with an increased focus on gross profit margin, returns per square foot and shrink reduction. In addition, we expect significant ancillary improvements from SKU rationalization, including the optimization of inventory levels, reduction of stock-outs and increased store organization and cleanliness;
- refining our existing pricing strategy. We plan to optimize pricing over the next two years primarily by varying pricing to reflect differences in costs and competition by geographic region. Currently, we offer our products at virtually uniform price points across all of our stores while most of our competitors vary prices by geographic region;
- increasing foreign direct sourcing. We imported approximately \$550 million of goods in 2006, and we plan to substantially increase this amount over the next five years;
- increasing our private label penetration and the consistency and quality of our private label products. We plan to grow our core private label penetration over the next five years. Currently, highly consumable private label products represent approximately 10% of our net sales; and
- improving our distribution and transportation logistics and efficiency.

*Pursue Measured Store Growth.* While our operational initiatives are focused on increasing our store productivity and profitability and decreasing near term store openings, we believe there are significant opportunities for additional longer term store growth within our existing footprint as well as in new markets. Given our customer demographics and current market penetration, we expect a majority of our new stores to be opened within our existing markets, taking advantage of our local brand awareness while maximizing operating efficiencies.

In this prospectus, the term "outstanding notes" refers to the 10.625% Senior Notes due 2015 and the 11.875%/12.625% Senior Subordinated Toggle Notes due 2017 all issued in the private offering. The term "exchange notes" refers to the 10.625% Senior Notes due 2015 and the 11.875%/12.625% Senior Subordinated Toggle Notes due 2017, all as offered by this prospectus and registered under the Securities Act of 1933, as amended (the "Securities Act"). The term "notes" refers to both the outstanding notes and the exchange notes.

You are entitled to exchange in the exchange offer your outstanding notes for exchange notes, which are identical in all material respects to the outstanding notes except:</p> <ul style="list-style-type: none"><li>• the exchange notes have been registered under the Securities Act;</li><li>• the exchange notes are not entitled to any registration rights which are applicable to the outstanding notes under the registration rights agreement; and</li><li>• certain additional interest rate provisions are no longer applicable.</li></ul>

We will cause the exchange to be effected promptly after the expiration of the exchange offer.</p>

Resale:	<p>Based on interpretations by the staff of the Securities and Exchange Commission, or the "SEC", set forth in no-action letters issued to third parties referred to below, we believe that you may resell or otherwise transfer exchange notes issued in the exchange offer without complying with the registration and prospectus delivery requirements of the Securities Act, if:</p> <ol style="list-style-type: none"><li>(1) you are acquiring the exchange notes in the ordinary course of your business;</li><li>(2) you do not have an arrangement or understanding with any person to participate in a distribution of the exchange notes;</li><li>(3) you are not an "affiliate" of the Issuer within the meaning of Rule 405 under the Securities Act; and</li><li>(4) you are not engaged in, and do not intend to engage in, a distribution of the exchange notes.</li></ol> <p>If you are not acquiring the exchange notes in the ordinary course of your business, or if you are engaging in, intend to engage in, or have any arrangement or understanding with any person to participate in, a distribution of the exchange notes, or if you are an affiliate of Dollar General, then:</p> <ol style="list-style-type: none"><li>(1) you cannot rely on the position of the staff of the SEC enunciated in Morgan Stanley &amp; Co., Inc. Expiration date	the exchange offer. See "Plan of Distribution." The exchange offer will expire at 5:00 p.m., New York City time, on _____, 2008, unless extended by us. We do not currently intend to extend the expiration date of the exchange offer.
Withdrawal	You may withdraw the tender of your outstanding notes at any time prior to the expiration date of the exchange offer. We will return to you any of your outstanding notes that are not accepted for any reason for exchange, without expense to you, promptly after the expiration or termination of the exchange offer.

Interest on the exchange notes and the outstanding notes	Each exchange note will bear interest at the rate per annum set forth on the cover page of this prospectus from the most recent date on which interest has been paid on the outstanding notes. The interest on the notes is payable on January 15 and July 15 of each year, beginning on January 15, 2008. No interest will be paid on outstanding notes following their acceptance for exchange.
Conditions to the exchange offer	The exchange offer is subject to customary conditions, which we may assert or waive. See "The Exchange Offer—Conditions to the exchange offer."
Procedures for tendering outstanding notes	If you wish to participate in the exchange offer, you must complete, sign and date the accompanying letter of transmittal, or a facsimile of the letter of transmittal, according to the instructions contained in this prospectus and the letter of transmittal. You must then mail or otherwise deliver the letter of transmittal, or a facsimile of the letter of transmittal, together with the outstanding notes and any other required documents, to the exchange agent at the address set forth on the cover page of the letter of transmittal. If you hold outstanding notes through The Depository Trust Company, or "DTC", and wish to participate in the exchange offer, you must comply with the Automated Tender Offer Program procedures of DTC.
	Signing, or agreeing to be bound by, the letter of transmittal, represents to us that, among other things:
	(1) you are acquiring the exchange notes in the ordinary course of your business;
	(2) you do not have an arrangement or understanding with any person to participate in a distribution of the exchange notes;
	(3) you are not an "affiliate" of the Issuer within the meaning of Rule 405 under the Securities Act; and
	(4) you are not engaged in, and do not intend to engage in, a distribution of the exchange notes.
	If you are a broker-dealer and receive exchange notes for your own account in exchange for outstanding notes that you acquired as a result of market-making or other trading activities, you must represent to us that you will deliver a prospectus, as required by law, in connection with any resale or other transfer of such exchange notes. If you are not acquiring the exchange notes in the ordinary course of your business, or if you are engaged in, or intend to engage in, or have an arrangement or understanding with any person to participate in, a distribution of the exchange notes, or if you are an affiliate of the Issuer, then you cannot rely on the positions and interpretations of the staff of the SEC and

	you must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale or other transfer of the exchange notes.
Special procedures for beneficial owners	If you are a beneficial owner of outstanding notes that are held in the name of a broker, dealer, commercial bank, trust company or other nominee, and you wish to tender those outstanding notes in the exchange offer, you should promptly instruct such person to tender those outstanding notes on your behalf.
Guaranteed delivery procedures	If you wish to tender your outstanding notes and they are not immediately available or you cannot deliver them, the letter of transmittal or any other documents required by the letter of transmittal or you cannot comply with the DTC procedures for book-entry transfer prior to the expiration date, then you must tender your outstanding notes according to the guaranteed delivery procedures described under "The Exchange Offer—Guaranteed delivery procedures."
Effect on holders of outstanding notes	In connection with the sale of the outstanding notes, we entered into a registration rights agreement with the Initial Purchasers of the outstanding notes. By making the exchange offer, we will have fulfilled a covenant under that agreement and will not be obligated to pay additional interest as described in that agreement. If you do not tender your outstanding notes in the exchange offer, you will continue to be entitled to all the rights and limitations applicable to the outstanding notes as set forth in the applicable indenture, except we will not have any further obligation to you to register outstanding notes under the registration rights agreement, and we will not be obligated to pay additional interest as described in that agreement. See "Registration Rights."
	To the extent that outstanding notes are tendered and accepted in the exchange offer, the trading market for outstanding notes could be adversely affected.
Consequences of failure to exchange	All untendered outstanding notes will continue to be subject to the restrictions on transfer set forth in the outstanding notes and in the applicable indenture. In general, the outstanding notes may not be offered or sold, unless registered under the Securities Act, except pursuant to an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities laws. Other than in connection with the exchange

offer, we do not currently anticipate that we will register the outstanding notes under the Securities Act.

Material income tax considerations

The exchange of outstanding notes for exchange notes in the exchange offer will not be a taxable event for United States

	federal income tax purposes. See "United States Federal Income Tax Consequences of the Exchange Offer."
Use of proceeds	We will not receive any cash proceeds from the issuance of exchange notes in the exchange offer.
Exchange agent	Wells Fargo Bank, National Association, whose address and telephone number are set forth in the section captioned "The Exchange Offer—Exchange agent" of this prospectus, is the exchange agent for the exchange offer.

### **Risk Factors**

Investing in the notes involves substantial risk. You should consider carefully all of the information set forth in this prospectus prior to exchanging your outstanding notes. In particular, we urge you to review the factors set forth under the heading "Risk Factors."

## Summary of the Terms of the Exchange Notes

The summary below, which is not intended to be complete, describes the principal terms of the exchange notes. Certain of the terms and conditions summarized below are subject to important limitations and exceptions. The "Description of Senior Notes" and "Description of Senior Subordinated Notes" sections of this prospectus contain more detailed descriptions of the terms and conditions of the outstanding notes and exchange notes. The exchange notes will have terms identical in all material respects to the outstanding notes, except that the exchange notes will not contain terms with respect to transfer restrictions, registration rights and additional interest for failure to observe certain obligations in the registration rights agreement.

Issuer	Dollar General.
Securities	<p>\$1.9 billion in aggregate principal amount of notes, consisting of:</p> <ul style="list-style-type: none"> <li>• \$1.175 billion in aggregate principal amount of 10.625% senior notes due 2015; and</li> <li>• \$725.0 million in aggregate principal amount of 11.875% /12.625% senior subordinated notes due 2017.</li> </ul>
Maturity Dates	<p>The senior notes will mature on July 15, 2015. The senior subordinated notes will mature on July 15, 2017.</p>
Interest Payment Dates	Interest on the notes will be payable on January 15 and July 15 of each year, beginning on January 15, 2008.
Interest Rates and Forms of Payment	<p>The senior notes will bear interest at a rate of 10.625% per annum. Cash interest on the senior subordinated notes will accrue at a rate of 11.875% per annum, and PIK Interest will accrue at a rate of 12.625% per annum. The initial interest payment on the senior subordinated notes will be payable in cash. For any interest period commencing on or after January 15, 2008 through July 15, 2011 we may elect to pay interest on the senior subordinated notes (i) in cash; (ii) by increasing the principal amount of the senior subordinated notes or by issuing new senior subordinated notes ("PIK Notes") (such increase or issuance, "PIK Interest") or (iii) by paying interest on half of the principal amount of the senior subordinated notes in cash and half in PIK Interest. If we elect to pay PIK Interest, we will increase the principal amount of the senior subordinated notes or issue PIK Notes, in each case, in an amount equal to the amount of PIK Interest for the applicable interest payment period (rounded up to the nearest \$1,000 in the case of global notes and to the nearest whole dollar in the case of senior subordinated notes in certificated form) to holders of the senior subordinated notes on the relevant record date. The senior subordinated notes will bear interest on the increased principal amount thereof from and after the applicable interest payment date on which a payment of PIK Interest is made. We must elect the form of interest payment with respect to each interest period no later than 30 days before the beginning of the applicable interest period. In the absence of such an election or proper notification of such</p>
Original Issue Discount	<p>election to the trustee, interest will be payable in accordance with the last election made for the previous interest period. We will have the option to pay interest on the senior subordinated notes in cash interest or PIK Interest for any interest payment period after the initial interest payment through July 15, 2011. For U.S. federal income tax purposes, the existence of this option means that none of the interest payments on the senior subordinated notes will be qualified stated interest even if we never exercise the option to pay PIK Interest. Consequently, the senior subordinated notes will be treated as issued with original issue discount, and U.S. holders will be required to include the original issue discount in gross income on a constant yield to maturity basis, regardless of whether interest is paid currently in cash. For more information, see "United States Federal Income Tax Consequences of the Exchange Offer."</p>
Security	None. The notes will be unsecured obligations of the Issuer and the subsidiary guarantors.
Guarantees	<p>The senior notes will be unconditionally guaranteed, jointly and severally, on an unsecured senior basis, and the senior subordinated notes will be unconditionally guaranteed, jointly and severally, on an unsecured senior subordinated basis, in each case, by each of our wholly owned subsidiaries that has guaranteed our New Credit Facilities (as defined below). Our non-guarantor subsidiaries accounted for approximately \$107.4 million of net revenues and approximately \$20.5 million of net income, in each case, for 2006 and approximately \$243.0 million of total assets and approximately \$187.0 million of total</p>

	liabilities, in each case, as of February 2, 2007. Included in these net revenues, net income, total assets and total liabilities balances are certain intercompany balances that are eliminated in consolidation.
Ranking	The outstanding senior notes are and the exchange senior notes will be our senior unsecured obligations and will: <ul style="list-style-type: none"><li>• rank senior in right of payment to our existing and future debt and other obligations that are, by their terms, expressly subordinated in right of payment to the senior notes, including the senior subordinated notes;</li><li>• rank equally in right of payment to all of our existing and future senior debt and other obligations that are not, by their terms, expressly subordinated in right of payment to the senior notes; and</li><li>• be effectively subordinated to all of our existing and future secured debt (including obligations under the New Credit Facilities), to the extent of the value of the assets securing such debt, and be structurally subordinated to all obligations of each of our subsidiaries that is not a guarantor of the senior notes.</li></ul>

Similarly, the senior note guarantees will be senior unsecured obligations of the guarantors and will:

- rank senior in right of payment to all of the applicable guarantor's existing and future debt and other obligations that are, by their terms, expressly subordinated in right of payment to the senior notes, including the applicable guarantor's guarantee under the senior subordinated notes;
- rank equally in right of payment to all of the applicable guarantor's existing and future senior debt and other obligations that are not, by their terms, expressly subordinated in right of payment to the senior notes; and
- be effectively subordinated in right of payment to all of the applicable guarantor's existing and future secured debt (including the applicable guarantor's guarantee under the New Credit Facilities), to the extent of the value of the assets securing such debt, and be structurally subordinated to all obligations of any subsidiary of a guarantor if that subsidiary is not also a guarantor of the senior notes.

The outstanding senior subordinated notes are and the exchange senior subordinated notes will be our unsecured senior subordinated obligations and will:

- be subordinated in right of payment to our existing and future senior debt, including our New Credit Facilities and the senior notes;
- rank equally in right of payment to all of our existing and future senior subordinated debt and other obligations that are not, by the terms of the senior subordinated notes, expressly made senior;
- be effectively subordinated to all of our existing and future secured debt (including obligations under our New Credit Facilities), to the extent of the value of the assets securing such debt, and be structurally subordinated to all obligations of any subsidiaries that do not guarantee the senior subordinated notes; and
- rank senior in right of payment to all of our future debt and other obligations that are, by their terms, expressly subordinated in right of payment to the senior subordinated notes.

Similarly, the senior subordinated note guarantees will be unsecured senior subordinated obligations of the guarantors and will:

- be subordinated in right of payment to all of the applicable guarantor's existing and future senior debt, including such guarantor's guarantee under our New Credit Facilities and the senior notes;
- rank equal in right of payment to all of the applicable guarantor's future senior subordinated debt and other

obligations that are not, by the terms of the senior subordinated notes, expressly made senior;

- be effectively subordinated to all of the applicable guarantor's existing and future secured debt (including such guarantor's guarantee under our New Credit Facilities), to the extent of the value of the assets securing such debt, and be structurally subordinated to all obligations of any subsidiary of a guarantor if that subsidiary is not also a guarantor of the senior subordinated notes; and
- rank senior in right of payment to all of the applicable guarantor's future debt and other obligations that are, by their terms, expressly subordinated in right of payment to the guarantees of the senior subordinated notes.

As of November 2, 2007, (1) the notes and related guarantees rank effectively junior to approximately \$2,602.0 million of senior secured indebtedness and \$30.4 million of payment obligations relating to capital lease and financing obligations and other indebtedness, (2) the senior notes and related guarantees rank senior to the \$725.0 million of senior subordinated notes, (3) the senior subordinated notes and related guarantees rank junior to the senior notes, and (4) we had an additional \$710.5 million of unutilized capacity under our new senior secured asset-based revolving credit facility.

#### Optional Redemption

We may redeem some or all of the senior notes at any time on or after July 15, 2011 and we may redeem some or all of the senior subordinated notes at any time on or after July 15, 2012, in each case at the redemption prices set forth in this prospectus.

We may redeem some or all of the senior notes prior to July 15, 2011 and some or all of the senior subordinated notes prior to July 15, 2012, in each case at a price equal to 100% of the principal amount of the notes redeemed plus the applicable "make-whole" premium as described in this prospectus.

On or before July 15, 2010, we may also redeem up to 35% of the senior notes and 35% of the senior subordinated notes, in each case, at the redemption prices set forth in this prospectus, using the proceeds of certain equity offerings.

#### Mandatory Principal Redemption

If the senior subordinated notes would otherwise constitute "applicable high yield discount obligations" within the meaning of Section 163(i)(1) of the Internal Revenue Code of 1986, as amended (the "Code"), at the end of each accrual period ending after the fifth anniversary of the senior subordinated notes' issuance (each "AHYDO redemption date"), we will be required to redeem for cash a portion of each senior subordinated note then outstanding equal to the "Mandatory Principal Redemption Amount" (such

redemption, a "Mandatory Principal Redemption"). The redemption price for the portion of each senior subordinated note redeemed pursuant to a Mandatory Principal Redemption will be 100% of the principal amount of such portion plus any accrued interest thereon on the date of redemption. The "Mandatory Principal Redemption Amount" means, as of each AHYDO redemption date, the excess, if any, of (a) the aggregate amount of accrued and unpaid interest and all accrued and unpaid "original issue discount" (as defined in Section 1273(a)(1) of the Code) with respect to the senior subordinated notes, over (b) an amount equal to the product of (i) the "issue price" (as defined in Sections 1273(b) and 1274(a) of the Code) of the senior subordinated notes multiplied by (ii) the "yield to maturity" (as defined in the Treasury Regulation Section 1.1272-1(b)(1)(i)) of the senior subordinated notes. No partial redemption or repurchase of the senior subordinated notes prior to any AHYDO redemption date pursuant to any other provision of the indenture governing the senior subordinated notes will alter the Issuer's obligation to make the Mandatory Principal Redemption with respect to any senior subordinated notes that remain outstanding on any AHYDO redemption date.

Change of Control  
and Asset Sales

If we sell certain assets under certain circumstances, or experience certain change of control events, each holder of senior notes or senior subordinated notes, as applicable, may require us to purchase all or a portion of its notes at the purchase prices set forth in this prospectus, plus accrued and unpaid interest and special interest, if any, to the purchase date. See "Description of Senior Notes—Repurchase at the Option of Holders" and "Description of Senior Subordinated Notes—Repurchase at the Option of Holders." Our New Credit Facilities or other agreements may restrict us from repurchasing any of the notes, including any purchase we may be required to make as a result of a change of control or certain asset sales. See "Risk Factors—Risks Related to the Notes—We may not have the ability to raise the funds necessary to finance the change of control offer required by the indentures governing the notes."

Certain Covenants

The indentures governing the notes restrict our ability and the ability of our restricted subsidiaries to, among other things:

- incur additional indebtedness, issue disqualified stock or issue certain preferred stock;
- pay dividends and make certain distributions, investments and other restricted payments;
- create certain liens or encumbrances;
- sell assets;
- enter into transactions with affiliates;

- limit the ability of restricted subsidiaries to make payments to us;
- merge, consolidate, sell or otherwise dispose of all or substantially all of our assets; and
- designate our subsidiaries as unrestricted subsidiaries.

These covenants are subject to important exceptions and qualifications described under the headings "Description of Senior Notes" and "Description of Senior Subordinated Notes."

Use of Proceeds

We will not receive any cash proceeds from the issuance of the exchange notes in the exchange offer. See "Use of Proceeds."

## RISK FACTORS

*You should carefully consider the risk factors set forth below as well as the other information contained in this prospectus before participating in the exchange offer. Any of the following risks could materially and adversely affect our business, financial condition or results of operations. However, the risks described below are not the only risks facing us. Additional risks and uncertainties not currently known to us or those we currently view to be immaterial may also materially and adversely affect our business, financial condition or results of operations. In such a case, the trading price of the exchange notes could decline or we may not be able to make payments of principal and interest on the exchange notes, and you may lose all or part of your original investment.*

### **Risks Related to the Exchange Offer**

**If you do not exchange your outstanding notes in the exchange offer, the transfer restrictions currently applicable to your outstanding notes will remain in force and the market price of your outstanding notes could decline.**

If you do not exchange your outstanding notes for exchange notes in the exchange offer, then you will continue to be subject to the transfer restrictions on the outstanding notes as set forth in the offering memorandum distributed in connection with the private offering of the outstanding notes. In general, the outstanding notes may not be offered or sold unless they are registered or exempt from registration under the Securities Act and applicable state securities laws. Except as required by the registration rights agreement, we do not intend to register resales of the outstanding notes under the Securities Act. You should refer to "Summary—Summary of the Terms of the Exchange Offer" and "The Exchange Offer" for information about how to tender your outstanding notes.

The tender of outstanding notes under the exchange offer will reduce the principal amount of each series of the outstanding notes, which may have an adverse effect upon, and increase the volatility of, the market prices of the outstanding notes due to reduction in liquidity.

**Your ability to transfer the notes may be limited by the absence of an active trading market, and there is no assurance that any active trading market will develop for the notes.**

We do not intend to apply for listing of the exchange notes on a securities exchange or on any automated dealer quotation system. The exchange notes are a new issue of securities for which there is no established public market. The initial purchasers in the private offering of the outstanding notes have advised us that they intend to make a market in the exchange notes as permitted by applicable laws and regulations; however, the initial purchasers are not obligated to make a market in any of the exchange notes, and they may discontinue their market-making activities at any time without notice. In addition, such market making activity may be limited during the pendency of the exchange offer. Therefore, an active market for any of the exchange notes may not develop or, if developed, it may not continue. Historically, the market for non investment-grade debt has been subject to disruptions that have caused substantial volatility in the prices of securities similar to the exchange notes. The market, if any, for any of the exchange notes may not be free from similar disruptions, and any such disruptions may adversely affect the prices at which you may sell your exchange notes. In addition, subsequent to their initial issuance, the exchange notes may trade at a discount from their initial offering price, depending upon prevailing interest rates, the market for similar notes, our performance and other factors.

## Risks Related to Our Indebtedness

**The fact that we are substantially leveraged could adversely affect our ability to raise additional capital to fund our operations, limit our ability to react to changes in the economy or our industry, expose us to interest rate risk to the extent of our variable rate debt and prevent us from meeting our obligations under the notes.**

We are highly leveraged. As of November 2, 2007, our total indebtedness was approximately \$4.5 billion, including the notes. We also had an additional \$710.5 million available for borrowing under our new senior secured asset-based revolving credit facility at that date. The following chart shows our level of indebtedness and certain other information as of November 2, 2007 after giving effect to the Transactions.

	As of November 2, 2007
	(Dollars in millions)
Senior secured asset-based revolving credit facility(1)	\$ 302.0
Senior secured term loan facility(2)	2,300.0
Senior notes, net of discount	1,152.4
Senior subordinated notes	725.0
Other existing debt(3)	30.4
Total	\$ 4,509.8

- (1) Upon the closing of the Merger, we entered into a \$1.125 billion senior secured asset-based revolving credit facility with a six-year maturity, of which \$350.0 million is available for letters of credit. This facility consists of Tranche A Loans and Tranche A-1 Loans. All loans under the facility shall be made as Tranche A-1 Loans until such time as all commitments under the Tranche A-1 Loans have been funded or there is no further availability under the Tranche A-1 Loans, at which point loans under the facility shall be made as Tranche A Loans. Any payments made on the principal amount of the loans outstanding will first be applied to all the Tranche A Loans outstanding before any amount will be applied to the Tranche A-1 Loans. As of November 2, 2007, we had \$302.0 million in borrowings outstanding under our new senior secured asset-based revolving credit facility. See "Description of Other Indebtedness."
- (2) Upon the closing of the Merger, we entered into a new \$2.3 billion senior secured term loan facility with a seven-year maturity, the full amount of which was borrowed on the closing date. See "Description of Other Indebtedness."
- (3) Consists of financing and capital lease obligations and other debt instruments. See "Capitalization."

Our high level of debt could have important consequences for you, including:

- making it more difficult for us to make payments on the notes;
- increasing our vulnerability to general economic and industry conditions;
- requiring a substantial portion of our cash flow from operations to be dedicated to the payment of principal and interest on our indebtedness, therefore reducing our ability to use our cash flow to fund our operations, capital expenditures and future business opportunities;
- exposing us to the risk of interest rate fluctuations as certain of our borrowings bear interest based on market interest rates;

- limiting our ability to obtain additional financing for working capital, capital expenditures, debt service requirements, acquisitions and general corporate or other purposes; and
- limiting our ability to adjust to changing market conditions and placing us at a competitive disadvantage compared to our competitors who are less highly leveraged.

In addition, the borrowings under our New Credit Facilities bear interest at variable rates and other debt we incur could likewise be variable-rate debt. If market interest rates increase, variable-rate debt will create higher debt service requirements, which could adversely affect our cash flow. While we have and may in the future enter into agreements limiting our exposure to higher interest rates, any such agreements may not offer complete protection from this risk. We and our subsidiaries may be able to incur substantial additional indebtedness in the future, subject to the restrictions contained in our New Credit Facilities and the indentures governing the notes. If new indebtedness is added to our current debt levels, the related risks that we now face could intensify. Our pro forma cash interest expense for the year ended February 2, 2007 was \$421.3 million. At November 2, 2007, we had \$302.0 million of debt under our senior asset-based revolving secured credit facility in addition to \$2.3 billion of debt under our senior secured term loan facility, which are based on a floating rate index. A 1% increase in these floating rates would increase our annual interest expense by approximately \$34.4 million assuming all available amounts under our New Credit Facilities were drawn.

**Our debt agreements contain restrictions that limit our flexibility in operating our business.**

Our New Credit Facilities and the indentures governing the notes contain various covenants that limit our ability to engage in specified types of transactions. These covenants limit our and our restricted subsidiaries' ability to, among other things:

- incur additional indebtedness, issue disqualified stock or issue certain preferred stock;
- pay dividends and make certain distributions, investments and other restricted payments;
- create certain liens or encumbrances;
- sell assets;
- enter into transactions with our affiliates;
- limit the ability of restricted subsidiaries to make payments to us;
- merge, consolidate, sell or otherwise dispose of all or substantially all of our assets; and
- designate our subsidiaries as unrestricted subsidiaries.

A breach of any of these covenants could result in a default under the agreement governing such indebtedness. Upon our failure to maintain compliance with these covenants, the lenders could elect to declare all amounts outstanding thereunder to be immediately due and payable and terminate all commitments to extend further credit thereunder. If the lenders under such indebtedness accelerate the repayment of borrowings, we cannot assure you that we will have sufficient assets to repay those borrowings, as well as our other indebtedness, including the notes. We have pledged a significant portion of our assets as collateral under the New Credit Facilities. If we were unable to repay those amounts, the lenders under our New Credit Facilities could proceed against the collateral granted to them to secure that indebtedness. Additional borrowings under the senior secured asset-based revolving credit facility will, if excess availability under such facility is less than a certain amount, be subject to the satisfaction of a specified financial ratio. Our ability to meet this financial ratio can be affected by events beyond our control, and we cannot assure you that we will meet this ratio and other covenants.

## Risks Related to Our Business

### **General economic factors may adversely affect our financial performance.**

General economic conditions in one or more of the markets we serve may adversely affect our financial performance. A general slowdown in the economy, higher interest rates, higher fuel and other energy costs, inflation, higher levels of unemployment, higher consumer debt levels, higher tax rates and other changes in tax laws, tightening of the credit markets, and other economic factors could adversely affect consumer demand for the products we sell, change our sales mix of products to one with a lower average gross profit and result in slower inventory turnover and greater markdowns on inventory. Higher interest rates, higher commodities rates, higher fuel and other energy costs, transportation costs, inflation, higher costs of labor, insurance and healthcare, foreign exchange rate fluctuations, higher tax rates and other changes in tax laws, changes in other laws and regulations and other economic factors increase our cost of sales and operating, selling, general and administrative expenses, and otherwise adversely affect the operations and operating results of our stores.

### **Our plans depend significantly on initiatives designed to improve the efficiencies, costs and effectiveness of our operations, and failure to achieve or sustain these plans could affect our performance adversely.**

We have had, and expect to continue to have, initiatives (such as those relating to marketing, advertising, merchandising, promotions and real estate) in various stages of testing, evaluation, and implementation, upon which we expect to rely to improve our results of operations and financial condition. These initiatives are inherently risky and uncertain, even when tested successfully, in their application to our business in general. It is possible that successful testing can result partially from resources and attention that cannot be duplicated in broader implementation. Testing and general implementation also can be affected by other risk factors described herein that reduce the results expected. Successful systemwide implementation relies on consistency of training, stability of workforce, ease of execution, and the absence of offsetting factors that can influence results adversely. Failure to achieve successful implementation of our initiatives or the cost of these initiatives exceeding management's estimates could adversely affect our results of operations and financial condition. See the discussion of the initiatives in "Management's Discussion and Analysis of Results of Operations and Financial Condition."

### **Because our business is moderately seasonal, with the highest portion of sales occurring during the fourth quarter, adverse events during the fourth quarter could materially affect our financial statements as a whole.**

We generally recognize a significant portion of our net sales and operating income during the Christmas selling season, which occurs in the fourth quarter of our fiscal year. In anticipation of this holiday, we purchase substantial amounts of seasonal inventory and hire many temporary employees. A seasonal merchandise inventory imbalance could result if for any reason our net sales during the Christmas selling season were to fall below either seasonal norms or expectations. If for any reason our fourth quarter results were substantially below expectations, our financial performance and operating results could be adversely affected by unanticipated markdowns, especially in seasonal merchandise. Lower than anticipated sales in the Christmas selling season would also negatively affect our ability to absorb the increased seasonal labor costs.

### **We face intense competition that could limit our growth opportunities and adversely impact our financial performance.**

The retail business is highly competitive. We operate in the discount retail merchandise business, which is highly competitive with respect to price, store location, merchandise quality, assortment and

presentation, in-stock consistency, and customer service. This competitive environment subjects us to the risk of adverse impact to our financial performance because of the lower prices, and thus the lower margins, required to maintain our competitive position. Also, companies operating in the discount retail merchandise sector (due to customer demographics and other factors) have limited ability to increase prices in response to increased costs (including vendor price increases). This limitation may adversely affect our margins and financial performance. We compete for customers, employees, store sites, products and services and in other important aspects of our business with many other local, regional and national retailers. We compete with retailers operating discount, mass merchandise, drug, convenience, variety and specialty stores, supermarkets and supercenter-type stores. Certain of our competitors have greater financial, distribution, marketing and other resources than we do. These other competitors compete in a variety of ways, including aggressive promotional activities, merchandise selection and availability, services offered to customers, location, store hours, in-store amenities and price. If we fail to respond effectively to competitive pressures and changes in the retail markets, it could adversely affect our financial performance. See "Business—Our Industry and—Competition" for additional discussion of our competitive situation.

Although the retail industry as a whole is highly fragmented, certain segments of the retail industry have recently undergone and continue to undergo some consolidation, which can significantly alter the competitive dynamics of the retail marketplace. This consolidation may result in competitors with greatly improved financial resources, improved access to merchandise, greater market penetration and other improvements in their competitive positions. These business combinations could result in the provision of a wider variety of products and services at competitive prices by these consolidated companies, which could adversely affect our financial performance. Competition for customers has intensified in recent years as larger competitors have moved into, or increased their presence in, our geographic markets. We remain vulnerable to the marketing power and high level of consumer recognition of these larger competitors and to the risk that these competitors or others could venture into the "dollar store" industry in a significant way. Generally, we expect an increase in competition.

**Natural disasters, unusually adverse weather conditions, pandemic outbreaks, boycotts and geo-political events could adversely affect our financial performance.**

The occurrence of one or more natural disasters, such as hurricanes and earthquakes, unusually adverse weather conditions, pandemic outbreaks, boycotts and geo-political events, such as civil unrest in countries in which our suppliers are located and acts of terrorism, or similar disruptions could adversely affect our operations and financial performance. These events could result in physical damage to one or more of our properties, increases in fuel (or other energy) prices, the temporary or permanent closure of one or more of our stores or distribution centers, delays in opening new stores, the temporary lack of an adequate work force in a market, the temporary or long-term disruption in the supply of products from some local and overseas suppliers, the temporary disruption in the transport of goods from overseas, delay in the delivery of goods to our distribution centers or stores, the temporary reduction in the availability of products in our stores and disruption to our information systems. These events also can have indirect consequences such as increases in the costs of insurance following a destructive hurricane season. These factors could otherwise disrupt and adversely affect our operations and financial performance.

**Risks associated with the domestic and foreign suppliers from whom our products are sourced could adversely affect our financial performance.**

The products we sell are sourced from a wide variety of domestic and international suppliers. Approximately 11% of our purchases in 2006 were from The Procter & Gamble Company. Our next largest supplier accounted for approximately 5% of our purchases in 2006. We directly imported approximately 9% of our purchases at cost in 2006, but many of our domestic vendors directly import

their products or components of their products. Political and economic instability in the countries in which foreign suppliers are located, the financial instability of suppliers, suppliers' failure to meet our supplier standards, labor problems experienced by our suppliers, the availability of raw materials to suppliers, merchandise quality or safety issues, currency exchange rates, transport availability and cost, inflation, and other factors relating to the suppliers and the countries in which they are located or from which they import are beyond our control. In addition, the United States' foreign trade policies, tariffs and other impositions on imported goods, trade sanctions imposed on certain countries, the limitation on the importation of certain types of goods or of goods containing certain materials from other countries and other factors relating to foreign trade are beyond our control. Disruptions due to labor stoppages, strikes or slowdowns, or other disruptions, involving our vendors or the transportation and handling industries also may negatively affect our ability to receive merchandise and thus may negatively affect sales. These and other factors affecting our suppliers and our access to products could adversely affect our financial performance. In addition, our ability to obtain indemnification from foreign suppliers may be hindered by the manufacturers' lack of understanding of U.S. product liability or other laws, which may make it more likely that we may be required to respond to claims or complaints from customers as if we were the manufacturer of the products. As we increase our imports of merchandise from foreign vendors, the risks associated with foreign imports will increase.

**We are dependent on attracting and retaining qualified employees while also controlling labor costs.**

Our future performance depends on our ability to attract, retain and motivate qualified employees. Many of these employees are in entry-level or part-time positions with historically high rates of turnover. Availability of personnel varies widely from location to location. Our ability to meet our labor needs generally, including our ability to find qualified personnel to fill positions that become vacant at our existing stores and distribution centers, while controlling our labor costs, is subject to numerous external factors, including the level of competition for such personnel in a given market, the availability of a sufficient number of qualified persons in the work force of the markets in which we are located, unemployment levels within those markets, prevailing wage rates and changes in minimum wage laws, changing demographics, health and other insurance costs and changes in employment legislation. Increased turnover also can have significant indirect costs, including more recruiting and training needs, store disruptions due to management changeover and potential delays in new store openings or adverse customer reactions to inadequate customer service levels due to personnel shortages. Competition for qualified employees exerts upward pressure on wages paid to attract such personnel. In addition, to the extent a significant portion of our employee base unionizes, or attempts to unionize, our labor costs could increase. Our ability to pass along those costs is constrained.

Also, our stores are decentralized and are managed through a network of geographically dispersed management personnel. Our inability to effectively and efficiently operate our stores, including the ability to control losses resulting from inventory and cash shrinkage, may negatively affect our sales and/or operating margins.

**Our planned future growth will be impeded, which would adversely affect sales, if we cannot open new stores on schedule or if we close a number of stores materially in excess of anticipated levels.**

Our growth is dependent on both increases in sales in existing stores and the ability to open new stores. Our ability to timely open new stores and to expand into additional market areas depends in part on the following factors: the availability of attractive store locations; the absence of occupancy delays; the ability to negotiate favorable lease terms; the ability to hire and train new personnel, especially store managers; the ability to identify customer demand in different geographic areas; general economic conditions; and the availability of sufficient funds for expansion. In addition, many of these factors affect our ability to successfully relocate stores. Many of these factors are beyond our control. In addition, our substantial debt, particularly combined with the recent tightening of the credit markets,

has made it more difficult for our real estate developers to obtain loans for our build-to-suit stores and to locate investors for those properties after they have been developed. If this trend continues, it could materially adversely impact our ability to open build-to-suit stores in desirable locations.

Delays or failures in opening new stores, or achieving lower than expected sales in new stores, or drawing a greater than expected proportion of sales in new stores from existing stores, could materially adversely affect our growth. In addition, we may not anticipate all of the challenges imposed by the expansion of our operations and, as a result, may not meet our targets for opening new stores or expanding profitably.

Some of our new stores may be located in areas where we have little or no meaningful experience. Those markets may have different competitive conditions, market conditions, consumer tastes and discretionary spending patterns than our existing markets, which may cause our new stores to be less successful than stores in our existing markets.

Some of our new stores will be located in areas where we have existing units. Although we have experience in these markets, increasing the number of locations in these markets may cause us to over-saturate markets and temporarily or permanently divert customers and sales from our existing stores, thereby adversely affecting our overall financial performance.

**We are dependent upon the smooth functioning of our distribution network, the capacity of our distribution centers, and the timely receipt of inventory.**

We rely upon the ability to replenish depleted inventory through deliveries to our distribution centers from vendors and from the distribution centers to our stores by various means of transportation, including shipments by sea and truck. Labor shortages in the transportation industry and/or labor inefficiencies associated with certain "driver hours of service" regulations adopted by the Federal Motor Carriers Safety Administration could negatively affect transportation costs. In addition, long-term disruptions to the national and international transportation infrastructure that lead to delays or interruptions of service would adversely affect our business.

**The efficient operation of our business is heavily dependent upon our information systems.**

We depend on a variety of information technology systems for the efficient functioning of our business. We rely on certain software vendors to maintain and periodically upgrade many of these systems so that they can continue to support our business. The software programs supporting many of our systems were licensed to us by independent software developers. The inability of these developers or us to continue to maintain and upgrade these information systems and software programs would disrupt or reduce the efficiency of our operations if we were unable to convert to alternate systems in an efficient and timely manner. In addition, costs and potential problems and interruptions associated with the implementation of new or upgraded systems and technology or with maintenance or adequate support of existing systems could also disrupt or reduce the efficiency of our operations. We also rely heavily on our information technology staff. If we cannot meet our staffing needs in this area, we may not be able to fulfill our technology initiatives while continuing to provide maintenance on existing systems.

**We are subject to governmental regulations, procedures and requirements. A significant change in, or noncompliance with, these regulations could have a material adverse effect on our financial performance.**

Our business is subject to numerous federal, state and local regulations. Changes in these regulations, particularly those governing the sale of products, may require extensive system and operating changes that may be difficult to implement and could increase our cost of doing business. Untimely compliance or noncompliance with applicable regulations or untimely or incomplete execution

of a required product recall can result in the imposition of penalties, including loss of licenses or significant fines or monetary penalties, in addition to reputational damage.

**Our current insurance program may expose us to unexpected costs and negatively affect our financial performance.**

Historically, our insurance coverage has reflected deductibles, self-insured retentions, limits of liability and similar provisions that we believe are prudent based on the dispersion of our operations. However, there are types of losses we may incur but against which we cannot be insured or which we believe are not economically reasonable to insure, such as losses due to acts of war, employee and certain other crime and some natural disasters. If we incur these losses, our business could suffer. Certain material events may result in sizable losses for the insurance industry and adversely impact the availability of adequate insurance coverage or result in excessive premium increases. To offset negative insurance market trends, we may elect to self-insure, accept higher deductibles or reduce the amount of coverage in response to these market changes. In addition, we self-insure a significant portion of expected losses under our workers' compensation, automobile liability, general liability and group health insurance programs. Unanticipated changes in any applicable actuarial assumptions and management estimates underlying our recorded liabilities for these losses, including expected increases in medical and indemnity costs, could result in materially different amounts of expense than expected under these programs, which could have a material adverse effect on our financial condition and results of operations. Although we continue to maintain property insurance for catastrophic events, we are effectively self-insured for losses up to the amount of our deductibles. If we experience a greater number of these losses than we anticipate, our financial performance could be adversely affected.

**Litigation may adversely affect our business, financial condition and results of operations.**

Our business is subject to the risk of litigation by employees, consumers, suppliers, shareholders, government agencies, or others through private actions, class actions, administrative proceedings, regulatory actions or other litigation. The outcome of litigation, particularly class action lawsuits and regulatory actions, is difficult to assess or quantify. Plaintiffs in these types of lawsuits may seek recovery of very large or indeterminate amounts, and the magnitude of the potential loss relating to these lawsuits may remain unknown for substantial periods of time. In addition, certain of these lawsuits, if decided adversely to us or settled by us, may result in liability material to our financial statements as a whole or may negatively affect our operating results if changes to our business operation are required. The cost to defend future litigation may be significant. There also may be adverse publicity associated with litigation that could negatively affect customer perception of our business, regardless of whether the allegations are valid or whether we are ultimately found liable. As a result, litigation may adversely affect our business, financial condition and results of operations. See "Business—Legal Proceedings" for further details regarding certain of these pending matters.

In addition, from time to time, third parties may claim that our trademarks or product offerings infringe upon their proprietary rights. Any such claim, whether or not it has merit, could be time-consuming and distracting for executive management, result in costly litigation, cause changes to our private label offerings or delays in introducing new private label offerings, or require us to enter into royalty or licensing agreements. As a result, any such claim could have a material adverse effect on our business, results of operations and financial condition.

### **Risks Related to the Notes**

**We may not be able to generate sufficient cash to service all of our indebtedness, including the notes, and may be forced to take other actions to satisfy our obligations under our indebtedness, which may not be successful.**

Our ability to make scheduled payments on or to refinance our debt obligations depends on our financial condition and operating performance, which is subject to prevailing economic and competitive conditions and to certain financial, business and other factors beyond our control. We may be unable to maintain a level of cash flow from operating activities sufficient to permit us to pay the principal, premium, if any, and interest on our indebtedness, including the notes.

If our cash flow and capital resources are insufficient to fund our debt service obligations, we may be forced to reduce or delay investments and capital expenditures, or to sell assets, seek additional capital or restructure or refinance our indebtedness, including the notes. These alternative measures may not be successful and may not permit us to meet our scheduled debt service obligations. In the absence of such operating results and resources, we could face substantial liquidity problems and might be required to dispose of material assets or operations to meet our debt service and other obligations. Our senior secured credit agreement and the indentures governing the notes will restrict our ability to dispose of assets and use the proceeds from such disposition. We may not be able to consummate those dispositions or to obtain the proceeds that we could realize from them and these proceeds may not be adequate to meet any debt service obligations then due.

**Repayment of our debt, including each series of notes, is dependent on cash flow generated by our subsidiaries and their ability to make distributions to us.**

Our subsidiaries own a significant portion of our assets and conduct a significant portion of our operations. Accordingly, repayment of our indebtedness, including each series of notes, is dependent, to a significant extent, on the generation of cash flow by our subsidiaries and their ability to make such cash available to us, by dividend, debt repayment or otherwise. Unless they are guarantors of the notes, our subsidiaries do not have any obligation to pay amounts due on the notes or to make funds available for that purpose. Our subsidiaries may not be able to, or may not be permitted to, make distributions to enable us to make payments in respect of our indebtedness, including the notes. Each subsidiary is a distinct legal entity and, under certain circumstances, legal and contractual restrictions may limit our ability to obtain cash from our subsidiaries. While the indentures governing the notes will limit the ability of our subsidiaries to incur consensual restrictions on their ability to pay dividends or make other intercompany payments to us, these limitations are subject to certain qualifications and exceptions. In the event that we do not receive distributions from our subsidiaries, we may be unable to make required principal and interest payments on our indebtedness, including the notes.

**U.S. Holders will be required to pay U.S. federal income tax on any PIK Interest received on the senior subordinated notes.**

We have the option to pay interest on the senior subordinated notes in cash interest or PIK Interest. For U.S. federal income tax purposes, the existence of this option means that none of the interest payments on the notes will be qualified stated interest even if we never exercise the option to pay PIK Interest. Consequently, the senior subordinated notes will be treated as issued at a discount, and U.S. holders will be required to include original issue discount in gross income for U.S. federal income tax purposes in advance of the receipt of cash payments on such notes. See "Description of Senior Subordinated Notes—Principal, Maturity and Interest" and "United States Federal Income Tax Consequences of the Exchange Offer."

**Claims of noteholders will be structurally subordinated to the claims of creditors of our non-guarantor subsidiaries.**

The notes will not be guaranteed by all of our subsidiaries. For example, our subsidiaries that do not guarantee the New Credit Facilities will not guarantee the notes. Accordingly, claims of holders of the notes will be structurally subordinate to the claims of creditors of these non-guarantor subsidiaries, including trade creditors. All obligations of our non-guarantor subsidiaries will have to be satisfied

before any of the assets of such subsidiaries would be available for distribution, upon a liquidation or otherwise, to us or a guarantor of the notes.

Our non-guarantor subsidiaries accounted for approximately \$107.4 million of net revenues and approximately \$20.5 million of net income, in each case, for 2006 and approximately \$243.0 million of total assets, and approximately \$187.0 million, of total liabilities, in each case as of February 2, 2007. Included in these net revenues, net income, total assets and total liabilities balances are certain intercompany balances that are eliminated in consolidation.

**Your right to receive payments on each series of notes is effectively junior to those lenders who have a security interest in our assets.**

Our obligations under the outstanding notes and the exchange notes and our guarantors' obligations under their guarantees of the notes are unsecured, but our obligations under our New Credit Facilities and each guarantor's obligations under its respective guarantee of the New Credit Facilities are secured by a security interest in substantially all of our domestic tangible and intangible assets, including the stock of most of our wholly owned U.S. subsidiaries, and a portion of the assets and a portion of the stock of certain of our non-U.S. subsidiaries. If we are declared bankrupt or insolvent, or if we default under our New Credit Facilities, the lenders could declare all of the funds borrowed thereunder, together with accrued interest, immediately due and payable. If we were unable to repay such indebtedness, the lenders could foreclose on the pledged assets to the exclusion of holders of the notes, even if an event of default exists under the indentures governing the notes at such time. Furthermore, if the lenders foreclose and sell the pledged equity interests in any subsidiary guarantor under the notes, then that guarantor will be released from its guarantee of the notes automatically and immediately upon such sale. In any such event, because the notes will not be secured by any of our assets or the equity interests in subsidiary guarantors, it is possible that there would be no assets remaining from which your claims could be satisfied or, if any assets remained, they might be insufficient to satisfy your claims fully. See "Description of Other Indebtedness."

As of November 2, 2007, we had \$2.6 billion of senior secured indebtedness, comprised of financing and capital lease obligations, other debt instruments and indebtedness under our New Credit Facilities, not including unused capacity of \$710.5 million under our revolving asset-based credit facility, subject to borrowing base availability. The indentures governing the notes will permit us and our restricted subsidiaries to incur substantial additional indebtedness in the future, including senior secured indebtedness.

**Your right to receive payments on the senior subordinated notes will be junior to our existing and future senior indebtedness, including borrowings under our New Credit Facilities and the senior notes.**

The senior subordinated notes and the related guarantees will be contractually subordinated to all of our current and future senior indebtedness (other than trade payables), including our borrowings under our New Credit Facilities and the senior notes, and all of our and the guarantors' future borrowings (other than trade payables), except any future indebtedness that expressly provides that it ranks equal with, or subordinated in right of payment to, the senior subordinated notes and the related guarantees. As a result of such subordination, in the event of the bankruptcy, liquidation or dissolution of us or any subsidiary guarantor, our assets or the assets of the applicable subsidiary guarantor would be available to pay obligations under the senior subordinated notes and our other senior subordinated obligations only after all payments had been made on our senior indebtedness or the senior indebtedness of the applicable subsidiary guarantor. Sufficient assets may not remain after all of these payments have been made to make any payments on the senior subordinated notes and our other senior subordinated obligations, including payments of interest when due. In addition, all payments on the senior subordinated notes and the related guarantees will be blocked in the event of a payment

default on senior debt and may be blocked for up to 179 of 360 consecutive days in the event of certain non-payment defaults on senior debt.

In the event of a bankruptcy, liquidation or reorganization or similar proceeding relating to us or the guarantors, holders of the senior subordinated notes will participate with trade creditors and all other holders of our and the guarantors' subordinated indebtedness in the assets remaining after we and the guarantors have repaid all of our senior debt. However, because the indenture governing the senior subordinated notes requires that amounts otherwise payable to holders of the senior subordinated notes in a bankruptcy or similar proceeding be paid to holders of senior debt instead, holders of the senior subordinated notes may receive less, ratably, than holders of trade payables in any such proceeding. In any of these cases, we and the guarantors may not have sufficient funds to pay all of our creditors and holders of senior subordinated notes may receive less, ratably, than the holders of our senior debt.

As of November 2, 2007, the senior subordinated notes and the related guarantees are subordinated to \$3.785 billion of senior debt, \$2.632 billion of which is secured debt, and up to \$710.5 million is available for borrowing as additional senior secured debt under our New Credit Facilities, subject to borrowing base availability.

**If we default on our obligations to pay our indebtedness, we may not be able to make payments on the notes.**

Any default under the agreements governing our indebtedness, including a default under the senior secured credit agreements, that is not waived by the required lenders, and the remedies sought by the holders of such indebtedness, could prevent us from paying principal, premium, if any, and interest on the notes and substantially decrease the market value of the notes. If we are unable to generate sufficient cash flow and are otherwise unable to obtain funds necessary to meet required payments of principal, premium, if any, and interest on our indebtedness, or if we otherwise fail to comply with the various covenants in the instruments governing our indebtedness (including covenants in our New Credit Facilities and the indentures under which the outstanding notes were, and the exchange notes will be, issued), we could be in default under the terms of the agreements governing such indebtedness, including our senior secured credit agreements and the indentures under which the outstanding notes were, and the exchange notes will be issued. In the event of such default, the holders of such indebtedness could elect to declare all the funds borrowed thereunder to be due and payable, together with accrued and unpaid interest, the lenders under our New Credit Facilities could elect to terminate their commitments thereunder, cease making further loans and institute foreclosure proceedings against our assets, and we could be forced into bankruptcy or liquidation. If our operating performance declines, we may in the future need to obtain waivers from the required lenders under our New Credit Facilities to avoid being in default. If we breach our covenants under our New Credit Facilities and seek a waiver, we may not be able to obtain a waiver from the required lenders. If this occurs, we would be in default under our senior secured credit agreements, the lenders could exercise their rights, as described above, and we could be forced into bankruptcy or liquidation.

**We may not have the ability to raise the funds necessary to finance the change of control offer required by the indentures governing the notes.**

Upon the occurrence of a "change of control," as defined in the indentures governing the notes, we must offer to buy back the notes at a price equal to 101% of the principal amount, together with any accrued and unpaid interest, if any, to the date of the repurchase. Our failure to purchase, or give notice of purchase of, the senior notes or the senior subordinated notes, as applicable, would be a default under each of the indentures governing the notes, which would also be a default under our New Credit Facilities.

If a change of control occurs, it is possible that we may not have sufficient assets at the time of the change of control to make the required repurchase of notes or to satisfy all obligations under our New Credit Facilities and the indentures under which the outstanding notes were, and the exchange notes will be, issued. In order to satisfy our obligations, we could seek to refinance the indebtedness under our New Credit Facilities and the indentures or obtain a waiver from the lenders or you as a holder of notes. We cannot assure you that we would be able to obtain a waiver or refinance our indebtedness on terms acceptable to us, if at all.

**The lenders under our New Credit Facilities have the discretion to release the guarantors under the senior secured credit agreements in a variety of circumstances, which will cause those guarantors to be released from their guarantees of the notes.**

While any obligations under our New Credit Facilities remain outstanding, any guarantee of the notes may be released without action by, or consent of, any holder of the notes or the trustee under the indentures governing the notes, at the discretion of lenders under our New Credit Facilities, if such guarantor is no longer a guarantor of obligations under our New Credit Facilities or any other indebtedness. See "Description of Senior Notes—Guarantees" and "Description of Senior Subordinated Notes—Guarantees." The lenders under our New Credit Facilities have the discretion to release the guarantees under our New Credit Facilities in a variety of circumstances. You will not have a claim as a creditor against any subsidiary that is no longer a guarantor of the notes, and the indebtedness and other liabilities, including trade payables, whether secured or unsecured, of those subsidiaries will effectively be senior to claims of noteholders.

**Federal and state fraudulent transfer laws may permit a court to void the guarantees, and, if that occurs, you may not receive any payments on the notes.**

Federal and state fraudulent transfer and conveyance statutes may apply to the issuance of the notes and the incurrence of the guarantees. Under federal bankruptcy law and comparable provisions of state fraudulent transfer or conveyance laws, which may vary from state to state, the notes or guarantees could be voided as a fraudulent transfer or conveyance if (1) we or any of the guarantors, as applicable, issued the notes or incurred the guarantees with the intent of hindering, delaying or defrauding creditors or (2) we or any of the guarantors, as applicable, received less than reasonably equivalent value or fair consideration in return for either issuing the notes or incurring the guarantees and, in the case of (2) only, one of the following is also true at the time thereof:

- we or any of the guarantors, as applicable, were insolvent or rendered insolvent by reason of the issuance of the notes or the incurrence of the guarantees;
- the issuance of the notes or the incurrence of the guarantees left us or any of the guarantors, as applicable, with an unreasonably small amount of capital to carry on the business;
- we or any of the guarantors intended to, or believed that we or such guarantor would, incur debts beyond our or such guarantor's ability to pay as they mature; or
- we or any of the guarantors was a defendant in an action for money damages, or had a judgment for money damages docketed against us or such guarantor if, in either case, after final judgment, the judgment is unsatisfied.

If a court were to find that the issuance of the notes or the incurrence of the guarantee was a fraudulent transfer or conveyance, the court could void the payment obligations under the notes or such guarantee or further subordinate the notes or such guarantee to presently existing and future indebtedness of ours or of the related guarantor, or require the holders of the notes to repay any amounts received with respect to such guarantee. In the event of a finding that a fraudulent transfer or conveyance occurred, you may not receive any repayment on the notes. Further, the voidance of the

notes could result in an event of default with respect to our and our subsidiaries' other debt that could result in acceleration of such debt.

As a general matter, value is given for a transfer or an obligation if, in exchange for the transfer or obligation, property is transferred or an antecedent debt is secured or satisfied. A debtor will generally not be considered to have received value in connection with a debt offering if the debtor uses the proceeds of that offering to make a dividend payment or otherwise retire or redeem equity securities issued by the debtor.

We cannot be certain as to the standards a court would use to determine whether or not we or the guarantors were solvent at the relevant time or, regardless of the standard that a court uses, that the issuance of the guarantees would not be further subordinated to our or any of our guarantors' other debt.

**Our Investors control us and may have conflicts of interest with us or you now or in the future.**

KKR, GS Capital Partners VI Fund, L.P. and affiliated funds (affiliates of Goldman, Sachs & Co.), Citi Private Equity, Wellington Management Company, LLP, CPP Investment Board (USRE II) Inc., and other equity co-investors (collectively, the "Investors") indirectly own a substantial portion of our capital stock through their investment in Buck Holdings, L.P. ("Parent"). As a result, the Investors have control over our decisions to enter into any corporate transaction and have the ability to prevent any transaction that requires the approval of shareholders regardless of whether noteholders believe that any such transactions are in their own best interests. For example, the Investors could cause us to make acquisitions that increase the amount of indebtedness that is secured or that is senior to the notes or to sell assets, which may impair our ability to make payments under the notes.

Additionally, the Investors are in the business of making investments in companies and may from time to time acquire and hold interests in businesses that compete directly or indirectly with us. The Investors may also pursue acquisition opportunities that may be complementary to our business and, as a result, those acquisition opportunities may not be available to us. So long as the Investors, or other funds controlled by or associated with the Investors, continue to indirectly own a significant amount of the outstanding shares of our common stock, even if such amount is less than 50%, the Investors will continue to be able to strongly influence or effectively control our decisions.

## STATEMENTS REGARDING FORWARD-LOOKING INFORMATION

This prospectus contains "forward-looking statements" within the meaning of the federal securities laws, which involve risks and uncertainties. You can identify forward-looking statements because they are not solely statements of historical fact or they contain words such as "believes," "expects," "may," "will," "should," "seeks," "approximately," "intends," "plans," "estimates," or "anticipates" or similar expressions that concern our strategy, plans or intentions. All statements we make relating to our estimated and projected earnings, costs, expenditures, cash flows, growth rates and financial results, our plans and objectives for future operations, growth or initiatives, or the expected outcome or impact of pending or threatened litigation are forward-looking statements. In addition, we, through our senior management, from time to time make forward-looking public statements concerning our expected future operations and performance and other developments. All forward-looking statements are subject to risks and uncertainties that may change at any time, and, therefore, our actual results may differ materially from those that we expected. We derive many of our forward-looking statements from our operating budgets and forecasts, which are based upon many detailed assumptions. While we believe that our assumptions are reasonable, we caution that it is very difficult to predict the impact of known factors, and, of course, it is impossible for us to anticipate all factors that could affect our actual results. Important factors that could cause actual results to differ materially from our expectations ("cautionary statements") are disclosed under "Risk Factors" and elsewhere in this prospectus, including, without limitation, in conjunction with the forward-looking statements included in this prospectus. All subsequent written and oral forward-looking statements attributable to us, or persons acting on our behalf, are expressly qualified in their entirety by the cautionary statements as well as other cautionary statements that are made from time to time in our other SEC filings and public communications. You should evaluate all forward-looking statements made in this prospectus in the context of these risks and uncertainties.

We caution you that the important factors referenced above may not contain all of the material factors that are important to you. In addition, we cannot assure you that we will realize the results or developments we expect or anticipate or, even if substantially realized, that they will result in the consequences or affect us or our operations in the way we expect. The forward-looking statements included in this prospectus are made only as of the date hereof. We undertake no obligation to publicly update or revise any forward-looking statement as a result of new information, future events or otherwise, except as otherwise required by law.

## THE TRANSACTIONS

On March 11, 2007, we entered into an Agreement and Plan of Merger (the "Merger Agreement") with Parent and Buck. Parent is and Buck was (prior to the Merger) controlled by investment funds affiliated with KKR. On July 6, 2007, we consummated a merger of Buck with and into Dollar General, with Dollar General surviving the Merger as a subsidiary of Parent. Pursuant to the Merger Agreement, the former holders of our common stock received \$22.00 per share, or approximately \$6.9 billion. The Merger consideration was funded through the use of our available cash, cash equity contributions from the Investors, equity contributions of certain members of our management and the debt financings discussed below. Our outstanding common stock is now owned by Parent and certain members of management. Our common stock is no longer registered with the Securities and Exchange Commission ("SEC") and is no longer traded on a national securities exchange.

The following transactions occurred in conjunction with the Merger:

- We entered into a credit agreement and related security and other agreements consisting of a \$2.3 billion senior secured term loan facility, which matures on July 6, 2014.
- We entered into a credit agreement and related security and other agreements consisting of a senior secured asset-based revolving credit facility of up to \$1.125 billion (of which \$432.3 million was drawn at closing and \$132.3 million was paid down on the same day), subject to borrowing base availability, which matures July 6, 2013.
- We terminated the revolving loans and paid in full all interest and all other amounts due in connection with such termination under the pre-Merger senior credit facility. We also terminated commercial letters of credit totaling approximately \$141.2 million and standby letters of credit totaling approximately \$40.7 million and replaced those letters of credit with new letters of credit under the asset-based revolving credit facility.
- We issued \$1.175 billion aggregate principal amount of 10.625% senior notes due 2015, which mature on July 15, 2015, and \$725 million aggregate principal amount of 11.875%/12.625% senior subordinated toggle notes due 2017, which mature on July 15, 2017. We entered into a registration rights agreement with respect to the senior notes and the senior subordinated notes pursuant to which we have agreed to use commercially reasonable efforts to register with the SEC new notes having substantially identical terms as the senior notes and new notes having substantially identical terms as the senior subordinated notes.
- We completed a cash tender offer (the "Tender Offer") for the 2010 Notes. Approximately 99% of the 2010 Notes were validly tendered and accepted for payment in that tender offer. We also executed a supplemental indenture governing the 2010 Notes that were not tendered in the tender offer which eliminated substantially all of the restrictive covenants contained in the indenture pursuant to which the 2010 Notes were issued.
- We entered into a monitoring agreement and an indemnity agreement with affiliates of certain of the Investors pursuant to which we will pay to those entities an aggregate annual management fee of \$5 million, which amount will increase by 5% annually, along with reimbursement of out-of-pocket expenses incurred in connection with the provision of services under the agreement. We also paid those entities other fees in connection with certain services provided in connection with the Merger and related transactions. See "Certain Relationships and Related Party Transactions—Relationships with the Investors." Those entities are also entitled to receive a fee equal to 1% of the gross transaction value in connection with certain subsequent financing, acquisition, disposition, and change in control transactions, as well as a termination fee in the event of an initial public offering or under certain other circumstances. Pursuant to the terms of

the indemnity agreement, we have agreed to customary exculpation and indemnification provisions in favor of these entities and their affiliates.

- We named David L. Beré as our Interim Chief Executive Officer and entered into an employment agreement with him upon the resignation of our former Chief Executive Officer, David A. Perdue (we subsequently named Richard W. Dreiling as our Chief Executive Officer in January 2008 and entered into an employment agreement with him).
- We entered into agreements with the Senior Management Participants pursuant to which they invested in Dollar General, as the surviving corporation in the Merger, through a cash investment, a rollover of employee stock options, a rollover of shares of Dollar General common stock, or a combination thereof. In addition, we offered other employees (the "Other Management Participants," together with the Senior Management Participants, the "Management Participants"), a similar investment opportunity to participate in our common equity.
- We entered into stockholder agreements with certain members of management that, among other things, contain agreements among the parties with respect to restrictions on the transfer of the shares, including tag-along rights, drag-along rights, registration rights (including customary indemnification provisions) and call options and put options.

The offering of the notes, the initial borrowings under our New Credit Facilities, the equity investment by the Investors in Parent, the equity investment in Dollar General by the Management Participants, the Merger, the Tender Offer, the replacement of certain credit facilities and of certain letters of credit, the payment of related fees and expenses and other related transactions are collectively referred to in this prospectus as the "Transactions."

The sources and uses of the funds for the Transactions are shown in the table below.

- (1) Upon the closing of the Merger, we entered into a \$1.125 billion senior secured asset-based revolving credit facility with a six-year maturity, of which \$350.0 million is available for letters of credit, subject to borrowing base limitations. This facility consists of Tranche A Loans and Tranche A-1 Loans. All loans under the facility shall be made as Tranche A-1 Loans until such time as all commitments under the Tranche A-1 Loans have been funded or there is no further availability under the Tranche A-1 Loans, at which point loans under the facility shall be made as Tranche A Loans. Any payments made on the principal amount of the loans outstanding will first be applied to all the Tranche A Loans outstanding before any amount will be applied to the Tranche A-1

Loans. As of November 2, 2007, we had \$302 million in borrowings outstanding under our new senior secured asset-based revolving credit facility. See "Description of Other Indebtedness".

- (2) Upon the closing of the Merger, we entered into a \$2.3 billion senior secured term loan facility with a seven-year maturity, the full amount of which was borrowed on the closing date. This facility consists of two tranches, one of which is a "first-loss" tranche, which, in certain circumstances, will be subordinated in right of payment to the other tranche. See "Description of Other Indebtedness".
- (3) Consists of certain financing and capital lease obligations and other debt instruments. See "Capitalization".
- (4) Represents the cash equity investment of approximately \$2.767 billion made in Parent and Parent's general partner by the Investors.
- (5) Represents approximately \$3.2 million invested directly in Dollar General by the Senior Management Participants, in the form of a rollover of their existing equity interests in Dollar General to equity interests in Dollar General following the Merger or through cash investments in Dollar General. In addition, following the Merger we offered certain other employees a similar opportunity to participate in our common equity.
- (6) We repurchased \$198.3 million in aggregate principal amount of the 2010 Notes at the closing of the Tender Offer substantially concurrently with the closing of the Merger. 2010 Notes not repurchased pursuant to the Tender Offer remained outstanding. Includes expenses and a premium (a portion of which includes a consent payment) of \$17.3 million.
- (7) Reflects our fees, expenses and other costs associated with the Transactions. Such fees and expenses include placement and other financing fees, advisory fees, transaction fees paid to affiliates of certain of the Investors, and other transaction costs and professional fees. See "Certain Relationships and Related Party Transactions."

## OWNERSHIP AND CORPORATE STRUCTURE

The diagram below sets forth our corporate structure following consummation of the Transactions. All of our issued and outstanding capital stock is held by Parent and the Management Participants. Parent is managed by its general partner, Buck Holdings, LLC, a Delaware limited liability company, which is currently controlled by investment funds affiliated with Kohlberg Kravis Roberts & Co. L.P. (the "Sponsor"). Following consummation of the Transactions, the Investors own approximately 96.5% of the issued and outstanding common stock of Dollar General through their investment in Parent (with certain co-investors holding limited partnership interests in Parent and certain co-investors and the Sponsor holding a general partnership interest in Parent through their control of Buck Holdings, LLC) and the remaining approximately 3.5% is held directly by the Management Participants, in each case on a fully diluted basis. See "The Transactions" and "Security Ownership of Certain Beneficial Owners and Management." This structure was achieved through a series of equity contributions that occurred in connection with the Merger. Parent, Buck Holdings, LLC and Buck were formed for the purpose of consummating the Transactions. We continue to own the same operating assets following consummation of the Transactions.

- (1) Represents the cash equity investments of approximately \$2.767 billion made in Parent by the Investors.
- (2) Represents approximately \$10.4 million invested directly in Dollar General by the Management Participants, either in the form of a rollover of their existing equity interests in Dollar General to equity interests in Dollar General following the Merger or through cash investments in Dollar General.
- (3) In connection with the Merger, we entered into (i) a \$1.125 billion senior secured asset-based revolving credit facility with a six-year maturity; and (ii) a \$2.3 billion senior secured term loan facility with a seven-year maturity, \$2.3 billion of which was borrowed on the closing date (collectively, the "New Credit Facilities"). As of November 2, 2007, we had \$302.0 million in borrowings outstanding under our new senior secured asset-based revolving credit facility and \$2.3 billion of borrowings outstanding under our new senior secured term loan facility.

## USE OF PROCEEDS

The exchange offer is intended to satisfy our obligations under the registration rights agreement that we entered into in connection with the private offering of the outstanding notes. We will not receive any cash proceeds from the issuance of the exchange notes in the exchange offer. As consideration for issuing the exchange notes as contemplated in this prospectus, we will receive in exchange a like principal amount of outstanding notes, the terms of which are identical in all material respects to the exchange notes, except that the exchange notes will not contain terms with respect to transfer restrictions or additional interest upon a failure to fulfill certain of our obligations under the registration rights agreements. The outstanding notes that are surrendered in exchange for the exchange notes will be retired and cancelled and cannot be reissued. As a result, the issuance of the exchange notes will not result in any change to our capitalization.

## UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL INFORMATION

The following unaudited pro forma condensed consolidated statements of operations have been developed by applying pro forma adjustments to our historical consolidated statements of operations. We were acquired on July 6, 2007 through a merger accounted for as a reverse acquisition. Although we continued as the same legal entity after the merger, the accompanying unaudited pro forma condensed consolidated financial information is presented for the "Predecessor" and "Successor" relating to the periods preceding and succeeding the merger, respectively. As a result of the Transactions, we applied purchase accounting standards and a new basis of accounting effective July 7, 2007. The unaudited pro forma condensed consolidated statements of operations for the year ended February 2, 2007 and the 39 weeks ended November 2, 2007 give effect to the Transactions as if they had occurred on February 4, 2006 and February 3, 2007, respectively. Assumptions underlying the pro forma adjustments are described in the accompanying notes, which should be read in conjunction with these unaudited pro forma condensed consolidated financial statements.

The unaudited pro forma adjustments are based upon available information and certain assumptions that we believe are reasonable under the circumstances. The unaudited pro forma condensed consolidated financial information is presented for informational purposes only. The unaudited pro forma condensed consolidated financial information does not purport to represent what our results of operations would have been had the Transactions actually occurred on the dates indicated, and they do not purport to project our results of operations or financial condition for any future period. The unaudited pro forma condensed consolidated statements of operations should be read in conjunction with the information contained in "The Transactions," "Selected Historical Consolidated Financial and Other Data," "Management's Discussion and Analysis of Results of Operations and Financial Condition" and the consolidated financial statements and related notes thereto appearing elsewhere in this prospectus. All pro forma adjustments and their underlying assumptions are described more fully in the notes to our unaudited pro forma condensed consolidated statements of operations.

## NOTES TO UNAUDITED PRO FORMA CONDENSED CONSOLIDATED STATEMENTS OF OPERATIONS

(a) Represents the estimated impact on cost of goods sold of the adjustment to fair value of the property and equipment at our distribution centers.

(b) Primarily represents depreciation and amortization of the fair value adjustments related to tangible and intangible long-lived assets. Identifiable intangible assets with a determinable life have been amortized on a straight-line basis in the unaudited pro forma consolidated statements of operations over a period ranging from 2 to 17.5 years. The primary fair value adjustments (on which the pro forma adjustments are based) were to leasehold interests (\$186 million), property and equipment (\$69 million) and internally developed software (\$12 million). These unaudited pro forma condensed consolidated financial statements reflect a preliminary allocation to tangible assets, liabilities, goodwill and other intangible assets. The final purchase price allocation may result in a different allocation for tangible and intangible assets than that presented in these unaudited pro forma condensed consolidated financial statements. An increase or decrease in the amount of purchase price allocated to amortizable assets would impact the amount of annual depreciation and amortization expense. This adjustment also includes annual management fees of \$5.0 million that will be payable to affiliates of certain of the Investors subsequent to the closing of the Transactions (which fee shall be increased by 5% for each succeeding year during the term of the agreement).

(c) Represents \$101.4 million of charges that are non-recurring in nature and directly attributable to the Transactions. Such charges are comprised of \$39.4 million of stock compensation expense from the acceleration of unvested stock options, restricted stock and restricted stock units as required by the Transactions and \$62.0 million of transaction costs we incurred that were expensed as one-time charges upon the close of the Transactions. Such adjustments do not include any adjustments to reflect the effects of our new stock based compensation plan.

(d) Reflects pro forma interest expense resulting from our new capital structure as follows:

	Predecessor	
	Fiscal Year Ended February 2, 2007	Period Ended July 6, 2007
Revolving credit facility(1)	\$ 21.4	\$ 8.9

Other existing debt obligations(6)	7.2	3.0
	421.3	175.6
Total cash interest expense	421.3	175.6
Amortization of capitalized debt issuance costs and debt discount(7)	9.8	4.1
Amortization of discounted liabilities(8)	8.5	3.5
Other(9)	(2.7)	0.6

Total pro forma interest expense	436.9	183.8
Less historical interest expense	(34.9)	(10.3)
	402.0	173.5
Net adjustment to interest expense	\$ 402.0	\$ 173.5

(1) The \$1.125 billion revolving credit facilities are expected to carry an interest rate of 3-month LIBOR of 5.32% plus 1.50% for tranche A loans and 3-month LIBOR of 5.32% plus 2.25% for tranche A-1 loans. Reflects assumed borrowings of \$175.0 million under tranche A and

\$125.0 million under tranche A-1. Such levels of borrowings will fluctuate in future periods dependent upon short term cash needs. Changes in the levels of borrowings would impact interest expense.

- (2) Reflects interest on the \$2.3 billion term loan facility at a rate of LIBOR plus 2.75%. To hedge against interest rate risk, we have entered into a swap agreement with respect to a \$2.0 billion notional amount for 4.93%. This swap agreement became effective as a result of the acquisition on July 31, 2007 and will amortize on a quarterly basis until maturity at July 31, 2012. The unhedged portion of the facility is reflected at an interest rate of LIBOR of 5.32% plus 2.75%.
  - (3) Reflects interest on the senior notes and senior subordinated notes at the interest rates set forth on the cover of this prospectus. Assumes the cash interest payment option has been elected with respect to all of the senior subordinated notes.
  - (4) Represents fees on balances of trade letters of credit of \$141.2 million at 0.75% and standby letters of credit of \$40.7 million at 1.50%.
  - (5) Represents commitment fees of 0.375% on the \$612.1 million unutilized balance of the revolving credit facility at July 6, 2007. Outstanding letters of credit noted in (4) above reduce the availability under the revolving credit facility.
  - (6) Represents historical interest expense on other existing indebtedness.
  - (7) Represents debt issuance costs associated with the new bank facilities amortized using the effective interest method over 6 years for the revolving facility, 7 years for the term loan facility, 8 years for the new senior notes, 10 years for the new senior subordinated notes and 8 years for other capitalized debt issuance costs. Also includes the amortization of debt discount of the senior notes.
  - (8) Represents interest expense on long-term liabilities which were discounted as a result of the business combinations.
  - (9) Represents an adjustment to historical interest expense to reflect the effect of the adoption of current accounting standards for income taxes (see note (e)), offset by capitalized interest expense.
- (e) Represents the tax effect of the pro forma adjustments, calculated at effective rates of 54.1% for the 39-week period ended November 2, 2007 and 36.7% for the fiscal year ended February 2, 2007. The effective tax rate, a benefit, applied to the pro forma changes for the 39 week period ended November 2, 2007, reflects the pro forma elimination of non-deductible transaction costs from income before taxes. The pro forma income tax expense for the year ended February 2, 2007 has been adjusted to reflect changes required by FIN 48 as if FIN 48 had been adopted as of the beginning of the year.

## RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth the ratio of our earnings to our fixed charges for the periods indicated.

Ratios of earnings to fixed charges(1)	Historical							Pro Forma		
	Predecessor						Successor

- (1) For purposes of computing the ratio of earnings to fixed charges, (a) earnings consist of net income (loss) before income taxes plus fixed charges less capitalized expenses related to indebtedness (amortization expense for capitalized interest is not significant) and (b) fixed charges consist of all interest expense (whether expensed or capitalized), amortization of debt issue costs and discounts related to indebtedness, and a portion of rent expense representative of interest factored therein.
- (2) To give effect to the increase in interest expense resulting from the portion of the notes proceeds used to retire the \$198.3 million of our 8<sup>5</sup>/<sub>8</sub> % unsecured notes due June 15, 2010, as if such transactions had occurred at the beginning of the periods presented.
- (3) For the period from July 7, 2007 through November 2, 2007, fixed charges exceeded earnings by \$94.6 million.
- (4) For the 39 weeks ended November 2, 2007, pro forma fixed charges exceeded earnings by \$91.4 million.

## MANAGEMENT'S DISCUSSION AND ANALYSIS OF RESULTS OF OPERATIONS AND FINANCIAL CONDITION

*The following discussion and analysis of our financial condition and results of operations covers periods prior to and following the closing of the Transactions. The discussion and analysis of historical periods prior to the closing of the Transactions does not reflect the significant impact that the Transactions have had and will have on us, including significantly increased leverage and liquidity requirements.*

*You should read the following discussion of our results of operations and financial condition with the "Unaudited Pro Forma Condensed Consolidated Financial Information," "Selected Historical Consolidated Financial and Other Data" and the audited and unaudited historical consolidated financial statements and related notes included elsewhere in this prospectus. This discussion contains forward-looking statements and involves numerous risks and uncertainties, including, but not limited to, those described in the "Risk Factors" section of this prospectus. Actual results may differ materially from those contained in any forward-looking statements.*

### General

*Purpose of Discussion.* We intend for this discussion to provide the reader with information that will assist in understanding our company and the critical economic factors that affect our company. In addition, we hope to help the reader understand our financial statements, the changes in certain key items in those financial statements from period to period, and the primary factors that accounted for those changes, as well as how certain accounting principles affect our financial statements.

*Accounting Periods.* We follow the concept of a 52-53 week fiscal year that ends on the Friday nearest to January 31. The following text contains references to years 2007, 2006, 2005 and 2004, which represent fiscal years ending or ended February 1, 2008, February 2, 2007, February 3, 2006 and January 28, 2005, respectively. Fiscal year 2007 will be and fiscal years 2006 and 2004 were each 52-week accounting periods, while fiscal 2005 was a 53-week accounting period, which affects the comparability of certain amounts in the consolidated financial statements included elsewhere in this prospectus and financial ratios between 2005 and the other fiscal years reflected herein. As discussed below, we completed a merger transaction on July 6, 2007. The 2007 39-week period presented includes the 22-week Predecessor period of Dollar General Corporation through July 6, 2007 reflecting the historical basis of accounting, and a year-to-date Successor period, reflecting the impact of the business combination and associated purchase price allocation of the merger of Dollar General Corporation and Buck Acquisition Corp. ("Buck"), from July 7, 2007 to November 2, 2007. For comparison purposes, the discussion of results of operations below for the interim 39-week periods is generally based on the mathematical combination of the Successor and Predecessor periods for the 39-week period ended November 2, 2007 compared to the Predecessor 39-week period ended November 3, 2006, which we believe provides a meaningful understanding of the underlying business. Transactions relating to or resulting from the Merger are discussed separately. The combined results do not reflect the actual results we would have achieved absent the Merger and should not be considered indicative of future results of operations.

*The Merger.* On March 11, 2007, we entered into an Agreement and Plan of Merger (the "Merger Agreement") with Parent and Buck. Parent is and Buck was prior to the Merger controlled by investment funds affiliated with Kohlberg Kravis Roberts & Co., L.P. ("KKR"). On July 6, 2007, we consummated a merger (the "Merger") of Buck with and into Dollar General, with Dollar General surviving the Merger as a subsidiary of Parent. Pursuant to the Merger Agreement, the former holders of our common stock received \$22.00 per share, or approximately \$6.9 billion. In addition, fees and expenses related to the Merger and the related financing transactions totaling \$102.6 million, principally consisting of investment banking fees, management fees, legal fees and stock compensation expense (\$39.4 million) are reflected in the 2007 results of operations. Capitalized debt issuance costs related to

the Merger totaled \$86.8 million. The Merger consideration was funded through the use of our available cash, cash equity contributions from the Investors, equity contributions of certain members of our management and the debt financings discussed below. As a result of the Merger, our outstanding common stock is owned by Parent and certain members of management. Our common stock is no longer registered with the Securities and Exchange Commission ("SEC") and is no longer traded on a national securities exchange.

The following transactions occurred in conjunction with the Merger:

- We entered into a credit agreement and related security and other agreements consisting of a \$2.3 billion senior secured term loan facility. See "Description of Other Indebtedness."
- We entered into a credit agreement and related security and other agreements consisting of a senior secured asset-based revolving credit facility of up to \$1.125 billion (of which \$302.0 million is outstanding at November 2, 2007), subject to borrowing base availability. See "Description of Other Indebtedness."
- We terminated the revolving loans and paid in full all interest and all other amounts due in connection with such termination under the pre-Merger senior credit facility. We also terminated commercial letters of credit totaling approximately \$141.2 million and standby letters of credit totaling approximately \$40.7 million and replaced those letters of credit with new letters of credit under the asset-based revolving credit facility.
- We issued \$1.175 billion aggregate principal amount of senior notes and \$725 million aggregate principal amount of senior subordinated notes. We entered into a registration rights agreement with respect to the senior notes and the senior subordinated notes pursuant to which we have agreed to use commercially reasonable efforts to register with the SEC new notes having substantially identical terms as the senior notes and new notes having substantially identical terms as the senior subordinated notes. Once registered, we will offer to exchange the new notes for the outstanding senior notes and the outstanding senior subordinated notes. See "Description of Senior Notes" and "Description of Senior Subordinated Notes."
- We completed a cash tender offer for our 8<sup>5</sup> / 8 % unsecured notes due June 15, 2010 (the "2010 Notes"). Approximately 99% of the 2010 Notes were validly tendered and accepted for payment in that tender offer. We also executed a supplemental indenture governing the 2010 Notes that were not tendered in the tender offer which eliminated substantially all of the restrictive covenants contained in the indenture pursuant to which the 2010 Notes were issued.
- We entered into a monitoring agreement and an indemnity agreement with affiliates of certain of the Investors pursuant to which we will pay to those entities an aggregate annual management fee of \$5 million, which amount will increase by 5% annually, along with reimbursement of out-of-pocket expenses incurred in connection with the provision of services under the agreement. Those entities are also entitled to receive a fee equal to 1% of the gross transaction value in connection with certain subsequent financing, acquisition, disposition, and change in control transactions, as well as a termination fee in the event of an initial public offering or under certain other circumstances. Pursuant to the terms of the indemnity agreement, we have agreed to customary exculpation and indemnification provisions in favor of these entities and their affiliates. See "Certain Relationships and Related Party Transactions."
- We named David L. Beré as our Interim Chief Executive Officer and entered into an employment agreement with him upon the resignation of our former Chief Executive Officer, David A. Perdue (we subsequently named Richard W. Dreiling as our Chief Executive Officer in January 2008 and entered into an employment agreement with him).

- We entered into agreements with certain members of management pursuant to which they elected to invest in Dollar General, as the surviving corporation in the Merger, through a cash investment, a rollover of employee stock options, a rollover of shares of Dollar General common stock, or a combination thereof. See "Certain Relationships and Related Party Transactions."
- We entered into stockholder agreements with certain members of management that, among other things, contain agreements among the parties with respect to restrictions on the transfer of the shares, including tag-along rights, drag-along rights, registration rights (including customary indemnification provisions) and call options and put options. See "Certain Relationships and Related Party Transactions."

## Executive Overview

We are the largest discount retailer in the United States by number of stores, with approximately 8,200 stores located in 35 states, primarily in the southern, southwestern, midwestern and eastern United States. We serve a broad customer base and offer a focused assortment of everyday items, including basic consumable merchandise and other home, apparel and seasonal products. A majority of our products are priced at \$10 or less and approximately 30% of our products are priced at \$1 or less. We offer a compelling value proposition for our customers based on convenient store locations, easy in and out shopping and highly competitive prices. We believe our combination of value and convenience distinguishes us from other discount, convenience and drugstore retailers, who typically focus on either value or convenience.

The nature of our business is moderately seasonal. Primarily because of sales of holiday-related merchandise, sales in the fourth quarter have historically been higher than sales achieved in each of the first three quarters of the fiscal year. Expenses and, to a greater extent, operating income vary by quarter. Results of a period shorter than a full year may not be indicative of results expected for the entire year. Furthermore, the seasonal nature of our business may affect comparisons between periods.

For the 39 weeks ended November 2, 2007, we had a net loss of \$68.2 million compared to net income of \$87.9 million for the 39 weeks ended November 2, 2006. In summary, net sales increased by \$319.8 million in the 2007 period, or 4.8%, aided by new stores and a same store net sales increase of 2.8%, our gross profit increased \$180.8 million, or 10.5%, resulting in a 141 basis point increase in gross profit as compared to the prior year period. The increase in gross profit was offset by an increase in selling, general and administrative ("SG&A") expenses of \$174.5 million, or 143 basis points as compared to the prior year period. In addition, the current year period included \$102.6 million of transaction related expenses and a \$131.8 million increase in interest expense resulting from long-term debt incurred to finance the merger. See detailed discussions below for additional comments on financial performance in the current year period as compared with the prior year period.

For 2006, we reported net income of \$137.9 million compared to net income of \$350.2 million for 2005. Net sales for 2006 increased by 6.8% over the prior year, aided by new stores and a same store net sales increase of 3.3% (based on the comparable 52-week period). The extra week in 2005 accounted for net sales of approximately \$162.9 million. Our gross profit margin was 25.8% in 2006 compared to 28.7% in 2005, primarily due to increased markdowns and expenses associated with our 2006 strategic initiatives as further discussed below under "Results of Operations." Operating expenses, as a percentage of net sales, were 23.1% in 2006 compared to 22.2% in 2005, resulting from charges directly related to the strategic store closings and a \$29.9 million increase in advertising expenses, a portion of which can be attributed to the inventory liquidation and store closing initiatives. Additionally, administrative salaries, incentive bonuses and related payroll taxes (excluding benefits) increased by \$25.0 million resulting from the approval of a \$9.6 million discretionary bonus to approximately 7,000 administrative and distribution center employees and the addition of executives and staff to support our strategic efforts, particularly in merchandising and real estate. Partially

offsetting these amounts were insurance proceeds of \$13.0 million received during 2006 related to losses we experienced due to Hurricane Katrina.

We have made significant progress in our efforts, first announced in November 2006, to minimize the amount of merchandise in our stores that we carry over to subsequent periods ("packaway") as a part of Project Alpha. We identified the targeted packaway inventories in 2006 and launched programs to sell-through this inventory, eliminating over half of the targeted merchandise by the end of fiscal 2006. As of November 2, 2007 with the exception of certain holiday seasonal merchandise and winter apparel that we expect to sell in the fourth quarter, substantially all of the packaway inventory had been sold. In 2007 we have also taken end-of-season markdown on current merchandise and going forward, we plan to sell virtually all current-year non-replenishable merchandise by taking end-of-season markdowns to permit increased levels of newer, current-season merchandise in the future.

In November 2006, we also announced the second element of Project Alpha—significant changes to our real estate strategy, including our intention to close, by the end of fiscal 2007, approximately 400 stores that do not meet our revised real estate criteria. For the 39 weeks ended November 2, 2007, we opened 323 new stores, closed 348 stores and, remodeled or relocated 214 stores. The majority of these new, remodeled and relocated stores are in our new "racetrack" store layout.

In addition to the strategic initiatives discussed above, we are now increasingly focused on generating increased cash flows and improving profitability and we are in the early stages of implementing certain targeted retail practices which are expected to positively impact our gross profit, sales productivity and capital efficiency, including:

- better merchandising and category management, SKU rationalization and space reallocation with an increased focus on gross profit margin, returns per square foot and shrink reduction;
- optimizing our real estate strategies by establishing a comprehensive real estate review program based on new processes and technology directed with a more disciplined approach;
- implementing zone pricing across our store base;
- increasing foreign direct sourcing;
- increasing private label penetration with greater consistency; and
- improving distribution and transportation logistics.

(a) The 39 weeks ended November 2, 2007 represents the mathematical combination of the Predecessor through July 6, 2007 and Successor from July 7, 2007 through November 2, 2007 as included in the condensed consolidated financial statements. These results also include the operations of Buck for the period prior to the Merger from March 6, 2007 (Buck's date of formation) through July 6, 2007 (primarily the change in fair value of interest rate swaps.) This presentation does not comply with generally accepted accounting principles, but we believe this combination provides a meaningful method of comparison.

### 39 Weeks Ended November 2, 2007 and November 3, 2006

**Net Sales.** For the 39-week period ended November 2, 2007, we had net sales of \$6.94 billion, an increase of \$319.8 million, or 4.8%, compared to net sales of \$6.62 billion for the 2006 period. This increase included a same-store sales increase of 2.8% for the 2007 period compared to the 2006 period,

which accounted for approximately \$176.6 million of the increase in sales. Same store net sales were positively impacted by an increase in the average dollar value of transactions during the period, partially offset by a slight decrease in the number of same store transactions.

We monitor our sales internally by the four major categories noted above: highly consumable, seasonal, home products and basic clothing. Generally, over the past several years, sales in the highly consumable category have become a greater percentage of our overall sales mix while the sales of home products and basic clothing have declined as a percentage of net sales, which has had a negative impact on our gross profit, as a percentage of sales. We believe the shift has been caused in part by changes in customers' needs and also by our efforts to attract and retain customers by broadening our consumable products offering and including more recognizable brands. Because of the impact of sales mix on gross profit, we continually review our merchandise mix and strive to adjust it when appropriate.

*Gross Profit.* For the 2007 period, our gross profit increased by approximately \$180.8 million and our gross profit as a percentage of sales increased to 27.4% from 26.0% in the 2006 period, which included Alpha-related below-cost markdowns of \$71.2 million (or 1.1% as a percentage of sales). The remainder of the increase in the 2007 period resulted from various factors, including higher purchase markups, partially offset by higher shrink and higher markdowns, including markdowns incurred to eliminate our inventory packaway strategy. We are on schedule to achieve our plans with regard to the sale of existing packaway inventories by the end of fiscal 2007, and we intend to continue our initiative to sell virtually all current-year non-replenishable merchandise by taking end-of-season markdowns to permit increased levels of newer, current-season merchandise in the future.

*SG&A Expense.* For the 2007 period, SG&A increased by \$174.5 million, to 25.0% of sales from 23.5% of sales in the 2006 period. SG&A includes approximately \$54.3 million in the 2007 period relating to expenses incurred in connection with eliminating packaway inventories and closing the remaining stores identified in our November 2006 strategic review, including lease contract termination costs, incremental labor and advertising, repairs, fixed asset disposals and third-party contractors. In addition, SG&A in the 2007 period includes amortization of \$13.4 million resulting from the capitalization of below market leases in the asset revaluation, \$12.3 million of accrued employee incentive compensation expense (none in the 2006 period) resulting from meeting certain financial targets to date, and approximately \$12.0 million relating to the probable loss associated with the restructuring of leases related to certain of our distribution centers. SG&A in the 2006 period was net of insurance proceeds of \$13.0 million received during the period for business interruption insurance coverage relating to Hurricane Katrina, partially offset by an \$8.0 million impairment charge relating to the strategic store closings. Excluding the impact of amortization, store closing and distribution center related expenses, incentive compensation and the Hurricane Katrina related insurance proceeds, SG&A as a percentage of sales was essentially flat.

*Transaction and Related Costs.* The \$102.6 million of expenses recorded in the 2007 period reflect \$63.2 million of expenses related to the Merger, such as investment banking and legal fees, as well as \$39.4 million of compensation expense related to stock options, restricted stock and restricted stock units.

*Interest Income.* Interest income increased by approximately \$2.7 million in the 2007 period as compared to the 2006 period due to higher average levels of cash and short-term investments on hand during the period.

*Interest Expense.* Interest expense increased by \$131.8 million in the 2007 period, primarily in the 17-week Successor period, as compared to the 2006 period due to interest on long-term obligations incurred to finance the Merger. See further discussion under "Liquidity and Capital Resources" below.

**Loss on Debt Retirement.** During the 2007 period, we recorded \$6.2 million in expenses related to consent fees and other costs associated with a tender offer for our 2010 Notes. Approximately 99% of the 2010 Notes were retired as a result of the tender offer.

**Loss on Interest Rate Swaps.** During the 2007 period, we recorded an unrealized loss of \$3.7 million related to the change in the fair value of interest swaps prior to designating such swaps as cash flow hedges. This loss was offset by earnings of \$1.7 million under the contractual provisions of the swap agreements.

**Income Taxes.** The effective income tax rates for the 2007 and 2006 periods were 24.7% and 38.6%, respectively. The tax rate for the 2007 period, a benefit, is lower than that of the 2006 period due principally to non-deductible expenses incurred in association with the Merger.

**Fiscal Years Ended February 2, 2007, February 3, 2006 and January 28, 2005**

The following discussion of our financial performance is based on the consolidated financial statements included elsewhere in this prospectus. The following table contains results of operations data for the 2006, 2005 and 2004 fiscal years, and the dollar and percentage variances among those years.

(a) Includes the impacts of certain strategic initiatives as more fully described in the "Executive Overview" above.

(b) The 2005 fiscal year was comprised of 53 weeks.

*Net Sales.* Increases in 2006 net sales resulted primarily from opening additional stores, including 300 net new stores in 2006, and a same store net sales increase of 3.3% for 2006 compared to 2005. Same store net sales increases are calculated based on the comparable calendar weeks in the prior year. Accordingly, the same store net sales percentages discussed herein exclude sales from the 53rd week of 2005 as there was no comparable week in 2006 or 2004. The increase in same store net sales accounted for \$265.4 million of the increase in net sales, while stores opened since the beginning of 2006 were the primary contributors to the remaining \$322.2 million net sales increase during 2006. The increase in same store net sales is primarily attributable to an increase in average customer purchase. We also believe that our strategic merchandising and real estate initiatives had a positive impact on 2006 net sales.

By merchandise category, our net sales increase in 2006 compared to 2005 was primarily attributable to the highly consumable category, which increased by \$415.5 million, or 7.4%. An increase in net sales of seasonal merchandise of \$161.2 million, or 12.0%, also contributed to overall net sales growth. We believe that our increased sales were supported by additions to our product offerings and increased promotional activities, including the use of advertising circulars and clearance activities.

Increases in 2005 net sales resulted primarily from opening additional stores, including 609 net new stores in 2005, and a same store net sales increase of 2.2% for 2005 compared to 2004. The increase in same store net sales accounted for \$164.5 million of the increase in net sales. Stores opened since the beginning of 2004, as well as the \$162.9 million impact of the 53rd week of sales in 2005 for all stores, were the primary contributors to the remaining \$756.8 million net sales increase during 2005. The increase in same store net sales was primarily attributable to an increase in average customer purchase.

*Gross Profit.* The gross profit margin decline in 2006 as compared with 2005 was due primarily to a significant increase in markdown activity as a percentage of net sales, including below-cost markdowns, as a result of our inventory liquidation and store closing initiatives. While we believe these initiatives had a positive impact on net sales, they had a negative impact on our gross profit margin in 2006. In total, our gross margin rate declined by 289 basis points to 25.8% in 2006 compared to 28.7% in 2005. Significantly impacting our gross profit margin, as a result of the related effect on cost of goods sold, were total markdowns of \$279.1 million at cost taken during 2006, compared with total markdowns of \$106.5 million at cost taken in 2005. The 2006 markdowns reflect \$179.9 million at cost taken during the fourth quarter of 2006 compared to \$39.0 million of markdowns at cost taken during the fourth quarter of 2005. The fourth quarter 2006 change in merchandising strategy also resulted in our ending inventory being valued lower than under our historical practices, as ending inventory on-hand as of February 2, 2007 reflects the immediate impact of the markdowns at the time such markdowns were taken. Markdowns which were expected to reduce inventory below cost were considered in our lower of cost or market estimate and recorded at such time as the utility of the underlying inventory was deemed to be impaired. During the third quarter of fiscal 2006, we recorded a lower of cost or market inventory impairment estimate related to the initiatives discussed above, and this estimate was revised slightly in the fourth quarter such that the impact for fiscal 2006 was \$70.2 million, which reduced 2006 gross profit by a corresponding amount. Markdowns which are not below cost impact our gross profit in the period in which such markdowns are taken. A portion of the total markdowns taken during the fourth quarter were related to the inventory included in our lower of cost or market estimate, thereby reducing our estimated reserve for such inventory as of the end of fiscal 2006 to \$49.2 million. Other factors included, but were not limited to: a decrease in the markups on purchases, primarily attributable to purchases of highly consumable products (including nationally branded products, which generally have lower average markups) and an increase in our shrink rate.

Our gross profit margin declined by 82 basis points in 2005 as compared with 2004 due to a number of factors, including but not limited to: lower net sales (as a percentage of total net sales) in

our seasonal, home products and basic clothing categories, which have higher than average markups; an increase in markdowns as a percentage of net sales primarily as a result of our initiative to reduce per-store inventory; higher transportation expenses, primarily attributable to increased fuel costs; an increase in our shrink rate; and an estimated \$5.2 million reduction resulting from the expansion of the number of departments utilized for the gross profit calculation from 10 to 23, as further described below under "Critical Accounting Policies and Estimates." These factors were partially offset by higher average mark-ups on our beginning inventory in 2005 as compared with 2004.

In 2006, 2005 and 2004, we experienced inventory shrinkage, stated as a percentage of net sales, of 3.40%, 3.22% and 3.05%, respectively.

*SG&A Expense.* The increase in SG&A expense as a percentage of net sales in 2006 as compared with 2005 was due to a number of factors, including but not limited to increases in the following expense categories: impairment charges on leasehold improvements and store fixtures totaling \$9.4 million, including \$8.0 million related to the planned closings of approximately 400 underperforming stores, 128 of which closed in 2006 and the remainder of which closed in 2007, as further discussed above in the "Executive Overview"; lease contract terminations totaling \$5.7 million related to these stores; higher store occupancy costs (increased 12.1%) due to higher average monthly rentals associated with our leased store locations; higher debit and credit card fees (increased 40.6%) due to the increased customer usage of debit cards and the acceptance of VISA credit and check cards at all locations; higher administrative labor costs (increased 29.9%) primarily related to additions to our executive team, particularly in merchandising and real estate, and the expensing of stock options; higher advertising costs (increased 198.3%) related primarily to the distribution of several advertising circulars in 2006 and to promotional activities related to the inventory clearance and store closing activities discussed above; and higher incentive compensation primarily related to a \$9.6 million discretionary bonus authorized by the Board of Directors for 2006. These increases were partially offset by insurance proceeds of \$13.0 million received during 2006 related to losses incurred due to Hurricane Katrina, and depreciation and amortization expenses that remained relatively constant in fiscal 2006 as compared to fiscal 2005.

The decrease in SG&A expense as a percentage of net sales in 2005 as compared with 2004 was due to a number of factors, including but not limited to the following expense categories that either declined or increased less than the 12.0% increase in net sales: employee incentive compensation expense (decreased 37.8%), based upon our fiscal 2005 financial performance; professional fees (decreased 32.3%), primarily due to the reduction of consulting fees associated with the EZstore project and 2004 fees associated with our initial Sarbanes-Oxley compliance effort; and employee health benefits (decreased 10.0%), due in part to a downward revision in claim lag assumptions based upon review and recommendation by our outside actuary and decreased claims costs as a percentage of net sales. Partially offsetting these reductions in SG&A expense were current year increases in store occupancy costs (increased 17.6%), primarily due to rising average monthly rentals associated with our leased store locations, and store utilities costs (increased 22.7%), primarily related to increased electricity and gas expense.

*Interest Income.* The decline in interest income in 2006 compared to 2005 was due primarily to the acquisition of the entity which held legal title to our South Boston distribution center in June 2006 and the related elimination of the notes receivable which represented debt issued by this entity from which we formerly leased the South Boston distribution center. The increase in interest income in 2005 compared to 2004 was due primarily to earnings on short-term investments due to increased interest rates on these investments.

*Interest Expense.* The increase in interest expense in 2006 was primarily attributable to increased interest expense of \$6.5 million under our former revolving credit facility, primarily due to increased borrowings; an increase in tax-related interest of \$4.1 million, principally due to the non-recurrence in

2006 of a 2005 reduction in accrued interest related to contingent tax liabilities, partially offset by a reduction in interest expense associated with the elimination of the financing obligation associated with the June 2006 acquisition of the entity which held legal title to the South Boston distribution center as discussed above. The decrease in interest expense in 2005 is primarily attributable to a reduction in tax-related interest expense of \$1.4 million, principally due to the reversal of interest accruals pertaining to certain income tax related contingencies that were resolved during 2005. We had variable-rate debt of \$14.5 million as of February 2, 2007 and February 3, 2006. The remainder of our outstanding indebtedness at February 2, 2007 and February 3, 2006 was fixed rate debt.

*Income Taxes.* The effective income tax rates for 2006, 2005 and 2004 were 37.4%, 35.7% and 35.6%, respectively.

The 2006 income tax rate was higher than the 2005 rate by 1.7%. Factors contributing to this increase include additional expense of approximately \$0.9 million related to the adoption of a new tax system in the State of Texas, which resulted in the elimination of certain deferred tax assets that had been recorded in prior years; an increase of approximately \$0.9 million in expense related to our current year tax liability under the revised State of Texas tax system; a reduction in the contingent income tax reserve due to the resolution of contingent liabilities that was \$2.0 million less than the decrease that occurred in 2005; an increase in the deferred tax valuation allowance of approximately \$3.2 million related to state income tax credits; and an increase of \$2.6 million related to a benefit recognized in 2005 resulting from an internal restructuring. Offsetting these rate increases was a reduction in the income tax rate related to federal income tax credits. Due to the reduction in our 2006 income before tax, a small increase in the amount of federal income tax credits earned yielded a much larger percentage reduction in the income tax rate for 2006 versus 2005.

While the 2005 and 2004 rates were similar overall, the rates contained offsetting differences. Factors causing the 2005 tax rate to increase when compared to the 2004 tax rate include a reduction in federal jobs credits of approximately \$1.0 million, additional net foreign income tax expense of approximately \$0.8 million and a decrease in the contingent income tax reserve due to resolution of contingent liabilities that was \$3.6 million less than the decrease that occurred in 2004. Factors causing the 2005 tax rate to decrease when compared to the 2004 tax rate include the recognition of state tax credits of approximately \$2.3 million related to the construction of our Indiana distribution center and a benefit of approximately \$2.6 million related to an internal restructuring that was completed during 2005. The overall effect of these items increased the 2005 effective tax rate by approximately 0.8%.

### **Effects of Inflation**

We believe that inflation and/or deflation had a minimal impact on our overall operations during the fiscal years 2006, 2005 and 2004, and the interim periods of fiscal 2007.

### **Liquidity and Capital Resources**

*Current Financial Condition / Recent Developments.* At November 2, 2007, we had total debt (including the current portion of long-term obligations) of \$4,509.8 million and cash and cash equivalents of \$90.5 million. Our net debt position increased significantly during the first 39 weeks of 2007 due to the financings that occurred in conjunction with the Merger. We also had an additional \$710.5 million available for borrowing under our new senior secured asset-based revolving credit facility at that date. Our liquidity needs are significant, primarily due to our debt service and other obligations.

Management believes our cash flow from operations and existing cash balances, combined with availability under the New Credit Facilities (defined and described below), will provide sufficient liquidity to fund our current obligations, projected working capital requirements and capital spending for a period that includes the next twelve months.

*Inventory Management.* Our inventory balance represented approximately 47% of our total assets exclusive of goodwill and other intangible assets as of November 2, 2007. Our proficiency in managing our inventory balances can have a significant impact on our cash flows from operations during a given period or fiscal year. In addition, inventory purchases can be somewhat seasonal in nature, such as the purchase of warm-weather or Christmas-related merchandise. Inventory turns, calculated on a rolling annualized basis using balances from each quarter, were 4.6 times for the period ended November 2, 2007 compared to 4.1 times for the period ended November 3, 2006 (a 53-week period).

*Legal actions and claims.* As described in Note 7 to the Condensed Consolidated Financial Statements, we are involved in a number of legal actions and claims, some of which could potentially result in material cash payments. Adverse developments in those actions could materially and adversely affect our liquidity. We also have certain income tax-related contingencies as more fully described below under "Critical Accounting Policies and Estimates." Future negative developments could have a material adverse effect on our liquidity.

*Considerations regarding distribution center leases.* The Merger and certain of the related financing transactions may be interpreted as giving rise to certain trigger events (which may include events of default) under our three distribution center leases. In that event, our additional cost of acquiring the underlying land and building assets could approximate \$112 million. At this time, we do not believe such issues would result in the purchase of these distribution centers; however, the payments associated with such an outcome would have a negative impact on our liquidity. To minimize the uncertainty associated with such possible interpretations, we are negotiating the restructuring of these leases and the related underlying debt. We have concluded that a probable loss exists in connection with the restructurings and have recorded associated SG&A expenses in the Successor financial statements for the year-to-date period ended November 2, 2007 totaling \$12.0 million. The ultimate resolution of these negotiations may result in changes in the amounts of such losses, which changes may be material.

*Credit ratings.* On June 12, 2007 Standard & Poor's revised our long-term debt rating to B, and left our long-term debt ratings on negative watch. Moody's revised our long-term debt rating to B3 with a stable outlook. These current ratings are considered non-investment grade. Our current credit ratings, as well as future rating agency actions, could (1) negatively impact our ability to obtain financings to finance our operations on satisfactory terms; (2) have the effect of increasing our financing costs; and (3) have the effect of increasing our insurance premiums and collateral requirements necessary for our self-insured programs.

Our debt includes a six-year \$1.125 billion senior secured asset-based revolving credit facility. This facility consists of Tranche A and Tranche A-1 Loans. The Tranche A-1 Loans will be funded first until all commitments under the Tranche A-1 loans have been funded and paid off last until after all Tranche A Loans have been paid. As of November 2, 2007, we had \$302.0 million in borrowings outstanding under our senior asset-based revolving credit facility. Our availability was also reduced by \$68.8 million of standby letters of credit and \$43.7 million of commercial letters of credit. In addition, we have a seven year \$2.3 billion senior secured term loan facility. This facility consists of two tranches, one of which is a "first-loss" tranche, which, in certain circumstances, will be subordinated in right of payment to the other tranche. See "Description of Other Indebtedness." We also issued \$1,175.0 million of eight-year 10.625% senior notes and \$725 million of 11.875%/12.625% senior subordinated toggle notes due 2017. See "Description of Notes."

#### *Cash flows*

The discussion of the cash flows from operating, investing and financing activities included below is generally based on the 39-week periods ended November 2, 2007 and November 3, 2006, which we believe provides a more meaningful understanding of our liquidity and capital resources for the time periods presented.

*Cash flows from operating activities.* Among the most significant components of the change in cash flows from operating activities in the 39 weeks ended November 2, 2007 as compared to the 39 weeks ended November 3, 2006 were changes in inventory balances, which increased by approximately 4% overall during the 39 weeks ended November 2, 2007 compared to a 14% overall increase during the 39 weeks ended November 3, 2006. Significant changes in inventory levels occurred in the highly consumable category, which increased by \$24.8 million, or 4%, in the 39 weeks ended November 2, 2007 as compared to a \$66.8 million, or 11%, increase in the 39 weeks ended November 3, 2006; the seasonal category, which increased by \$11.4 million, or 3%, in the 39 weeks ended November 2, 2007 as compared to a \$129.0 million, or 37%, increase in the 39 weeks ended November 3, 2006; and the home products category, which declined by \$14.4 million, or 9%, in the 39 weeks ended November 2, 2007 as compared to a \$11.5 million, or 6%, increase in the 39 weeks ended November 3, 2006; all of which were partially offset by the basic clothing category, which increased by \$32.0 million, or 14%, in the 39 weeks ended November 2, 2007 as compared to \$5.6 million, or 2%, decrease in the 39 weeks ended November 3, 2006. The decline in net income, as described in more detail above, and which includes \$102.6 million of Transaction and related costs in the 2007 period, partially offset other increases in cash flows from operating activities in the 2007 period as compared to the 2006 period. The decline in net income was a principal factor in the reduction in income taxes paid in the 2007 period as compared to the 2006 period. Also offsetting the decline in net income were changes in accrued expenses in the 2007 period as compared to the 2006 period which increased primarily due to accrued interest, the accrued loss in connection with ongoing negotiations to restructure our DC leases as discussed above, and accruals for lease liabilities on closed stores as discussed above.

Cash flows from operating activities for 2006 compared to 2005 declined by \$150.1 million. The most significant component of the decline in cash flows from operating activities in 2006 as compared to 2005 was the reduction in net income, as described in detail under "Results of Operations" above. Partially offsetting this decline are certain noncash charges included in net income, including below-cost markdowns on inventory balances and property and equipment impairment charges totaling \$78.1 million, and a \$13.8 million increase in noncash depreciation and amortization charges in 2006 as compared to 2005. In addition, the reduction in 2006 year end inventory balances reflect the effect of below-cost markdowns and our efforts to sell through excess inventories, as compared with increases in 2005 and 2004. Seasonal inventory levels increased by 2% in 2006 as compared to a 10% increase in 2005, home products inventory levels declined by 25% in 2006 as compared to a 2% increase in 2005, while basic clothing inventory levels declined by 21% in 2006 as compared to a 5% decline in 2005. Total merchandise inventories at the end of 2006 were \$1.43 billion compared to \$1.47 billion at the end of 2005, a 2.9% decrease overall, and a 6.4% decrease on a per store basis, reflecting both our focus on liquidating packaway merchandise and the effect of below-cost markdowns.

Cash flows from operating activities for 2005 compared to 2004 increased by \$164.0 million. The most significant component of the increase in cash flows from operating activities in the 2005 period as compared to the 2004 period was the change in inventory balances. Seasonal inventory levels increased by 10% in 2005 as compared to a 22% increase in 2004, home products inventory levels increased by 2% in 2005 as compared to a 16% increase in 2004, while basic clothing inventory levels declined by 5% in 2005 as compared to a 21% increase in 2004. Total merchandise inventories at the end of 2005 were \$1.47 billion compared to \$1.38 billion at the end of 2004, a 7.1% increase overall, but a 1% decrease on a per store basis, reflecting our 2005 focus on lowering our per store inventory levels.

*Cash flows from investing activities.* The Merger, as discussed in more detail above, required cash payments of approximately \$6.7 billion, net of cash acquired of \$350 million. Significant components of property and equipment purchases in the 39 weeks ended November 2, 2007 included the following approximate amounts: \$40 million for new stores; \$35 million for improvements, upgrades, remodels and relocations of existing stores; \$17 million for distribution and transportation-related capital

expenditures; and \$5 million for systems-related capital projects. During the 39 weeks ended November 2, 2007, we opened 323 new stores and remodeled or relocated 214 stores.

Significant components of our property and equipment purchases in the 39 weeks ended November 3, 2006 included the following approximate amounts: \$49 million for the EZstore project (an initiative designed to improve inventory flow from distribution centers to consumers); \$45 million for new stores; \$60 million for distribution and transportation-related capital expenditures (primarily related to our distribution center in Marion, Indiana); and \$30 million for capital projects in existing stores. During the 39 weeks ended November 3, 2006, we opened 408 new stores.

Net sales of short-term investments of \$14.3 million and purchases of long-term investments of \$21.4 million during the 39 weeks ended November 21, 2007, and net sales of short-term investments of \$0.1 million and purchases of long-term investments of \$21.5 million, during the 39 weeks ended November 3, 2006 primarily relate to our captive insurance subsidiary.

Capital expenditures for the 2007 fiscal year are projected to be approximately \$150 million to \$180 million. We anticipate funding our 2007 capital requirements with cash flows from operations and our New Credit Facilities, if necessary. Significant components of the 2007 capital plan include leasehold improvements and fixtures and equipment for approximately 360 new stores, continued investment in our existing store base, plans for remodeling and relocating approximately 300 stores, and additional investments in our supply chain. We plan to undertake these expenditures in order to improve our infrastructure and provide support for our anticipated growth.

Cash flows used in investing activities totaling \$282.0 million in 2006 were primarily related to capital expenditures and, to a lesser degree, purchases of long-term investments. Significant components of our property and equipment purchases in 2006 included the following approximate amounts: \$66 million for distribution and transportation-related capital expenditures (including approximately \$30 million related to our distribution center in Marion, Indiana which opened in 2006); \$66 million for new stores; \$50 million for the EZstore project; and \$38 million for capital projects in existing stores. During 2006 we opened 537 new stores and remodeled or relocated 64 stores.

Purchases and sales of short-term investments in 2006, which equaled net sales of \$1.9 million, reflect our investment activities in tax-exempt auction rate securities as well as investing activities of our captive insurance subsidiary. Purchases of long-term investments are related to the captive insurance subsidiary.

Significant components of our purchases of property and equipment in 2005 included the following approximate amounts: \$102 million for distribution and transportation-related capital expenditures; \$96 million for new stores; \$47 million related to the EZstore project; \$18 million for certain fixtures in existing stores; and \$15 million for various systems-related capital projects. During 2005, we opened 734 new stores and relocated or remodeled 82 stores. Distribution and transportation expenditures in 2005 included costs associated with the construction of our new distribution centers in South Carolina and Indiana.

Net sales of short-term investments in 2005 of \$34.1 million primarily reflect our investment activities in tax-exempt auction rate securities. Purchases of long-term investments are related to our captive insurance subsidiary.

Cash flows used in investing activities of \$259.2 million in 2004 were also primarily related to capital expenditures. Significant components of our purchases of property and equipment in 2004 included the following approximate amounts: \$101 million for distribution and transportation-related capital expenditures; \$82 million for new stores; \$26 million for certain fixtures in existing stores; \$26 million for various systems-related capital projects; and \$23 million for coolers in existing stores, which allow the stores to carry refrigerated products. During 2004, we opened 722 new stores and relocated or remodeled 80 stores. Distribution and transportation expenditures in 2004 included costs associated with the construction of our new distribution center in South Carolina as well as costs associated with the expansion of the Ardmore, Oklahoma and South Boston, Virginia distribution centers.

Net sales of short-term investments in 2004 of \$25.8 million primarily reflect our investment activities in tax-exempt auction rate securities.

*Cash flows from financing activities.* To finance the Merger, we issued long-term debt of approximately \$4.2 billion and issued common stock in the amount of approximately \$2.8 billion. As discussed above, we completed a cash tender offer for our 2010 Notes. Approximately 99% of the 2010 Notes were validly tendered resulting in repayments of long-term debt in the amount of \$210.3 million. We had borrowings, net of repayments, of \$302.0 million under our new asset-based revolving credit facility in the 39 weeks ended November 2, 2007 compared to borrowings, net of repayments, of \$232.3 million during the 39 weeks ended November 3, 2006 under our previous revolving credit facility. We repurchased approximately 4.5 million shares of our common stock during the 39 weeks ended November 3, 2006 at a total cost of \$79.9 million. We paid cash dividends of \$15.7 million and \$46.9 million on outstanding common stock during the 39 weeks ended November 3, 2006 and November 2, 2007, respectively. These uses of cash were offset by proceeds from the exercise of stock options of \$41.5 million and \$13.9 million, respectively, during the 39 weeks ended November 2, 2007, and November 3, 2006 respectively.

Cash flows used in financing activities during 2006 included the repurchase of approximately 4.5 million shares of our common stock at a total cost of \$79.9 million, cash dividends paid of \$62.5 million on our outstanding common stock, and \$14.1 million to reduce our outstanding capital lease and financing obligations. These uses of cash were partially offset by proceeds from the exercise of stock options during 2006 of \$19.9 million.

During 2005, we repurchased approximately 15.0 million shares of our common stock at a total cost of \$297.6 million, paid cash dividends of \$56.2 million on our outstanding common stock, and expended \$14.3 million to reduce our outstanding capital lease and financing obligations. Also in 2005, we received proceeds of \$14.5 million from the issuance of a tax increment financing in conjunction with the construction of our new distribution center in Indiana and proceeds from the exercise of stock options of \$29.4 million.

During 2004, we repurchased approximately 11.0 million shares of our common stock at a total cost of \$209.3 million, paid cash dividends of \$52.7 million on our outstanding common stock and expended \$16.4 million to reduce our outstanding capital lease and financing obligations. These uses of cash were partially offset by proceeds from the exercise of stock options during 2004 of \$34.1 million.

The borrowings and repayments under the revolving credit agreement in 2006, 2005 and 2004 were primarily a result of activity associated with periodic cash needs.

We may seek, from time to time, to retire the notes (as defined below) through cash purchases on the open market, in privately negotiated transactions or otherwise. Such repurchases, if any, will depend on prevailing market conditions, our liquidity requirements, contractual restrictions and other factors. The amounts involved may be material.

The following table summarizes our significant contractual obligations and commercial commitments as of August 3, 2007 (in thousands):

- (a) Represents obligations for interest payments on long-term debt, capital lease and financing obligations and includes projected interest on variable rate long-term debt based upon effective interest rates at August 3, 2007.
- (b) We retain a significant portion of the risk for our workers' compensation, employee health insurance, general liability, property loss and automobile insurance. As these obligations do not have scheduled maturities, these amounts represent undiscounted estimates based upon actuarial assumptions. Except for discounts required to be applied as part of our purchase price allocation, these amounts are reflected on an undiscounted basis in our condensed consolidated balance sheets.
- (c) We entered into a monitoring agreement, dated July 6, 2007, with affiliates of certain of the Investors pursuant to which those entities will provide management and advisory services. Such agreement has no contractual term and for purposes of this schedule is presumed to be outstanding for a period of five years.
- (d) Operating lease obligations are inclusive of amounts included in deferred rent and closed store obligations in our condensed consolidated balance sheets.
- (e) Commercial commitments include information technology license and support agreements, supplies, fixtures, letters of credit for import merchandise, and other inventory purchase obligations.
- (f) Purchase obligations include legally binding agreements for software licenses and support, supplies, fixtures, and merchandise purchases excluding such purchases subject to letters of credit.

In July 2005, as an inducement for the Company to select Marion, Indiana as the site for construction of a new distribution center, the Economic Development Board of Marion approved a tax increment financing in the amount of \$14.5 million. The principal amount of this financing is due to be repaid during fiscal years 2015 to 2035. Pursuant to this financing, proceeds from the issuance of certain revenue bonds were loaned to the Company in connection with the construction of this distribution center. The variable interest rate on this loan is based on the weekly remarketing of the bonds, which are supported by a bank letter of credit, and ranged from 4.60% to 5.43% in 2006.

We have generated significant cash flows from operations during recent years. We had peak borrowings under the amended credit facility of \$253.4 million during 2006, \$100.3 million during 2005 and \$73.1 million during 2004, all of which were repaid prior to February 2, 2007, February 3, 2006, and January 28, 2005, respectively.

#### *New Credit Facilities*

*Overview.* On July 6, 2007, in connection with the Merger, we entered into two senior secured credit agreements, each with Goldman Sachs Credit Partners L.P., Citicorp Global Markets, Inc. Lehman Brothers Inc. and Wachovia Capital Markets, LLC, each as joint lead arranger and joint bookrunner (the "New Credit Facilities"). The CIT Group/Business Credit, Inc. is administrative agent under the senior secured credit agreement for the asset-based revolving credit facility and Citicorp North America, Inc. is administrative agent under the senior secured credit agreement for the term loan facility.

The New Credit Facilities provide senior secured financing of \$3.425 billion, consisting of:

- \$2.3 billion in a senior secured term loan facility; and
- a senior secured asset-based revolving credit facility of up to \$1.125 billion (of which up to \$350.0 million is available for letters of credit), subject to borrowing base availability.

The term loan facility consists of two tranches, one of which is a "first-loss" tranche, which, in certain circumstances, is subordinated in right of payment to the other tranche of the term loan credit facility.

Dollar General Corporation is the borrower under the term loan facility, the primary borrower under the asset-based credit facility and, in addition, certain subsidiaries of ours were designated as borrowers under this facility. The asset-based credit facility includes borrowing capacity available for letters of credit and for short-term borrowings referred to as swingline loans.

The New Credit Facilities provide that we have the right at any time to request up to \$325.0 million of incremental commitments under one or more incremental term loan facilities and/or asset-based revolving credit facilities. The lenders under these facilities are not under any obligation to provide any such incremental commitments and any such addition of or increase in commitments will be subject to our not exceeding certain senior secured leverage ratios and certain other customary conditions precedent. Our ability to obtain extensions of credit under these incremental commitments will also be subject to the same conditions as extensions of credit under the New Credit Facilities.

The amount from time to time available under the senior secured asset-based credit facility (including in respect of letters of credit) shall not exceed the sum of the tranche A borrowing base and the tranche A-1 borrowing base. The tranche A borrowing base equals the sum of (i) 85% of the net orderly liquidation value of all our eligible inventory and that of each guarantor thereunder and (ii) 90% of all our accounts receivable and credit/debit card receivables and that of each guarantor thereunder, in each case, subject to a reserve equal to the principal amount of the 2010 Notes that remain outstanding at any time and other customary reserves and eligibility criteria. An additional 10% to 12% of the net orderly liquidation value of all our eligible inventory and that of each guarantor

thereunder is made available to us in the form of a "last out" tranche in respect of which we may borrow up to a maximum amount of \$125.0 million. Borrowings under the asset-based credit facility will be incurred first under the last out tranche, and no borrowings will be permitted under any other tranche until the last out tranche is fully utilized. Repayments of the senior secured asset-based revolving credit facility will be applied to the last out tranche only after all other tranches have been fully paid down.

*Interest Rate and Fees.* Borrowings under the New Credit Facilities bear interest at a rate equal to an applicable margin plus, at our option, either (a) LIBOR or (b) a base rate (which is usually equal to the prime rate). The initial applicable margins for borrowings is (i) under the term loan facility, 2.75% with respect to LIBOR borrowings and 1.75% with respect to base-rate borrowings and (ii) under the asset-based revolving credit facility (except in the last out tranche described above), 1.50% with respect to LIBOR borrowings and 0.50% with respect to base-rate borrowings and for any last out borrowings, 2.25% with respect to LIBOR borrowings and 1.25% with respect to base-rate borrowings. The applicable margins for borrowings under the asset-based revolving credit facility (except for last out borrowings) are subject to adjustment each quarter based on average daily excess availability under the asset-based revolving credit facility.

In addition to paying interest on outstanding principal under the New Credit Facilities, we are required to pay a commitment fee to the lenders under the asset-based revolving credit facility in respect of the unutilized commitments thereunder. The initial commitment fee rate is 0.375% per annum. The commitment fee rate will be reduced (except with regard to the last out tranche) to 0.25% per annum at any time that excess availability under the asset-based revolving credit facility is equal to or less than 50% of the aggregate commitments under the asset-based revolving credit facility. We must also pay customary letter of credit fees.

*Prepayments.* The senior secured credit agreement for the term loan facility requires us to prepay outstanding term loans, subject to certain exceptions, with:

- 50% of our annual excess cash flow (as defined in the credit agreement) commencing with the fiscal year ending on or about January 31, 2008 (which percentage will be reduced to 25% and 0% if we achieve and maintain total net leverage ratios of 6.0 to 1.0 and 5.0 to 1.0, respectively);
- 100% of the net cash proceeds of all non-ordinary course asset sales or other dispositions of property in excess of \$25.0 million in the aggregate and subject to our right to reinvest the proceeds; and
- 100% of the net cash proceeds of any incurrence of debt, other than proceeds from debt permitted under the senior secured credit agreement.

The mandatory prepayments discussed above will be applied to the term loan facility as directed by the senior secured credit agreement.

In addition, the senior secured credit agreement for the asset-based revolving credit facility requires us to prepay the asset-based revolving credit facility, subject to certain exceptions, with:

- 100% of the net cash proceeds of all non-ordinary course asset sales or other dispositions of revolving facility collateral (as defined below) in excess of \$1.0 million in the aggregate and subject to our right to reinvest the proceeds; and
- to the extent such extensions of credit exceed the then current borrowing bases (as defined in the senior secured credit agreement) for the asset-based revolving credit facility.

We may be obligated to pay a prepayment premium on the amount repaid under the term loan facility if the term loans are voluntarily repaid in whole or in part before July 6, 2009. We may

voluntarily repay outstanding loans under the asset-based revolving credit facility at any time without premium or penalty, other than customary "breakage" costs with respect to LIBOR loans.

An event of default under the senior secured credit agreements will occur upon a change of control as defined in the senior secured credit agreements governing our New Credit Facilities. Upon an event of default, indebtedness under the New Credit Facilities may be accelerated, in which case we will be required to repay all outstanding loans plus accrued and unpaid interest and all other amounts outstanding under the New Credit Facilities.

*Letters of Credit.* \$350.0 million of our asset-based revolving credit facility is available for letters of credit.

*Amortization.* Beginning September 30, 2009, we are required to repay installments on the loans under the term loan credit facility in equal quarterly principal amounts in an aggregate amount per annum equal to 1% of the total funded principal amount at July 6, 2007, with the balance payable on July 6, 2014. There is no amortization under the asset-based revolving credit facility. The entire principal amounts (if any) outstanding under the asset-based revolving credit facility are due and payable in full at maturity, on July 6, 2013, on which day the commitments thereunder will terminate.

*Guarantee and Security.* All obligations under the New Credit Facilities are unconditionally guaranteed by substantially all of our existing and future domestic subsidiaries (excluding certain immaterial subsidiaries and certain subsidiaries designated by us under our senior secured credit agreements as "unrestricted subsidiaries"), referred to, collectively, as U.S. Guarantors.

All obligations and related guarantees under the term loan facility are secured by:

- a second-priority security interest in all existing and after-acquired inventory, accounts receivable, and other assets arising from such inventory and accounts receivable, of the Company and each U.S. Guarantor (the "Revolving Facility Collateral"), subject to certain exceptions;
- a first priority security interest in, and mortgages on, substantially all of our and each U.S. Guarantor's tangible and intangible assets (other than the Revolving Facility Collateral); and
- a first-priority pledge of 100% of the capital stock held by Dollar General, or any of our domestic subsidiaries that are directly owned by us or one of the U.S. Guarantors and 65% of the voting capital stock of each of our existing and future foreign subsidiaries that are directly owned by us or one of the U.S. Guarantors.

All obligations and related guarantees under the asset-based revolving credit facility are secured by the Revolving Facility Collateral, subject to certain exceptions.

*Certain Covenants and Events of Default.* The senior secured credit agreements contain a number of covenants that, among other things, restrict, subject to certain exceptions, our ability to:

- incur additional indebtedness;
- sell assets;
- pay dividends and distributions or repurchase our capital stock;
- make investments or acquisitions;
- repay or repurchase subordinated indebtedness (including the senior subordinated notes) or the senior notes;
- amend material agreements governing our subordinated indebtedness (including the senior subordinated notes) or the senior notes; and

- change our lines of business.

The senior secured credit agreements also contain certain customary affirmative covenants and events of default.

At November 2, 2007, we had \$302.0 million of borrowings, \$43.7 million of commercial letters of credit, and \$68.8 million of standby letters of credit outstanding under our asset-based revolving credit facility.

#### *Notes*

On July 6, 2007, Buck issued \$1,175.0 million aggregate principal amount of 10.625% senior notes due 2015 (the "senior notes") which mature on July 15, 2015 pursuant to an indenture, dated as of July 6, 2007 (the "senior indenture"), and \$725 million aggregate principal amount of 11.875%/12.625% senior subordinated toggle notes due 2017 (the "senior subordinated notes"), which mature on July 15, 2017, pursuant to an indenture, dated as of July 6, 2007 (the "senior subordinated indenture"). The senior notes and the senior subordinated notes are collectively referred to herein as the "notes." The senior indenture and the senior subordinated indenture are collectively referred to herein as the "indentures."

Interest on the notes is payable on January 15 and July 15 of each year, commencing on January 15, 2008. Interest on the senior notes will be payable in cash. Cash interest on the senior subordinated notes will accrue at a rate of 11.875% per annum, and PIK interest (as that term is defined below) will accrue at a rate of 12.625% per annum. The initial interest payment on the senior subordinated notes will be payable in cash. For any interest period thereafter through July 15, 2011, we may elect to pay interest on the senior subordinated notes (i) in cash, (ii) by increasing the principal amount of the senior subordinated notes or issuing new senior subordinated notes ("PIK interest") or (iii) by paying interest on half of the principal amount of the senior subordinated notes in cash interest and half in PIK interest. After July 15, 2011, all interest on the senior subordinated notes will be payable in cash.

The notes are fully and unconditionally guaranteed by each of the existing and future direct or indirect wholly owned domestic subsidiaries that guarantee the obligations under our New Credit Facilities.

We may redeem some or all of the notes at any time at redemption prices described or set forth in the indentures.

*Change of Control.* Upon the occurrence of a change of control, which is defined in the indentures, each holder of the notes has the right to require us to repurchase some or all of such holder's notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the repurchase date.

*Covenants.* The indentures contain covenants limiting, among other things, our ability and the ability of our restricted subsidiaries to (subject to certain exceptions):

- incur additional debt, issue disqualified stock or issue certain preferred stock;
- pay dividends on or make certain distributions and other restricted payments;
- create certain liens or encumbrances;
- sell assets;
- enter into transactions with affiliates;

- make payments to us;
- consolidate, merge, sell or otherwise dispose of all or substantially all of our assets; and
- designate our subsidiaries as unrestricted subsidiaries.

*Events of Default.* The indentures also provide for events of default which, if any of them occurs, would permit or require the principal of and accrued interest on the notes to become or to be declared due and payable.

*Registration Rights Agreement.* On July 6, 2007, we entered into a registration rights agreement with respect to the notes. In the registration rights agreement, we agreed that we will use commercially reasonable efforts to register with the SEC new notes having substantially identical terms as the senior notes and new notes having substantially identical terms as the senior subordinated notes. Once registered, we will offer to exchange the new notes for each of the outstanding senior notes and the outstanding senior subordinated notes.

We are required to use commercially reasonable efforts to cause the exchange offer to be completed or, if required, to have one or more shelf registration statements declared effective, within 270 days after the issue date of each of the notes.

If we fail to meet this target, the annual interest rate on the applicable series of notes will increase by 0.25%. The annual interest rate on the applicable series of notes will increase by an additional 0.25% for each subsequent 90-day period during which the registration default continues, up to a maximum additional interest rate of 1.0% per year over the applicable interest rate described above.

#### *Adjusted EBITDA*

Under the New Credit Facilities and the indentures, certain limitations and restrictions could occur if we are not able to satisfy and remain in compliance with specified financial ratios. Management believes the most significant of such ratios is the senior secured incurrence test under the New Credit Facilities. This test measures the ratio of the senior secured debt to Adjusted EBITDA. This ratio would need to be no greater than 4.25 to 1 to avoid such limitations and restrictions. As of November 2, 2007, this ratio was 3.7 to 1. Senior secured debt is defined as our total debt secured by liens or similar encumbrances less cash and cash equivalents. EBITDA is defined as income (loss) from continuing operations before cumulative effect of change in accounting principle plus interest and other financing costs, net, provision for income taxes, and depreciation and amortization. Adjusted EBITDA is defined as EBITDA, further adjusted to give effect to adjustments required in calculating this covenant ratio under our New Credit Facilities. EBITDA and Adjusted EBITDA are not presentations made in accordance with GAAP, are not measures of financial performance or condition, liquidity or profitability, and should not be considered as an alternative to (1) net income, operating income or any other performance measures determined in accordance with GAAP or (2) operating cash flows determined in accordance with GAAP. Additionally, EBITDA and Adjusted EBITDA are not intended to be measures of free cash flow for management's discretionary use, as they do not consider certain cash requirements such as interest payments, tax payments and debt service requirements and replacements of fixed assets.

Our presentation of EBITDA and Adjusted EBITDA has limitations as an analytical tool, and should not be considered in isolation or as a substitute for analysis of our results as reported under GAAP. Because not all companies use identical calculations, these presentations of EBITDA and Adjusted EBITDA may not be comparable to other similarly titled measures of other companies. We believe that the presentation of EBITDA and Adjusted EBITDA is appropriate to provide additional information about the calculation of this financial ratio in the New Credit Facilities. Adjusted EBITDA is a material component of this ratio. Specifically, non-compliance with the senior secured indebtedness

ratio contained in our New Credit Facilities could prohibit us from being able to incur additional secured indebtedness, other than the additional funding provided for under the senior secured credit agreement and pursuant to specified exceptions, to make investments, to incur liens and to make certain restricted payments.

The calculation of Adjusted EBITDA under the New Credit Facilities is as follows:

## Critical Accounting Policies and Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect reported amounts and related disclosures. In addition to the estimates presented below, there are other items within our financial statements that require estimation but are not deemed critical as defined below. We believe these estimates are reasonable and appropriate. However, if actual experience differs from the assumptions and other considerations used, the resulting changes could have a material effect on the financial statements taken as a whole.

Management believes the following policies and estimates are critical because they involve significant judgments, assumptions, and estimates. Management has discussed the development and selection of the critical accounting estimates with the Audit Committee of our Board of Directors, and the Audit Committee has reviewed the disclosures presented below relating to those policies and estimates.

*Merchandise Inventories.* Merchandise inventories are stated at the lower of cost or market with cost determined using the retail last-in, first-out ("LIFO") method. Under our retail inventory method ("RIM"), the calculation of gross profit and the resulting valuation of inventories at cost are computed by applying a calculated cost-to-retail inventory ratio to the retail value of sales. The RIM is an averaging method that has been widely used in the retail industry due to its practicality. Also, it is recognized that the use of the RIM will result in valuing inventories at the lower of cost or market ("LCM") if markdowns are currently taken as a reduction of the retail value of inventories.

Inherent in the RIM calculation are certain significant management judgments and estimates including, among others, initial markups, markdowns, and shrinkage, which significantly impact the gross profit calculation as well as the ending inventory valuation at cost. These significant estimates, coupled with the fact that the RIM is an averaging process, can, under certain circumstances, produce distorted cost figures. Factors that can lead to distortion in the calculation of the inventory balance include:

- applying the RIM to a group of products that is not fairly uniform in terms of its cost and selling price relationship and turnover;
- applying the RIM to transactions over a period of time that include different rates of gross profit, such as those relating to seasonal merchandise;
- inaccurate estimates of inventory shrinkage between the date of the last physical inventory at a store and the financial statement date; and
- inaccurate estimates of LCM and/or LIFO reserves.

Factors that reduce potential distortion include the use of historical experience in estimating the shrink provision, as discussed below, and the utilization of an independent statistician to assist in the LIFO sampling process and index formulation. As part of this process, we also perform an inventory-aging analysis for determining obsolete inventory. Our policy is to write down inventory to an LCM value based on various management assumptions including estimated below-cost markdowns and sales required to liquidate such aged inventory in future periods. Inventory is reviewed on a quarterly basis and adjusted as appropriate to reflect write-downs determined to be necessary.

Factors such as slower inventory turnover due to changes in competitors' tactics, consumer preferences, consumer spending and unseasonable weather patterns, among other factors, could cause excess inventory requiring greater than estimated markdowns to entice consumer purchases, resulting in an unfavorable impact on our consolidated financial statements. Sales shortfalls due to the above factors could cause reduced purchases from vendors and associated vendor allowances that would also result in an unfavorable impact on our consolidated financial statements.

We calculate our shrink provision based on actual physical inventory results during the fiscal period and an accrual for estimated shrink occurring subsequent to a physical inventory through the end of the fiscal reporting period. This accrual is calculated as a percentage of sales at each retail store, at a department level, and is determined by dividing the book-to-physical inventory adjustments recorded during the previous twelve months by the related sales for the same period for each store. To the extent that subsequent physical inventories yield different results than this estimated accrual, our effective shrink rate for a given reporting period will include the impact of adjusting the estimated results to the actual results. Although we perform physical inventories in virtually all of our stores on an annual basis, the same stores do not necessarily get counted in the same reporting periods from year to year, which could impact comparability in a given reporting period.

*Goodwill and Indefinite-Lived Intangible Assets.* Under SFAS 142, "Goodwill and Other Intangible Assets", we are required to test goodwill and intangible assets with indefinite lives for impairment annually, or more frequently if impairment indicators occur. Significant judgments required in this testing process include projecting future cash flows, determining appropriate discount rates and other assumptions. Projections are based on management's best estimate given recent financial performance, market trends, strategic plans and other available information. Changes in these estimates and assumptions could materially affect the determination of fair value or impairment. Future indicators of impairment could result in an asset impairment charge.

*Purchase Accounting.* The Merger was accounted for as a reverse acquisition in accordance with the purchase accounting provisions of SFAS 141, "Business Combinations," under which our assets and liabilities have been accounted for at their estimated fair values as of the date of the Merger. The aggregate purchase price was allocated to the tangible and intangible assets acquired and liabilities assumed, based upon a preliminary assessment of their relative fair values as of the date of the Merger. The preliminary allocation of the purchase price is subject to the finalization of certain fair values including certain assets being evaluated through appraisals, the final allocation of financing and other costs associated with the Merger, and other items. These estimates of fair values of assets, the allocation of the purchase price and other factors related to the accounting for the Merger are subject to significant judgments and the use of estimates.

*Property and Equipment.* Property and equipment are recorded at cost. We group our assets into relatively homogeneous classes and generally provide for depreciation on a straight-line basis over the estimated average useful life of each asset class, except for leasehold improvements, which are amortized over the shorter of the applicable lease term or the estimated useful life of the asset. Certain store and warehouse fixtures, when fully depreciated, are removed from the cost and related accumulated depreciation and amortization accounts. The valuation and classification of these assets and the assignment of useful depreciable lives involves significant judgments and the use of estimates.

*Impairment of Long-lived Assets.* We review the carrying value of all long-lived assets for impairment on an annual basis or more frequently whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. In accordance with SFAS 144, "Accounting for the Impairment or Disposal of Long-Lived Assets," we review for impairment stores open more than two years for which current cash flows from operations are negative. Impairment results when the carrying value of the assets exceeds the undiscounted future cash flows over the life of the lease. Our estimate of undiscounted future cash flows over the lease term is based upon historical operations of the stores and estimates of future store profitability which encompasses many factors that are subject to variability and difficult to predict. If a long-lived asset is found to be impaired, the amount recognized for impairment is equal to the difference between the carrying value and the asset's fair value. The fair value is estimated based primarily upon future cash flows (discounted at our credit adjusted risk-free rate) or other reasonable estimates of fair market value.

*Insurance Liabilities.* We retain a significant portion of the risk for our workers' compensation, employee health insurance, general liability, property loss and automobile coverage. These costs are

significant primarily due to the large employee base and number of stores. At the date of the Merger this liability was discounted to reflect purchase accounting. Subsequent to the Merger, provisions are made to this insurance liability on an undiscounted basis based on actual claim data and estimates of incurred but not reported claims developed using actuarial methodologies based on historical claim trends. If future claim trends deviate from recent historical patterns, we may be required to record additional expenses or expense reductions, which could be material to our future financial results.

*Contingent Liabilities—Income Taxes.* Income tax reserves are determined using the methodology established by the Financial Accounting Standards Board ("FASB") Interpretation 48, Accounting for Uncertainty in Income Taxes—An Interpretation of FASB Statement 109 ("FIN 48"). FIN 48, which we adopted as of February 3, 2007, requires companies to assess each income tax position taken using a two step process. A determination is first made as to whether it is more likely than not that the position will be sustained, based upon the technical merits, upon examination by the taxing authorities. If the tax position is expected to meet the more likely than not criteria, the benefit recorded for the tax position equals the largest amount that is greater than 50% likely to be realized upon ultimate settlement of the respective tax position. Uncertain tax positions require determinations and estimated liabilities to be made based on provisions of the tax law which may be subject to change or varying interpretation. If our determinations and estimates prove to be inaccurate, the resulting adjustments could be material to our future financial results.

*Contingent Liabilities—Legal Matters.* We are subject to legal, regulatory and other proceedings and claims. We establish liabilities as appropriate for these claims and proceedings based upon the probability and estimability of losses and to fairly present, in conjunction with the disclosures of these matters in our financial statements, management's view of our exposure. We review outstanding claims and proceedings with external counsel to assess probability and estimates of loss. We re-evaluate these assessments each quarter or as new and significant information becomes available to determine whether a liability should be established or if any existing liability should be adjusted. The actual cost of resolving a claim or proceeding ultimately may be substantially different than the amount of the recorded liability. In addition, because it is not permissible under GAAP to establish a litigation liability until the loss is both probable and estimable, in some cases there may be insufficient time to establish a liability prior to the actual incurrence of the loss (upon verdict and judgment at trial, for example, or in the case of a quickly negotiated settlement). See Note 8 to the consolidated financial statements for the year ended February 2, 2007 and Note 7 to the unaudited condensed consolidated financial statements for the period ended November 2, 2007, included in this prospectus.

*Lease Accounting and Excess Facilities.* The majority of our stores are subject to short-term leases (usually with initial or primary terms of 3 to 5 years) with multiple renewal options when available. We also have stores subject to build-to-suit arrangements with landlords, which typically carry a primary lease term of between 7 and 10 years with multiple renewal options. Approximately half of our stores have provisions for contingent rentals based upon a percentage of defined sales volume. We recognize contingent rental expense when the achievement of specified sales targets is considered probable. We recognize rent expense over the term of the lease. We record minimum rental expense on a straight-line basis over the base, non-cancelable lease term commencing on the date that we take physical possession of the property from the landlord, which normally includes a period prior to store opening to make necessary leasehold improvements and install store fixtures. When a lease contains a predetermined fixed escalation of the minimum rent, we recognize the related rent expense on a straight-line basis and record the difference between the recognized rental expense and the amounts payable under the lease as deferred rent. We also receive tenant allowances, which we record as deferred incentive rent and amortize as a reduction to rent expense over the term of the lease. We reflect as a liability any difference between the calculated expense and the amounts actually paid. Improvements of leased properties are amortized over the shorter of the life of the applicable lease term or the estimated useful life of the asset.

For store closures, excluding those associated with a business combination, where a lease obligation still exists, we record the estimated future liability associated with the rental obligation on the date the store is closed in accordance with SFAS 146, "Accounting for Costs Associated with Exit or Disposal Activities." Based on an overall analysis of store performance and expected trends, management periodically evaluates the need to close underperforming stores. Liabilities are established at the point of closure for the present value of any remaining operating lease obligations, net of estimated sublease income, and at the communication date for severance and other exit costs, as prescribed by SFAS 146. Key assumptions in calculating the liability include the timeframe expected to terminate lease agreements, estimates related to the sublease potential of closed locations, and estimation of other related exit costs. If actual timing and potential termination costs or realization of sublease income differ from our estimates, the resulting liabilities could vary from recorded amounts. These liabilities are reviewed periodically and adjusted when necessary.

*Share-Based Payments.* Our share-based stock option awards are valued on an individual grant basis using the Black-Scholes-Merton closed form option pricing model. The application of this valuation model involves assumptions that are judgmental and highly sensitive in the valuation of stock options, which affects compensation expense related to these options. These assumptions include the term that the options are expected to be outstanding, an estimate of the volatility of our stock price (which is based on a peer group of publicly traded companies), applicable interest rates and the dividend yield of our stock. Other factors involving judgments that affect the expensing of share-based payments include estimated forfeiture rates of share-based awards. If our estimates differ materially from actual experience, we may be required to record additional expense or reductions of expense, which could be material to our future financial results.

### ***Adoption of Accounting Standards***

Prior to February 4, 2006, we accounted for share-based payments using the intrinsic-value-based recognition method prescribed by Accounting Principles Board Opinion 25, "Accounting for Stock Issued to Employees" ("APB 25"). Because stock options were granted at an exercise price equal to the market value of the underlying common stock on the date of grant, employee compensation cost related to stock options generally was not reflected in our results of operations prior to the adoption of SFAS 123(R), "Share-Based Payment." The Compensation Committee of our Board of Directors took action to accelerate the vesting, effective February 3, 2006, of most of our outstanding stock options granted prior to January 24, 2006. The Compensation Committee took this action primarily to reduce non-cash compensation expense to be recorded in future periods under the provisions of SFAS 123(R). However, the Committee also believed this decision benefited employees.

Effective February 4, 2006, we adopted SFAS 123(R) using the modified-prospective-transition method and began recognizing compensation expense for our share-based payments based on the fair value of the awards on the grant date. For the year ended February 2, 2007, the adoption of the fair value method of SFAS 123(R) resulted in additional share-based compensation expense (a component of SG&A expense) and a corresponding decrease in income before income taxes of \$3.6 million, and a decrease in net income of \$2.2 million.

We estimate the fair value of stock options using the Black-Scholes-Merton option pricing model for all option grants. We estimate the expected term using a computation based on an assumption that outstanding options will be exercised approximately halfway through their contractual term, taking into consideration such factors as grant date, expiration date, weighted-average time-to-vest, actual exercises and post-vesting cancellations. We calculate volatility assumptions using actual historical changes in the market value of the stock and implied volatility based upon traded options, weighted equally. We believe that this methodology provides the best indicator of future volatility.

We adopted the provisions of FIN 48 effective February 3, 2007. The adoption resulted in an \$8.9 million decrease in retained earnings and a reclassification of certain amounts between deferred

income taxes and other noncurrent liabilities to conform to the balance sheet presentation requirements of FIN 48. As of the date of adoption, the total reserve for uncertain tax benefits was \$77.9 million. This reserve excludes the federal income tax benefit for the uncertain tax positions related to state income taxes; which is now included in deferred tax assets. As a result of the adoption of FIN 48, the reserve for interest expense related to income taxes was increased to \$15.3 million and a reserve for potential penalties of \$1.9 million related to uncertain income tax positions was recorded. As of the date of adoption, approximately \$27.1 million of the reserve for uncertain tax positions would impact our effective income tax rate if we were to recognize the tax benefit for these positions.

Subsequent to the adoption of FIN 48, we elected to record income tax related interest and penalties as a component of the provision for income tax expense.

In December 2007, the FASB issued Statement of Financial Accounting Standards ("SFAS") No. 141(R), "Business Combinations." The new standard establishes the requirements for how an acquirer recognizes and measures in its financial statements the identifiable assets acquired, the liabilities assumed, and any non-controlling interest (formerly minority interest) in an acquired; provides updated requirements for recognition and measurement of goodwill acquired in a business combination or a gain from a bargain purchase, and provides updated disclosure requirement to enable users of financial statements to evaluate the nature and financial effects of the business combination. This Statement applies prospectively to business combinations for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after December 15, 2008. Early adoption is not allowed. No determination has yet been made regarding the potential impact of this Statement on the Company's financial statements.

In September 2006, the FASB issued SFAS 157, "Fair Value Measurements." SFAS 157 provides guidance for using fair value to measure assets and liabilities. The standard also requires expanded information about the extent to which companies measure assets and liabilities at fair value, the information used to measure fair value, and the effect of fair value measurements on earnings. The standard applies whenever other standards require (or permit) assets or liabilities to be measured at fair value. The standard does not expand the use of fair value in any new circumstances for financial assets and liabilities. SFAS 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007, and interim periods within those fiscal years. For non-financial assets and liabilities, the effective date has been delayed to fiscal years beginning after November 15, 2008. We currently expect to adopt SFAS 157 during our 2008 and 2009 fiscal years as appropriate. No determination has yet been made regarding the potential impact of this standard on our financial statements.

In February 2007, the FASB issued SFAS 159, "The Fair Value Option for Financial Assets and Financial Liabilities—Including an amendment of FASB Statement No. 115." SFAS 159 permits entities to choose to measure many financial instruments and certain other items at fair value. It provides entities with the opportunity to mitigate volatility in reported earnings caused by measuring related assets and liabilities differently without having to apply complex hedge accounting provisions. SFAS 159 is effective as of the beginning of an entity's first fiscal year that begins after November 15, 2007. We currently plan to adopt SFAS 159 during our 2008 fiscal year. No determination has yet been made regarding the potential impact of this standard on the Company's financial statements.

## **Quantitative and Qualitative Disclosures About Market Risk**

### ***Financial Risk Management***

We are exposed to market risk primarily from adverse changes in interest rates. To minimize this risk, we may periodically use financial instruments, including derivatives. As a matter of policy, we do not buy or sell financial instruments for speculative or trading purposes and all financial instrument transactions must be authorized and executed pursuant to approval by the Board of Directors. All financial instrument positions taken by us are intended to be used to reduce risk by hedging an

underlying economic exposure. Because of high correlation between the financial instrument and the underlying exposure being hedged, fluctuations in the value of the financial instruments are generally offset by reciprocal changes in the value of the underlying economic exposure. The financial instruments we use are straightforward instruments with liquid markets.

### ***Interest Rate Risk***

We are subject to interest rate market risk in connection with our long-term debt. Our principal interest rate exposure relates to outstanding amounts under our New Credit Facilities. Our New Credit Facilities provide for variable rate borrowings of up to \$3,425.0 million including availability of \$1,125.0 million under our senior secured asset-based revolving credit facility, subject to the borrowing base. Assuming our New Credit Facilities are fully drawn (and without giving effect to the interest rate swap described below), each one-eighth percentage point increase or decrease in the applicable interest rates would correspondingly change our interest expense by approximately \$4.3 million per year.

In order to mitigate the variable rate interest exposure under the New Credit Facilities, we entered into interest rate swaps with affiliates of Goldman, Sachs & Co., Lehman Brothers Inc. and Wachovia Capital Markets, LLC. Pursuant to the swaps, which became effective on July 31, 2007, we swapped three month LIBOR rates for fixed interest rates of 4.93% on a notional amount of \$2,000.0 million which will amortize on a quarterly basis until maturity at July 31, 2012. At November 2, 2007, the notional amount was \$1,890.0 million.

The interest rate swaps will be accounted for in accordance with SFAS No. 133 "Accounting for Derivative Instruments and Hedging Activities", as amended by SFAS No. 138, "Accounting for Certain Derivative Instruments and Certain Hedging Activities" and SFAS No. 149, "Amendment of Statement 133 on Derivative Instruments and Hedging Activities" (collectively, "SFAS 133"). SFAS 133 establishes accounting and reporting standards for derivative instruments and hedging activities. SFAS 133 requires that all derivatives be recognized as either assets or liabilities at fair value. Beginning October 12, 2007, we account for the swaps as cash flow hedges and record the effective portion of changes in fair value of the swaps within accumulated other comprehensive income.

## BUSINESS

### **Our Company**

We are the largest discount retailer in the United States by number of stores, with 8,210 stores located in 35 states, primarily in the southern, southwestern, midwestern and eastern United States, as of January 4, 2008. We serve a broad customer base and offer a focused assortment of everyday items, including basic consumable merchandise and other home, apparel and seasonal products. A majority of our products are priced at \$10 or less and approximately 30% of our products are priced at \$1 or less. In 2006, our average customer purchase was \$9.31.

We offer a compelling value proposition for our customers based on convenient store locations, easy in and out shopping and highly competitive prices. We believe our combination of value and convenience distinguishes us from other discount, convenience and drugstore retailers, who typically focus on either value or convenience. Our business model is focused on strong and sustainable sales growth, attractive margins and limited maintenance capital expenditure and working capital needs, which result in significant cash flow from operation (before interest).

We expanded rapidly in recent years, increasing our total number of stores from 5,540 as of February 1, 2002 to 8,229 as of February 2, 2007 (representing an 8.2% compound annual growth rate, or CAGR). Over the same period, we grew our net sales from \$5.3 billion to \$9.2 billion (representing a 11.5% CAGR), driven by growth in number of stores as well as a five-year average same store sales growth of 3.7%. For the 39 week period ended November 2, 2007, we generated net sales of \$6.9 billion, an increase of 4.8% over the same period in the prior year, including a same-store sales increase of 2.8%. We have temporarily decelerated our new store growth rate to enable us to focus on improving the performance of existing stores, including remodeling or relocating a number of stores to improve productivity and enhance the shopping experience for our customers.

### **Stores**

The traditional Dollar General® store has, on average, approximately 6,900 square feet of selling space and generally serves customers who live within five miles of the store. Of our 8,210 stores as of January 4, 2008, more than half serve communities with populations of 20,000 or less. We believe that our target customers prefer the convenience of a small, neighborhood store with a focused merchandise assortment at value prices.

We aggressively manage our overhead cost structure and typically seek to locate stores in neighborhoods where rental and operating costs are relatively low. Our stores typically have low fixed costs, with lean staffing of usually two to three employees in the store at any time. In 2005 and 2006, we implemented "EZstore™", our initiative designed to improve inventory flow from our distribution centers, or DCs, to consumers. EZstore has allowed us to reallocate store labor hours to more customer-focused activities, improving the work content in our stores.

We also attempt to control operating costs by implementing new technology when feasible, including improvements in recent years to our store labor scheduling and store replenishment systems in addition to other improvements to our supply chain and warehousing systems.

### **Merchandise**

Our merchandise strategy combines a low-cost operating structure with a focused assortment of products that allows us to offer our customers a compelling value proposition, consisting of quality merchandise at competitive prices. We believe our merchandising strategy generates frequent repeat customer purchases and our focused merchandise assortment encourages customers to shop at Dollar General stores for their everyday household needs. We separate our merchandise into the following

four categories for reporting purposes: highly consumable, seasonal, home products and basic clothing. Highly consumable consists of packaged food, candy, snacks and refrigerated products, health and beauty aids, home cleaning supplies and pet supplies; seasonal consists of seasonal and other holiday-related items, toys, stationery and hardware; and home products consists of housewares and domestics.

We maintain approximately 4,900 core stock-keeping units, or SKUs, per store and an additional 8,000 non-core SKUs that get rotated in and out of the store over the course of a typical year. The percentage of net sales of each of our four categories of merchandise for the period indicated below was as follows:

	2006	2005	2004
Highly consumable	65.7%	65.3%	63.0%
Seasonal	16.4%	15.7%	16.5%
Home products	10.0%	10.6%	11.5%
Basic clothing	7.9%	8.4%	9.0%

Our home products and seasonal categories typically account for the highest gross profit margin; and the highly consumable category typically accounts for the lowest gross profit margin.

We purchase our merchandise from a wide variety of suppliers. Approximately 11% of our purchases in 2006 were from The Procter & Gamble Company. Our next largest supplier accounted for approximately 5% of our purchases in 2006. We directly imported approximately 9% of our purchases at cost in 2006.

### *Customers*

We serve the basic consumable, household, apparel and seasonal needs of customers, primarily in rural and small markets. According to AC Nielsen's 2006 Homescan® data, in 2006 approximately 41% of our customers had household gross income of less than \$30,000 per year. We are also increasingly focused on serving higher income customers and estimate that, in 2006, approximately 38% of our customers were from households with \$30,000 to \$70,000 of annual income. Our merchandising and operating strategies are primarily designed to meet the needs of these consumers. Approximately 21% of our customers were from households with annual income greater than \$70,000.

### *Recent Strategic Initiatives*

In 2006, we launched strategic initiatives aimed at improving our merchandising and real estate strategies, which we refer to collectively as "Project Alpha." Project Alpha was based upon a comprehensive analysis of the performance of each of our stores and the impact of our inventory model on our ability to effectively serve our customers.

Our merchandising initiative is meant to move away from our traditional inventory packaway model, where unsold inventory items were stored on-site and returned to the sales floor to be sold the next year, year after year, until the items were eventually sold, damaged or discarded. Our initiative is an attempt to better meet our customers' needs and to ensure an appealing, fresh merchandise selection. With few exceptions, we plan to eliminate through end-of-season and other markdowns existing seasonal, home products and basic clothing packaway merchandise by the end of fiscal 2007. With the exception of certain holiday seasonal and winter apparel items, substantially all of the inventory targeted by this initiative had been sold or eliminated as of November 2, 2007. In addition, in fiscal 2007, we started taking end-of-season markdowns on current-year non-replenishable merchandise, allowing for increased levels of newer, current-season merchandise. We believe this strategy change will enhance the appearance of our stores and will positively impact customer satisfaction as well as the store employees' ability to manage stores, ultimately resulting in higher sales, increased gross profit

margins, lower employee turnover, and decreased inventory shrink and damages. We also expect that this improved inventory management will result in more appropriate per store inventory levels.

In 2006, we also initiated a new store layout that we believe will further drive sales growth and margin enhancement through an improved merchandising mix. The new layout was launched in a test mode in early 2006, was improved during the year, and became our standard new and remodeled store format by the end of 2006. As a result of the opening of new stores and the re-formatting of a limited number of existing stores, there were 906 stores operating in this new format as of January 4, 2008. The results have been encouraging, as we have seen additional sales from these new and remodeled stores, including an increased mix of higher margin goods. Additionally, improved merchandise adjacencies and wider, more open aisles have enhanced the overall guest shopping experience.

We also initiated significant improvements to our real estate practices beginning in 2006. We are fully integrating the functions of site selection, lease renewals, relocations, remodels and store closings and have defined and are implementing rigorous analytical processes for decision-making in those areas. We continue to analyze our real estate performance and to look for ways to further refine and improve our practices. As a first step in our initiative to revitalize our store base, we performed a comprehensive real estate review resulting in the identification of approximately 400 underperforming stores, all of which we closed before the end of our second fiscal quarter of 2007. Additionally, in connection with the Transactions, management has approved a plan to close an additional 60 stores prior to February 1, 2008. These closings are in addition to stores that are typically closed in the normal course of business, which over the last 10 years constituted approximately 1% to 2% of our store base per year. We do not currently expect any additional closures beyond those to be closed in the normal course of business; although, as part of our ongoing real estate practices, we will continue to evaluate our store base for underperforming stores. We have also decelerated our new store growth rate to enable us to focus on improving the performance of existing stores, including remodeling or relocating a number of stores to improve productivity and enhance the shopping experience for our customers. We expect that the completion of Project Alpha will result in a more productive store base.

## **Our Industry**

We compete in the deep discount segment of the U.S. retail industry. Excluding supercenters (e.g., Wal-Mart), this segment generates approximately \$43 billion in sales per year and grew at a 10.2% CAGR between 2000 and 2005. Our competitors are both traditional "dollar stores", as well as other retailers offering discounted convenience items (e.g., Walgreens and CVS). The "dollar store" sector differentiates itself from other forms of retailing in the deep discount segment by offering consistently low prices in a convenient, small-store format. Unlike other formats that have suffered with the rise of Wal-Mart and other discount supercenters, the "dollar store" sector has grown despite the presence of the discount supercenters.

We believe it is our substantial convenience advantage, at prices comparable to those of supercenters, that allows Dollar General to compete so effectively. As such, Dollar General stores have performed well in the presence of increased competition from Wal-Mart and drugstores. Based on a sample of markets that had relatively high concentrations of Wal-Mart stores, Dollar General stores typically had a higher net sales per square foot and operating profit compared to its stores in markets with lower concentrations of Wal-Mart Stores. Similarly, Dollar General stores in a sample of markets that had relatively high concentrations of CVS stores were more productive on net sales per square foot and operating profit bases while maintaining similar operating margins.

We believe that there is considerable room for growth in the "dollar store" sector. According to AC Nielsen and Retail Forward, "dollar stores" have been able to increase their penetration across all income brackets in the last 6 years. Though traditional "dollar stores" have high customer penetration, the sector as a whole accounts for only approximately 1.4% of total consumer product goods spending,

which we believe leaves ample room for growth. Our merchandising initiatives are aimed at increasing our stores' share of customer spending.

## **Our Competitive Strengths**

*Market Leader in an Attractive Sector with a Growing Customer Base.* We are the largest discount retailer in the U.S. by number of stores, with 8,210 stores in 35 states as of January 4, 2008. We are the largest player in the U.S. small box deep discount segment, with an approximate 21% market share, almost 1.5 times that of our nearest competitor. We believe we are well positioned to further increase our market share as we continue to execute our business strategy and implement our operational initiatives. Our target customers include the approximately 70% of U.S. individuals who earn less than \$50,000 per year. According to Nielsen Media Research, in 2006, approximately 65% of households shopped at least once at a discount store (up from 59% in 2001).

*Consistent Sales Growth and Strong Cash Flow Generation.* For over 15 consecutive years, Dollar General has experienced positive annual same store sales growth. Approximately two-thirds of our net sales come from the sale of consumable products, which are less susceptible to economic pressures (such as increased fuel costs and unemployment), with the remaining one-third comprised mainly of basic clothing, seasonal and home products which are subject to little trend or fashion risk. We have a low cost operating model with attractive operating margins, low capital expenditures (approximately 2% of net sales for the 39 weeks ended November 2, 2007) and low working capital needs, resulting in generation of significant cash flow from operations (before interest).

*Differentiated Value Proposition.* Our ability to deliver highly competitive prices in a convenient location and shopping format provides our customers with a compelling shopping experience and distinguishes us from other discount retailers, as well as convenience and drugstore retailers.

*Compelling Unit Economics.* The traditional Dollar General store size, design and location requires initial capital investment and low maintenance capital expenditures, which when combined with strong average unit volumes, or AUV, provides for a quick recovery of store start-up costs. In fiscal 2006, our traditional stores that were open for the entire period had an AUV of \$1,115,477 and an average investment in inventory and fixtures of approximately \$250,000. The ability of our stores to generate strong cash flows with minimal investment results in a short payback period.

*Efficient Supply Chain.* We believe our distribution network is an integral component of our efforts to reduce transportation expenses and effectively support our growth. In recent years, we have made significant investments in technological improvements and upgrades which have increased our efficiency and capacity to support store growth.

*Experienced and Motivated Management Team.* In January 2008, we hired experienced retailer Richard Dreiling to serve as our Chief Executive Officer. In addition, over the past two years we have strengthened our management team with the hiring of David Beré, our President and Chief Operating Officer, and Beryl Buley, our Division President, Merchandising, Marketing & Supply Chain, and replaced a majority of our senior merchandising and real estate teams. Our leadership team has significant experience and is balanced between industry and Dollar General veterans. In connection with the Transactions, we entered into agreements with certain members of management pursuant to which they elected to invest in Dollar General in an aggregate amount of approximately \$10.4 million, including \$3.2 million in rollover equity. See "The Transactions."

## **Our Business Strategy**

Our mission is "Serving Others." To carry out this mission, we have developed a business strategy of providing our customers with a focused assortment of attractively priced merchandise in a convenient, small-store format. We believe this strategy will expand our leadership position within the deep discount segment of the retail U.S. industry while increasing our profitability and maximizing our cash flows.

*Continue to Deliver Value to Our Customers.* Our ability to deliver highly competitive prices in a convenient shopping format provides our customers with a compelling shopping experience and distinguishes us from other discount retailers, as well as convenience and drugstore retailers. We plan to continue to improve on this value proposition to our customers by implementing operational improvements as described herein that will further enhance our business model.

*Drive Financial Performance through Operating Improvements.* After a period of rapid store growth in the mid to late 1990s and early 2000s and the transition from a close-out retailer, we are now increasingly focused on growing profitability and in the early stages of implementing certain targeted retail practices which are expected to have a substantial impact on our gross profit margins, sales productivity and capital efficiency.

We are in the early stages of implementing the following targeted retail practices, which we expect will positively impact our gross profit, sales productivity and capital efficiency:

- Better merchandising and category management,
- Improving our real estate processes,
- Refining our existing pricing strategy,
- Increasing direct foreign sourcing,
- Improving our private label offering, and
- Improving distribution and transportation logistics.

We also have specific processes designed to continue to improve the customers' experience in our stores, retain store managers and reduce inventory shrink.

*Pursue Measured Store Growth.* While our operational initiatives are focused on increasing our store productivity and profitability and decreasing near term store openings, we believe there are significant opportunities for additional longer term store growth within our existing footprint as well as in new markets. Given our customer demographics and current market penetration, we expect a majority of our new stores to be opened within our existing markets, taking advantage of our local brand awareness while maximizing operating efficiencies.

## **Seasonality**

Our business is modestly seasonal in nature. We expect to continue to experience seasonal fluctuations, with a larger percentage of our net sales and operating income being realized in the fourth quarter. In addition, our quarterly results can be affected by the timing of new store openings and store closings, the amount of sales contributed by new and existing stores, as well as the timing of certain holidays. We purchase substantial amounts of inventory in the third quarter and incur higher shipping costs and higher payroll costs in anticipation of the increased sales activity during the fourth quarter. In addition, we carry merchandise during our fourth quarter that we do not carry during the rest of the year, such as gift sets, holiday decorations, certain baking items, and a broader assortment of toys and candy.

The following table reflects the seasonality of net sales, gross profit, and net income (loss) by quarter for each of the quarters of the current fiscal year as well as each of the quarters of the two most recent fiscal years. All of the quarters reflected below are comprised of 13 weeks with the

exception of the fourth quarter of our fiscal year ended February 3, 2006, which was comprised of 14 weeks.

We believe this presentation provides a more meaningful understanding of the underlying business.
- (b) Results for the 3rd and 4th quarters of 2006 and the 1st, 2nd, and 3rd quarters of 2007 reflect the impact of Recent Strategic Initiatives as discussed in further detail in "Management's Discussion and Analysis of Results of Operations and Financial Condition".

### The Dollar General® Store

The typical Dollar General store is operated by a manager, an assistant manager and two or more sales clerks.

Approximately 48% of our stores are located in strip shopping centers, 50% are in freestanding buildings and 2% are in downtown buildings. We generally have not encountered difficulty locating suitable store sites in the past, and management does not currently anticipate experiencing material difficulty in finding future suitable locations.

Our recent store growth is summarized in the following table:

Year	Stores at Beginning Year	Stores Opened	Stores Closed	Net Store Increase (Decrease)	Stores at End of Year
2004	6,700	722	102	620	7,320
2005	7,320	734	125(a)	609	7,929

2007 (39 weeks)	8,229	323	348(b)	(25)	8,204

- (a) Includes 41 stores closed as a result of hurricane damage.
- (b) Includes 128 stores in 2006 and 275 stores in 2007 closed as a result of certain recent strategic initiatives

## **Employees**

As of January 4, 2008, we employed approximately 68,400 full-time and part-time employees, including divisional and regional managers, district managers, store managers, and distribution center and administrative personnel. Management believes our relationship with our employees is generally good, and we currently are not a party to any collective bargaining agreements.

## **Competition**

We operate in the discount retail merchandise business, which is highly competitive with respect to price, store location, merchandise quality, assortment and presentation, in-stock consistency, and customer service. We compete with discount stores and with many other retailers, including mass merchandise, grocery, drug, convenience, variety and other specialty stores. These other retail companies operate stores in many of the areas where we operate and many of them engage in extensive advertising and marketing efforts. Our direct competitors in the dollar store retail category include Family Dollar, Dollar Tree, Fred's, 99 Cents Only and various local, independent operators. Competitors from other retail categories include Wal-Mart and Walgreens, among others. Certain of our competitors have greater financial, distribution, marketing and other resources than we do.

The dollar store category differentiates itself from other forms of retailing by offering consistently low prices in a convenient, small-store format. We believe that our prices are competitive due in part to our low cost operating structure and the relatively limited assortment of products offered. Historically, we have minimized labor by offering fewer price points and a reliance on simple merchandise presentation. We attempt to locate primarily in second-tier locations, either in small towns or in the neighborhoods of more densely populated areas where occupancy expenses are relatively low. We maintain strong purchasing power due to our leadership position in the dollar store retail category and our focused assortment of merchandise.

## **Trademarks**

Through our subsidiary, Dollar General Merchandising, Inc., we own marks that are registered with the United States Patent and Trademark Office including the trademarks Dollar General®, Dollar General Market®, Clover Valley®, American Value®, DG Guarantee® and the Dollar General price point designs, along with certain other trademarks. We attempt to obtain registration of our trademarks whenever practicable and to pursue vigorously any infringement of those marks. Our trademarks have various expirations dates; however, assuming that the trademarks are properly renewed, they have a perpetual duration.

## **Legal Proceedings**

On August 7, 2006, a lawsuit entitled Cynthia Richter, et al. v. Dolgencorp, Inc., et al. was filed in the United States District Court for the Northern District of Alabama (Case No. 7:06-cv-01537-LSC) ("Richter") in which the plaintiff alleges that she and other current and former Dollar General store managers were improperly classified as exempt executive employees under the FLSA and seeks to recover overtime pay, liquidated damages, and attorneys' fees and costs. On August 15, 2006, the Richter plaintiff filed a motion in which she asked the court to certify a nationwide class of current and former store managers. We opposed the plaintiff's motion. On March 23, 2007, the court conditionally certified a nationwide class of individuals who worked for Dollar General as store managers since August 7, 2003. The number of persons who will be included in the class has not been determined, and the court has not approved the Notice that will be sent to the class.

On May 30, 2007, the court stayed all proceedings in the case, including the sending of the Notice, to evaluate, among other things, an appeal in the Eleventh Circuit involving claims similar to those raised in this action. That stay has been extended through March 31, 2008. During the stay, the statute of limitations will be tolled for potential class members. At its conclusion, the Court will determine

whether to extend the stay or to permit this action to proceed. If the Court ultimately permits Notice to issue, we will have an opportunity at the close of the discovery period to seek decertification of the class, and we expect to file such a motion.

We believe that our store managers are and have been properly classified as exempt employees under the FLSA and that this action is not appropriate for collective action treatment. We intend to vigorously defend this action. However, at this time, it is not possible to predict whether the court will permit this action to proceed collectively, and no assurances can be given that we will be successful in the defense on the merits or otherwise. If we are not successful in our efforts to defend this action, the resolution could have a material adverse effect on our financial statements as a whole.

On May 18, 2006, we were served with a lawsuit entitled Tammy Brickey, Becky Norman, Rose Rochow, Sandra Cogswell and Melinda Sappington v. Dolgencorp, Inc. and Dollar General Corporation (Western District of New York, Case No. 6:06-cv-06084-DGL, originally filed on February 9, 2006 and amended on May 12, 2006 ("Brickey")). The Brickey plaintiffs seek to proceed collectively under the FLSA and as a class under New York, Ohio, Maryland and North Carolina wage and hour statutes on behalf of, among others, individuals we employed as assistant store managers who claim to be owed wages (including overtime wages) under those statutes. At this time, it is not possible to predict whether the court will permit this action to proceed collectively or as a class. However, we believe that this action is not appropriate for either collective or class treatment and that our wage and hour policies and practices comply with both federal and state law. We plan to vigorously defend this action; however, no assurances can be given that we will be successful in the defense on the merits or otherwise, and, if we are not, the resolution of this action could have a material adverse effect on our financial statements as a whole.

On March 7, 2006, a complaint was filed in the United States District Court for the Northern District of Alabama (Janet Calvert v. Dolgencorp, Inc., Case No. 2:06-cv-00465-VEH ("Calvert")), in which the plaintiff, a former store manager, alleged that she was paid less than male store managers because of her sex, in violation of the Equal Pay Act and Title VII of the Civil Rights Act of 1964, as amended ("Title VII"). On March 9, 2006, the Calvert complaint was amended to include seven additional plaintiffs, who also allege to have been paid less than males because of their sex, and to add allegations of sex discrimination in promotional opportunities and undefined terms and conditions of employment. The amended Calvert complaint also alleged that the Company's employment practices disparately impacted females. However, the Court subsequently struck those allegations. The amended Calvert complaint seeks to proceed collectively under the Equal Pay Act and as a class under Title VII, and requests back wages, injunctive and declaratory relief, liquidated damages, punitive damages and attorney's fees and costs.

On July 9, 2007, the plaintiffs filed a motion in which they asked the court to approve the issuance of notice to a class of current and former female store managers under the Equal Pay Act. We opposed plaintiffs' motion. On November 30, 2007, the court conditionally certified a nationwide class of females under the Equal Pay Act who worked for Dollar General as store managers between November 30, 2004 and November 30, 2007. Notice issued on January 11, 2008, and persons to whom the Notice is sent will be required to opt into the suit on or before March 11, 2008. We will have an opportunity at the close of the discovery period to seek decertification of the Equal Pay Act class, and we expect to file such motion.

At this time, it is not possible to predict whether the court ultimately will permit Calvert to proceed collectively under the Equal Pay Act or as a class under the Title VII. However, we believe that the case is not appropriate for class or collective treatment and that our policies and practices comply with the Equal Pay Act and Title VII. We intend to vigorously defend the action; however, no assurances can be given that we will be successful in the defense on the merits or otherwise. If we are not successful in defending the Calvert action, its resolution could have a material adverse effect on our financial statements as a whole.

On November 9, 2007, we were served with an action entitled *Sheneica Nunn, et al. v. Dollar General Corporation, et al.* (Circuit Court for Dane County, Wisconsin, Case No. 07CV4178) in which the plaintiff, on behalf of herself and a putative class of African-American applicants, alleges that our criminal background check process disparately impacts African-Americans in violation of Title VII of the Civil Rights Act of 1964, as amended, and the Wisconsin Fair Employment Act. We have removed the case to federal court, and it currently is pending in the United States District Court for the Western District of Wisconsin. At this time, it is not possible to predict whether the court will permit this action to proceed as a class under either Title VII or the Wisconsin statute. However, we believe that this action is not appropriate for class treatment and that our background check policies and practices comply with both federal and state law. We plan to vigorously defend this action; however, no assurances can be given that we will be successful in the defense on the merits or otherwise, and, if we are not, the resolution of this action could have a material adverse effect on our financial statements as a whole.

On September 8, 2005, we received a request for information from the Environmental Protection Agency (EPA) with respect to Krazy String, a product that was offered for sale in our stores. The EPA asserted that Krazy String contained an aerosol that included an ozone depleting substance in violation of the Clean Air Act. On July 12, 2006, we agreed to an Administrative Compliance Order requiring the destruction of the Krazy String remaining in inventory. After advising us that it was considering imposing a penalty in connection with Krazy String, on February 5, 2007, the EPA proposed a penalty of approximately \$800,000. We believed that amount to be excessive under applicable EPA policies. After additional discussions with the EPA, we and the EPA agreed on January 17, 2008 to resolve this matter through our payment of a \$155,826 penalty. We expect to pay this penalty no later than February 22, 2008.

Subsequent to the announcement of the Merger Agreement, we and our directors were named in seven putative class actions alleging claims for breach of fiduciary duty arising out of our proposed sale to KKR. Each of the complaints alleged, among other things, that our directors engaged in "self-dealing" by agreeing to recommend the transaction to our shareholders and that the consideration available to our shareholders in the transaction is unfairly low. On motion of the plaintiffs, each of these cases was transferred to the Sixth Circuit Court for Davidson County, Twentieth Judicial District, at Nashville. By order dated April 26, 2007, the seven lawsuits were consolidated in the court under the caption, "In re: Dollar General," Case No. 07MD-1. On June 13, 2007, the court denied the Plaintiffs' motion for a temporary injunction to block the shareholder vote that was then held on June 21, 2007. On June 22, 2007, the Plaintiffs filed their amended complaint making claims substantially similar to those outlined above. We believe that the foregoing lawsuit is without merit and intend to defend the action vigorously; however, if we are not successful in defending such matter, its resolution could have a material adverse effect on our financial statements as a whole.

From time to time, we are a party to various other legal actions involving claims incidental to the conduct of our business, including actions by employees, consumers, suppliers, government agencies, or others through private actions, class actions, administrative proceedings, regulatory actions or other litigation, including under federal and state employment laws and wage and hour laws. We believe, based upon information currently available, that such other litigation and claims, both individually and in the aggregate, will be resolved without a material adverse effect on our financial statements as a whole. However, litigation involves an element of uncertainty. Future developments could cause these actions or claims to have a material adverse effect on our results of operations or financial position. In addition, certain of these lawsuits, if decided adversely to us or settled by us, may result in liability material to our financial position or may negatively affect our operating results if changes to our business operation are required.

We also have stores subject to build-to-suit arrangements with landlords, which typically carry a primary lease term of between 7 and 10 years with multiple renewal options. In recent years, an increasing percentage of our new stores have been subject to build-to-suit arrangements. In 2007, we expect approximately 70% of our new stores to be build-to-suit arrangements.

As of January 4, 2008, we operated nine DCs, as described in the following table:

We lease the DCs located in Oklahoma, Mississippi and Missouri and own the other six DCs. Approximately 7.25 acres of the land on which our Kentucky DC is located is subject to a ground lease. We lease additional temporary warehouse space as necessary to support our distribution needs.

Our executive offices are located in approximately 302,000 square feet of leased space in Goodlettsville, Tennessee.

*Mr. Nelson* has been the Chairman of the Board (since April 2003) and was previously President and Chief Executive Officer (since October 2005 – September 2007) of PRIMEDIA Inc., a targeted media company. He has served as the Chief Executive Officer of Capstone Consulting LLC, a strategic consulting firm, since 2000. From August 1985 to February 2000, Mr. Nelson was employed by Boston Consulting Group, Inc., a strategic consulting firm, where he served as a Senior Vice President from December 1998 to February 2000 and held various other positions from August 1985 to

November 1998. Mr. Nelson is a member of the Board of Directors of Sealy Corporation and Toys "R" Us, Inc. He has been a member of our Board of Directors since July 2007.

All of our directors are managers of Buck Holdings, LLC. The Second Amended and Restated Limited Liability Company Agreement of Buck Holdings generally requires that the members of Buck Holdings take all necessary action to ensure that the persons who serve as managers of Buck Holdings also serve on the Board of Directors of Dollar General. In addition, Mr. Dreiling's employment agreement provides that he will continue to serve as a member of our Board as long as he remains our Chief Executive Officer.

Our Audit Committee is composed of Messrs. Calbert and Agrawal. Although not formally considered by our Board because our securities are not registered or traded on any national securities exchange, we do not believe that any of our directors would be considered independent for either Board or Audit Committee purposes based upon the listing standards of the New York Stock Exchange (the "NYSE") on which our common stock was listed prior to the Merger. We believe none of our directors would be considered independent because of their relationships with certain affiliates of the funds and other entities that hold significant interests in Buck Holdings, which owns over 96.5% of our outstanding common stock on a fully diluted basis, and other relationships with us, all as described more fully under "Certain Relationships and Related Party Transactions."

## DIRECTOR COMPENSATION

The following table and text discuss the compensation of those persons who served as a member of our Board of Directors during all or a portion of 2006 other than David A. Perdue, our former Chairman and Chief Executive Officer, whose compensation is discussed under "Executive Compensation" and who received no additional compensation for his service as a Board member.

- (1) Messrs. Purcell and Thornburgh deferred payments of their director fees under our Deferred Compensation Plan for Non-Employee Directors. Cash amounts deferred during 2006 were as follows: Mr. Purcell (\$59,375); and Mr. Thornburgh (\$34,375). As a result of the Merger, all accounts held in Deferred Compensation Plan for Non-Employee Directors were distributed. The amount noted in this column for Mr. Wilds includes a \$1,250 per diem payment for work as Presiding Director with our Strategic Planning Committee. The amounts noted in this column also include the following per diem amounts for all directors who were not members of the Finance Committee but who were requested to attend a meeting of that Committee to discuss our 2006

budget: Mr. Beré (\$1,250); Mr. Clayton (\$625); Mr. Dickson (\$625); Ms. Knuckles (\$625); and Mr. Purcell (\$625).

- (2) The amounts set forth in this column represent restricted stock units ("RSUs") granted during 2006 and previous fiscal years under the 1998 Stock Incentive Plan. Each RSU represented the right to receive upon vesting one share of Dollar General common stock. The amounts listed are equal to the compensation cost recognized during fiscal 2006 for financial statement purposes in accordance with Statement of Financial Accounting Standards 123R ("SFAS 123R"), except no assumptions for forfeitures were included. Additional information related to the calculation of the compensation cost is set forth in Note 10 of the annual consolidated financial statements included in this prospectus. As a result of the Merger, all outstanding RSU awards vested and, therefore, all compensation expense associated with such awards was recognized in 2007 in accordance with SFAS 123(R).
- (3) Each of the directors, other than Mr. Clayton, received 4,600 RSUs during 2006 under the 1998 Stock Incentive Plan. The aggregate grant date fair value computed in accordance with SFAS 123R for the RSUs granted to the directors during 2006 is as follows: Mr. Beré (\$74,980); Mr. Bottorff (\$74,980); Ms. Bowles (\$74,980); Mr. Dickson (\$74,980); Mr. Gee (\$74,980); Ms. Knuckles (\$74,980); Mr. Purcell (\$74,980); Mr. Robbins (\$74,980); Mr. Thornburgh (\$60,536); and Mr. Wilds (\$74,980).
- (4) The number of RSUs held by the directors under the 1998 Stock Incentive Plan at February 2, 2007 was as follows: Mr. Beré (13,800); Mr. Bottorff (13,800); Ms. Bowles (13,800); Mr. Clayton (9,200); Mr. Dickson (13,800); Mr. Gee (13,800); Ms. Knuckles (13,800); Mr. Purcell (13,800); Mr. Robbins (13,800); Mr. Thornburgh (4,600); and Mr. Wilds (13,800). Dividend equivalents on the RSUs were credited to the director's RSU account in accordance with the terms of the 1998 Stock Incentive Plan. As a result of the Merger, all outstanding RSU awards granted to directors vested and have been settled in cash.
- (5) No compensation expense was recorded for 2006 for options awarded to directors under the 1998 Stock Incentive Plan because no options were granted to directors during 2006 and all previously awarded options had previously vested. The number of options held by the directors under the 1998 Stock Incentive Plan at February 2, 2007 was as follows: Mr. Beré (9,444); Mr. Bottorff (16,876); Ms. Bowles (12,780); Mr. Clayton (16,876); Mr. Dickson (16,876); Mr. Gee (15,938); Ms. Knuckles (11,150); Mr. Robbins (9,345); and Mr. Wilds (16,876). The number of options held by the directors under the 1995 Outside Directors Stock Option Plan at February 2, 2007 was as follows: Mr. Bottorff (6,423); Mr. Clayton (12,280); Mr. Dickson (12,280); Ms. Knuckles (6,692); and Mr. Wilds (12,280). As a result of the Merger, all outstanding stock options granted to directors have been settled in cash.
- (6) We did not provide above market or preferential earnings on deferred compensation.
- (7) Mr. Beré became an employee on December 4, 2006 and received the following 2006 compensation related to his employment:

Name and Principal Position	Salary (\$)	All Other Compensation \$(b)	Total (\$)
David L. Beré, <i>President and Chief Operating Officer</i> (a)	114,426	47,933	162,359

- (a) Mr. Beré was subsequently appointed Interim Chief Executive Officer on July 6, 2007 and served as such until January 21, 2008.
- (b) "All Other Compensation" includes \$157 for premiums paid under our life insurance program; \$2,917 for our match contributions to the Compensation Deferral Plan; \$2,242 for the reimbursement of taxes related to relocation; and \$42,617 which represents the incremental cost of providing certain perquisites, including \$41,235 relating to relocation, as well as other amounts, which individually did not equal the greater of \$25,000 or 10% of total perquisites, for sporting event tickets, a holiday gift of a Sony E-Reader, and golf charges in connection with our annual strategic planning meeting.

- (8) Mr. Clayton retired from our Board of Directors on May 31, 2006.
- (9) Represents the cost of a trip to a resort for Mr. Clayton and his spouse as a retirement gift upon Mr. Clayton's retirement from our Board of Directors.
- (10) Mr. Thornburgh was appointed to our Board of Directors on July 24, 2006.

*Narrative to Fiscal 2006 Director Compensation Table*

In 2006, we used a combination of cash and stock-based incentive compensation to attract and retain qualified Board candidates. Any director who also was a Dollar General employee did not receive any separate compensation for Board service, except for Mr. Beré who received compensation for his service as an officer.

*Cash Compensation.* For 2006, we paid non-employee directors an annual cash retainer (payable in quarterly installments) and meeting attendance fees as set forth below. We also paid in quarterly installments the following additional annual retainers to each committee chairman and to the Presiding Director.

Other Annual Retainers				In-Person Meeting Attendance Fees			Telephonic Meeting Attendance Fee
Annual Cash Retainer	Audit Committee Chairman	Other Committee Chairman	Presiding Director	Board Meeting	Audit Committee Meeting	Other Committee Meeting	
\$ 35,000	\$ 20,000	\$ 10,000	\$ 15,000	\$ 1,250	\$ 1,500	\$ 1,250	\$ 625

We reimbursed directors for certain fees and expenses incurred in connection with continuing education seminars and travel expenses related to Dollar General meeting attendance or requested appearances. We allowed directors to travel on the Dollar General airplane for those purposes.

Currently, as approved by our Board subsequent to the Merger, cash fees paid to our non-employee directors consist solely of a \$40,000 annual retainer fee, payable quarterly in advance, along with the expense reimbursements discussed above. As in 2006, any director who also is a Dollar General employee does not receive any separate compensation for Board service.

*Equity Compensation.* In 2006, we granted 4,600 RSUs to each non-employee director pursuant to our 1998 Stock Incentive Plan. All non-employee directors other than Messrs. Thornburgh and Clayton received the 2006 annual grant on May 31, 2006. Mr. Thornburgh received his 2006 annual grant on July 24, 2006 upon his appointment to our Board. Mr. Clayton did not receive an annual grant for 2006 due to his retirement in May 2006.

We credited dividend equivalents to the director's RSU account as additional RSUs in accordance with the terms of our 1998 Stock Incentive Plan whenever we declared a dividend other than a stock dividend on our common stock. Directors did not have voting rights with respect to RSUs until the underlying shares of common stock were issued.

RSUs generally vested one year after the grant date if the director was still serving on our Board. We did not, however, make payment on the vested units until the director ceased to be a member of our Board. Under the terms of the 1998 Stock Incentive Plan, vesting of the RSUs accelerated upon termination of a director's Board service due to death, disability or normal retirement or upon a change-in-control of Dollar General or in the discretion of our Compensation Committee upon a potential change-in-control. The Merger constituted a change-in-control under our 1998 Stock Incentive Plan. Accordingly, all outstanding RSUs vested and were settled in cash in the Merger.

Prior to June 2, 2003, we also annually granted non-qualified stock options to our non-employee directors under certain stock incentive plans. All of those options have since fully vested and, pursuant to the Merger, were settled in cash.

We currently no longer make equity grants to our non-employee directors as part of director compensation.

*Stock Ownership Guidelines.* In 2006, as a publicly held company, we required each director to own at least 13,000 shares or share units of our common stock within three years of joining our Board. RSUs and stock options counted towards that requirement. However, because we are now a privately held company, we no longer maintain those stock ownership guidelines.

*Deferred Compensation Program for Non-Employee Directors.* Prior to the Merger, non-employee directors could defer up to 100% of eligible compensation paid by us to them pursuant to a voluntary nonqualified compensation deferral plan known as the Deferred Compensation Plan for Non-Employee Directors. Eligible compensation included the annual retainer(s), meeting fees, and any per diem compensation for special assignments earned by a director for service to the Board or one of its committees. We credited the deferred compensation to a liability account, which was then invested at the director's option in one or more accounts that mirrored the performance of funds selected by our Compensation Committee or its delegate (the "Mutual Fund Options") or that mirrored the performance of our common stock (the "Common Stock Option").

All deferred compensation pursuant to the Deferred Compensation Plan for Non-Employee Directors was immediately due and payable as a result of the Merger, which constituted a change-in-control of Dollar General under the terms of that Plan.

Our Board elected to terminate the Deferred Compensation Plan for Non-Employee Directors effective as of December 31, 2007.

## **EXECUTIVE COMPENSATION**

Throughout this prospectus, we refer to the individuals who served as our Chief Executive Officer and Chief Financial Officer during 2006, as well as the other individuals included in the Summary Compensation Table, as our "named executive officers" (or "NEOs").

### *Compensation Discussion and Analysis*

#### **Oversight of Executive Compensation**

Prior to the Merger, our Board of Directors had a standing Compensation Committee that assisted the Board in discharging its responsibilities relating to the compensation of executive officers (including the NEOs). The Committee operated pursuant to a written Charter adopted by the Board and was responsible for recommending our CEO's compensation to the independent directors of our Board who retained sole authority to approve or ratify that compensation. The Committee had the authority to approve the compensation of all other executive officers (including all other NEOs).

At least three directors served on the Committee, all of whom were "independent directors", as defined in our Corporate Governance Principles in effect prior to the Merger, "non-employee directors" within the meaning of Rule 16b-3 under the Exchange Act and "outside directors" within the meaning of Section 162(m)(4)(C) of the Internal Revenue Code of 1986, as amended. In 2006, the Committee members were Messrs. Bottorff, Dickson and Gee. Mr. Beré served as a Committee member until his appointment as our President and Chief Operating Officer on November 28, 2006, at which time he immediately resigned from all Board committees. As part of a restructuring of all Board committee memberships, Mr. Bottorff replaced Mr. Gee as a member and Chairman of the Committee on November 27, 2006. Mr. Gee was reappointed to the Committee on January 5, 2007 to fill the vacancy created by Mr. Beré's resignation and to help provide continuity with the Committee's prior work. All 2006 compensation decisions were made by this prior Committee. All 2007 compensation decisions made prior to the Merger were made by this prior Committee in consultation with KKR.

The Compensation Committee met 9 times during 2006. The Compensation Committee was given the opportunity at each regularly scheduled meeting to meet in private session without the presence of management. In addition, the Compensation Committee was given the opportunity at each quarterly meeting and at any other relevant meeting to meet in separate private sessions with each of the compensation consultant, the EVP of Human Resources and the General Counsel.

We currently no longer have a Compensation Committee. Rather, the Executive Committee of the Board has been authorized to make decisions regarding the compensation of our executive officers. As

of January 4, 2008, the Executive Committee consisted of Messrs. Calbert and Jones. However, to date since the Merger, our Board has made all executive compensation decisions.

### **Use of Outside Advisors in Determining Executive Compensation**

The Compensation Committee had the sole authority to select, retain and terminate any consulting firm engaged to assist in the evaluation of NEO compensation, and to approve that firm's fees and other retention terms. The Compensation Committee also had the authority to conduct or authorize studies and investigations into any matters within the scope of its responsibilities and to retain outside advisors for any reason.

In April 2004, the Compensation Committee selected Hewitt Associates as its compensation consultant after a thorough Committee-led interview process. Hewitt reported directly to the Compensation Committee and had the authority and the ability to contact Committee members directly. Hewitt also provided and continues to provide consulting services to our human resources group, both with respect to the work our management does in connection with NEO compensation (as described in greater detail below under "Management's Role in Determining or Recommending Executive Compensation") and in general employee compensation and benefits matters. Neither the Compensation Committee nor Hewitt believed that providing these services undermined in any way the independence of the advice or information provided to the Committee.

In 2006, the Compensation Committee approved a written letter of agreement with Hewitt. This agreement described the general terms of Hewitt's working relationship with management and the Compensation Committee. In particular, Hewitt performs executive compensation services as requested from time to time by management or, prior to the Merger, the Compensation Committee. The agreement sets forth a wide range of potential work that Hewitt may be requested to perform, including competitive market pay analysis, support with regard to relevant legal, regulatory and/or accounting considerations impacting compensation programs, assistance with market data, trends, and competitive practices, preparation for and attendance at selected management, Committee or Board meetings and other miscellaneous work as requested.

As discussed above, we currently no longer have a Compensation Committee and, subsequent to the Merger, the Executive Committee was given the authority to determine NEO compensation. While the letter of agreement with Hewitt remains in effect, the Executive Committee has the authority to retain any outside advisors it deems appropriate and to approve the fees and expenses of those advisors.

### **Management's Role in Determining or Recommending Executive Compensation**

Management assists Hewitt Associates in gathering and preliminarily analyzing relevant competitive data and identifying and preliminarily evaluating various compensation alternatives. The CEO and the EVP and VP of Human Resources regularly attend and participate in meetings where executive compensation is discussed in order to provide their own viewpoints or to assist Hewitt in making relevant presentations. The CEO participated fully with the Compensation Committee in assessing NEO performance and in making recommendations on the level of compensation for each pay component. None of these persons attended the Compensation Committee's private sessions or the Committee's private session with Hewitt (unless the Committee requested a joint private session with Hewitt and select members of management), and the CEO was not present for any vote concerning his own compensation.

While the input of Dollar General management is valued and welcomed, all executive compensation decisions ultimately are made by Board or Committee members with the goal of managing executive compensation in the best interests of Dollar General and our shareholders.

## Executive Compensation Philosophy and Objectives

The goals of our executive compensation strategy are to attract, retain and motivate persons with superior ability, to reward outstanding performance, and to align the long-term interests of our officers with those of our shareholders. Our material compensation principles applicable to NEOs include the following:

- Generally, total compensation should be targeted at the median total compensation of comparable positions at peer companies. However, because comparisons occasionally can be difficult due to the unique job description of some of our officers and the unique niche we play in the retail sector, we may fairly account for distinct circumstances not reflected in the market data. In addition, competition may require total compensation, or any component of total compensation, to exceed the median.
- Base salary should reflect the position's responsibilities, the individual's experience and contributions and the salaries for comparable positions in the competitive marketplace. Our NEOs' base salaries are subject to minimums set forth in their employment agreements.
- Compensation arrangements shall emphasize pay for performance and encourage retention of those officers who enhance our performance.
- Compensation arrangements shall promote ownership of our common stock to align the interests of management and shareholders.
- Compensation arrangements shall maintain an appropriate balance between base salary and long-term and annual incentive compensation.
- In approving compensation, the recent compensation history of the officer, including special or unusual compensation payments, shall be taken into consideration.
- Cash incentive compensation plans for officers shall link pay to achievement of financial goals set in advance by the Board. Awards of incentive bonuses generally should be based on achieving corporate goals and on a subjective evaluation of the contributions of individual executives to the achievement of our business goals.

## Use of Market Benchmarking Data in Determining Executive Compensation

Our compensation philosophy recognizes the need to pay compensation that is competitive with the external talent market for senior executives in order to attract and retain NEOs who we believe will enhance our overall long-term business results. We believe the primary talent market for NEO positions is retail companies with revenues and product lines similar to ours. For both 2006 and 2007, the Compensation Committee directed Hewitt to provide compensation data on total and individual elements of compensation from its proprietary salary survey database as well as from the proxy statements of selected retail companies that met this criteria. We refer to this combined group as the market comparator group. We believe these companies compete with us for NEO level talent and have executive positions that are similar in breadth, complexity and scope of responsibility to those of our NEOs. The 2006 market comparator group was AutoZone, Barnes & Noble, BJ's Wholesale Club, Circuit City, Dillard's, Family Dollar, Foot Locker, Kohl's, Limited Brands, Long Drug Stores, Nordstrom, OfficeMax, Office Depot, RadioShack, Staples, TJX Companies, J.C. Penney, The Gap, Federated Department Stores, Blockbuster, Big Lots, Ross Stores, PetSmart, Retail Ventures and Payless ShoeSource. The 2007 market comparator group was modified to remove Barnes & Noble, Big Lots, BJ's Wholesale Club, Circuit City, Dillards, Foot Locker, Payless ShoeSource, PetSmart, Retail Ventures, and the TJX Companies. Advance Auto Parts, The Pantry, and SuperValue Inc were added. These changes to the comparator group were made as part of a routine review based on the availability of data, company size and product lines and comparability of business models.

Hewitt was also asked to provide information from all other general industry companies for certain positions that are less specific to the retail industry and to serve as additional reference points in assessing the appropriateness of the compensation levels of all NEO level positions.

The market comparator group does not include all of the companies that are included in the S&P 500 General Merchandise Store Index because we believed that many of these companies are too large or too small to provide an appropriate comparison and that it is more appropriate to compare compensation of our NEOs with that of executives in companies that are more comparable in size in terms of revenue.

### **NEO Compensation Targets Relative to the Competitive Market**

The Compensation Committee believed that the median of the competitive market was the appropriate target for an NEO's total compensation. However, the target for each of the components of compensation relative to the competitive market varied. In determining each NEO's specific compensation in 2006 and 2007, the Compensation Committee started with the competitive median then considered any unique job responsibilities of each NEO, the importance of that role to us, and our specialized niche in the retail sector. The Compensation Committee, working with Hewitt, tried to fairly account for these unique circumstances not reflected in the market benchmarking data by adjusting that compensation element based on a variety of factors, including the NEO's prior experience, length of service, compensation history and performance, and the relation of the NEO's compensation to other executives and NEOs. Further, competition for talent of a specific NEO position may occasionally require total compensation, or any component of total compensation, to vary from the target.

### **Elements of NEO Compensation**

We provide compensation in the form of base salary, short-term incentives, long-term incentives, benefits and perquisites. As described in more detail below, the Compensation Committee believed that each of these elements was a necessary component of an NEO's overall compensation package and were consistent components of compensation programs at competing companies. Prior to the Merger, the Compensation Committee reviewed base salary, short-term incentives, and long-term incentives at least annually and other elements periodically when material changes were considered. These reviews included evaluating the relationship of each element to the competitive market, the appropriate mix of each element in determining total compensation and the role of each element in addressing the philosophy described above.

**Base Salary.** Base salary generally assists in fulfilling the recruiting and retention functions of our compensation principles by reflecting the responsibilities of the position, the experience and contribution of the individual, and the salaries for comparable positions in the competitive marketplace. The Compensation Committee believed that we would be unable to attract or retain quality NEOs in the absence of competitive base salary. For this reason, base salary constitutes a significant portion of an NEO's total compensation. The base salary element also assists in fulfilling the pay for performance role of our compensation philosophy because NEOs are not eligible for any base salary increase or annual incentive payment unless they perform satisfactorily against their previously established individual performance goals.

In determining each NEO's base salary, the Compensation Committee reviewed the benchmarking data provided by Hewitt, as described above, to determine comparable salaries for the position in the market. The Compensation Committee assessed the comparability of the duties and responsibilities of the position to those of the market positions and adjusted the median compensation value of the benchmark position up or down accordingly. The Compensation Committee then reviewed the NEO's experience level and performance, the relationship of the NEO's salary to that of the other NEOs, and any other appropriate factor, such as when the NEO was hired or promoted and the relationship of the

NEO's salary to that of the other NEOs and executives. The Summary Compensation Table contained in this prospectus shows the amount of base salary earned by each NEO in 2006.

Individual performance goals were established each year for the CEO by the Compensation Committee and for the other NEOs by the CEO. In 2006, individual goals were based on the areas of our business for which the NEO was responsible, as well as overarching Dollar General goals and initiatives, including measures regarding our growth (revenue, total sales, same store sales, new stores, etc.), market share, merchandising and marketing strategies, shrink improvement, inventory management, distribution and capacity management, new concept development, leadership development, succession planning, diversity, employee benefits, turnover reduction and retention strategies, workplace improvements, customer satisfaction, technology improvements, internal controls, legal and regulatory compliance, and expense control.

The Compensation Committee approved the following 2006 base salary adjustments:

- *Mr. Perdue* : (see separate CEO compensation section below).
- *Mr. Tehle* : After reviewing with Mr. Perdue the performance of Mr. Tehle with respect to his goals, which included responsibility for analysis and financial disciplines in the organization to create value for the business, the Compensation Committee deemed Mr. Tehle's performance to be satisfactory. Accordingly, Mr. Tehle was eligible in 2006 for both a base salary increase and participation in the short-term incentive plan to the extent that we achieved our financial goals. However, Mr. Tehle did not receive a 2006 base salary increase because the Compensation Committee had raised his base salary by 22.1% (from \$475,000 to \$580,000) effective December 2005 after a review of all NEO compensation, which occurred in conjunction with the hiring of a new NEO, revealed that Mr. Tehle's salary was low in relation to the new NEO's salary given Mr. Tehle's role and impact on the organization.
- *Ms. Guion* : After reviewing with Mr. Perdue the performance of Ms. Guion with respect to her goals, which included responsibility for results in store operations and store development, including the implementation of the major EZstore™ corporate initiative, the Compensation Committee deemed Ms. Guion's performance to be satisfactory. Accordingly, Ms. Guion was eligible in 2006 for both a salary increase and participation in the short-term incentive plan to the extent that we achieved our financial goals. However, Ms. Guion did not receive a 2006 base salary increase because the Compensation Committee had raised her base salary by 17.6% (from \$425,000 to \$500,000) effective December 2005 for the same reasons noted above with respect to Mr. Tehle's base salary increase.
- *Mr. Buley* : Mr. Buley was hired on December 1, 2005, and therefore was not considered for a base salary increase in 2006.
- *Ms. Lowe* : After reviewing with Mr. Perdue the performance of Ms. Lowe with respect to her goals, which included recruiting a significant number of new executives and creating more analytical rigor in the human resources group in its support of the Committee, the Compensation Committee deemed Ms. Lowe's performance to be satisfactory. Accordingly, Ms. Lowe was eligible in 2006 for both a base salary increase and participation in the short-term incentive plan to the extent that we achieved our financial goals. The Compensation Committee raised Ms. Lowe's base salary by 9.3% (from \$375,000 to \$410,000) effective April 1, 2006 as part of the normal merit review process primarily based on a review of her performance versus previously established goals and her impact on the organization. The Compensation Committee also noted that the base salary increase better aligned Ms. Lowe's salary with other NEOs and the competitive market for her position.

The 2007 individual performance goals for the NEOs were substantially similar to those set for 2006. In addition, the process for determining 2007 base salary adjustments was substantially similar to that followed with respect to 2006 base salary determinations. However, due to certain covenants

contained in the Merger Agreement, the Compensation Committee also was bound by limitations imposed by KKR. Accordingly, each NEO received a 3% 2007 base salary increase.

**Short-Term Incentive Plan.** Our short-term incentive plan, called Teamshare, serves to motivate NEOs and all participants to achieve certain financial goals that are established at the start of the fiscal year. Our NEOs may not receive a Teamshare payout unless they perform satisfactorily against their individual performance goals, even if our financial goals are attained. Accordingly, Teamshare fulfills an important part of our pay for performance philosophy, while at the same time aligning the interests of our NEOs with those of our shareholders. It also provides compensation opportunities for our NEOs that are consistent with the compensation opportunities prevalent in the market comparator group and general industry, thus helping to meet the recruiting and retention objectives of our compensation philosophy discussed above.

Teamshare authorizes the payment of cash bonuses based on our actual performance measured against established business and/or financial performance measures. Within 90 days of the start of each fiscal year, the Board or relevant committee thereof determines who will participate in Teamshare and the performance goal or goals applicable to each chosen performance measure, the relative weight of each performance measure if more than one is selected, and each participant's target bonus percentage. No participant can receive a bonus under the plan in excess of \$2.5 million for any fiscal year. No bonus can be paid under the plan unless and until the Board or a relevant committee thereof certifies in writing that the previously established performance goals have been satisfied. The Board or a relevant committee thereof may reduce or eliminate any bonus in its discretion despite achievement of the performance goal but may not increase the amount of bonus payable to an NEO under Teamshare. The plan does not limit the ability to make discretionary payments or awards outside of Teamshare.

For 2006, the Compensation Committee selected net income as the sole performance measure for determining payouts under the plan because it believed that net income directly reflected several important business results, such as performance against sales, margin and expense targets and indirectly measures asset (or inventory level) controls. Also, many of the companies in our market comparator group used net income as one of their measures of performance for bonus determinations.

The net income result needed to achieve a Teamshare target payout (\$376,895,000) was set to equal our Board-approved annual financial objective. The Compensation Committee then established the threshold performance level at \$1 greater than the previous year's actual net income result, or approximately 93% of target net income (\$350,154,733), and the maximum performance level at 110% of the 2006 net income target (\$414,584,500). The threshold was set so that no Teamshare bonus would be earned unless our 2006 net income at least equaled our 2005 net income.

The Compensation Committee determined the amount of each NEO's payout target based on benchmarking information provided by Hewitt regarding competitive target incentives of comparable positions in the market comparator group and general industry. The Compensation Committee also set the amounts of the threshold and maximum payout levels for performances below and above the target levels respectively, with payouts prorated between threshold and maximum levels in relation to net income results. For 2006, Hewitt advised that the typical practice in the market comparator group and general industry was to set the target payout percentage at twice that of the threshold payout percentage and the maximum payout percentage at twice that of the target. In order to adopt this more typical and competitive structure, the Compensation Committee set the maximum potential payout levels for NEOs other than Mr. Perdue (see below) at 130% of base salary for 2006 as opposed to 100% of base salary for 2005. As a result, the Teamshare payout range for the NEOs other than Mr. Perdue (see below) was set at the following base salary percentages: 32.5% (threshold), 65% (target), and 130% (maximum).

Hewitt advised that Mr. Perdue's 2005 Teamshare target payout level was low in relation to the market comparator group and general industry and that a target payout level of 100% of base salary was more typical. As a result, the Compensation Committee recommended, and the independent

directors approved, Mr. Perdue's 2006 payout levels at the following percentages of base salary: 50% (threshold), 100% (target), and 200% (maximum).

For 2006, eligibility to receive a payout under Teamshare was determined based on the following objective and subjective criteria: (a) the individual's achievement of a satisfactory performance rating when evaluated against his or her annually established performance objectives; and (b) our achievement of net income goals established by the Compensation Committee at the beginning of 2006.

As discussed above, each NEO's 2006 performance was deemed to be satisfactory. Accordingly, each NEO was eligible to receive a Teamshare award. However, because we did not meet our 2006 net income threshold goal, NEOs did not receive any Teamshare payouts.

Nonetheless, over the course of the year it became clear that the Teamshare net income goal was no longer a relevant measure of management's success because of the impact of the critical strategic initiatives begun during the year, including changes to our merchandising markdown strategy; changes to the real estate site selection strategy resulting in slowing the growth in store openings in favor of improved site quality; changing sourcing and packaway strategies; and closing a significant number of stores in underperforming locations. After extensive discussion and analysis, and with the agreement of the full Board of Directors, the Compensation Committee determined that a discretionary bonus payout should be authorized outside of the annual Teamshare bonus plan. This discretionary bonus was made to recognize the significant restructuring and strategic efforts made by employees over the course of the year, to align the 2006 short-term performance incentive more closely to the revitalization strategy, to reward critical employees for their accomplishments towards implementation of that revised strategy, and to motivate and retain the NEOs and employees who were integral to the strategy's continued successful execution.

After approving the discretionary bonus to substantially all employees who would otherwise have been eligible to participate in Teamshare, the Compensation Committee awarded each NEO, except the CEO (see "Compensation for Mr. Perdue") a 2006 discretionary bonus equal to the threshold amount that would have been paid under the Teamshare plan. These amounts are reflected in the "Bonus" column of the Summary Compensation Table set forth in this prospectus.

The Compensation Committee also decided to re-evaluate the use of net income as the sole performance measure for 2007. The Compensation Committee planned to consider additional measures used by our competitor companies and which can be tied to accomplishing the milestones in the strategic initiatives that are underway. However, before this decision could be made, we announced our intended sale to KKR and agreed to consult with KKR on significant changes to certain of our normal business practices. KKR requested, and the Compensation Committee agreed, to adopt earnings before interest, taxes, depreciation and amortization (EBITDA), calculated in a similar manner to the definition contained in the indenture relating to the senior notes, as the sole performance measure for the 2007 Teamshare plan. The actual threshold, target and maximum amounts were set in consultation with KKR.

We do not intend to publicly disclose the specific EBITDA performance targets for the 2007 short-term incentive plan, as they reflect competitive, sensitive information regarding our budget. However, we consider our budget to be challenging, and we have set these targets at levels designed to be generally consistent with the level of difficulty of achievement associated with prior year performance-based awards. While designed to be attainable, we believe target performance levels will require strong performance and execution which in our view provides an incentive firmly aligned with shareholder interests.

**Long-Term Incentive Program.** Long-term incentives are a critical part of the overall compensation package, motivating executives to focus on achieving success for shareholders over the long-term. These incentives thus assist in achieving a balance between short-term and long-term goals and in aligning our NEOs' and shareholders' interests. We deliver our long-term incentives in the form of equity grants and structure them in such a way as to recognize increases or decreases in the stock price. Prior to the Merger, the Compensation Committee targeted a certain economic value to be delivered through the long-term incentives, but the NEO only realized that targeted value if our stock price increased. Lesser increases or no increase in stock price resulted in the NEOs receiving less than targeted value, while greater stock price increases resulted in the NEOs receiving above target value. Long-term incentives are also included in most compensation packages of the market comparator group as well as most other general industry companies, furthering our program's recruiting and retention objectives.

The Compensation Committee relied on the competitive compensation information from the market comparator group provided by Hewitt Associates to establish long-term incentive target dollar amounts for each NEO position. The Compensation Committee, with Hewitt's assistance, then determined the form in which the long-term compensation value should be delivered. These decisions were typically made at the Compensation Committee's March/April meeting when the Committee also reviewed compensation benchmarking and other relevant information and evaluated the performance of our NEOs.

Prior to the Merger, it was our practice to establish the exercise price of options as the closing market price on the grant date. We typically released our annual earnings and other financial results shortly after this meeting. However, the grants were made prior to that release for the reasons stated above, regardless of whether the earnings release was favorable or unfavorable. In accordance with our usual practice, the 2007 annual equity grants were made at the March Committee meeting, except for grants to officers at the level of Executive Vice President or above which were made several days following that meeting after receiving the input and approval of KKR per the terms of the Merger Agreement.

As a result of the competitive data provided by Hewitt in 2006 and in the past, the Compensation Committee was aware that our prior long-term incentive economic values have been well below those of the competitive market. While considering what long-term incentive awards to grant in 2006, the Compensation Committee decided that these values should be increased to be closer to the market in order to help retain our NEOs, many of whom were relatively new. In considering ways to increase these values, the Compensation Committee considered granting performance-based RSUs in addition to the time-vested stock options and RSUs which have recently comprised the long-term component of NEO compensation. After studying this approach, however, the Compensation Committee decided not to incorporate performance-based RSUs into the 2006 long-term incentive component due to the difficulty inherent in setting goals three years into the future for a company undergoing transformation and implementing significant strategic change. In making this decision, the Compensation Committee was able to draw upon its specific observations of other companies that implemented performance-based plans and the resulting demotivating impact caused by goals set three years into the future that could not be adjusted to recognize significant changes in the business or in the external environment without losing the tax deductibility of the incentive payments.

At its March 2006 meeting, the Compensation Committee instead decided to increase the long-term compensation value for NEOs by approximately 20-25% by increasing the economic value delivered by time-vested stock options and RSUs. Even with this increase in value, long-term compensation for our NEOs continued to be below the comparative market median. At the same time, the Compensation Committee also decided to change the allocation from the previous 80%/20% (stock options/RSUs) to 70%/30% (stock options/RSUs), which, according to Hewitt, more closely aligned with market practice. The actual grant date fair value of the 2006 stock option and RSU awards and

the number of options and shares awarded during 2006 to NEOs, are presented in the Grants of Plan-Based Awards Table set forth in this prospectus.

At its January 2007 meeting, the Compensation Committee decided to further adjust the relationship of options and RSUs to reflect a 50%/50% allocation of the economic value for long-term incentive grants made in 2007. This decision was based in part on the limited availability of shares for use as options under the current shareholder-approved option program and in part to position us for transitioning to a new compensation strategy that will be more effective in retaining key employees.

In connection with the Merger, outstanding stock options, restricted stock and RSUs became fully vested immediately prior to the closing of the Merger and were settled in cash, canceled or, in limited circumstances, exchanged for new options of Dollar General, as described below. Unless exchanged for new options, each NEO received an amount in cash, without interest and less applicable withholding taxes, equal to \$22.00 less the exercise price of each option. Additionally, each restricted stock and RSU holder received \$22.00 in cash, without interest and less applicable withholding taxes. Certain stock options held by our management were exchanged for new options to purchase common stock in Dollar General (the "Rollover Options"). The exercise price of the Rollover Options and the number of shares of common stock of Dollar General underlying the Rollover Options were adjusted as a result of the Merger. The Rollover Options otherwise continue under the terms of the equity plans under which they were issued.

On July 6, 2007, our Board approved and adopted the 2007 Stock Incentive Plan for Key Employees (the "Plan"). The Plan provides for the granting of stock options, stock appreciation rights, and other stock-based awards or dividend equivalent rights to key employees, directors, consultants or other persons having a service relationship with us, our subsidiaries and certain of our affiliates. For certain designated employees including NEOs, the Board required a personal financial investment in the Company in order to be eligible to receive a stock option grant. That investment could be made in the form of cash, rollover of common stock and/or rollover of in-the-money options issued prior to the Merger. In exchange for this investment, we issued shares of common stock and/or in-the-money Rollover Options (see above).

Since each NEO met the personal investment requirement, on July 6, 2007, the Board approved grants to Mr. Tehle, Mr. Buley, Ms. Guion and Ms. Lowe of non-qualified options to purchase 1,100,000 shares, 875,000 shares, 875,000 shares, and 675,000 shares, respectively of our common stock pursuant to the terms of the Plan. The options are divided so that half are time-vested options and half are EBITDA-based performance vested options, as described further below. The options have an exercise price equivalent to \$5.00 per share, which was the fair market value on the grant date.

The time-vested options vest and become exercisable ratably over a five-year period solely based upon continued employment over that time period.

The EBITDA-based performance vested options are eligible to vest and become exercisable ratably only if we achieve certain annual EBITDA-based performance targets, as determined in good faith by the Board. Those options also vest and become exercisable on a "catch up" basis if, at the end of fiscal years 2008, 2009, 2010, 2011 or 2012, the applicable cumulative EBITDA-based target is achieved in respect of any such completed fiscal year. We do not intend to publicly disclose the specific EBITDA performance targets for these options as they reflect competitive, sensitive information regarding our budget. However, we consider our budget to be challenging, and we have set these targets at levels designed to be generally consistent with the level of difficulty of achievement associated with prior year performance-based awards. While designed to be attainable, we believe target performance levels will require strong performance and execution which in our view provides an incentive firmly aligned with shareholder interests.

The combination of time and performance based vesting of these awards is designed to compensate executives for long-term commitment to us, while motivating sustained increases in our financial performance.

**Benefits and Perquisites.** We provide benefits and limited perquisites to NEOs for retention and recruiting purposes, to promote tax efficiency for the NEOs, and to replace benefit opportunities lost due to regulatory limits. We also provide NEOs with these benefits and perquisites as additional forms of compensation that are believed to be consistent and competitive with benefits and perquisites provided to similar positions in the market comparator group and general industry. The Compensation Committee believed these benefits and perquisites are consistent with the compensation objectives described above as they help to attract and retain NEOs. In addition to certain benefits offered to NEOs on the same terms that are offered to the salaried employee population (such as our 401(k) match and health and welfare plans), we provide NEOs the benefits and perquisites specified below.

We offer to certain key employees (including our NEOs), the Compensation Deferral Plan (the "CDP") and the defined contribution Supplemental Executive Retirement Plan (the "SERP" and together with the CDP, the "CDP/SERP Plan"). During his tenure with Dollar General, Mr. Perdue, was eligible to participate in the CDP but not the SERP due to his participation in an individual defined benefit SERP. Mr. Perdue's SERP was provided as part of Mr. Perdue's inducement package to join Dollar General in 2003, and was one of the components necessary at that time in attracting him as our CEO. In addition, in January 2006 our Board approved the establishment of a grantor trust to hold certain assets in connection with Mr. Perdue's SERP in the event of a change in control. The Compensation Committee also deemed it appropriate in accordance with competitive practice to reimburse Mr. Perdue for certain legal fees that he incurred as a result of the establishment of this grantor trust. These fees are reported in the "All Other Compensation" column of the Summary Compensation Table set forth in this prospectus. We discuss in detail the CDP/SERP Plan, Mr. Perdue's SERP and the grantor trust after the Nonqualified Deferred Compensation Table and the Pension Benefits Table, respectively, set forth in this prospectus.

We provide each NEO with a life insurance benefit equal to 2.5 times his or her base salary to a maximum of \$3,000,000. We pay the premiums and gross up the NEO's income to pay the tax cost of this benefit. We also provide NEOs with a disability insurance benefit that provides income replacement of 60% of base salary to a maximum monthly benefit of \$20,000 (\$25,000 for the CEO). We pay the cost of this benefit and gross up the NEO's income to pay the tax cost of this benefit to the extent necessary to replace benefit level caps in the group plan applicable to all salaried employees.

Each NEO may choose either a leased automobile or a fixed monthly automobile allowance. All NEOs except Ms. Lowe chose the automobile allowance option in 2006 and 2007. Ms. Lowe chose the lease option under which we provide her with a company-leased automobile and pay for her gasoline, repairs, service, and insurance and provide a gross-up payment to pay the tax cost of the imputed income. The incremental costs we incurred related to these benefits in 2006 are reported in the "All Other Compensation" column of the Summary Compensation Table set forth in this prospectus.

We also provide a relocation assistance program to NEOs similar to that offered to certain other employees. The significant differences from the relocation assistance provided to other employees are as follows:

- We provide a pre-move allowance of 5% of the NEO's annual base salary (we cap this allowance at \$5,000 for other employees);
- We provide home sale assistance by offering to purchase the NEO's prior home at an independently determined appraised value in the event the prior home is not sold to an outside buyer (we do not offer this service to other employees); and

- We reimburse NEOs for all reasonable and customary home purchase closing costs (we limit our reimbursement to other employees to 2% of the purchase price to a maximum of \$2,000).

Mr. Buley's relocation to Tennessee was completed in 2006 and the costs we incurred are reported in the "All Other Compensation" column of the Summary Compensation Table set forth in this prospectus.

As an exception to the normal NEO relocation benefit, the Compensation Committee approved a one-time payment, which was subsequently grossed up to pay the tax cost of the benefit, to Ms. Lowe for miscellaneous expenses she incurred in her relocation to Tennessee. These expenses were in lieu of normal home sale assistance and personal goods shipping costs that Ms. Lowe did not incur in her relocation. The Compensation Committee believed that, based on the experience of moving other executives, had Ms. Lowe incurred these normal relocation costs, they would have been significantly in excess of this exception payment. The amount of the costs we incurred and the gross up are reported in the "All Other Compensation" column of the Summary Compensation Table set forth in this prospectus.

The Compensation Committee also approved an exception payment to Ms. Guion to gross up the tax cost of relocation expenses she incurred that could not be deducted from her 2006 tax return, since her move to Tennessee did not occur until after the period in which these expenses could have been deducted. The amount of the costs we incurred and the gross up payment is reported in the "All Other Compensation" column of the Summary Compensation Table set forth in this prospectus.

We also provide to each NEO other minor perquisites such as the opportunity to take an annual physical exam at our expense of up to \$1,000, occasional tickets to certain sporting or other entertainment events, a holiday gift, and golf or spa events in connection with our strategic planning meeting. In addition, we believe that our officers' participation on non-profit boards and in community events serves as a positive reflection upon Dollar General and a great example of corporate leadership. Therefore, we support nonprofit organizations for which our officers actively serve as a board or committee member with a maximum total contribution for all charities for which they serve to equal no more than \$5,000.

### **Compensation for Mr. Perdue**

As with the other NEOs, Mr. Perdue's compensation reflected an emphasis on achieving both short and long-term performance results. A substantial portion of his compensation was tied directly to our overall financial performance as well as to non-financial measures, including those derived from our mission statement.

In March 2006, the Compensation Committee reviewed Mr. Perdue's performance against his previously established 2005 performance goals to determine his eligibility for a base salary increase. Those goals included measures relating to improvements in certain financial metrics (earnings per share, total sales growth, same store sales growth, operating margins, return on invested capital, free cash flow, inventory turns and return on assets), leadership development and succession, strategic planning, our growth, new concept development, distribution and capacity management, inventory management, shrink improvement, workplace improvements, turnover reduction and retention strategies, third party relationships (vendors, analysts, rating agencies, media), corporate governance and ethics, legal matters and internal controls. The Compensation Committee determined that under Mr. Perdue's leadership, Dollar General continued to remain true to each component of its mission of "Serving Others". Because the Compensation Committee was satisfied with Mr. Perdue's performance, Mr. Perdue was eligible in 2006 for both a salary increase and participation in the Teamshare plan to the extent that we achieved our net income goals.

However, in anticipation of Mr. Perdue's employment contract expiration on March 31, 2007, in light of the plan to update all officer contracts effective April 1, 2006, in recognition of his performance and in order to send Mr. Perdue a clear and early message of the Board's intent to retain him, the Compensation Committee initiated discussions with Mr. Perdue concerning an early renewal or extension of his contract. These discussions culminated in the Board's September 18, 2006 approval of an extension of Mr. Perdue's employment contract from March 31, 2007 to March 31, 2008. The details of the extended contract are described under "Employment Agreements with NEOs".

As a result, the Compensation Committee postponed a decision regarding Mr. Perdue's base salary and long-term incentive compensation at the regular executive compensation review session in March 2006. Rather, the Compensation Committee decided to include those decisions in the negotiation process relating to the contract extension.

As described above, the net income performance level required to qualify for a minimum incentive payout was not met, and Mr. Perdue did not receive a Teamshare payout for 2006. The Compensation Committee considered whether Mr. Perdue should receive a discretionary bonus similar to the discretionary bonuses paid to other NEOs, giving particular weight to Mr. Perdue's request that he not receive a discretionary bonus in 2006. Accordingly, the Compensation Committee recommended that Mr. Perdue not receive a discretionary bonus, and the independent directors of the Board concurred.

Mr. Perdue resigned from Dollar General effective July 6, 2007. We agreed to treat this resignation as being for "good reason" as defined in his employment agreement. Mr. Perdue executed a release and became entitled to certain severance payments and benefits which are triggered by a resignation for good reason under his employment agreement, subject to Mr. Perdue's continued compliance with certain terms of the employment agreement (including certain restrictive covenants set forth therein). He will also be entitled to payments under his SERP and the CDP. For more information, please see "Potential Payments Upon Termination or Change-In-Control" below.

### **Employment Agreements with NEOs**

The Compensation Committee authorized an employment contract with Mr. Perdue upon his hire in April 2003. Thereafter, beginning in 2004, the Compensation Committee began offering employment contracts to all officers including the other NEOs because it believed, based on benchmarking data, it was a common protection offered to NEOs at other comparable companies and because contracts were needed to lock-in members of a new management team to execute changes necessary to meet strategic objectives. The Compensation Committee also wanted to give standard protections to the NEOs as well as to Dollar General from a competitive standpoint should the NEO decide to leave our employ. In April 2006, the Compensation Committee approved revisions to each NEO's contract (other than Mr. Perdue) as follows:

- Contract term changed to 3 years instead of 2 years per common competitive practice.
- In addition to other severance payments and benefits, an additional lump sum payment equal to 2 times the annual employer contribution to participate in our medical, dental and vision benefits programs.
- In addition to other severance, if any payments or benefits in connection with a change-in-control would be subject to excise tax under federal income tax rules, we have agreed to pay an additional amount to the NEO to cover the excise tax and any resulting taxes. However, if after receiving this payment, the NEO's after-tax benefit is not at least \$25,000 more than it would be without this payment, then it will not be made and the severance and other benefits due will be reduced so that an excise tax is not incurred.
- Change-in-control triggers revised to be more consistent with the stock plan triggers and to remove the exclusion from the change-in-control provisions ownership or acquisitions of our

securities by Cal Turner, Jr., James Stephen Turner, members of their family or certain of their affiliates or associates.

- Addition of Target, K-Mart, Walgreen's, Rite Aid and CVS to the list of named companies in the list of competitors for purposes of the non-compete provisions.

In September 2006, the Compensation Committee also agreed to extend Mr. Perdue's contract to March 31, 2008 and approved certain other revisions to that contract. During the negotiations, the Compensation Committee relied on the assistance of Hewitt Associates for advice and competitive compensation information to ensure that the contract extension was in the best interests of Dollar General and our shareholders. The Compensation Committee also received internal and external legal advice on various technical matters relating to the contract extension and in documenting its terms. The terms of the contract extension included:

- Base salary increase from \$1.0 million to \$1.1 million to approximate market median.
- A grant of 365,000 RSUs that were scheduled to vest ratably over three years, but generally to become payable only after Mr. Perdue's employment with us ended. The Compensation Committee targeted an approximate economic value of \$4.3 million, which was above the median of the market comparator group and general industry data provided by Hewitt, to induce Mr. Perdue to sign the contract extension. This above market compensation was provided in the form of equity rather than cash compensation to ensure that Mr. Perdue's interests were appropriately aligned with shareholders. The Compensation Committee chose to deliver the long-term economic value in RSUs because we were then preparing our November 2006 plans to revitalize our merchandising and real estate strategies and the Committee did not believe it appropriate to issue stock options to the CEO shortly in advance of the public announcement of that revitalization strategy. All of the RSUs vested and were cashed out as a result of the Merger as discussed above.
- To make the contract consistent with all other officer contracts, added a provision requiring payment of severance benefits upon his resignation within 60 days after our failure to offer to renew the contract.
- Removed the exclusion from the change-in-control provisions any ownership or acquisitions of our securities by Cal Turner, Jr., James Stephen Turner, members of their family or certain of their affiliates or associates.
- Broadened the competitors list in the non-compete provision to include the same companies listed in the employment contracts of our executive vice presidents.

### **Severance and Change-in-Control Agreements**

As noted above, our NEOs entered into employment agreements with us, which agreements provide, among other things, for each NEO's rights upon a termination of employment. We believe that reasonable and appropriate severance and change-in-control benefits are appropriate to protect the employee against circumstances over which they have no control and as consideration for the promises of non-compete, non-solicit and non-interference that we require in our employment agreements. Furthermore, we believe change-in-control severance payments align executive and shareholder interests by enabling NEOs to evaluate a transaction in the best interests of our shareholders and our other constituents without undue concern over whether the transaction may jeopardize the NEO's own employment. In the case of a change-in-control, all equity awards outstanding prior to the Merger and all CDP/SERP Plan benefits are fully vested under a single trigger, but termination benefits have a double trigger that requires both a change-in-control and a loss of employment within two years after the event under various termination circumstances. Under our newly adopted equity Plan, (i) all time options will vest and become immediately exercisable as to 100% of the shares of common stock

subject to such options immediately prior to a change in control and (ii) all performance options will vest and become immediately exercisable as to 100% of the shares of common stock subject to such options immediately prior to a change in control if as a result of the change of control, (x) investment funds affiliated with the Sponsor achieve a specified internal rate of return on 100% of their aggregate investment, directly or indirectly, in our equity securities (the "Sponsor Shares") and (y) the investment funds affiliated with the Sponsor earn a specified return on 100% of the Sponsor Shares; provided, however, that in the event that a change in control occurs wherein more than 50% but less than 100% of our common stock or our other voting securities or the common stock or other voting securities of Buck Holdings, L.P. is sold or otherwise disposed of, then, the performance options will become vested up to the same percentage of Sponsor Shares on which such investment funds earn a specified return and achieves a specified internal rate of return.

A table detailing the compensation and benefit payments that would be made to our NEOs had their employment terminated due to the occurrence of one of various events as of February 2, 2007 is presented under "Potential Payments upon Termination or Change-in-Control" in this prospectus. The Merger constituted a change-in-control for purposes of our plans and arrangements.

### **Deductibility of NEO Compensation**

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1 million paid in any fiscal year to an NEO that is not performance-based compensation. We believe that compensation paid in 2006 associated with stock options under our 1998 Stock Incentive Plan would generally be fully deductible for federal income tax purposes. However, in certain situations (such as time-vested RSUs and the discretionary bonus payment) the Compensation Committee approved compensation that did not meet these requirements in order to ensure competitive levels of total compensation for our NEOs. Section 162(m) was not a consideration with respect to 2007 compensation as our common stock is no longer publicly traded.

**Summary Compensation Table**  
**Fiscal 2006**

The following table summarizes compensation paid to or earned by our NEOs for fiscal 2006. None of our NEOs earned any non-equity incentive plan compensation in fiscal 2006.

\* Mr. Perdue resigned effective July 6, 2007.

- (1) All NEOs deferred a portion of their salaries under the CDP, which is included in the Nonqualified Deferred Compensation Table. Each NEO also contributed a portion of his or her salary to our 401(k) Plan.
- (2) We paid a one-time discretionary bonus to these NEOs for fiscal 2006.
- (3) Represents the expense associated with all outstanding awards of restricted stock and RSUs for which we recorded compensation expense during the fiscal year on a straight-line basis over the restriction period based on the market price of the underlying stock on the grant date. Each RSU represented the right to receive upon vesting one share of Dollar General common stock. We credited dividend equivalents to the RSU accounts as additional RSUs at the same rate as dividends paid to all of our shareholders. There were no forfeitures of restricted stock or RSUs held by the NEO during fiscal 2006. For more information regarding the assumptions used in the valuation of these awards, see Note 10 of the annual consolidated financial statements in this prospectus. As a result of the Merger, all outstanding RSU awards vested and, therefore, all compensation expense associated with such awards was recognized in 2007 in accordance with SFAS 123(R).
- (4) Represents the expense associated with all outstanding, unvested, non-qualified stock options for which we recognized compensation expense during fiscal 2006. Each option represented the right to purchase upon vesting and for the exercise price one share of Dollar General common stock. Option awards granted prior to February 4, 2006 were valued on the applicable grant date under the fair value method of SFAS 123 and under the fair value method of SFAS 123(R) for grants awarded after February 4, 2006 using the Black-Scholes option pricing model with the following assumptions:

	April 2, 2003	March 15, 2005	September 1, 2005	January 24, 2006	March 16, 2006
Expected dividend yield	.90%	.85%	.85%	1.0%	.82%
Expected stock price volatility	37.6%	27.4%	25.9%	24.7%	28.7%

### *Outstanding Equity Awards at 2006 Fiscal Year-End*

The table below sets forth information regarding outstanding equity awards held by our NEOs at the 2006 fiscal year-end. At that time, there were no securities underlying unexercised unearned options

and no unearned shares, units or other rights that had not vested with respect to any equity incentive plan award. In connection with the Merger, outstanding stock options, restricted stock and RSUs became fully vested immediately prior to the closing of the Merger and were settled in cash, canceled or, in limited circumstances, exchanged for new options of Dollar General, as described below. Unless exchanged for new options, each NEO received an amount in cash, without interest and less applicable withholding taxes, equal to \$22.00 less the exercise price of each option. Additionally, each restricted stock and RSU holder received \$22.00 in cash, without interest and less applicable withholding taxes. Certain stock options held by our management were exchanged for new options to purchase common stock in Dollar General (the "Rollover Options"). The exercise price of the Rollover Options and the number of shares of common stock of Dollar General underlying the Rollover Options were adjusted as a result of the Merger. The Rollover Options otherwise continue under the terms of the equity plans under which they were issued.

### *Pension Benefits Fiscal 2006*

We provided retirement benefits to Mr. Perdue under an unfunded, non-qualified defined benefit pension plan, or SERP. As a result of the Merger, which constituted a Change in Control under the terms of the SERP and the grantor trust agreement, and Mr. Perdue's subsequent resignation, Mr. Perdue became 100% vested in his SERP account and the actuarial equivalent of the lump sum value of Mr. Perdue's accrued benefit was funded to the grantor trust. The table below shows the present value as of February 2, 2007 of accumulated benefits payable to Mr. Perdue, including the number of years of credited service earned by him as of that date, under his SERP. The material terms of Mr. Perdue's SERP are discussed following the table.

Name	Plan Name	Number of Years Credited Service #(1)	Present Value of Accumulated Benefit \$(2)	Payments During Last Fiscal Year (\$)
David A. Perdue	Supplemental Executive Retirement Plan for David A. Perdue	6	1,848,238	—

- (1) Mr. Perdue joined Dollar General on April 2, 2003 and had three actual years of employment service as of February 2, 2007. Mr. Perdue received two years of credited service for vesting and benefit accrual purposes for each of these years of employment.
- (2) Represented the actuarial present value as of February 2, 2007 of the benefit computed as of the same pension plan measurement date, discount rate, and lump sum interest rate used for financial statement reporting purposes. No pre-retirement decrements were assumed. The benefit was calculated assuming Mr. Perdue retired at age 60, the earliest age he could retire without a penalty for early commencement. The actuarial present value of the additional three years of credited service earned under the two-for-one crediting agreement for Mr. Perdue's first three years of employment was \$924,199.

Mr. Perdue's SERP provided an annual normal retirement benefit equal to 25% of "final average compensation" upon retirement on or after his "normal retirement date", payable as a joint and 50% spouse annuity assuming the spouse is the same age as Mr. Perdue. Mr. Perdue could elect to receive his benefit as a lump sum or any annuity form that is the actuarial equivalent of the normal retirement benefit.

Mr. Perdue's benefit was based on early retirement eligibility after 10 years of credited service, with benefits prorated based on actual credited service divided by 15 if Mr. Perdue retired with less than 15 years of credited service. The benefit was reduced 5% for each year or portion thereof that Mr. Perdue retired before age 60.

Since Mr. Perdue resigned for good reason within 2 years of a change-in-control (as defined in the SERP), he is entitled to a benefit based on his years of credited service earned at the time of termination plus 5 additional years of credited service, subject to the SERP maximum of 15 years. The total years of credited service used to calculate Mr. Perdue's benefit was 14. Mr. Perdue's base salary and "applicable annual bonus" were deemed to be paid during the 5 additional years of credited service for the purpose of calculating his "final average compensation".

Mr. Perdue's SERP account was paid following a 6 month deferral in payment as required by tax law.

"Applicable annual bonus" is the greater of the actual bonus paid for the immediately preceding fiscal year or the target annual bonus for the current fiscal year.

"Final average compensation" is calculated as Mr. Perdue's base salary plus his incentive "Teamshare" bonus earned in a fiscal year for the highest 3 consecutive fiscal years of credited service out of the last 10 preceding retirement or termination of employment. For the purpose of his benefit calculation, Mr. Perdue's final average compensation was \$2,266,000.

For the purpose of calculating Mr. Perdue's accumulated benefit, "normal retirement date" is the first of the month coincident with or next following the later of the date Mr. Perdue attains age 60 or is credited with 15 years of credited service.

We had established a grantor trust that provided for assets in connection with Mr. Perdue's SERP to be placed in the trust upon a change-in-control (as defined in the grantor trust) of Dollar General. The trust's assets were subject to the claims of Dollar General's creditors. The trust also provided for a distribution to Mr. Perdue to pay certain taxes in the event he is taxed in connection with the funding of the trust and to apply interest at the rate of 6% per annum in the event payment is delayed due to Section 409A of Code. As a result of the Merger, and since the payment was determined to be subject to 409A delay, a deposit of \$6,208,962 was made to the trust representing the lump sum and interest value of Mr. Perdue's benefit. This was paid to Mr. Perdue on January 7, 2008.

***Nonqualified Deferred Compensation  
Fiscal 2006***

As discussed above, we offer a CDP/SERP Plan to certain key employees, including the NEOs. Mr. Perdue was not eligible to participate in the SERP portion of the CDP/SERP Plan due to his participation in his individualized SERP discussed under "Pension Benefits" above.  
Information

regarding the NEOs' participation in the CDP/SERP Plan is included in the following table. The material terms of the CDP/SERP Plan are described after the table.

Name	Executive Contributions in Last FY (\$)(1)	Registrant Contributions in Last FY (\$)(2)	Aggregate Earnings in Last FY (\$)	Aggregate Withdrawals/Distributions (\$)	Aggregate Balance at Last FYE (\$)

Beryl J. Buley	28,751	60,640	7,476	—	101,659(5)
Kathleen R. Guion	25,001	36,502	17,294	—	189,459(6)
Challis M. Lowe	38,885	52,611	4,583	—	100,591

- (1) Reported as "Salary" in the Summary Compensation Table.
- (2) Reported as "All Other Compensation" in the Summary Compensation Table.
- (3) Includes the following amounts reported in the Summary Compensation Table in the proxy statement for the fiscal years indicated: \$94,670 in 2005; \$84,253 in 2004; and \$7,500 in 2003.
- (4) Includes the following amounts reported in the Summary Compensation Table in the proxy statement for the fiscal years indicated: \$84,387 in 2005; and \$3,333 in 2004.
- (5) Includes \$4,792 reported in the Summary Compensation Table in the proxy statement for fiscal 2005.
- (6) Includes the following amounts reported in the Summary Compensation Table in the proxy statement for the fiscal years indicated: \$43,168 in 2005; and \$57,689 in 2004.

Pursuant to the CDP, participants may annually elect to defer up to 65% of base salary and up to 100% of bonus pay. Participants make deferral elections in November of each year for amounts to be earned in the following year. We currently match base pay deferrals at a rate of 100%, up to 5% of annual salary, with annual salary offset by the amount of match-eligible salary deferred into the 401(k) plan. All participants are 100% vested in all compensation and matching deferrals and earnings on those deferrals.

Pursuant to the SERP, we make an annual contribution equal to a certain percentage of a participant's annual salary and bonus to all participants who are actively employed in an eligible job grade on January 1 and continue to be employed as of December 31 of a given year. The contribution percentage is based on age, years of service and job grade. The 2006 contribution percentage for each eligible NEO was 7.5% (Mr. Tehle); 4.5% (Mr. Buley); 4.5% (Ms. Guion); and 7.5% (Ms. Lowe). As a result of the Merger which constituted a "change in control" under the CDP/SERP Plan, all previously unvested SERP amounts vested on July 6, 2007. For newly eligible SERP participants after July 6, 2007, SERP amounts vest at the earlier of the participant's attainment of age 50 or the participant's being credited with 10 or more "years of service", or upon termination of employment due to death or "total and permanent disability" or upon a "change in control," all as defined in the CDP/SERP Plan.

The amounts deferred or contributed to the CDP/SERP Plan are credited to a liability account, which is then invested at the participant's option in either an account that mirrors the performance of a fund or funds selected by the Compensation Committee or its delegate (the "Mutual Fund Options") or, prior to the Merger, in an account that mirrors the performance of our common stock (the "Common Stock Option"). A participant who ceases employment when he is credited with at least 10 years of service or after he has reached age 50 and whose CDP account balance or SERP account balance exceeds \$25,000 may elect for that account balance to be paid in cash by (a) lump sum, (b) monthly installments over a 5, 10 or 15-year period or (c) a combination of lump sum and

installments. Otherwise, payment is made in a lump sum. The vested amount will be payable at the time designated by the Plan upon the participant's termination of employment or retirement. A participant's CDP/SERP benefit normally is payable in the following February if he or she ceases employment during the first 6 months of a calendar year or is payable in the following August if he or she ceases employment during the last 6 months of a calendar year. However, participants may elect to receive an in-service lump sum distribution of vested amounts credited to the CDP account, provided that the date of distribution is no sooner than 5 years after the end of the year in which amounts are deferred. In addition, a participant who is actively employed may request to receive an "unforeseeable emergency hardship" in-service lump sum distribution of vested amounts credited to his CDP account. Account balances deemed to be invested in the Mutual Fund Options are payable in cash and, prior to the Merger, account balances deemed to be invested in the Common Stock Option were payable in shares of Dollar General common stock and cash in lieu of fractional shares.

As a result of the Merger, the CDP/SERP Plan liabilities were fully funded into an irrevocable rabbi trust. All account balances deemed to be invested in the Common Stock Option were liquidated at a value of \$22.00 per share and the proceeds were mapped to an existing Mutual Fund Option within the Plan.

### ***Potential Payments upon Termination or Change-in-Control***

The tables below reflect potential payments to each of our NEOs in various termination and change-in-control scenarios based on compensation, benefit and equity levels in effect on February 2, 2007. The amounts shown assume that the termination was effective as of February 2, 2007. For stock valuations, we have assumed that the price per share is the closing market price of our stock on February 2, 2007 (\$17.23). The amounts shown are merely estimates. We cannot determine the actual amounts to be paid until the time of the NEO's service termination. The discussion below regarding Mr. Perdue explains the amounts set forth in the accompanying table under all termination scenarios. However, Mr. Perdue's employment actually terminated effective July 6, 2007. We agreed to treat this resignation as being for "good reason" as defined in his employment agreement. In addition, the Merger constituted a change-in-control for purposes of our plans and other arrangements with our NEOs.

### **Payments Regardless of Manner of Termination**

Regardless of the termination scenario, the NEO (other than Mr. Perdue) will receive any earned but unpaid base salary through the service termination date, along with any other benefits owed under any of our plans or agreements covering the officer as governed by the terms of that plan or agreement. These benefits include vested amounts in the CDP/SERP Plan discussed after the Nonqualified Deferred Compensation Table in this prospectus.

Regardless of the manner in which Mr. Perdue's employment terminates, but subject to any 6-month delay in payment required for tax law purposes, he will receive a lump sum payment equal to any earned but unpaid base salary through his service termination date, any accrued expenses and vacation pay and, unless he elected a different payout in a prior deferral election, any compensation previously deferred along with accrued interest and earnings. This payment will be made in accordance with our normal payroll cycle and procedures and in due course, rather than in a lump sum, in the event Mr. Perdue is terminated for cause as discussed under "Payments Upon Involuntary Termination" below. He also will receive timely payment or provision of any other accrued amounts or benefits required to be paid or provided or which he is eligible to receive under any of our plans, practices or agreements. These benefits include amounts payable pursuant to his SERP described after the Pension Benefits table in this prospectus and his CDP benefit discussed above after the Nonqualified Deferred Compensation Table.

The tables below exclude any amounts payable to the NEO to the extent that they are available generally to all salaried employees and do not discriminate in favor of our executive officers.

Mr. Perdue will forfeit any unpaid amounts he otherwise would be entitled to receive upon termination of his employment if he breaches any provision of his employment agreement, including breach of any business protection provisions. These business protection provisions include the following obligations:

- He must maintain the confidentiality of our (a) trade secrets as long as the information remains a trade secret and (b) confidential information for 2 years after his service termination date.
- For 2 years after his service termination date, Mr. Perdue may not actively recruit or induce certain of our employees to cease employment with us or engage that person's services in any business substantially similar to or competitive with that in which we were engaged during Mr. Perdue's employment.
- For 2 years after his service termination date, Mr. Perdue may not accept or work in a "competitive position" within any state in which we maintain stores at the time of his termination date or any state in which we have specific plans to open stores within 6 months of that date. For this purpose, "competitive position" means any employment, consulting, advisory, directorship, agency, promotional or independent contractor arrangement between Mr. Perdue and any person engaged wholly or in material part in the business in which we are engaged, including but not limited to Wal-Mart, Target, K-Mart, Walgreen's, Rite-Aid, CVS, Family Dollar Stores, Fred's, the 99 Cents Stores and Dollar Tree Stores, or any person then planning to enter the deep discount consumable basics retail business, if Mr. Perdue is required to perform services for that person which are substantially similar to those he provided or directed at any time while employed by us.
- Mr. Perdue may not engage in any communications which disparage Dollar General or interfere with our existing or prospective business relationships.

### **Payments Upon Termination Due to Retirement**

In the event of retirement, in addition to the items identified under "Payments Regardless of Manner of Termination" above, all unvested equity grants will be forfeited, vested stock options generally may be exercised for 3 years from the service termination date unless the options expire earlier, and vested RSUs will settle in due course. To be entitled to the extended option exercise period, the retirement must occur on or after the NEO reaches the age of 65 or, with our express consent, prior to age 65 in accordance with any applicable early retirement policy then in effect or as may be approved by our Compensation Committee. The enhancement of Mr. Perdue's SERP benefit upon retirement is discussed above following the Pension Benefits Table.

### **Payments Upon Termination Due to Death or Disability**

In the event of death or disability, in addition to the items identified under "Payments Regardless of Manner of Termination" above:

- With respect to each NEO other than Mr. Perdue, all unvested equity grants will be forfeited, vested stock options generally may be exercised for 3 years from the service termination date unless the options expire earlier, and vested RSUs will settle in due course.
- With respect to Mr. Perdue, the vesting of all equity grants will accelerate, vested stock options may be exercised for 1 year from the date of death or, in the event of disability, for 3 years from the service termination date, in each case unless the options expire earlier, and vested RSUs will settle in due course.

- In the event of termination due to disability:
  - We treat Mr. Perdue as employed, solely for purposes of his non-qualified defined benefit pension plan, or SERP, during the period of disability until he is entitled to the full 25% SERP benefit and his SERP benefit is payable on an unreduced basis.
  - In determining his base salary and bonus for the additional credited years of service for purposes of calculating his final average compensation for his SERP, we use his base salary on the termination date and the greater of his actual annual incentive bonus earned in the last fiscal year prior to the termination date or his target annual incentive bonus for the fiscal year in which the termination date occurs.
  - Mr. Perdue's SERP benefit is payable commencing upon his SERP normal retirement date.
- In the event of death, the NEO's beneficiary will receive payments under our group life insurance program in an amount, up to a maximum of \$3 million, equal to 2.5 times the NEO's annual base salary. We have excluded from the tables below amounts that the NEO would receive under our disability insurance program since the same benefit level is provided to all of our salaried employees.
- In the event of the NEO's disability, the CDP/SERP Plan benefit becomes fully vested and is payable in a lump sum within 60 days after the end of the calendar quarter in which we receive notification of the determination of the NEO's disability by the Social Security Administration.
- In the event of the NEO's death, the NEO's CDP/SERP Plan benefit becomes fully vested and is payable in a lump sum within 60 days after the end of the calendar quarter in which the NEO's death occurs.
- In the event of Mr. Perdue's death while an employee and after becoming eligible for early or normal retirement under the SERP, his SERP benefit will commence to be paid as of the first of the calendar month following his death determined as though he had retired on the date of death.

For purposes of the NEOs' employment agreements and Mr. Perdue's SERP, "disability" means the employee must be disabled for purposes of our long-term disability insurance plan or, if no plan is in effect or if that plan is not applicable, the employee's inability to perform the functions of his or her regular duties and responsibilities. For purposes of the CDP/SERP Plan, disability means total and permanent disability for purposes of entitlement to Social Security disability benefits.

### **Payments Upon Voluntary Termination**

The payments to be made to an NEO upon voluntary termination vary depending upon whether the NEO resigns with or without "good reason" or after our failure to offer to renew, extend or replace the NEO's employment agreement under certain circumstances. For purposes of each NEO, "good reason" means (as more fully described in the applicable employment agreement):

- a reduction in base salary or target bonus level;
- our material breach of the employment agreement; or
- the failure of any successor to all or substantially all of our business and/or assets to assume and agree to perform the employment agreement.

In addition to the reasons identified above, for purposes of each NEO other than Mr. Perdue "good reason" means (as more fully described in the applicable employment agreement):

- our failure to continue any significant compensation plan or benefit without replacing it with a similar plan or a compensation equivalent (except for across-the-board changes or terminations similarly affecting at least 95% of all of our executives);
- relocation of our principal executive offices outside of the middle-Tennessee area or basing the officer anywhere other than our principal executive offices; or
- assignment of duties inconsistent, or the significant reduction of the title, powers and functions associated, with the NEO's position, unless it results from our restructuring or realignment of duties and responsibilities for business reasons that leaves the NEO at the same compensation and officer level and with similar responsibility levels or results from the NEO's failure to meet performance criteria, all without the NEO's written consent.

In addition to the reasons identified above applicable to all NEOs, for purposes of Mr. Perdue "good reason" means (as more fully described in his employment agreement):

- assignment to duties inconsistent in any material respect with his position, authority, or responsibilities in effect on April 2, 2003, or any other action which demonstrably diminishes his position, authority, or responsibilities, all without his written consent; or
- our failure to continue any pension or compensation arrangement in which Mr. Perdue participates or the elimination of his participation in any of those plans (except for across-the-board plan changes or terminations similarly affecting at least 95% of all of our executives, excluding Mr. Perdue's SERP).

For NEOs other than Mr. Perdue, no event will constitute "good reason" if we cure the claimed event within 30 days after receiving notice from the NEO. For Mr. Perdue, no event will constitute "good reason" unless he notifies our Board within 90 days of the occurrence of the circumstance he believes constitutes good reason or if we cure the claimed event (other than the failure of a successor to assume his agreement) within 30 days of that notice.

*Voluntary Termination with Good Reason or After Failure to Renew the Employment Agreement.* In the event the NEO resigns with good reason or within 60 days of our failure to offer to renew, extend or replace the NEO's employment agreement before, at or within 60 days after the end of the agreement's term (unless we enter into a mutually acceptable severance arrangement or, in the case of an NEO other than Mr. Perdue, the resignation is a result of the NEO's voluntary retirement or termination or, in the case of Mr. Perdue, the resignation is the result of his voluntary retirement at or after age 62), in addition to the items identified under "Payments Regardless of Manner of Termination" above:

- With respect to each NEO other than Mr. Perdue, all unvested equity grants will be forfeited, vested stock options generally may be exercised for 3 months from the service termination date unless the options expire earlier, and vested RSUs will settle in due course.
- With respect to Mr. Perdue, the vesting of all equity grants will accelerate if he executes a release of certain claims against us and our affiliates in the form attached to his employment agreement, vested stock options may be exercised for 3 months from the service termination date unless the options expire earlier, and vested RSUs will settle in due course.

- The NEO (other than Mr. Perdue) will receive, subject to any 6-month delay in payment required for tax law compliance, the following upon the execution of a release of certain claims against us and our affiliates in the form attached to the NEO's employment agreement:
  - Continuation of base salary for 24 months payable in accordance with our normal payroll cycle and procedures.
  - A lump sum payment equal to 2 times the NEO's target incentive bonus and 2 times our annual contribution for the NEO's participation in our medical, dental and vision benefits program.
  - Outplacement services, at our expense, for 1 year or, if earlier, until other employment is secured.

Subject to any applicable prohibition on acceleration of payment under Section 409A of the Internal Revenue Code, we may, at any time and in our sole discretion, elect to make a lump-sum payment of all these amounts, or all remaining amounts, due as a result of this type of termination.

- Mr. Perdue will receive the following, subject to any 6-month delay in payment required for tax law compliance, if he executes a release of certain claims against us and our affiliates in the form attached to his employment agreement:
  - An amount, payable ratably over a 24 month period in accordance with our normal payroll cycle and procedures, equal to 2.5 times the sum of his annual base salary and the greater of his actual annual incentive bonus earned in the fiscal year immediately prior to his service termination date or his target incentive bonus for the fiscal year in which his employment terminated. Subject to any applicable prohibition on payment acceleration under Section 409A of the Internal Revenue Code, we may, at any time and in our sole discretion, make a lump sum payment of all or the remaining portion of this amount.
  - For 30 months after his termination date, we will pay the premium for his participation in our retiree medical plan, if any, in accordance with his elected coverage in place at the time of his termination or, at his request we will pay for or provide medical benefits no less favorable than our retiree medical benefits in effect as of April 2, 2003. We also will gross-up our payment of those premiums to the extent they are taxable to Mr. Perdue.
  - We will credit Mr. Perdue with 5 additional years of continuous service under his SERP. In determining his base salary and bonus for the additional credited years of service for purposes of calculating his final average compensation, we use his base salary on his termination date and the greater of his actual annual incentive bonus earned in the last fiscal year prior to his termination date or his target annual incentive bonus for the fiscal year in which his service termination date occurs.

The NEO (other than Mr. Perdue) will forfeit any unpaid severance amounts upon a material breach of any continuing obligation under the employment agreement or the release, which include (in addition to those contained in the 1<sup>st</sup> and 3<sup>rd</sup> bullet points with respect to Mr. Perdue's continuing obligations under "Payments Regardless of Manner of Termination" above):

- For 2 years following the service termination date, the NEO may not actively recruit or induce any of our exempt employees to cease employment with us.
- For 2 years following the service termination date, the NEO may not solicit or communicate with any person who has a business relationship with us and with whom the NEO had contact while employed by us, if that contact would likely interfere with our business relationships or result in an unfair competitive advantage over us.

- The NEO may not engage in any communications to persons outside Dollar General which disparages Dollar General or interferes with our existing or prospective business relationships.

*Voluntary Termination without Good Reason.* In the event the NEO resigns without good reason, in addition to the items identified under "Payments Regardless of Manner of Termination" above, all unvested equity grants will be forfeited, vested stock options generally may be exercised for 3 months from the service termination date unless the options expire earlier, and vested RSUs will settle in due course.

### **Payments Upon Involuntary Termination**

The payments to be made to an NEO upon involuntary termination vary depending upon whether termination is for or without "cause". For purposes of each NEO, "cause" means (as more fully described in the applicable employment agreement):

- Attendance at work in a state of intoxication or in possession of any prohibited drug or substance which would amount to a criminal offense; or
- Assault or other act of violence (with respect to Mr. Perdue, occurring in the course of employment).

In addition to the reasons identified above, for purposes of the NEOs other than Mr. Perdue, "cause" means (as more fully described in the applicable employment agreement):

- any act involving fraud or dishonesty;
- any material breach of any SEC or other law or regulation or any Dollar General policy governing securities trading or inappropriate disclosure or "tipping";
- any activity or public statement, other than as required by law, that prejudices Dollar General or reduces our good name and standing or would bring Dollar General into public contempt or ridicule; or
- conviction of, or plea of guilty or *nolo contendere* to, any felony whatsoever or any misdemeanor that would preclude employment under our hiring policy.

In addition to the reasons identified in the first paragraph above applicable to all NEOs (including Mr. Perdue), for Mr. Perdue "cause" means any of the reasons below, as determined by at least <sup>3</sup> / 4 of our entire Board after giving Mr. Perdue and his attorney an opportunity to respond (and as more fully explained in his employment agreement):

- any act involving fraud or a violation of securities trading regulations or any act resulting in an SEC investigation which, in each case, the Board determines materially adversely affects us or Mr. Perdue's ability to perform his duties;
- conviction of any felony or misdemeanor involving moral turpitude; or
- with limited exceptions, Mr. Perdue's continued failure to perform substantially his duties after receipt of written demand by the Board for substantial performance.

For purposes of determining treatment of an NEO's equity awards, "cause" means, to the extent that our Compensation Committee determines that it is directly and materially harmful to our business or reputation:

- a felony conviction or the failure to contest prosecution of a felony; or
- willful misconduct or dishonesty.

*Involuntary Termination for Cause.* In the event the NEO is involuntarily terminated for cause, in addition to the items identified under "Payments Regardless of Manner of Termination" above, all unvested equity grants, as well as all vested but unexercised stock options, will be forfeited and all vested but unpaid RSUs will be forfeited except for Mr. Perdue's vested but unpaid restricted stock units which will settle in due course.

*Involuntary Termination without Cause.* In the event the NEO is involuntarily terminated without cause, the NEO's equity grants will be treated as described under "Voluntary Termination with Good Reason or After Failure to Renew the Employment Agreement" above. In addition, each NEO will receive the applicable payments and benefits listed under "Voluntary Termination with Good Reason or After Failure to Renew the Employment Agreement" above.

### **Payments Upon Termination After a Change-in-Control**

All unvested equity grants accelerate automatically upon a change-in-control (as defined in our 1998 Stock Incentive Plan) regardless of whether the NEO's employment terminates, and all CDP/SERP Plan benefits become fully vested upon a change-in-control (as defined in our CDP/SERP Plan). In addition, under our 1998 Stock Incentive Plan, the Compensation Committee may accelerate the vesting of all unvested equity grants in the event of a potential change-in-control (as defined in our 1998 Stock Incentive Plan).

In the event the NEO is involuntarily terminated without cause or resigns for good reason within 2 years of a change-in-control, in addition to the items identified under "Payments Regardless of Manner of Termination" above, the NEO will receive the following upon execution of a release of certain claims against us and our affiliates in the form attached to the NEO's employment agreement:

- Each NEO other than Mr. Perdue will receive a lump sum payment equal to 2 times the NEO's annual base salary plus 2 times the NEO's target incentive bonus, each as in effect immediately prior to the change-in-control, plus 2 times our annual contribution for the NEO's participation in our medical, dental and vision benefits program. The NEO also will receive outplacement services, at our expense, for 1 year or, if earlier, until other employment is secured.
- Mr. Perdue will receive a lump sum payment equal to 3 times the sum of his annual base salary in effect on his service termination date and the greater of his actual annual incentive bonus earned in the last fiscal year prior to his termination date or his target annual incentive bonus for the fiscal year in which the termination occurs. In addition, for 36 months after his termination date, we will pay the premium for his participation in our retiree medical plan, if any, in accordance with his elected coverage in place on his termination date (no retiree medical plan is currently in place so this benefit is not reflected in the table below regarding Mr. Perdue). We will also gross-up our payment of those premiums to the extent they are taxable to Mr. Perdue.
- We also will credit Mr. Perdue with 5 additional years of continuous service under his SERP. In determining his base salary and bonus for these additional years for purposes of calculating final average compensation, we use his base salary on his termination date (or, if higher, at the time immediately prior to the change-in-control) and the greater of his actual annual incentive bonus earned in the last fiscal year prior to his termination date or his target annual incentive bonus for the fiscal year in which the termination occurs.

If any payments or benefits in connection with a change-in-control would be subject to the excise tax under federal income tax rules, we will pay an additional amount to the NEO to cover the excise tax and any resulting taxes. However, if after receiving this payment the NEO's after-tax benefit is not at least \$25,000 more than it would be without this payment, then it will not be made and the severance and other benefits due will be reduced so that an excise tax is not incurred.

A "change-in-control" generally is deemed to occur (as more fully described in our 1998 Stock Incentive Plan, CDP/SERP Plan and in the employment agreements):

- if any person (other than Dollar General or any of our employee benefit plans) acquires 35% or more of our voting securities (other than as a result of our issuance of securities in the ordinary course of business);
- for purposes of our 1998 Stock Incentive Plan and our CDP/SERP Plan, if a majority of our Board members at the beginning of any consecutive 2-year period are replaced within that period without the approval of at least  $\frac{2}{3}$  of our Board members who served as directors at the beginning of the period; for all other purposes, if a majority of our Board members as of the effective date of the applicable NEO's employment agreement (or, for Mr. Perdue, as of the effective date of the first amendment to his employment agreement) are replaced without the approval of at least 75% of our Board members who served as directors on that effective date or are replaced, even with this 75% approval, by persons who initially assumed office as a result of an actual or threatened election contest or other actual or threatened proxy solicitation other than by our Board; or
- upon the consummation of a merger, other business combination or sale of assets of, or cash tender or exchange offer or contested election with respect to, Dollar General if less than 65% (less than a majority, for purposes of our 1998 Stock Incentive Plan and our CDP/SERP Plan) of our voting securities are held after the transaction in the aggregate by holders of our securities immediately prior to the transaction.

For purposes of our 1998 Stock Incentive Plan, a "potential change-in-control" generally is deemed to occur (as more fully described in that Plan):

- if our shareholders approve an agreement which, if consummated, would result in a change-in-control, as described above; or
- if any person (other than Dollar General or any of our employee benefit plans) acquires 5% or more of our voting securities (other than as a result of our issuance of securities in the ordinary course of business).

### *Compensation Committee Interlocks and Insider Participation*

Each of Messrs. Beré, Bottorff, Clayton, Dickson and Gee was a member of our Compensation Committee during all or a portion of fiscal 2006. Mr. Clayton retired from our Board in May 2006. Except for Mr. Beré, none of these persons was at any time during fiscal 2006 an officer or employee of Dollar General or any of our subsidiaries, or an officer of Dollar General or any of our subsidiaries at any time prior to fiscal 2006. Mr. Beré resigned from the Committee immediately upon becoming our President and Chief Operating Officer in November 2006. None of these persons had any relationship with Dollar General or any of our subsidiaries requiring disclosure under any paragraph of Item 404 of Regulation S-K during the period that these persons served on the Committee. None of our executive officers served as a member of a compensation committee or as a director of any entity of which any of our directors served as an executive officer during fiscal 2006.

## CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

### *Relationships with Management*

#### **Management Stockholder's Agreement**

Simultaneously with the closing of the Transactions and, thereafter, in connection with our offering equity awards to our employees under our stock incentive plan (including the equity grants to Mr. Dreiling in connection with his offer of employment), we, Parent and the Management Participants who held shares of capital stock (including through the exercise of options), or who were granted new options to acquire shares of common stock (or, in the case of Mr. Dreiling who was granted shares of restricted common stock), of Dollar General entered into one or more stockholder's agreements. The Management Stockholder's Agreement imposes significant restrictions on transfer of shares of our common stock. Generally, shares will be nontransferable by any means at any time prior to the fifth anniversary of the closing date of the Merger, except (i) sales pursuant to an effective registration statement filed by us under the Securities Act in accordance with the Management Stockholder's Agreement, (ii) a sale pursuant to the Sale Participation Agreement (described below), (iii) a sale to certain permitted transferees, or (iv) as otherwise permitted by our Board of Directors or pursuant to a waiver of the restrictions on transfers given by the Sponsor; provided, that, in the event the Sponsor or its affiliates transfer limited partnership units owned by them to a third party, such transfer restrictions shall lapse with respect to the same proportion of shares of common stock owned by a management stockholder as the proportion of limited partnership units transferred by the Sponsor and such affiliates relative to the aggregate number of limited partnership units owned by them prior to such transfer.

In the event that a management stockholder wishes to sell his or her stock at any time following the fifth anniversary but prior to the earlier of a "Change in Control" (as defined in the Management Stockholder's Agreement) or the consummation of a "Qualified Public Offering" (as defined in the Management Stockholder's Agreement), the Management Stockholder's Agreement provides us with a right of first refusal on those shares upon the same terms and conditions pursuant to which the management stockholder proposes to sell them to a third party. In the event that a registration statement is filed with respect to our common stock in the future, the Management Stockholder's Agreement prohibits management stockholders from selling shares not included in the registration statement from the time of receipt of notice that we have filed or intend to file such registration statement until 180 days (in the case of an initial public offering) or 90 days (in the case of any other public offering) of the effective date of the registration statement. The Management Stockholder's Agreement also provides for the management stockholder's ability to cause us to repurchase his outstanding stock and vested options (and vested restricted stock, with respect to Mr. Dreiling) in the event of the management stockholder's death or disability, and for our ability to cause the management stockholder to sell his stock or options back to us upon certain termination events. Mr. Dreiling also has the ability to cause us to repurchase his vested restricted stock, if any, if he resigns for any reason within six months after January 21, 2008. In addition, under the terms of the Management Stockholder's Agreement, each Senior Management Stockholder (as defined below) has the ability to cause us to repurchase, prior to the later of (x) the first anniversary of the closing of the Merger and (y) the last day of the six-month period after Mr. Dreiling was hired, all of the shares of common stock and all of the options they rolled over in the Transactions that such Management Stockholder then holds if such Management Stockholder resigns or is terminated within such time frame.

Following the initial public offering of our common stock, certain members of senior management, including the executive officers (the "Senior Management Stockholders"), will have limited "piggyback" registration rights with respect to their shares of common stock in the event that certain of the Investors are selling, or causing to be sold, shares of common stock in such offering.

## **Sale Participation Agreement**

Each Management Participant, including Mr. Dreiling, has also entered into a Sale Participation Agreement with Parent. The Sale Participation Agreement grants the Senior Management Stockholders the right to participate in any private direct or indirect sale of shares of common stock by Parent or its affiliates (such right being referred to herein as the "Tag-Along Right") and requires all management stockholders to participate in any such private sale if so elected by Parent in the event that Parent or its affiliates are proposing to sell at least 50% of the outstanding shares of common stock held by it (such right being referred to herein as the "Drag-Along Right"). The number of shares of common stock which a management stockholder would be permitted or required, as applicable to sell pursuant to the exercise of the Tag-Along Right or the Drag-Along Right is equal to the number of shares of common stock then owned by the management stockholder and his or her affiliates plus all shares of common stock the management stockholder is entitled to acquire under any unexercised options (to the extent such options are exercisable or would become exercisable as a result of the consummation of the proposed sale and also, with respect to Drag-Along Rights pertaining to Mr. Dreiling, unvested shares of restricted stock that would vest upon consummation of the transaction), multiplied by a fraction (x) the numerator of which shall be the aggregate number of shares of common stock proposed to be transferred by Parent in the proposed sale and (y) the denominator of which shall be the total number of shares of common stock owned directly or indirectly by Parent. Management stockholders will bear the pro rata share of any fees, commissions, adjustments to purchase price, expenses or indemnities in connection with any sale of common stock under the Sale Participation Agreement.

## **Equity Investment by Senior Management Participants**

In connection with the Merger, the Senior Management Participants were offered the opportunity to roll over portions of their equity and/or options and to purchase additional equity of Dollar General in connection with the Merger. In connection with such investment and the Merger, we adopted a new option plan pursuant to which these individuals were granted new options with respect to additional shares of common stock of Dollar General. Messrs. Beré, Tehle, Buley and Gibson and Mss. Guion, Lanigan, Lowe and Elliott each invested a total of \$2,249,995.00, \$799,996.25, \$754,863.75, \$348,703.75, \$650,007.50, \$516,026.25, \$526,650.00 and \$249,997.50, respectively.

Any shares purchased or otherwise acquired by these Senior Management Participants as described above (including any shares subject to roll over options or acquired upon exercise thereof) are subject to certain transfer limitations and repurchase rights by Dollar General.

In addition, we offered other employees a similar investment opportunity to participate in our common equity.

## **Pre-Merger Equity**

Prior to the Merger, we maintained various share-based compensation programs which included options, restricted stock and RSUs. In connection with the Merger, the outstanding stock options, restricted stock and RSUs became fully vested immediately prior to the completion of the Merger and were settled in cash, canceled or, in limited circumstances, exchanged for new options to purchase our common stock, as described below. Unless exchanged for new options, each option holder received an amount in cash, without interest and less applicable withholding taxes, equal to the Merger Consideration less the exercise price of each option. Additionally, each restricted stock and RSU holder received Merger Consideration in cash, without interest and less applicable withholding taxes. Certain stock options held by our management were exchanged for new options to purchase our common stock. The exercise price of these roll over options and the number of shares of our common stock underlying the roll over options were adjusted as a result of the Merger. The roll over options otherwise continue under the terms of the equity plans under which they were issued.

## **Compensation Deferral Plan (CDP) and Supplemental Executive Retirement Plan (SERP)**

The CDP, in which the executive officers are eligible to participate, and the associated grantor trust agreement provide that the full amount of the benefits due under the CDP will be funded in the grantor trust within 30 days following a change in control of Dollar General, and will be payable in accordance with the terms of the CDP and trust. The Merger constituted a change in control for purposes of the CDP. Messrs. Beré, Tehle, Buley and Gibson and Mss. Guion, Lanigan, Lowe and Elliott have benefits under the CDP having approximate values as of July 6, 2007 of \$37,297.42, \$143,419.06, \$100,425.31, \$58,071.55, \$140,542.64, \$45,312.57, \$73,370.05 and \$173,186.85, respectively.

The SERP, in which the executive officers participate, provides that, in the event of a change in control of Dollar General, benefits will become immediately vested. The associated grantor trust agreement provides that the full amount of the benefits due under the SERP will be funded in the grantor trust within 30 days following a change in control and will be payable in accordance with the terms of the SERP and the trust. The Merger constituted a change in control for purposes of the SERP. Mr. Tehle and Mss. Guion and Lowe are already vested in benefits under the SERP having approximate values as determined on July 6, 2007 of \$105,332.01, \$83,706.80 and \$41,776.60, respectively. As of the Merger, Messrs. Buley and Gibson and Mss. Lanigan and Elliott became vested in benefits under the SERP having an approximate value of \$39,125.13, \$20,035.14, \$109,199.14 and \$17,471.36, respectively, as determined on July 6, 2007. Messrs. Dreiling and Beré have no balances in the SERP.

### **New Stock Incentive Plan**

On July 6, 2007, our Board of Directors adopted the 2007 Stock Incentive Plan for Key Employees (the "Plan"). The Plan provides for the granting of stock options, stock appreciation rights, and other stock-based awards or dividend equivalent rights to key employees, directors, consultants or other persons having a service relationship with us, our subsidiaries and certain of our affiliates. The number of shares of our common stock authorized for grant under the Plan is 24,000,000.

On July 6, 2007, we granted to the Senior Management Participants non-qualified stock options to purchase 13,110,000 shares of our common stock pursuant to the terms of the Plan. In addition, on September 20, 2007 and October 5, 2007, we granted to certain other of our employees options to purchase 130,000 shares and 4,150,000 shares of our common stock, respectively, pursuant to the terms of the Plan. Effective January 21, 2008, our Board also granted to Mr. Dreiling options to purchase 2.5 million shares of our common stock and 890,000 shares of restricted common stock pursuant to the terms of the Plan. SFAS 123R grant date fair values of the post-merger option grants to Messrs. Dreiling, Beré, Tehle, Buley and Gibson and Mss. Guion, Lanigan, Lowe and Elliott are \$6,241,750, \$6,084,450, \$2,974,620, \$2,366,175, \$1,081,680, \$2,366,175, \$1,825,335, \$1,825,335 and \$1,081,680, respectively. Half of these options will vest ratably over a five-year period solely based upon continued employment over that time period, while the other half of these options will vest based both upon continued employment and upon the achievement of predetermined annual or cumulative financial-based targets over time which coincide with our fiscal year. The options also have certain accelerated vesting provisions upon a change in control or initial public offering, as defined in the Plan. The options have a 10-year maximum expiration date and have an exercise price of \$5.00 per share, which represented the fair market value of one share of our common stock on the date of grant. SFAS 123R grant date fair value of the post-merger restricted stock grant to Mr. Dreiling is \$4,450,000. The restricted stock will vest on the last day of our 2011 fiscal year if Mr. Dreiling remains employed by us through that date. The restricted stock also has certain accelerated vesting provisions upon a change in control, initial public offering, termination without cause or due to death or disability, or resignation for good reason, all as defined in Mr. Dreiling's employment agreement. We believe that the Plan has been designed to effectively align the interests of our employees and shareholders.

## Other Relationships

In the past 3 fiscal years, we engaged in the following transactions with Cal Turner, Jr. or his immediate family members, as applicable. Mr. Turner served as an employee advisor to our Board (June 2003-October 2005), our Chairman (January 1989-June 2003), our Chief Executive Officer (1977-November 2002) and a member of our Board (1966-June 2003). He also owned greater than 5% of our common stock during most of his tenure with us, but his shareholdings fell below 5% during 2005.

In 1989, we entered into a collateral assignment agreement with Mr. Turner and AmSouth Bank as Trustee of the H. Calister Turner, Jr. 1982 Irrevocable Life Insurance Trust (the "Trustee") whereby we agreed to advance the premiums on a \$1 million life insurance policy on Mr. Turner's life in return for the assignment of the Trustee's interest in the policy to us to secure repayment of our premium advances. We advanced those premiums until 1999, at which time the premiums were paid from the cash surrender value of the policy. In April 2004, we received \$328,675 from the termination of the policy and we released the collateral assignment. On May 24, 2004, as a method to compensate Mr. Turner for the loss of this benefit, the Compensation Committee of our Board approved a lump sum payment to Mr. Turner in the amount of \$182,228 (the replacement cost of the insurance), with a gross up of approximately \$103,225 to cover federal income taxes and FICA.

In 1991, we entered into a split-dollar agreement with James Stephen Turner (the brother of Cal Turner, Jr.) and the trustee of the James Stephen Turner 1991 Evergreen Trust, a trust created by Mr. J.S. Turner (the "Trust"), pursuant to which we agreed to pay a single premium on a \$2.1 million life insurance policy on Mr. J.S. Turner's life. We advanced that single premium payment in 1991 and received a security interest in the insurance policy to secure the repayment of the premium. On December 31, 2003, we entered into an agreement to terminate that split-dollar agreement and the Trust delivered to us a promissory note to repay on April 1, 2004 the premium we had advanced in the approximate amount of \$295,650. Interest on this amount accrued at the rate of 3% per annum from December 31, 2003. The indebtedness was secured by a collateral assignment of the life insurance policy on Mr. J.S. Turner's life. The Trust repaid approximately \$295,650 on April 1, 2004 and accrued interest of approximately \$2,220 on April 15, 2004. We released the collateral assignment of the life insurance policy on February 11, 2004.

On October 14, 2005, we entered into a Letter Agreement with Mr. Turner regarding his retirement. The effective date of Mr. Turner's retirement was October 31, 2005. Pursuant to the Letter Agreement:

- We named him Honorary Chairman Emeritus.
- We paid him a \$1 million lump sum.
- We agreed to reimburse him up to \$100,000 for legal and/or consulting costs and fees in connection with the negotiation and preparation of the Agreement. The amount actually reimbursed in 2005 totaled approximately \$81,500.
- We agreed to provide a gross up to cover any federal income taxes and payroll tax withholdings resulting from the payment, compensation or other benefits referenced in the Agreement. The gross up amount totaled approximately \$688,500, \$25,600 and \$25,600 in 2005, 2006, and 2007, respectively.
- We transferred to him ownership of his 2004 Audi A-8 vehicle (valued at approximately \$53,600).
- We agreed to purchase Tennessee Titans box suite tickets for at least the 2005-2009 football seasons and to give him tickets for at least 8 games per season. The annual value of the tickets was approximately \$46,550, \$47,500 and \$47,500 in 2005, 2006 and 2007, respectively. Prior to

this agreement, we shared this box suite with Mr. Turner, which box suite was held in his name. In 2004, we reimbursed Mr. Turner approximately \$93,000 for our use of the box suite in 2003 and 2004. In 2005, we paid approximately \$46,550 for our use of the box suite in 2005. The 2005 payment was made directly to Dream Suites, L.P., the vendor of the box suite, rather than to Mr. Turner.

- We agreed to provide Mr. Turner use for 1 year of our voicemail system.
- Mr. Turner agreed to serve for at least 3 years as Chairman and President of the Dollar General Literacy Foundation, a non-profit, public benefit, charitable entity, committed to increasing the functional literacy of adults, families and children by providing grants to other non-profit organizations committed to the advancement of literacy, and we agreed to provide an office and necessary administrative support for this position.
- Mr. Turner agreed not to compete with us for 3 years.
- We agreed to continue our commitment to adult and family literacy programs and to allow Mr. Turner to remove personal possessions from our property.
- Mr. Turner waived and released any and all known and unknown claims against us.

We also provided Mr. Turner with compensation and benefits during his tenure as employee advisor to our Board, which totaled in excess of \$120,000 in 2004 and 2005. Mr. Turner received base salary of approximately \$275,000 and \$206,258 in 2004 and 2005, respectively, certain benefits available to all part-time salaried employees generally, and other perquisites and benefits with an aggregate value of approximately \$113,444 and \$78,943 in 2004 and 2005, respectively. In addition, we granted Mr. Turner 5,000 shares of restricted stock in 2004.

### ***Relationships with the Investors***

#### **Operating Agreements**

In connection with the Transactions, the Investors (or funds affiliated with the Investors), directly or indirectly, acquired limited partnership interests in Parent and certain of such Investors also acquired membership interests in Buck Holdings, LLC, the general partner of Parent. In connection with such investments, these entities entered into a limited partnership agreement with respect to their investment in Parent and an operating agreement with respect to their investment in Parent's general partner and a registration rights agreement relating to such investment. These agreements contain agreements among the parties with respect to, among other things, restrictions on the issuance or transfer of interests, other special corporate governance provisions (including the right to approve various corporate actions), the election of managers of Parent's general partner, the election of Board members of Dollar General, and registration rights (including customary indemnification provisions).

#### **Monitoring Agreement and Indemnity Agreement**

In connection with the Transactions, we and Parent entered into a monitoring agreement, dated July 6, 2007, with an affiliate of KKR and Goldman, Sachs & Co. pursuant to which such parties have provided and will continue to provide management and advisory services to us and our affiliates. Under the terms of the monitoring agreement, among other things, we are obligated to pay an aggregate annual management fee of \$5.0 million, which amount will increase by 5.0% annually, payable quarterly in arrears at the end of each calendar quarter. The initial annual fee will be prorated for the current fiscal year. Those entities also are entitled to receive a fee equal to 1% of the gross transaction value in connection with certain subsequent financing, acquisition or disposition of assets or equity interests, recapitalization and other similar transactions, as well as a termination fee in the event of an initial public offering or under certain other circumstances. All such fees are to be split based upon an agreed

upon formula, which results in an initial split of 78.38% of this fee payable to the KKR affiliate and 21.62% payable to Goldman, Sachs & Co. Under this agreement, we are also obligated to reimburse all reasonable out-of-pocket expenses incurred by such entities and their respective affiliates in connection with rendering any such services. In addition, pursuant to this agreement, we paid aggregate fees of approximately \$75 million in connection with services provided in connection with the Transactions, \$58.8 million of which was paid to the KKR affiliate and \$16.2 million of which was paid to Goldman, Sachs & Co.

In connection with entering into the monitoring agreement, on July 6, 2007 we and Parent also entered into a separate indemnification agreement with the parties to the monitoring agreement, pursuant to which we agreed to provide customary indemnification to such parties and their affiliates.

Michael M. Calbert and Raj Agrawal, two of our Board members, serve as a Member and a Director of KKR, respectively. Adrian Jones, one of our Board members, serves as a Managing Director of Goldman, Sachs & Co.

### **Other Relationships**

In connection with the Merger, Goldman, Sachs & Co. and Citigroup Global Markets Inc. and their affiliates participated in several related transactions with us. Specifically, Goldman Sachs Credit Partners L.P. and Citigroup Global Markets Inc., along with other institutions, served as joint lead arranger and joint bookrunner with respect to the credit agreements and related security and other agreements consisting of (i) a \$2.3 billion senior secured term loan facility (affiliates of KKR and Wellington Management Company, LLP are also lenders under this facility) and (ii) a senior secured asset-based revolving credit facility of up to \$1.125 billion. See "Description of Other Indebtedness." Goldman Sachs Credit Partners L.P. also served as syndication agent for each of the new facilities. Citicorp North America, Inc. served as administrative agent, collateral agent for the senior secured term loan facility. Goldman, Sachs & Co. also is a counterparty to certain interest rate swaps entered into in connection with these facilities. Pursuant to the swaps, which became effective on July 31, 2007, we swapped three month LIBOR rates for fixed interest rates receiving an all-in fixed rate of 7.683% which includes a 2.75% spread on a notional amount of \$2,000.0 million which will amortize on a quarterly basis until maturity at July 31, 2012. Also in connection with the Merger, Goldman, Sachs & Co. and Citigroup Global Markets Inc., along with other institutions, (i) acted as initial purchasers for our issuance of \$1,175.0 million aggregate principal amount of senior notes and \$725 million aggregate principal amount of senior subordinated notes and (ii) provided financial advisory services to, and received financial advisory fees from us, the Investors and their affiliates. Finally, in connection with the Merger, we completed a cash tender offer to purchase any and all of our \$200 million principal amount of 8-<sup>5</sup>/<sub>8</sub> % Notes due June 2010. Goldman, Sachs & Co. acted as dealer manager and consent solicitation agent for that tender offer. In the aggregate, approximately \$32.0 million in fees were paid to Goldman, Sachs & Co. and its affiliates and approximately \$26.2 million in fees were paid to Citigroup Global Markets Inc. and its affiliates in connection with the foregoing transactions relating to the Merger, portions of which have been capitalized as debt financing costs or as direct acquisition costs. In addition, under the registration rights agreement, we agreed to file a "market-making" prospectus in order to enable Goldman, Sachs & Co. to engage in market-making activities for the notes.

Goldman Sachs Credit Partners L.P. and Goldman, Sachs & Co. are affiliates of GS Capital Partners VI Fund, L.P. and affiliated funds. In addition, Adrian Jones, who serves on our Board, and Sumit Rajpal, who served on our Board for a brief period following the Merger, each serve as Managing Directors of Goldman, Sachs & Co. GS Capital Partners VI Fund, L.P. and affiliated funds indirectly own approximately 22% of our common stock on a fully diluted basis. Citigroup Global Markets Inc. and Citicorp North America Inc. are affiliates of Citigroup Private Equity LP. Funds

managed by Citigroup Private Equity LP indirectly own approximately 7.2% of our common stock on a fully diluted basis.

We use Capstone Consulting, LLC, a team of executives who work exclusively with KKR portfolio companies as an integral part of the value-creation process, for certain consulting services. We pay Capstone a monthly fee, currently \$210,000. Dean Nelson, who serves on our Board, is the Chief Executive Officer of Capstone. Although neither KKR nor any entity affiliated with KKR owns any of the equity of Capstone, KKR has provided financing to Capstone. We paid approximately \$78,750 of fees to Capstone for services provided in connection with the Transaction.

### ***Related Party Transaction Approval Policy***

Prior to the Merger, as a public company, we had policies and procedures in place regarding the review, approval and ratification of "related party" transactions. Those policies and procedures are described below. None of the Merger-related transactions or the transactions with the Investors discussed above were considered under the pre-existing policies and procedures.

On an annual basis, each director and executive officer is required to disclose, among other things, any relationship or transaction with us in which the director or executive officer, or any member of his or her immediate family ("related parties"), have a direct or indirect material interest. Our Legal Department determines which of those disclosed transactions or relationships fall below the related-party transaction disclosure threshold in, or are otherwise exempt from disclosure under, Item 404 of Regulation S-K of the Exchange Act or, prior to the Merger, which fell within a Board-adopted categorical director independence standard. Prior to the Merger, our Legal Department ensured that any identified relationship or transaction that was not exempt from disclosure under Item 404 or that did not fall within a categorical director independence standard was submitted to the Board of Directors or an appropriate Board committee for consideration under our conflict of interest or other policy as further described below.

Pursuant to our Code of Business Conduct and Ethics and prior to the Merger, the Nominating and Corporate Governance Committee reviewed and resolved any conflict of interest involving directors or executive officers. In addition, if a director's relationship or transaction fell within any of the Board-adopted categorical standards for director independence, then the director's interest in the relationship or transaction was deemed immaterial in the absence of other factors for purposes of both independence and related-party transaction disclosure. Finally, prior to the Merger our Compensation Committee reviewed and approved and/or ratified all material components of executive officer compensation as further discussed in "Management—Executive Compensation—Compensation Discussion and Analysis".

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information with respect to the beneficial ownership of each individual or entity known by us to own beneficially more than 5% of the outstanding shares of our common stock, (ii) each of our Named Executive Officers, (iii) each of our directors and (iv) all of directors and our executive officers as a group.

The percentages of shares outstanding are based on 555,483,897 shares of our common stock outstanding as of January 22, 2008. The amounts and percentages of shares beneficially owned are reported on the basis of SEC regulations governing the determination of beneficial ownership of securities. Under SEC rules, a person is deemed to be a "beneficial owner" of a security if that person has or shares voting power or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Securities that can be so acquired are deemed to be outstanding for purposes of computing such person's ownership percentage, but not for purposes of computing any other person's percentage. Under these rules, more than one person may be deemed to be a beneficial owner of the same securities and a person may be deemed to be a beneficial owner of securities as to which such person has no economic interest.

Except as otherwise indicated in the footnotes below, each of the beneficial owners has, to our knowledge, sole voting and investment power with respect to the indicated shares. Unless otherwise noted, the address of each beneficial owner is 100 Mission Ridge, Goodlettsville, Tennessee 37072. Amounts indicated as beneficially owned by all parties other than Mr. Dreiling, Mr. Beré, Mr. Tehle, Mr. Buley, Ms. Guion and Ms. Lowe are indirectly held through Buck Holdings, L.P.

## DESCRIPTION OF OTHER INDEBTEDNESS

### Senior Secured Credit Facilities

#### *Overview*

In connection with the Transactions, we entered into two senior secured credit agreements, each with Goldman Sachs Credit Partners L.P., Citicorp North America Inc., Lehman Brothers Inc. and Wachovia Capital Markets, LLC, each as joint lead arranger and joint bookrunner. The CIT Group/Business Credit, Inc. is administrative agent under the senior secured credit agreement for the asset-based revolving credit facility and Citicorp North America, Inc. is administrative agent under the senior secured credit agreement for the term loan facility. We refer to these new facilities as the "New Credit Facilities."

The New Credit Facilities provided senior secured financing of \$3.425 billion, consisting of:

- \$2.3 billion in a senior secured term loan facility; and
- a senior secured asset-based revolving credit facility of up to \$1.125 billion (of which up to \$350.0 million is available for letters of credit), subject to borrowing base availability.

The term loan facility consists of two tranches, one of which is a "first-loss" tranche, which, in certain circumstances, will be subordinated in right of payment to the other tranche of the term loan facility.

The borrower under the New Credit Facilities on the closing date was Dollar General. In addition, certain of our subsidiaries were designated as borrowers under the asset-based revolving credit facility described above. The asset-based revolving credit facility includes borrowing capacity available for letters of credit and for short-term borrowings referred to as swingline loans.

The New Credit Facilities provide that we will have the right at any time to request up to \$325.0 million of incremental commitments under one or more incremental term loan facilities and/or asset-based revolving credit facilities. The lenders under these facilities are not under any obligation to provide any such incremental commitments and any such addition of or increase in commitments will be subject to our not exceeding certain senior secured leverage ratios and certain other customary conditions precedent. Our ability to obtain extensions of credit under these incremental commitments are also subject to the same conditions as extensions of credit under the New Credit Facilities.

The amount from time to time available under the senior secured asset-based revolving credit facility (including in respect of letters of credit) shall not exceed the sum of the tranche A borrowing base and the tranche A-1 borrowing base. The tranche A borrowing base will equal the sum of (i) 85% of the net orderly liquidation value of all eligible inventory of ours and each co-borrower and each guarantor thereunder and (ii) 90% of all accounts receivable and credit/debit card receivables of ours and each co-borrower and each guarantor thereunder, in each case, subject to a reserve equal to the principal amount of the 2010 Notes that remain outstanding at any time on or after the closing date and other customary reserves and eligibility criteria to be agreed. The tranche A-1 borrowing base will equal 10% to 12% of the net orderly liquidation value of all eligible inventory of ours and each co-borrower and each guarantor under the asset-based revolving credit facility. All loans under the asset-based revolving credit facility shall be made as tranche A-1 loans until such time as all tranche A-1 commitments have been funded or there is no further availability under the tranche A-1 borrowing base, at which point loans under the asset-based revolving credit facility shall be made as tranche A loans. Any payments made on the principal amount of the loans outstanding under the asset-based revolving credit facility will first be applied to all the tranche A loans outstanding before any amount will be applied to the tranche A-1 loans outstanding.

## *Interest Rate and Fees*

Borrowings under the New Credit Facilities bear interest at a rate equal to an applicable margin plus, at our option, either (a) a LIBOR rate adjusted for certain additional costs or (b) a base rate, in each case plus a spread. The initial applicable margin for borrowings will be (i) under the asset-based revolving credit facility, 1.50% with respect to LIBOR borrowings of tranche A loans and 0.50% with respect to base-rate borrowings and 2.25% with respect to LIBOR borrowings of tranche A-1 loans and 1.25% with respect to base-rate borrowings of tranche A-1 loans and (ii) under the term loan facility, 2.75% with respect to LIBOR borrowings and 1.75% with respect to base-rate borrowings. The applicable margins for tranche A-1 borrowings under the asset-based revolving credit facility are subject to adjustment each quarter based on average daily excess availability for the preceding fiscal quarter.

In addition to paying interest on outstanding principal under the New Credit Facilities, we are required to pay a commitment fee to the lenders under the asset-based revolving credit facility in respect of the unutilized commitments thereunder. The initial commitment fee rate is 0.375% per annum. The commitment fee rate under the tranche A will be reduced to 0.25% per annum at any time the undrawn portion in respect of the tranche A of the asset-based revolving credit facility is equal to or less than 50% of the aggregate commitments under the asset-based revolving credit facility. We must also pay customary letter of credit fees.

## *Prepayments*

The senior secured credit agreement for the term loan facility requires us to prepay outstanding term loans, subject to certain exceptions, with:

- 50% of our annual excess cash flow (as defined in the credit agreement) commencing with the first full fiscal year following the date of the closing of the Transactions (which percentage will be reduced to 25% and 0% based on achievement of certain leverage ratios);
- 100% of the net cash proceeds of all non-ordinary course asset sales or other dispositions of property in excess of an amount to be agreed upon and subject to our right to reinvest the proceeds; and
- 100% of the net cash proceeds of any incurrence of debt, other than proceeds from debt permitted under the senior secured credit agreement for the term loan facility.

The foregoing mandatory prepayments will be applied to the term loan facility as directed by the senior secured credit agreement for the term loan facility.

In addition, the senior secured credit agreement for the asset-based revolving credit facility requires us to prepay the asset-based revolving credit facility, subject to certain exceptions, with:

- 100% of the net cash proceeds of all non-ordinary course asset sales or other dispositions of revolving facility collateral (as defined below) in excess of an amount to be agreed upon and subject to our right to reinvest the proceeds; and
- to the extent such extensions of credit exceed the then current borrowing bases (as defined in the senior secured credit agreement for the asset-based revolving credit facility).

Beginning September 30, 2009, we are required to repay installments on the loans under the term loan credit facility in equal quarterly principal amounts in an aggregate amount per annum equal to 1% of the total funded principal amount at July 6, 2007, with the balance payable on July 6, 2014. There is no amortization under the asset-based revolving credit facility. The entire principal amounts (if any) outstanding under the asset-based revolving credit facility are due and payable in full at maturity, on July 6, 2013, on which day the commitments thereunder will terminate.

If a change of control as defined in the senior secured credit agreements governing our New Credit Facilities occurs, this will cause an event of default under the senior secured credit agreements. Upon an event of default, indebtedness under the New Credit Facilities may be accelerated, in which case we will be required to repay all outstanding loans plus accrued and unpaid interest and all other amounts outstanding under the New Credit Facilities.

### ***Letters of Credit***

\$350.0 million of our asset-based revolving credit facility is available for letters of credit.

### ***Amortization***

We are required to repay installments on the loans under the term loan facility in equal quarterly principal amounts in an aggregate amount per annum equal to 1% of the total funded principal amount at July 6, 2007 with the balance payable on July 6, 2014.

Principal amounts outstanding under the asset-based revolving credit facility are due and payable in full at maturity, July 6, 2013 on which day the commitments thereunder will terminate.

### ***Guarantee and Security***

All obligations under the New Credit Facilities are initially unconditionally guaranteed by substantially all of our existing and future domestic subsidiaries (excluding certain immaterial subsidiaries and certain subsidiaries designated by us under our senior secured credit agreements as "unrestricted subsidiaries"), referred to, collectively, as U.S. Guarantors.

All obligations under the asset-based revolving credit facility, and the guarantees of those obligations, are secured by all existing and after-acquired inventory, accounts receivable, and other assets arising from such inventory and accounts receivable, of ours and each U.S. Guarantor (the "Revolving Facility Collateral"), subject to certain exceptions.

All obligations under the term loan facility and the guarantees of those obligations are secured by:

- a second-priority security interest in the Revolving Facility Collateral;
- a first priority security interest in, and mortgages on, substantially all of the tangible and intangible assets of ours and each U.S. Guarantor (other than the Revolving Facility Collateral); and
- a first-priority pledge of 100% of the capital stock held by us or any of our domestic subsidiaries that are directly owned by us or one of the U.S. Guarantors and 65% of the voting capital stock of each of our existing and future foreign subsidiaries that are directly owned by us or one of the U.S. Guarantors.

### ***Certain Covenants and Events of Default***

The senior secured credit agreements contain a number of covenants that, among other things, restrict, subject to certain exceptions, our ability to:

- incur additional indebtedness;
- sell assets;
- pay dividends and distributions or repurchase our capital stock;
- make investments or acquisitions;
- repay or repurchase subordinated indebtedness (including the senior subordinated notes) or the senior notes;
- amend material agreements governing our subordinated indebtedness (including the senior subordinated notes) or the senior notes; and
- change our lines of business.

The senior secured credit agreements also contain certain customary affirmative covenants and events of default.

### **2010 Notes and Other Indebtedness**

On July 6, 2007, immediately after the completion of the Merger, we completed a cash tender offer to purchase any and all of our \$200 million principal amount of the 2010 Notes. Approximately 99% of the 2010 Notes were validly tendered and accepted for payment. The tender offer included a consent payment equal to 3% of the par value of the 2010 Notes, and such payments along with associated settlement costs totaling \$6.2 million were paid and reflected as a loss on debt retirement in the 2007 periods presented. Additionally, because we received the requisite consents to the proposed amendments to the indenture pursuant to which the 2010 Notes were issued, a supplemental indenture to effect such amendments was executed and delivered. The amendments, which eliminated substantially all of the restrictive covenants contained in the indenture, became operative upon the purchase of the tendered 2010 Notes.

At November 2, 2007, we had outstanding standby letters of credit totaling \$68.8 million and commercial letters of credit totaling \$43.7 million.

## THE EXCHANGE OFFER

### General

We are offering to exchange a like principal amount of exchange notes for any or all outstanding notes on the terms and subject to the conditions set forth in this prospectus and accompanying letter of transmittal. We refer to the offer as the "exchange offer." You may tender some or all of your outstanding notes pursuant to the exchange offer.

As of the date of this prospectus, \$1,175,000,000 aggregate principal amount of 10.625% Senior Notes and \$725,000,000 aggregate principal amount of 11.875%/12.625% Senior Subordinated Notes are outstanding. This prospectus, together with the letter of transmittal, is first being sent to all holders of outstanding notes known to us on or about [redacted], 2008. Our obligation to accept outstanding notes for exchange pursuant to the exchange offer is subject to certain conditions set forth under "Conditions to the exchange offer" below. We currently expect that each of the conditions will be satisfied and that no waivers will be necessary.

### Purpose and effect of the exchange offer

We entered into a registration rights agreement with the initial purchasers of the outstanding notes in which we agreed, under certain circumstances, to file a registration statement relating to an offer to exchange the outstanding notes for exchange notes. We also agreed to use our reasonable best efforts to cause this registration statement to be declared effective and to cause the exchange offer to be consummated within 270 days after the issue date of the outstanding notes. The exchange notes will have terms substantially identical to the terms of the corresponding outstanding notes, except that the exchange notes will be registered under the Securities Act, and will not contain terms with respect to transfer restrictions or additional interest upon a failure to fulfill certain of our obligations under the registration rights agreement. The outstanding notes were issued on July 6, 2007.

Under the circumstances set forth below, we will use our reasonable best efforts to cause the SEC to declare effective a shelf registration statement with respect to the resale of the outstanding notes within the time periods specified in the registration rights agreement and to keep the shelf registration statement effective for two years or such shorter period ending when all outstanding notes or exchange notes covered by the statement have been sold in the manner set forth and as contemplated in the statement or to the extent that the applicable provisions of Rule 144 (k) under the Securities Act are amended or revised. These circumstances include:

- if applicable law or interpretations of the staff of the SEC do not permit us and the guarantors to effect this exchange offer;
- if for any other reason the exchange offer is not consummated within 270 days of the issue date of the outstanding notes;
- any initial purchaser requests in writing to us within 30 days after the consummation of this exchange offer with respect to outstanding notes that are not eligible to be exchanged for exchange notes in the exchange offer and held by it following the consummation of the exchange offer; or
- if any holder of the outstanding notes that participates in the exchange offer does not receive exchange notes that may be sold without restriction in exchange for its tendered outstanding notes (other than due solely to the status of such holder as an affiliate of ours) and notifies us within 30 days after becoming aware of restrictions; or
- if we so elect.

If we fail to comply with certain obligations under the registration rights agreement, we will be required to pay additional interest to holders of the outstanding notes and the exchange notes required

to be registered on a shelf registration statement. Please read the section "Registration Rights" for more details regarding the registration rights agreement.

If you wish to exchange your outstanding notes for exchange notes in the exchange offer, you will be required to make the following written representations:

- you will acquire the exchange notes in the ordinary course of your business;
- you have no arrangement or understanding with any person to participate in the distribution (within the meaning of the Securities Act) of the exchange notes in violation of the provisions of the Securities Act;
- you are not our affiliate, as defined by Rule 405 of the Securities Act, or if you are an affiliate, you will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable; and
- you are not engaged in, and do not intend to engage in, a distribution of exchange notes.

Each broker-dealer that receives exchange notes for its own account in exchange for outstanding notes, where the broker-dealer acquired the outstanding notes as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. Please see "Plan of Distribution."

### **Resale of exchange notes**

Based on interpretations by the staff of the SEC as set forth in no-action letters issued to third parties referred to below, we believe that you may resell or otherwise transfer exchange notes issued in the exchange offer without complying with the registration and prospectus delivery provisions of the Securities Act, if:

- you are acquiring the exchange notes in your ordinary course of business;
- you do not have an arrangement or understanding with any person to participate in a distribution of the exchange notes;
- you are not our affiliate as defined by Rule 405 of the Securities Act; and
- you are not engaged in, and do not intend to engage in, a distribution of the exchange notes.

If you are an affiliate, or are engaging in, or intend to engage in, or have any arrangement or understanding with any person to participate in, a distribution of the exchange notes, or are not acquiring the exchange notes in the ordinary course of your business, then:

- you cannot rely on the position of the staff of the SEC enunciated in *Morgan Stanley & Co., Inc.* (available June 5, 1991), *Exxon Capital Holdings Corporation* (available May 13, 1988), as interpreted in the SEC's letter to *Shearman & Sterling* dated July 2, 1993, or similar no-action letters; and
- in the absence of an exception from the position stated immediately above, you must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale of the exchange notes.

This prospectus may be used for an offer to resell, for the resale or for other retransfer of exchange notes only as specifically set forth in this prospectus. With regard to broker-dealers, only broker-dealers that acquired the outstanding notes as a result of market-making activities or other trading activities may participate in the exchange offer. Each broker-dealer that receives exchange notes for its own account in exchange for outstanding notes where such outstanding notes were acquired by such broker-dealer as a result of market-making activities or other trading activities must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. Please read "Plan of Distribution" for more details regarding the transfer of exchange notes.

## Terms of the exchange offer

On the terms and subject to the conditions set forth in this prospectus and in the accompanying letter of transmittal, we will accept for exchange in the exchange offer outstanding notes that are validly tendered and not validly withdrawn prior to the expiration date. Outstanding notes may only be tendered in denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000. We will issue \$2,000 principal amount or an integral multiple of \$1,000 of exchange notes in exchange for a corresponding principal amount of outstanding notes surrendered in the exchange offer.

The form and terms of the exchange notes will be substantially identical to the form and terms of the corresponding outstanding notes, except that the exchange notes will not contain terms with respect to transfer restrictions or additional interest upon a failure to fulfill certain of our obligations under the registration rights agreement. The exchange notes will evidence the same debt as the corresponding outstanding notes. The exchange notes will be issued under and entitled to the benefits of the same indentures under which the corresponding outstanding notes were issued, and the exchange notes and the corresponding outstanding notes will constitute a single class for all purposes under the indentures. For a description of the indentures, please see "Description of Senior Notes" and "Description of Senior Subordinated Notes."

The exchange offer is not conditioned upon any minimum aggregate principal amount of outstanding notes being tendered for exchange.

As of the date of this prospectus, \$1,175,000,000 aggregate principal amount of 10.625% Senior Notes and \$725,000,000 aggregate principal amount of 11.875%/12.625% Senior Subordinated Notes is outstanding. This prospectus and a letter of transmittal are being sent to all registered holders of outstanding notes. There will be no fixed record date for determining registered holders of outstanding notes entitled to participate in the exchange offer.

We intend to conduct the exchange offer in accordance with the provisions of the registration rights agreement, the applicable requirements of the Securities Act and the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the SEC. Outstanding notes that are not tendered for exchange in the exchange offer will remain outstanding and continue to accrue interest and will be entitled to the rights and benefits that such holders have under the indenture relating to such holders' outstanding notes, except for any rights under the registration rights agreement that by their terms terminate upon the consummation of the exchange offer.

We will be deemed to have accepted for exchange properly tendered outstanding notes when we have given oral or written notice of the acceptance to the exchange agent. The exchange agent will act as agent for the tendering holders for the purposes of receiving the exchange notes from us and delivering exchange notes to holders. Subject to the terms of the registration rights agreement, we expressly reserve the right to amend or terminate the exchange offer and to refuse to accept the occurrence of any of the conditions specified below under "Conditions to the exchange offer".

Holders who tender outstanding notes in the exchange offer will not be required to pay brokerage commissions or fees or, subject to the instructions in the letter of transmittal, transfer taxes with respect to the exchange of outstanding notes. We will pay all charges and expenses, other than certain applicable taxes described below, in connection with the exchange offer. It is important that you read "Fees and expenses" below for more details regarding fees and expenses incurred in the exchange offer.

## Expiration Date; Extensions, Amendments

As used in this prospectus, the term "expiration date" means 5:00 p.m., New York City time, on \_\_\_\_\_, 2008 which is the 21<sup>st</sup> business day after the date of this prospectus. However, if we, in our sole discretion, extend the period of time for which the exchange offer is open, the term "expiration date"

will mean the latest time and date to which we shall have extended the expiration of the exchange offer.

To extend the period of time during which the exchange offer is open, we will notify the exchange agent of any extension by oral or written notice, followed by notification to the registered holders of the outstanding notes no later than 9:00 a.m., New York City time, on the business day after the previously scheduled expiration date.

We reserve the right, in our sole discretion:

- to delay accepting for exchange any outstanding notes (only if we amend or extend the applicable exchange offer);
- to extend the exchange offer or to terminate the exchange offer and to refuse to accept outstanding notes not previously accepted if any of the conditions set forth below under "Conditions to the exchange offer" have not been satisfied, by giving oral or written notice of such delay, extension or termination to the exchange agent; and
- subject to the terms of the registration rights agreement, to amend the terms of the exchange offer in any manner.

Any delay in acceptance, extension, termination or amendment will be followed as promptly as practicable by oral or written notice to the registered holders of the outstanding notes. If we amend the exchange offer in a manner that we determine to constitute a material change, including the waiver of a material condition, we will promptly disclose the amendment by press release or other public announcement as required by Rule 14e-1(d) of the Exchange Act and will extend the offer period if necessary so that at least five business days remain in the offer following notice of the material change.

### **Conditions to the exchange offer**

Despite any other term of the exchange offer, we will not be required to accept for exchange, or to issue exchange notes in exchange for, any outstanding notes, and we may terminate or amend the exchange offer as provided in this prospectus before accepting any outstanding notes for exchange, if:

- the exchange offer, or the making of any exchange by a holder of outstanding notes, violates any applicable law or interpretation of the staff of the SEC;
- any action or proceeding shall have been instituted or threatened in any court or by any governmental agency that might materially impair our ability to proceed with the exchange offer, and any material adverse development shall have occurred in any existing action or proceeding with respect to us; or
- we shall not have obtained all governmental approvals that we deem necessary for the consummation of the exchange offer.

In addition, we will not be obligated to accept for exchange the outstanding notes of any holder that has not made to us:

- the representations described under "Purpose and effect of the exchange offer" and "Procedures for tendering outstanding notes"; and
- any other representations as may be reasonably necessary under applicable SEC rules, regulations, or interpretations to make available to us an appropriate form for registration of the exchange notes under the Securities Act.

We expressly reserve the right at any time or at various times to extend the period of time during which the exchange offer is open. Consequently, we may delay acceptance of any outstanding notes by notice by press release or other public announcement as required by Rule 14e-1(d) of the Exchange Act of such extension. During any such extensions, all outstanding notes previously tendered will

remain subject to the exchange offer, and we may accept them for exchange. We will return any outstanding notes that we do not accept for exchange for any reason without expense to their tendering holder promptly after the expiration or termination of the exchange offer.

We expressly reserve the right to amend or terminate the exchange offer and to reject for exchange any outstanding notes not previously accepted for exchange upon the occurrence of any of the conditions of the exchange offer specified above. We will promptly give notice by press release or other public announcement as required by Rule 14e-1(d) of the Exchange Act of any extension, amendment, non-acceptance or termination to the holders of the outstanding notes. In the case of any extension, such notice will be issued no later than 9:00 a.m., New York City time, on the business day after the previously scheduled expiration date.

These conditions are for our sole benefit, and we may assert them regardless of the circumstances that may give rise to them so long as such circumstances do not arise due to our action or inaction or waive them in whole or in part at any or at various times in our sole discretion. If we fail at any time to exercise any of these rights, it will not constitute a waiver of such right. Each such right will be deemed an ongoing right that we may assert at any time or at various times.

### **Procedures for tendering outstanding notes**

Only a holder of outstanding notes may tender their outstanding notes in the exchange offer. To tender outstanding notes in the exchange offer, you must comply with either of the following:

- complete, sign and date the letter of transmittal or a facsimile of the letter of transmittal, have the signature(s) on the letter of transmittal guaranteed if required by the letter of transmittal and mail or deliver such letter of transmittal or facsimile to the exchange agent prior to the expiration date; or
- comply with DTC's Automated Tender Offer Program procedures described below.

In addition, either:

- the exchange agent must receive outstanding notes along with the letter of transmittal; or
- prior to the expiration date, the exchange agent must receive a timely confirmation of book-entry transfer of outstanding notes into the exchange agent's account at DTC according to the procedure for book-entry transfer described below or a properly transmitted agent's message; or
- the holder must comply with the guaranteed delivery procedures described below.

To be tendered effectively, the exchange agent must receive any physical delivery of the letter of transmittal and other required documents at the address set forth below under "Exchange agent" prior to the expiration date.

Your tender to us that is not withdrawn prior to the expiration date constitutes an agreement between us and you upon the terms and subject to the conditions described in this prospectus and in the letter of transmittal.

The method of delivery of outstanding notes, letter of transmittal and all other required documents to the exchange agent is at your election and risk. Rather than mail these items, we recommend that you use an overnight or hand delivery service. In all cases, you should allow sufficient time to assure timely delivery to the exchange agent before the expiration date. You should not send letters of transmittal or certificates representing outstanding notes to us. You may request that your broker, dealer, commercial bank, trust company or other nominee effect the above transactions for you.

If you are a beneficial owner whose outstanding notes are held in the name of a broker, dealer, commercial bank, trust company, or other nominee and you wish to tender your outstanding notes, you should promptly instruct the registered holder to tender outstanding notes on your behalf.

You must make these arrangements or follow these procedures before completing and executing the letter of transmittal and delivering the outstanding notes.

Signatures on the letter of transmittal or a notice of withdrawal, as the case may be, must be guaranteed by a member firm of a registered national securities exchange or of the National Association of Securities Dealers, Inc., a commercial bank or trust company having an office or correspondent in the U.S. or another "eligible guarantor institution" within the meaning of Rule 17A(d)-15 under the Exchange Act unless the outstanding notes surrendered for exchange are tendered:

- by a registered holder of the outstanding notes who has not completed the box entitled "Special Registration Instructions" or "Special Delivery Instructions" on the letter of transmittal; or
- for the account of an eligible guarantor institution.

If the applicable letter of transmittal is signed by a person other than the registered holder of any outstanding notes listed on the outstanding notes, such outstanding notes must be endorsed or accompanied by a properly completed bond power. The bond power must be signed by the registered holder as the registered holder's name appears on the outstanding notes and an eligible guarantor institution must guarantee the signature on the bond power.

If the applicable letter of transmittal or any certificates representing outstanding notes or bond powers are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations, or others acting in a fiduciary or representative capacity, those persons should also indicate when signing and, unless waived by us, they should also submit evidence satisfactory to us of their authority to so act.

The exchange agent and DTC have confirmed that any financial institution that is a participant in DTC's system may use DTC's Automated Tender Offer Program to tender. Participants in the program may, instead of physically completing and signing the letter of transmittal and delivering it to the exchange agent, electronically transmit their acceptance of the exchange by causing DTC to transfer the outstanding notes to the exchange agent in accordance with DTC's Automated Tender Offer Program procedures for transfer. DTC will then send an agent's message to the exchange agent. The term "agent's message" means a message transmitted by DTC, received by the exchange agent and forming part of the book-entry confirmation, that states that:

- DTC has received an express acknowledgment from a participant in its Automated Tender Offer Program that is tendering outstanding notes that are the subject of the book-entry confirmation;
- the participant has received and agrees to be bound by the terms of the letter of transmittal or, in the case of an agent's message relating to guaranteed delivery, such participant has received and agrees to be bound by the applicable notice of guaranteed delivery; and
- we may enforce that agreement against such participant.

### **Acceptance of exchange notes**

In all cases, we will promptly issue exchange notes for outstanding notes that we have accepted for exchange under the applicable exchange offer only after the exchange agent timely receives:

- outstanding notes or a timely book-entry confirmation of such outstanding notes into the exchange agent's account at the applicable book-entry transfer facility; and
- a properly completed and duly executed letter of transmittal and all other required documents or a properly transmitted agent's message.

By tendering outstanding notes pursuant to the applicable exchange offer, you will represent to us that, among other things:

- you are not our affiliate or an affiliate of any guarantor within the meaning of Rule 405 under the Securities Act;
- you do not have an arrangement or understanding with any person or entity to participate in a distribution of the exchange notes; and
- you are acquiring the exchange notes in the ordinary course of your business.

In addition, each broker-dealer that is to receive exchange notes for its own account in exchange for outstanding notes must represent that such outstanding notes were acquired by that broker-dealer as a result of market-making activities or other trading activities and must acknowledge that it will deliver a prospectus that meets the requirements of the Securities Act in connection with any resale of the exchange notes. The applicable letter of transmittal states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act. See "Plan of Distribution."

We will interpret the terms and conditions of the exchange offer, including the letters of transmittal and the instructions to the letters of transmittal, and will resolve all questions as to the validity, form, eligibility, including time of receipt, and acceptance of outstanding notes tendered for exchange. Our determinations in this regard will be final and binding on all parties. We reserve the absolute right to reject any and all tenders of any particular outstanding notes not properly tendered or to not accept any particular outstanding notes if the acceptance might, in our or our counsel's judgment, be unlawful. We also reserve the absolute right to waive any defects or irregularities as to any particular outstanding notes prior to the expiration date.

Unless waived, any defects or irregularities in connection with tenders of outstanding notes for exchange must be cured within such reasonable period of time as we determine. Neither we, the exchange agent, nor any other person will be under any duty to give notification of any defect or irregularity with respect to any tender of outstanding notes for exchange, nor will any of them incur any liability for any failure to give notification. Any outstanding notes received by the exchange agent that are not properly tendered and as to which the irregularities have not been cured or waived will be returned by the exchange agent to the tendering holder, unless otherwise provided in the applicable letter of transmittal, promptly after the expiration date.

#### **Book-entry delivery procedures**

Promptly after the date of this prospectus, the exchange agent will establish an account with respect to the outstanding notes at DTC as the book-entry transfer facility, for purposes of the exchange offer. Any financial institution that is a participant in the book-entry transfer facility's system may make book-entry delivery of the outstanding notes by causing the book-entry transfer facility to transfer those outstanding notes into the exchange agent's account at the facility in accordance with the facility's procedures for such transfer. To be timely, book-entry delivery of outstanding notes requires receipt of a confirmation of a book-entry transfer, a "book-entry confirmation," prior to the expiration date. In addition, although delivery of outstanding notes may be effected through book-entry transfer into the exchange agent's account at the applicable book-entry transfer facility, the applicable letter of transmittal or a manually signed facsimile thereof, together with any required signature guarantees and any other required documents, or an "agent's message," as defined below, in connection with a book-entry transfer, must, in any case, be delivered or transmitted to and received by the exchange agent at its address set forth on the cover page of the applicable letter of transmittal prior to the expiration date to receive exchange notes for tendered outstanding notes, or the guaranteed delivery procedure described below must be complied with. Tender will not be deemed made until such

documents are received by the exchange agent. Delivery of documents to the applicable book-entry transfer facility does not constitute delivery to the exchange agent.

### **Guaranteed delivery procedures**

If you wish to tender outstanding notes that are not immediately available or you cannot deliver your outstanding notes, the letter of transmittal or any other required documents to the exchange agent or comply with the applicable procedures under DTC's Automatic Tender Offer Program prior to the expiration date, you may still tender if:

- the tender is made through an Eligible Guarantor Institution;
- prior to the expiration date, the exchange agent receives from such Eligible Guarantor Institution either: (i) a properly completed and duly executed notice of guaranteed delivery, by facsimile transmission, mail, or hand delivery or (ii) a properly transmitted agent's message and notice of guaranteed delivery, that (a) sets forth your name and address, the certificate number(s) of such outstanding notes and the principal amount of outstanding notes tendered; (b) states that the tender is being made by that notice of guaranteed delivery; and (c) guarantees that, within three New York Stock Exchange trading days after the expiration date, the letter of transmittal, or facsimile thereof, together with the outstanding notes or a book-entry confirmation, and any other documents required by the letter of transmittal, will be deposited by the Eligible Guarantor Institution with the exchange agent; and
- the exchange agent receives the properly completed and executed letter of transmittal or facsimile thereof, as well as certificate(s) representing all tendered outstanding notes in proper form for transfer or a book-entry confirmation of transfer of the outstanding notes into the exchange agent's account at DTC, and all other documents required by the letter of transmittal within three New York Stock Exchange trading days after the expiration date.

Upon request, the exchange agent will send to you a notice of guaranteed delivery if you wish to tender your notes according to the guaranteed delivery procedures.

### **Withdrawal rights**

Except as otherwise provided in this prospectus, you may withdraw your tender of outstanding notes at any time prior to 5:00 p.m., New York City time, on the expiration date. For a withdrawal to be effective:

- the exchange agent must receive a written notice, which may be by telegram, telex, facsimile or letter, of withdrawal; or
- you must comply with the appropriate procedures of DTC's Automated Tender Offer Program system;

Any notice of withdrawal must:

- specify the name of the person who tendered the outstanding notes to be withdrawn;
- identify the outstanding notes to be withdrawn, including the certificate numbers and principal amount of the outstanding notes; and
- where certificates for outstanding notes have been transmitted, specify the name in which such outstanding notes were registered, if different from that of the withdrawing holder.

If certificates for outstanding notes have been delivered or otherwise identified to the exchange agent, then, prior to the release of such certificates, you must also submit:

- the serial numbers of the particular certificates to be withdrawn; and

- a signed notice of withdrawal with signatures guaranteed by an eligible institution unless you are an eligible guarantor institution.

If outstanding notes have been tendered pursuant to the procedures for book-entry transfer described above, any notice of withdrawal must specify the name and number of the account at the book-entry transfer facility to be credited with the withdrawn outstanding notes and otherwise comply with the procedures of the facility. We will determine all questions as to the validity, form, and eligibility, including time of receipt of notices of withdrawal and our determination will be final and binding on all parties. Any outstanding notes so withdrawn will be deemed not to have been validly tendered for exchange for purposes of the exchange offer. Any outstanding notes that have been tendered for exchange but that are not exchanged for any reason will be returned to their holder, without cost to the holder, or, in the case of book-entry transfer, the outstanding notes will be credited to an account at the book-entry transfer facility, promptly after withdrawal, rejection of tender or termination of the applicable exchange offer. Properly withdrawn outstanding notes may be retendered by following the procedures described under "Procedures for tendering outstanding notes" above at any time on or prior to the expiration date.

### **Fees and expenses**

The registration rights agreement provides that we will bear all expenses in connection with the performance of our obligations relating to the registration of the exchange notes and the conduct of the exchange offer. These expenses include registration and filing fees, accounting and legal fees and printing costs, among others. We will pay the exchange agent reasonable and customary fees for its services and reasonable out-of-pocket expenses. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for customary mailing and handling expenses incurred by them in forwarding this prospectus and related documents to their clients that are holders of outstanding notes and for handling or tendering for such clients.

We have not retained any dealer-manager in connection with the exchange offer and will not pay any fee or commission to any broker, dealer, nominee or other person, other than the exchange agent, for soliciting tenders of outstanding notes pursuant to the exchange offer.

## **Accounting treatment**

We will record the exchange notes in our accounting records at the same carrying value as the outstanding notes, which is the aggregate principal amount as reflected in our accounting records on the date of exchanges. Accordingly, we will not recognize any gain or loss for accounting purposes upon the consummation of the exchange offer. We will record the expenses of the exchange offer as incurred.

## **Transfer taxes**

We will pay all transfer taxes, if any, applicable to the exchanges of outstanding notes under the exchange offer. The tendering holder, however, will be required to pay any transfer taxes, whether imposed on the registered holder or any other person, if:

- certificates representing outstanding notes for principal amounts not tendered or accepted for exchange are to be delivered to, or are to be issued in the name of, any person other than the registered holder of outstanding notes tendered;
- tendered outstanding notes are registered in the name of any person other than the person signing the letter of transmittal; or
- a transfer tax is imposed for any reason other than the exchange of outstanding notes under the exchange offer.

If satisfactory evidence of payment of such taxes is not submitted with the letter of transmittal, the amount of such transfer taxes will be billed to that tendering holder.

Holders who tender their outstanding notes for exchange will not be required to pay any transfer taxes. However, holders who instruct us to register exchange notes in the name of, or request that outstanding notes not tendered or not accepted in the exchange offer be returned to, a person other than the registered tendering holder will be required to pay any applicable transfer tax.

## **Consequences of failure to exchange**

If you do not exchange your outstanding notes for exchange notes in the exchange offer, your outstanding notes will remain subject to the restrictions on transfer as set forth in the legend printed on the outstanding notes as a consequence of the issuance of the outstanding notes pursuant to the exemptions from, or in transactions not subject to, the registration requirements of the Securities Act and applicable state securities laws.

In general, you may not offer or sell your outstanding notes unless they are registered under the Securities Act or if the offer or sale is exempt from registration under the Securities Act and applicable state securities laws. Except as required by the registration rights agreement, we do not intend to register resales of the outstanding notes under the Securities Act.

## **Other**

Participating in the exchange offer is voluntary, and you should carefully consider whether to accept. You are urged to consult your financial and tax advisors in making your own decision on what action to take.

We may in the future seek to acquire untendered outstanding notes in open market or privately negotiated transactions, through subsequent exchange offer or otherwise. We have no present plans to acquire any outstanding notes that are not tendered in the exchange offer or to file a registration statement to permit resales of any untendered outstanding notes.

## DESCRIPTION OF SENIOR NOTES

### General

Certain terms used in this description are defined under the subheading "Certain Definitions."

Buck Acquisition Corp. issued \$1,175,000,000 aggregate principal amount of 10.625% senior notes due 2015 (the " *Senior Notes* ") under an indenture dated July 6, 2007 (the " *Senior Indenture* ") among Buck Acquisition Corp., the Guarantors and Wells Fargo Bank, National Association, as trustee (the " *Trustee* "). Immediately following the closing of the offering and as part of the Transactions, Buck Acquisition Corp. merged with and into Dollar General Corporation, with Dollar General Corporation continuing as the surviving corporation and assuming all the obligations of Buck Acquisition Corp. under the Senior Indenture. Dollar General Corporation will issue the exchange notes described in this prospectus under the Senior Indenture. In this description, the terms " *we* ," " *our* ," " *us* ," " *the Issuer* " and " *the Company* " refer to Buck Acquisition Corp. prior to the merger described above and to Dollar General Corporation as the surviving corporation in the merger, together with its consolidated Subsidiaries (except that "the Issuer" does not include consolidated subsidiaries). Except as set forth herein, the terms of the Senior Notes are substantially identical and include those stated in the Senior Indenture and those made part of the Senior Indenture by reference to the Trust Indenture Act.

The following description is only a summary of the material provisions of the Senior Indenture, does not purport to be complete and is qualified in its entirety by reference to the provisions of that agreement, including the definitions therein of certain terms used below. We urge you to read the Senior Indenture because it, and not this description, will define your rights as Holders. You may request copies of the Senior Indenture at our address set forth under the heading "Summary."

### Brief Description of the Senior Notes

The Senior Notes:

- are general unsecured senior obligations of the Issuer;
- are *pari passu* in right of payment with all existing and future unsecured Senior Indebtedness of the Issuer;
- are effectively subordinated to all Secured Indebtedness of the Issuer, including Indebtedness under the Issuer's new Senior Credit Facilities, to the extent of the collateral securing such Indebtedness;
- are senior in right of payment to all existing and future Subordinated Indebtedness of the Issuer, including the Senior Subordinated Notes;
- are structurally subordinated to any existing and future indebtedness and liabilities of non-guarantor Subsidiaries, including the Issuer's Foreign Subsidiaries and any Unrestricted Subsidiaries;
- are initially unconditionally guaranteed on a joint and several and senior basis by each Restricted Subsidiary that guarantees the General Credit Facility; and
- are subject to registration with the SEC pursuant to the Registration Rights Agreement.

### Guarantees

The Guarantors, as primary obligors and not merely as sureties, initially jointly and severally fully and unconditionally guarantee, on a senior basis, the performance and full and punctual payment when due, whether at maturity, by acceleration or otherwise, of all obligations of the Issuer under the Senior Indenture and the Senior Notes, whether for payment of principal of, premium, if any, or interest or

Special Interest in respect of the Senior Notes, expenses, indemnification or otherwise, on the terms set forth in the Senior Indenture by executing the Senior Indenture.

The Restricted Subsidiaries which guarantee the General Credit Facility initially guaranteed the Senior Notes. Each Guarantee is a general unsecured senior obligation of the applicable Guarantor, ranks *pari passu* in right of payment with all existing and any future Senior Indebtedness of such Guarantor, is effectively subordinated to all Secured Indebtedness of such Guarantor to the extent of the value of the collateral securing such Indebtedness, and is senior in right of payment to all existing and any future Subordinated Indebtedness of such Guarantor (including the Senior Subordinated Notes). The Senior Notes will be structurally subordinated to Indebtedness and other liabilities of Subsidiaries of the Issuer that do not guarantee the Senior Notes.

Not all of the Issuer's Subsidiaries guarantee the Senior Notes. In the event of a bankruptcy, liquidation or reorganization of any of these non-Guarantor Subsidiaries, the non-Guarantor Subsidiaries will pay the holders of their debt and their trade creditors before they will be able to distribute any of their assets to the Issuer. None of the Issuer's Subsidiaries which are Foreign Subsidiaries, non-Wholly Owned Subsidiaries or any Receivables Subsidiaries will guarantee the Senior Credit Facilities, the Senior Notes or the Senior Subordinated Notes. Our non-Guarantor Subsidiaries accounted for approximately \$107.4 million of net revenues and approximately \$20.5 million of net income, in each case, for 2006 and approximately \$243.0 million of total assets, and approximately \$187.0 million of total liabilities, in each case as of February 2, 2007.

The obligations of each Guarantor under its Guarantee is limited as necessary to prevent the Guarantee from constituting a fraudulent conveyance under applicable law.

Any entity that makes a payment under its Guarantee will be entitled upon payment in full of all guaranteed obligations under the Senior Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

If a Guarantee were rendered voidable, it could be subordinated by a court to all other indebtedness (including guarantees and other contingent liabilities) of the Guarantor, and, depending on the amount of such indebtedness, a Guarantor's liability on its Guarantee could be reduced to zero. See "Risk Factors—Risks Related to the Notes—Federal and state fraudulent transfer laws may permit a court to void the guarantees, and, if that occurs, you may not receive any payments on the notes."

Each Guarantee by a Guarantor will provide by its terms that it will be automatically and unconditionally released and discharged upon:

- (1) (a) any sale, exchange or transfer (by merger or otherwise) of the Capital Stock of such Guarantor, after which the applicable Guarantor is no longer a Restricted Subsidiary of all or substantially all the assets of such Guarantor, which sale, exchange or transfer is made in compliance with the applicable provisions of the Senior Indenture;
- (b) the release or discharge of the guarantee by such Guarantor of the Senior Credit Facilities or such other guarantee that resulted in the creation of such guarantee, except a discharge or release by or as a result of payment under such guarantee;
- (c) the designation of any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of the Senior Indenture; or
- (d) the exercise by the Issuer of its legal defeasance option or covenant defeasance option as described under "Legal Defeasance and Covenant Defeasance" or the discharge of the Issuer's obligations under the Senior Indenture in accordance with the terms of the Senior Indenture; and

- (2) such Guarantor delivering to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in the Senior Indenture relating to such transaction have been complied with.

### **Paying Agent and Registrar for the Senior Notes**

The Issuer maintains one or more paying agents and a registrar for the Senior Notes with offices in the Borough of Manhattan, City of New York. The initial paying agent and the initial registrar for the Senior Notes is the Trustee.

The registrar will maintain a register reflecting ownership of the Senior Notes outstanding from time to time and will make payments on and facilitate transfer of Senior Notes on behalf of the Issuer.

The Issuer may change the paying agents or the registrars without prior notice to the Holders. The Issuer or any of its Subsidiaries may act as a paying agent or registrar.

### **Transfer and Exchange**

A Holder may transfer or exchange Senior Notes in accordance with the Senior Indenture. The registrar and the Trustee may require a Holder to furnish appropriate endorsements and transfer documents in connection with a transfer of Senior Notes. Holders will be required to pay all taxes due on transfer. The Issuer will not be required to transfer or exchange any Senior Note selected for redemption. Also, the Issuer will not be required to transfer or exchange any Senior Note for a period of 15 days before a selection of Senior Notes to be redeemed.

### **Principal, Maturity and Interest**

The Issuer issued \$1,175,000,000 in aggregate principal amount of Senior Notes. The Senior Notes will mature on July 15, 2015. Subject to compliance with the covenant described below under the caption "Certain Covenants—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock," the Issuer may issue additional Senior Notes under the Senior Indenture (any such Senior Notes, "Additional Senior Notes"). The Senior Notes, and any Additional Senior Notes subsequently issued under the Senior Indenture, will be treated as a single class for all purposes under the Senior Indenture, including waivers, amendments, redemptions and offers to purchase. Unless the context requires otherwise, references to "Senior Notes" for all purposes of the Senior Indenture and this "Description of Senior Notes" include any Additional Senior Notes that are actually issued.

Interest on the Senior Notes accrues at the rate of 10.625% per annum and is payable semi-annually in arrears on January 15 and July 15, commencing on January 15, 2008, to the Holders of record on the immediately preceding January 1 and July 1. Interest on the Senior Notes accrues from the most recent date to which interest has been paid or, if no interest has been paid, from and including the Issue Date. Interest on the Senior Notes is computed on the basis of a 360-day year comprised of twelve 30-day months.

#### ***Special Interest***

Special Interest may accrue on the Senior Notes in certain circumstances pursuant to the Registration Rights Agreement. Any Special Interest on the Senior Notes will be payable in the same form elected by the Issuer for payment of interest for the applicable interest payment period. All references in the Senior Indenture, in any context, to any interest or other amount payable on or with respect to the Senior Notes shall be deemed to include any Special Interest pursuant to the Registration Rights Agreement. Principal of, premium, if any, and interest on the Senior Notes will be payable at the office or agency of the Issuer maintained for such purpose within the City and State of New York or, at the option of the Issuer, payment of interest may be made by check mailed to the

Holders of the Senior Notes at their respective addresses set forth in the register of Holders; *provided* that all payments of principal, premium, if any, and interest with respect to the Senior Notes represented by one or more global notes registered in the name of or held by the Depository Trust Company ("DTC") or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof. Until otherwise designated by the Issuer, the Issuer's office or agency in New York will be the office of the Trustee maintained for such purpose.

### **Mandatory Redemption; Offers to Purchase; Open Market Purchases**

The Issuer will not be required to make any mandatory redemption or sinking fund payments with respect to the Senior Notes. However, under certain circumstances, the Issuer may be required to offer to purchase Senior Notes as described under the caption "Repurchase at the Option of Holders." The Issuer may from time to time acquire any Senior Notes by means other than a redemption, whether by tender offer, in open market purchases, through negotiated transactions or otherwise.

### **Optional Redemption**

Except as set forth below, the Issuer will not be entitled to redeem Senior Notes at its option prior to July 15, 2011.

At any time prior to July 15, 2011, the Issuer may redeem all or a part of the Senior Notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to the registered address of each Holder or otherwise in accordance with the procedures of DTC, at a redemption price equal to 100% of the principal amount of the Senior Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Special Interest, if any, to the date of redemption (the "*Redemption Date*"), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

On and after July 15, 2011, the Issuer may redeem the Senior Notes, in whole or in part, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to the registered address of each Holder or otherwise in accordance with the procedures of DTC, at the redemption prices (expressed as percentages of principal amount of the Senior Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon and Special Interest, if any, to the applicable Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on July 15 of each of the years indicated below:

<b>Year</b>	<b>Percentage</b>
2011	105.313%
2012	102.656%
2013 and thereafter	100.000%

In addition, until July 15, 2010, the Issuer may, at its option, on one or more occasions redeem up to 35% of the aggregate principal amount of Senior Notes at a redemption price equal to 110.625% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon and Special Interest, if any, to the applicable Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds of one or more Equity Offerings; *provided* that at least 50% of the sum of the original aggregate principal amount of Senior Notes issued under the Senior Indenture and the original principal amount of any Additional Senior Notes issued under the Senior Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption; *provided further* that each such redemption occurs within 90 days of the date of closing of each such Equity Offering.

Notice of any redemption may be given prior to the redemption thereof, and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an Equity Offering or other corporate transaction.

If the Issuer redeems less than all of the outstanding Senior Notes, the Trustee shall select the Senior Notes to be redeemed in the manner described under "Repurchase at the Option of Holders—Selection and Notice."

## **Repurchase at the Option of Holders**

### ***Change of Control***

The Senior Notes provide that if a Change of Control occurs, unless the Issuer has previously or concurrently mailed a redemption notice with respect to all the outstanding Senior Notes as described under "Optional Redemption," the Issuer will make an offer to purchase all of the Senior Notes pursuant to the offer described below (the "*Change of Control Offer*") at a price in cash (the "*Change of Control Payment*") equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest and Special Interest, if any, to the date of purchase, subject to the right of Holders of the Senior Notes of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Issuer will send notice of such Change of Control Offer by first-class mail, with a copy to the Trustee, to each Holder to the address of such Holder appearing in the security register with a copy to the Trustee or otherwise in accordance with the procedures of DTC, with the following information:

- (1) that a Change of Control Offer is being made pursuant to the covenant entitled "Change of Control" and that all Senior Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;
- (2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is mailed (the "*Change of Control Payment Date*");
- (3) that any Senior Note not properly tendered will remain outstanding and continue to accrue interest;
- (4) that unless the Issuer defaults in the payment of the Change of Control Payment, all Senior Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;
- (5) that Holders electing to have any Senior Notes purchased pursuant to a Change of Control Offer will be required to surrender such Senior Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such Senior Notes completed, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;
- (6) that Holders will be entitled to withdraw their tendered Senior Notes and their election to require the Issuer to purchase such Senior Notes; *provided* that the paying agent receives, not later than the close of business on the 30th day following the date of the Change of Control notice, a telegram, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Senior Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Senior Notes and its election to have such Senior Notes purchased;
- (7) that if the Issuer is redeeming less than all of the Senior Notes, the Holders of the remaining Senior Notes will be issued new Senior Notes that will be equal in principal amount to the unpurchased portion of the Senior Notes surrendered. The unpurchased portion of the Senior Notes must be equal to \$2,000 or an integral multiple of \$1,000 in excess thereof; and

(8) the other instructions, as determined by us, consistent with the covenant described hereunder, that a Holder must follow.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent they are applicable in connection with the repurchase of Senior Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Senior Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Senior Indenture by virtue thereof.

On the Change of Control Payment Date, the Issuer will, to the extent permitted by law,

- (1) accept for payment all Senior Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the aggregate Change of Control Payment in respect of all Senior Notes or portions thereof so tendered; and
- (3) deliver, or cause to be delivered, to the Trustee for cancellation the Senior Notes so accepted together with an Officer's Certificate to the Trustee stating that such Senior Notes or portions thereof have been tendered to and purchased by the Issuer.

The paying agent will promptly mail to each Holder the Change of Control Payment for such Senior Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Senior Note equal in principal amount to any unpurchased portion of the Senior Notes surrendered, if any; *provided* that each such new Senior Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Senior Credit Facilities will, and future credit agreements or other agreements relating to Senior Indebtedness to which the Issuer becomes a party may, provide that certain change of control events with respect to the Issuer would constitute a default thereunder (including a Change of Control under the Senior Indenture). If we experience a change of control that triggers a default under our Senior Credit Facilities, we could seek a waiver of such default or seek to refinance our Senior Credit Facilities. In the event we do not obtain such a waiver or refinance the Senior Credit Facilities, such default could result in amounts outstanding under our Senior Credit Facilities being declared due and payable and could cause a Receivables Facility to be wound down.

Our ability to pay cash to the Holders following the occurrence of a Change of Control may be limited by our then-existing financial resources. Therefore, sufficient funds may not be available when necessary to make any required repurchases.

The Change of Control purchase feature of the Senior Notes may in certain circumstances make more difficult or discourage a sale or takeover of us and, thus, the removal of incumbent management. The Change of Control purchase feature is a result of negotiations between the Initial Purchasers and us. After the Issue Date, we have no present intention to engage in a transaction involving a Change of Control, although it is possible that we could decide to do so in the future. Subject to the limitations discussed below, we could, in the future, enter into certain transactions, including acquisitions, refinancings or other recapitalizations, that would not constitute a Change of Control under the Senior Indenture, but that could increase the amount of indebtedness outstanding at such time or otherwise affect our capital structure or credit ratings. Restrictions on our ability to incur additional Indebtedness are contained in the covenants described under "Certain Covenants—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock" and "Certain Covenants—Liens." Such restrictions in the Senior Indenture can be waived only with the consent of the Holders of a majority in principal amount of the Senior Notes then outstanding. Except for the limitations

contained in such covenants, however, the Senior Indenture will not contain any covenants or provisions that may afford Holders protection in the event of a highly leveraged transaction.

The Issuer will not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Senior Indenture applicable to a Change of Control Offer made by us and purchases all Senior Notes validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

The definition of "Change of Control" includes a disposition of all or substantially all of the assets of the Issuer to any Person. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve a disposition of "all or substantially all" of the assets of the Issuer. As a result, it may be unclear as to whether a Change of Control has occurred and whether a Holder may require the Issuer to make an offer to repurchase the Senior Notes as described above.

The provisions under the Senior Indenture relating to the Issuer's obligation to make an offer to repurchase the Senior Notes as a result of a Change of Control may be waived or modified with the written consent of the Holders of a majority in principal amount of the Senior Notes.

### *Asset Sales*

The Senior Indenture provides that the Issuer will not, and will not permit any of its Restricted Subsidiaries to consummate, directly or indirectly, an Asset Sale, unless:

(1) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided* that the amount of:

(a) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto) of the Issuer or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Senior Notes, that are assumed by the transferee of any such assets and for which the Issuer and all of its Restricted Subsidiaries have been validly released by all creditors in writing,

(b) any securities received by the Issuer or such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Sale, and

(c) any Designated Non-cash Consideration received by the Issuer or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed 5.0% of Total Assets at the time of the receipt of such Designated Non-cash Consideration, with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value,

shall be deemed to be cash for purposes of this provision and for no other purpose.

Within 360 days after the receipt of any Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale,

(1) to permanently reduce:

(a) Obligations under the Senior Notes or any other Senior Indebtedness of the Issuer or any Guarantor (other than Obligations owed to the Issuer or a Restricted Subsidiary) and, in the case of Obligations under revolving credit facilities or other similar Indebtedness, to correspondingly permanently reduce commitments with respect thereto; *provided* that if the Issuer or any Restricted Subsidiary shall so reduce Obligations under any Senior Indebtedness that is not secured by a Lien, the Issuer or such Guarantor will, equally and ratably, reduce Obligations under the Senior Notes by, at its option, (A) redeeming Senior Notes, (B) making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their Senior Notes at 100% of the principal amount thereof, *plus* the amount of accrued and unpaid interest and Special Interest, if any, on the principal amount of Senior Notes to be repurchased or (C) purchasing Senior Notes through open market purchases (to the extent such purchases are at a price equal to or higher than 100% of the principal amount thereof) in a manner that complies with the Senior Indenture and applicable securities law; or

(b) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Issuer or another Restricted Subsidiary;

(2) to make (a) an Investment in any one or more businesses, *provided* that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or another of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) capital expenditures or (c) acquisitions of other assets, in each of (a), (b) and (c), used or useful in a Similar Business; or

(3) to make an Investment in (a) any one or more businesses, *provided* that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or another of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) properties or (c) acquisitions of other assets that, in each of (a), (b) and (c), replace the businesses, properties and/or assets that are the subject of such Asset Sale;

*provided* that, in the case of clauses (2) and (3) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Issuer, or such other Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment (an " *Acceptable Commitment* ") and, in the event any *Acceptable Commitment* is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, the Issuer or such Restricted Subsidiary enters into another *Acceptable Commitment* (a " *Second Commitment* ") within 180 days of such cancellation or termination; *provided, further*, that if any *Second Commitment* is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute *Excess Proceeds*.

Any Net Proceeds from Asset Sales that are not invested or applied as provided and within the time period set forth in the first sentence of the preceding paragraph will be deemed to constitute " *Excess Proceeds* ." When the aggregate amount of *Excess Proceeds* exceeds \$75.0 million, the Issuer shall make an offer to all Holders and, if required or permitted by the terms of any Senior Indebtedness, to the holders of such Senior Indebtedness (an " *Asset Sale Offer* "), to purchase the maximum aggregate principal amount of the Senior Notes and such Senior Indebtedness that is a minimum of \$2,000 or an integral multiple of \$1,000 in excess thereof that may be purchased out of the *Excess Proceeds* at an offer price in cash in an amount equal to 100% of the principal amount thereof,

plus accrued and unpaid interest and Special Interest, if any, to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Senior Indenture. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed \$75.0 million by mailing the notice required pursuant to the terms of the Senior Indenture, with a copy to the Trustee.

To the extent that the aggregate amount of Senior Notes and such Senior Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for general corporate purposes, subject to other covenants contained in the Senior Indenture. If the aggregate principal amount of Senior Notes or other Senior Indebtedness surrendered by such holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the Senior Notes and such other Senior Indebtedness to be purchased on a pro rata basis based on the accreted value or principal amount of the Senior Notes or such Senior Indebtedness tendered. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero. Additionally, the Issuer may, at its option, make an Asset Sale Offer using proceeds from any Asset Sale at any time after consummation of such Asset Sale; *provided* that such Asset Sale Offer shall be in an aggregate amount of not less than \$75.0 million. Upon consummation of such Asset Sale Offer, any Net Proceeds not required to be used to purchase Senior Notes shall not be deemed Excess Proceeds.

Pending the final application of any Net Proceeds pursuant to this covenant, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by the Senior Indenture.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Senior Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Senior Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Senior Indenture by virtue thereof.

The Senior Credit Facilities will prohibit or limit (subject to limited exceptions), and future credit agreements or other agreements to which the Issuer becomes a party may limit or prohibit, the Issuer from purchasing any Senior Notes as a result of an Asset Sale Offer. In the event the Issuer is required to make an Asset Sale Offer at a time when the Issuer is prohibited from purchasing the Senior Notes, the Issuer could seek the consent of its lenders to permit the purchase of the Senior Notes or could attempt to refinance the borrowings that contain such prohibition. If the Issuer does not obtain such consent or repay such borrowings, the Issuer will remain prohibited from purchasing the Senior Notes. In such case, the Issuer's failure to purchase tendered Senior Notes would constitute an Event of Default under the Senior Indenture.

The provisions under the Senior Indenture relative to the Issuer's obligation to make an offer to repurchase the Senior Notes as a result of an Asset Sale may be waived or modified with the written consent of the Holders of a majority in principal amount of the Senior Notes.

#### ***Selection and Notice***

If the Issuer is redeeming less than all of the Senior Notes issued at any time, the Trustee will select the Senior Notes to be redeemed (a) if the Senior Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Senior Notes are listed, (b) on a pro rata basis to the extent practicable or (c) by lot or such other similar method in accordance with the procedures of DTC.

Notices of purchase or redemption shall be mailed by first-class mail, postage prepaid, at least 30 but not more than 60 days before the purchase or Redemption Date to each Holder at such Holder's registered address or otherwise in accordance with the procedures of DTC, except that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Senior Notes or a satisfaction and discharge of the Senior Indenture. If any Senior Note is to be purchased or redeemed in part only, any notice of purchase or redemption that relates to such Senior Note shall state the portion of the principal amount thereof that has been or is to be purchased or redeemed.

The Issuer will issue a new Senior Note in a principal amount equal to the unredeemed portion of the original Senior Note in the name of the Holder upon cancellation of the original Senior Note. Senior Notes called for redemption become due on the date fixed for redemption. On and after the Redemption Date, interest ceases to accrue on Senior Notes or portions thereof called for redemption.

(y) Designated Preferred Stock; and

(B) to the extent such net cash proceeds are actually contributed to the Issuer, Equity Interests of the Issuer's direct or indirect parent companies (excluding contributions of the proceeds from the sale of Designated Preferred Stock of such companies or contributions to the extent such amounts have been applied to Restricted Payments made in accordance with clause (4) of the next succeeding paragraph); or

(c) 100% of the aggregate amount of cash and the fair market value, as determined in good faith by the Issuer, of marketable securities or other property contributed to the capital of the Issuer following the Issue Date (other than net cash proceeds to the extent such net cash proceeds (i) have been used to incur Indebtedness, Disqualified Stock or Preferred Stock pursuant to clause (13)(a) of the second paragraph of "—Limitation on Incurrence of Indebtedness and

(ii) the sale (other than to the Issuer or a Restricted Subsidiary) of the stock of an Unrestricted Subsidiary or a distribution from an Unrestricted Subsidiary (other than in each case to the extent the Investment in such Unrestricted Subsidiary was made by the Issuer or a Restricted Subsidiary pursuant to clause (7) of the next succeeding paragraph or to the extent such Investment constituted a Permitted Investment) or a dividend from an Unrestricted Subsidiary after the Issue Date; *plus*

(e) in the case of the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary after the Issue Date, the fair market value of the Investment in such Unrestricted Subsidiary, as determined by the Issuer in good faith (or if such fair market value exceeds \$75.0 million, in writing by an Independent Financial Advisor), at the time of the redesignation of such Unrestricted Subsidiary as a Restricted Subsidiary other than to the extent the Investment in such Unrestricted Subsidiary was made by the Issuer or a Restricted Subsidiary pursuant to clause (7) of the next succeeding paragraph or to the extent such Investment constituted a Permitted Investment.

(b) the declaration and payment of dividends to a direct or indirect parent company of the Issuer, the proceeds of which will be used to fund the payment of dividends to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) of such parent company issued after the Issue Date; *provided* that the amount of dividends paid pursuant to this clause (b) shall not exceed the aggregate amount of cash actually contributed to the Issuer from the sale of such Designated Preferred Stock; or

(14) the repurchase, redemption or other acquisition or retirement for value of any Subordinated Indebtedness in accordance with the provisions similar to those described under the captions "Repurchase at the Option of Holders—Change of Control" and "Repurchase at the Option of Holders—Asset Sales"; *provided* that all Senior Notes tendered by Holders in connection with a

(b) foreign, federal, state and local income taxes, to the extent such income taxes are attributable to the income of the Issuer and its Restricted Subsidiaries and, to the extent of the amount actually received from its Unrestricted Subsidiaries, in amounts required to pay such taxes to the extent attributable to the income of such Unrestricted Subsidiaries; *provided* that in each case the amount of such payments in any fiscal year does not exceed the amount that the Issuer and its Restricted Subsidiaries would be required to pay in respect of foreign, federal, state and local taxes for such fiscal year were the Issuer, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent described above) to pay such taxes separately from any such parent entity;

The "Mandatory Principal Redemption Amount" means, as of the date of such redemption, the excess, if any, of (a) the aggregate amount of accrued and unpaid interest and all accrued and unpaid "original issue discount" (as defined in Section 1273(a)(1) of the Code) with respect to the Senior Subordinated Notes, over (b) an amount equal to the product of (i) the "issue price" (as defined in Sections 1273(b) and 1274(a) of the Code) of the Senior Subordinated Notes multiplied by (ii) the "yield to maturity" (as defined in the Treasury Regulation Section 1.1272-1(b)(1)(i)) of the Senior Subordinated Notes;

*provided, however*, that at the time of, and after giving effect to, any Restricted Payment permitted under clause (11), no Default shall have occurred and be continuing or would occur as a consequence thereof.

As of the Issue Date, all of the Issuer's Subsidiaries will be Restricted Subsidiaries. The Issuer will not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the last sentence of the definition of "Unrestricted Subsidiary." For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Issuer and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Restricted Payments in an amount determined as set forth in the last sentence of the definition of "Investment." Such designation will be permitted only if a Restricted Payment in such amount would be permitted at such time, whether pursuant to the first paragraph of this covenant or under clause (7), (10) or (11) of the second paragraph of this covenant, or pursuant to the definition of "Permitted Investments," and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

Unrestricted Subsidiaries will not be subject to any of the restrictive covenants set forth in the Senior Indenture.

Notwithstanding the foregoing provisions of this covenant, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, pay any cash dividend or make any cash distribution on or in respect of the Issuer's Capital Stock or purchase for cash or otherwise acquire for cash any Capital Stock of the Issuer or any direct or indirect parent of the Issuer, for the purpose of paying any cash dividend or making any cash distribution to, or acquiring Capital Stock of any direct or indirect parent of the Issuer for cash from, the Investors, or Guarantee any Indebtedness of any Affiliate of the Issuer for the purpose of paying such dividend, making such distribution or so acquiring such Capital Stock to or from the Investors, in each case by means of utilization of the cumulative Restricted Payment credit provided by the first paragraph of this covenant, or the exceptions provided by clauses (1), (7) or (11) of the second paragraph of this covenant or clauses (8) or (13) of the definition of "Permitted Investments", unless at the time and after giving effect to such payment, the Consolidated Leverage Ratio of the Issuer would be equal to or less than 6.00:1.00.

***Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock***

The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise (collectively, "incur" and collectively, an "incurrence") with respect to any Indebtedness (including Acquired Indebtedness), and the Issuer will not issue any shares of Disqualified Stock and will not permit any Restricted Subsidiary to issue any shares of Disqualified Stock or Preferred Stock; *provided, however*, that the Issuer may incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock, and any of its Restricted Subsidiaries may incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock and issue shares of Preferred Stock, if the Fixed Charge Coverage Ratio on a consolidated basis for the Issuer and its Restricted Subsidiaries' most recently ended four fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period; *provided, further*, that Restricted Subsidiaries that are not Guarantors may not incur Indebtedness or Disqualified Stock or Preferred Stock if, after giving *pro forma* effect to such incurrence or issuance (including a *pro forma* application of the net proceeds therefrom), more than an aggregate of \$250.0 million of Indebtedness or Disqualified Stock or Preferred Stock of Restricted Subsidiaries that are not Guarantors would be outstanding pursuant to this paragraph and clauses (13)(b), (15) and (20) below at such time.

The foregoing limitations will not apply to:

(1) the incurrence of Indebtedness under (x) Credit Facilities (other than the ABL Facility) by the Issuer or any of its Restricted Subsidiaries and the issuance and creation of letters of credit and bankers' acceptances thereunder (with letters of credit and bankers' acceptances being deemed to have a principal amount equal to the face amount thereof), up to an aggregate principal amount of \$2,625.0 million outstanding at any one time and (y) the ABL Facility by the Issuer or any of its Restricted Subsidiaries and the issuance and creation of letters of credit and bankers' acceptances thereunder (with letters of credit and bankers' acceptances being deemed to have a principal amount equal to the face amount thereof), up to an aggregate principal amount equal to the ABL Facility Cap;

(2) the incurrence by the Issuer and any Guarantor of Indebtedness represented by the Senior Notes issued on the Issue Date (including any Guarantee hereof) and the Senior Exchange Notes and

related guarantees of the Senior Exchange Notes to be issued in exchange for the Senior Notes and the Guarantees pursuant to the Registration Rights Agreement (other than any Additional Senior Notes and related guarantees);

(3) the incurrence by the Issuer and any Guarantor of Indebtedness represented by the Senior Subordinated Notes and related guarantees, as well as any exchange notes and exchange guarantees to be issued in exchange for the Senior Subordinated Notes and related guarantees pursuant a registration rights agreement;

(4) Indebtedness of the Issuer and its Restricted Subsidiaries in existence on the Issue Date (other than Indebtedness described in clauses (1), (2) and (3) of this paragraph);

(5) Indebtedness consisting of Capitalized Lease Obligations and Purchase Money Obligations in a principal amount not to exceed \$250.0 million (excluding the principal amount of any Capitalized Lease Obligations or Purchase Money Obligations relating to the purchase, lease or improvement of the Company's distribution centers located in Fulton, Missouri, Indianola, Mississippi and Ardmore, Oklahoma) in the aggregate at any one time outstanding together with all other Indebtedness issued under this clause (5); so long as such Indebtedness exists at the date of such purchase, lease or improvement, or is created within 270 days thereafter;

(6) Indebtedness incurred by the Issuer or any of its Restricted Subsidiaries constituting reimbursement obligations with respect to letters of credit issued in the ordinary course of business, including letters of credit in respect of workers' compensation or employee health claims, or other Indebtedness with respect to reimbursement-type obligations regarding workers' compensation, or employee health claims; *provided*, *however*, that upon the drawing of such letters of credit or the incurrence of such Indebtedness, such obligations are reimbursed within 30 days following such drawing or incurrence;

(7) Indebtedness arising from agreements of the Issuer or its Restricted Subsidiaries providing for indemnification, adjustment of purchase price or similar obligations, in each case, incurred or assumed in connection with the disposition of any business, assets or a Subsidiary, other than guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or a Subsidiary for the purpose of financing such acquisition; *provided*, *however*, that such Indebtedness is not reflected on the balance sheet of the Issuer, or any of its Restricted Subsidiaries (contingent obligations referred to in a footnote to financial statements and not otherwise reflected on the balance sheet will not be deemed to be reflected on such balance sheet for purposes of this clause (7));

(8) Indebtedness of the Issuer to a Restricted Subsidiary; *provided* that any such Indebtedness owing to a Restricted Subsidiary that is not a Guarantor is expressly subordinated in right of payment to the Senior Notes; *provided*, *further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an incurrence of such Indebtedness not permitted by this clause (8);

(9) Indebtedness of a Restricted Subsidiary to the Issuer or another Restricted Subsidiary; *provided* that if a Guarantor issues such Indebtedness to a Restricted Subsidiary that is not a Guarantor (other than to any Restricted Subsidiary engaged in the insurance business in order to provide insurance to the Issuer and its Subsidiaries), such Indebtedness is expressly subordinated in right of payment to the Guarantee of the Senior Notes of such Guarantor; *provided*, *further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an incurrence of such Indebtedness not permitted by this clause (9);

(10) shares of Preferred Stock of a Restricted Subsidiary issued to the Issuer or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Issuer or another of its Restricted Subsidiaries) shall be deemed in each case to be an issuance of such shares of Preferred Stock not permitted by this clause (10);

(11) Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes) for the purpose of limiting interest rate risk with respect to any Indebtedness permitted to be incurred pursuant to "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock," exchange rate risk or commodity pricing risk;

(a) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is incurred which is not less than the remaining Weighted Average Life to Maturity of the Indebtedness, Disqualified Stock or Preferred Stock being refunded or refinanced,

(b) to the extent such Refinancing Indebtedness refinances (i) Indebtedness subordinated or *pari passu* to the Senior Notes or any Guarantee thereof, such Refinancing Indebtedness is subordinated or *pari passu* to the Senior Notes or the Guarantee at least to the same extent as the Indebtedness being refinanced or refunded or (ii) Disqualified Stock or Preferred Stock, such Refinancing Indebtedness must be Disqualified Stock or Preferred Stock, respectively, and

and *provided further* that subclause (a) of this clause (14) will not apply to any refunding or refinancing of any Indebtedness outstanding under a Credit Facility;

(15) Indebtedness, Disqualified Stock or Preferred Stock of (x) the Issuer or a Restricted Subsidiary incurred to finance an acquisition of any Person or assets or (y) Persons that are acquired by the Issuer or any Restricted Subsidiary or merged into the Issuer or a Restricted Subsidiary in accordance with the terms of the Senior Indenture; *provided* that after giving effect to such acquisition or merger, either:

(a) the Issuer would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of this covenant, or

(b) the Fixed Charge Coverage Ratio of the Issuer and the Restricted Subsidiaries is greater than immediately prior to such acquisition or merger;

*provided* , *however* that on a *pro forma* basis, together with amounts incurred and outstanding pursuant to the second proviso to the first paragraph of this covenant and clauses (13)(b) and (20), no more than \$250.0 million of Indebtedness, Disqualified Stock or Preferred Stock at any one time outstanding and incurred by Restricted Subsidiaries that are not Guarantors pursuant to this clause (15) shall be incurred and outstanding;

(17) Indebtedness of the Issuer or any of its Restricted Subsidiaries supported by a letter of credit issued pursuant to any Credit Facilities, in a principal amount not in excess of the stated amount of such letter of credit;

(18) (a) any guarantee by the Issuer or a Restricted Subsidiary of Indebtedness or other Obligations of any Restricted Subsidiary, so long as the incurrence of such Indebtedness incurred by such Restricted Subsidiary is permitted under the terms of the Senior Indenture, or (b) any guarantee by a Restricted Subsidiary of Indebtedness of the Issuer permitted to be incurred under the terms of the Senior Indenture; *provided* that such guarantee is incurred in accordance with the covenant described below under "—Limitation on Guarantees of Indebtedness by Restricted Subsidiaries";

(19) Indebtedness of Foreign Subsidiaries of the Issuer in an amount not to exceed at any one time outstanding and together with any other Indebtedness incurred under this clause (19) 5.0% of the Total Assets of the Foreign Subsidiaries (it being understood that any Indebtedness incurred pursuant to this clause (19) shall cease to be deemed incurred or outstanding for purposes of this clause (19) but shall

(20) Indebtedness, Disqualified Stock or Preferred Stock of a Restricted Subsidiary incurred to finance or assumed in connection with an acquisition in a principal amount not to exceed \$100.0 million in the aggregate at any one time outstanding together with all other Indebtedness, Disqualified Stock and/or Preferred Stock issued under this clause (20) (it being understood that any Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to this clause (20) shall cease to be deemed incurred or outstanding for purposes of this clause (20) but shall be deemed incurred for the purposes of the first paragraph of this covenant from and after the first date on which such Restricted Subsidiary could have incurred such Indebtedness, Disqualified Stock or Preferred Stock under the first paragraph of this covenant without reliance on this clause (20)); *provided, however*, that, on a *pro forma* basis, together with amounts incurred and outstanding by Restricted Subsidiaries that are not Guarantors pursuant to the second proviso to the first paragraph of this covenant and clauses (13)(b) and (15), no more than \$250.0 million of Indebtedness would be incurred and outstanding by Restricted Subsidiaries that are not Guarantors;

(21) Indebtedness of the Issuer or any of its Restricted Subsidiaries consisting of (i) the financing of insurance premiums or (ii) take-or-pay obligations contained in supply arrangements, in each case, incurred in the ordinary course of business; and

(22) Indebtedness consisting of Indebtedness issued by the Issuer or any of its Restricted Subsidiaries to current or former officers, directors and employees thereof, their respective estates, spouses or former spouses, in each case to finance the purchase or redemption of Equity Interests of the Issuer or any direct or indirect parent company of the Issuer to the extent described in clause (4) of the second paragraph under the caption "—Limitation on Restricted Payments."

For purposes of determining compliance with this covenant:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (22) above or is entitled to be incurred pursuant to the first paragraph of this covenant, the Issuer, in its sole discretion, will classify or reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one of the above clauses; *provided* that all Indebtedness outstanding under the Credit Facilities on the Issue Date will be treated as incurred on the Issue Date under clause (1) of the preceding paragraph; and

(2) at the time of incurrence, the Issuer will be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in the first and second paragraphs above.

Accrual of interest, the accretion of accreted value and the payment of interest in the form of additional Indebtedness, Disqualified Stock or Preferred Stock will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this covenant.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on

the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

The Senior Indenture provides that the Issuer will not, and will not permit any Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of the Issuer or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Senior Notes or such Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Issuer or such Guarantor, as the case may be; *provided* that this sentence shall not apply to Indebtedness incurred under clause (1) of the second paragraph of this covenant.

The Senior Indenture will not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Senior Indebtedness as subordinated or junior to any other Senior Indebtedness merely because it has a junior priority with respect to the same collateral.

### *Liens*

The Issuer will not, and will not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness or any related Guarantee, on any asset or property of the Issuer or any Guarantor now owned or hereafter acquired, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

(1) in the case of Liens securing Subordinated Indebtedness, the Senior Notes and related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; or

(2) in all other cases, the Senior Notes or the Guarantees are equally and ratably secured or are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens;

except that the foregoing shall not apply to (a) Liens securing Indebtedness permitted to be incurred under Credit Facilities, including any letter of credit relating thereto, that was permitted by the terms of the Senior Indenture to be incurred pursuant to clause (1) of the second paragraph under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock" and (b) Liens incurred to secure Obligations in respect of any Indebtedness permitted to be incurred pursuant to the covenant described above under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock"; *provided* that, with respect to Liens securing Obligations permitted under this subclause (b), at the time of incurrence and after giving pro forma effect thereto, the Consolidated Secured Debt Ratio would be no greater than 3.25 to 1.0. Any Lien which is granted to secure the Senior Notes under this covenant shall be discharged at the same time as the discharge of the Lien (other than through the exercise of remedies with respect thereto) that gave rise to the obligation to so secure the Senior Notes.

### ***Merger, Consolidation or Sale of All or Substantially All Assets***

The Issuer may not consolidate or merge with or into or wind up into (whether or not the Issuer is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(1) the Issuer is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation organized or existing under the laws of the jurisdiction of organization of the Issuer or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Person, as the case may be, being herein called the " *Successor Company* ");

(2) the Successor Company, if other than the Issuer, expressly assumes all the obligations of the Issuer under the Senior Notes and the Senior Indenture pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(3) immediately after such transaction, no Default exists;

(4) immediately after giving *pro forma* effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable four-quarter period,

(a) the Successor Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of the covenant described under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock," or

(b) the Fixed Charge Coverage Ratio for the Successor Company, the Issuer and its Restricted Subsidiaries would be greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction;

(5) each Guarantor, unless it is the other party to the transactions described above, in which case clause (b) of the second succeeding paragraph shall apply, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under the Senior Indenture, the Senior Notes and the Registration Rights Agreement; and

(6) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Senior Indenture.

The Successor Company will succeed to, and be substituted for the Issuer, as the case may be, under the Senior Indenture, the Guarantees and the Senior Notes, as applicable. Notwithstanding the foregoing clauses (3) and (4),

(1) any Restricted Subsidiary may consolidate with or merge into or transfer all or part of its properties and assets to the Issuer, and

(2) the Issuer may merge with an Affiliate of the Issuer, as the case may be, solely for the purpose of reincorporating the Issuer in a State of the United States or any state thereof, the District of Columbia or any territory thereof so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby.

Subject to certain limitations described in the Senior Indenture governing release of a Guarantee upon the sale, disposition or transfer of a Guarantor, no Guarantor will, and the Issuer will not permit any Guarantor to, consolidate or merge with or into or wind up into (whether or not the Issuer or Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of

all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(1) (a) such Guarantor is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Guarantor or such Person, as the case may be, being herein called the " *Successor Person* ");

(b) the Successor Person, if other than such Guarantor, expressly assumes all the obligations of such Guarantor under the Senior Indenture and such Guarantor's related Guarantee pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(c) immediately after such transaction, no Default exists; and

(d) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Senior Indenture; or

(2) the transaction is made in compliance with the covenant described under "Repurchase at the Option of Holders—Asset Sales."

Subject to certain limitations described in the Senior Indenture, the Successor Person will succeed to, and be substituted for, such Guarantor under the Senior Indenture and such Guarantor's Guarantee. Notwithstanding the foregoing, any Guarantor may (i) merge into or transfer all or part of its properties and assets to another Guarantor or the Issuer, (ii) merge with an Affiliate of the Issuer solely for the purpose of reincorporating the Guarantor in the United States, any state thereof, the District of Columbia or any territory thereof or (iii) convert into a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor.

#### ***Transactions with Affiliates***

(1) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm's-length basis; and

(2) the Issuer delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$25.0 million, a resolution adopted by the majority of the board of directors of the Issuer approving such Affiliate Transaction and set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with clause (1) above.

(4) the payment of reasonable and customary fees paid to, and indemnities provided for the benefit of, officers, directors, employees or consultants of Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries;

(5) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Issuer or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm's-length basis;

(6) any agreement as in effect as of the Issue Date, or any amendment thereto (so long as any such amendment is not disadvantageous to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date in the reasonable determination of the Issuer);

(13) payments or loans (or cancellation of loans) to employees or consultants of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries and employment agreements, stock option plans and other similar arrangements with such employees or consultants which, in each case, are approved by the Issuer in good faith;

(16) payments by the Issuer (and any direct or indirect parent thereof) and its Subsidiaries pursuant to tax sharing agreements among the Issuer (and any such parent) and its Subsidiaries on customary terms to the extent attributable to the ownership or operation of the Issuer and its Subsidiaries; *provided* that in each case the amount of such payments in any fiscal year does not exceed the amount that the Issuer, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent of amounts received from Unrestricted Subsidiaries) would be required to pay in respect of foreign, federal, state and local taxes for such fiscal year were the Issuer and its Restricted Subsidiaries (to the extent described above) to pay such taxes separately from any such parent entity.

#### ***Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries***

The Issuer will not, and will not permit any of its Restricted Subsidiaries that are not Guarantors to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

(1) (a) pay dividends or make any other distributions to the Issuer or any of its Restricted Subsidiaries on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits, or

(m) restrictions created in connection with any Receivables Facility that, in the good faith determination of the Issuer, are necessary or advisable to effect the transactions contemplated under such Receivables Facility.

#### ***Limitation on Guarantees of Indebtedness by Restricted Subsidiaries***

The Issuer will not permit any of its Wholly-Owned Subsidiaries that are Restricted Subsidiaries (and non-Wholly-Owned Subsidiaries if such non-Wholly-Owned Subsidiaries guarantee other capital markets debt securities of the Issuer or any Guarantor), other than a Guarantor, a Foreign Subsidiary or a Receivables Subsidiary, to guarantee the payment of any Indebtedness of the Issuer or any other Guarantor unless:

(1) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to the Senior Indenture providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Issuer or any Guarantor:

(a) if the Senior Notes or such Guarantor's Guarantee are subordinated in right of payment to such Indebtedness, the Guarantee under the supplemental indenture shall be subordinated to such Restricted Subsidiary's guarantee with respect to such Indebtedness substantially to the same extent as the Senior Notes are subordinated to such Indebtedness; and

(b) if such Indebtedness is by its express terms subordinated in right of payment to the Senior Notes or such Guarantor's Guarantee, any such guarantee by such Restricted Subsidiary

with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Senior Notes; and

(2) such Restricted Subsidiary waives, and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Issuer or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee;

*provided* that this covenant shall not be applicable to (i) any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary and (ii) guarantees of any Receivables Facility by any Receivables Subsidiary.

### ***Reports and Other Information***

Notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Senior Indenture will require the Issuer to file with the SEC (and make available to the Trustee and Holders (without exhibits), without cost to any Holder, within 15 days after it files with the SEC) from and after the Issue Date,

(1) within 90 days (or any other time period then in effect under the rules and regulations of the Exchange Act with respect to the filing of a Form 10-K by a non-accelerated filer) after the end of each fiscal year, annual reports on Form 10-K, or any successor or comparable form, containing the information required to be contained therein, or required in such successor or comparable form;

(4) any other information, documents and other reports which the Issuer would be required to file with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act;

in each case in a manner that complies in all material respects with the requirements specified in such form; *provided* that the Issuer shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Issuer will make available such information to prospective purchasers of Senior Notes, in addition to providing such information to the Trustee and the Holders, in each case within 15 days after the time the Issuer would be required to file such information with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act. In addition, to the extent not satisfied by the foregoing, the Issuer will agree that, for so long as any Senior Notes are outstanding, it will furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

In the event that any direct or indirect parent company of the Issuer becomes a Guarantor of the Senior Notes, the Senior Indenture will permit the Issuer to satisfy its obligations in this covenant with respect to financial information relating to the Issuer by furnishing financial information relating to such parent; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Issuer and its Restricted Subsidiaries on a standalone basis, on the other hand.

Notwithstanding the foregoing, such requirements shall be deemed satisfied prior to the commencement of the exchange offer or the effectiveness of the shelf registration statement described in the Registration Rights Agreement (1) by the filing with the SEC of the exchange offer registration statement or shelf registration statement (or any other similar registration statement), and any amendments thereto, with such financial information that satisfies Regulation S-X, subject to exceptions consistent with the presentation of financial information in the offering documentation relating to the outstanding notes, to the extent filed within the times specified above, or (2) by posting reports that would be required to be filed substantially in the form required by the SEC on the Issuer's website (or that of any of its parent companies) or providing such reports to the Trustee within 15 days after the time the Issuer would be required to file such information with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act, the financial information (including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" section) that would be required to be included in such reports, subject to exceptions consistent with the presentation of financial information in the offering documentation relating to the outstanding notes, to the extent filed within the times specified above. Notwithstanding anything herein to the contrary, the Issuer will not be deemed to have failed to comply with any of its agreements set forth under this covenant for purposes of clause (3) under "Events of Default and Remedies" until 120 days after the date any report is required to be filed with the SEC (or posted on the Issuer's website or provided to the Trustee) pursuant to this covenant.

## **Events of Default and Remedies**

The Senior Indenture provides that each of the following is an "*Event of Default*":

- (1) default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Senior Notes;
- (2) default for 30 days or more in the payment when due of interest or Special Interest on or with respect to the Senior Notes;
- (3) failure by the Issuer or any Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of not less 30% in principal amount of the Senior Notes then outstanding under the Senior Indenture to comply with any of its obligations, covenants or agreements (other than a default referred to in clauses (1) and (2) above) contained in the Senior Indenture or the Senior Notes;
- (4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any of its Restricted Subsidiaries or the payment of which is guaranteed by the Issuer or any of its Restricted Subsidiaries, other than Indebtedness owed to the Issuer or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Senior Notes, if both:
  - (a) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and
  - (b) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$50.0 million or more at any one time outstanding;
- (5) failure by the Issuer or any Significant Subsidiary (or group of Subsidiaries that together would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of \$50.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an

enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) certain events of bankruptcy or insolvency with respect to the Issuer or any Significant Subsidiary (or group of Subsidiaries that together would constitute a Significant Subsidiary); or

(7) the Guarantee of any Significant Subsidiary (or group of Subsidiaries that together would constitute a Significant Subsidiary) shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer (or the responsible officers of any group of Subsidiaries that together would constitute a Significant Subsidiary) of any Guarantor that is a Significant Subsidiary, as the case may be, denies that it has any further liability under its Guarantee or gives notice to such effect, other than by reason of the termination of the Senior Indenture or the release of any such Guarantee in accordance with the Senior Indenture.

If any Event of Default (other than of a type specified in clause (6) above) occurs and is continuing under the Senior Indenture, the Trustee or the Holders of at least 30% in principal amount of the Senior Notes then outstanding under the Senior Indenture may declare the principal, premium, if any, interest and any other monetary obligations on all the Senior Notes then outstanding under the Senior Indenture to be due and payable immediately.

Upon the effectiveness of such declaration, such principal premium, if any, and interest will be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) of the first paragraph of this section, all outstanding Senior Notes will become due and payable without further action or notice. The Senior Indenture provides that the Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in their interest. In addition, the Trustee shall have no obligation to accelerate the Senior Notes if in the best judgment of the Trustee acceleration is not in the best interest of the Holders.

The Senior Indenture provides that the Holders of a majority in aggregate principal amount of the Senior Notes then outstanding under the Senior Indenture by notice to the Trustee may on behalf of the Holders of all of the Senior Notes waive any existing Default and its consequences under the Senior Indenture except a continuing Default in the payment of interest on, premium, if any, or the principal of any Senior Note held by a non-consenting Holder. In the event of any Event of Default specified in clause (4) above, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Senior Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose:

- (1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged;
- (2) the Holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or
- (3) the default that is the basis for such Event of Default has been cured.

Subject to the provisions of the Senior Indenture relating to the duties of the Trustee thereunder, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under the Senior Indenture at the request or direction of any of the Holders unless the Holders have offered to the Trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no Holder may pursue any remedy with respect to the Senior Indenture or the Senior Notes unless:

- (1) such Holder has previously given the Trustee notice that an Event of Default is continuing;

- (2) Holders of at least 30% in principal amount of the then outstanding Senior Notes have requested the Trustee to pursue the remedy;
- (3) Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (5) Holders of a majority in principal amount of the then outstanding Senior Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

Subject to certain restrictions, under the Senior Indenture the Holders of a majority in principal amount of the total outstanding Senior Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Senior Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would subject the Trustee to personal liability.

The Senior Indenture provides that the Issuer is required to deliver to the Trustee annually a statement regarding compliance with the Senior Indenture, and the Issuer is required, within five Business Days upon becoming aware of any Default, to deliver to the Trustee a statement specifying such Default.

### **No Personal Liability of Directors, Officers, Employees and Shareholders**

No director, officer, employee, incorporator or shareholder of the Issuer or any Guarantor or any of their parent companies (other than the Issuer and the Guarantors) shall have any liability for any obligations of the Issuer or the Guarantors under the Senior Notes, the Guarantees or the Senior Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting the Senior Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Senior Notes. Such waiver may not be effective to waive liabilities under the federal securities laws, and it is the view of the SEC that such a waiver is against public policy.

### **Legal Defeasance and Covenant Defeasance**

The obligations of the Issuer and the Guarantors under the Senior Indenture will terminate (other than certain obligations) and will be released upon payment in full of all of the Senior Notes issued under the Senior Indenture. The Issuer may, at its option and at any time, elect to have all of its obligations discharged with respect to the Senior Notes issued under the Senior Indenture and have the Issuer's and each Guarantor's obligation discharged with respect to its Guarantee (" *Legal Defeasance* ") and cure all then existing Events of Default except for:

- (1) the rights of Holders of Senior Notes issued under the Senior Indenture to receive payments in respect of the principal of, premium, if any, and interest on the Senior Notes when such payments are due solely out of the trust created pursuant to the Senior Indenture;
- (2) the Issuer's obligations with respect to Senior Notes concerning issuing temporary notes, registration of such Senior Notes, mutilated, destroyed, lost or stolen Senior Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's obligations in connection therewith; and
- (4) the Legal Defeasance provisions of the Senior Indenture.

In addition, the Issuer may, at its option and at any time, elect to have its obligations and those of each Guarantor released with respect to certain covenants that are described in the Senior Indenture (" *Covenant Defeasance* ") and thereafter any omission to comply with such obligations shall not constitute a Default with respect to the Senior Notes. In the event Covenant Defeasance occurs, certain events (not including bankruptcy, receivership, rehabilitation and insolvency events pertaining to the Issuer) described under "Events of Default and Remedies" will no longer constitute an Event of Default with respect to the Senior Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Senior Notes:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest due on the Senior Notes issued under the Senior Indenture on the stated maturity date or on the redemption date, as the case may be, of such principal, premium, if any, or interest on such Senior Notes, and the Issuer must specify whether such Senior Notes are being defeased to maturity or to a particular redemption date;

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(a) the Issuer has received from, or there has been published by, the United States Internal Revenue Service a ruling, or

(b) since the original issuance of the Senior Notes, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Senior Credit Facilities, the Senior Subordinated Indenture, the Senior Subordinated Notes or any other material agreement or instrument (other than the Senior Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(6) the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions following the deposit, the trust funds will not be subject to the effect of Section 547 of Title 11 of the United States Code;

(7) the Issuer shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or any Guarantor or others; and

(8) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

### **Satisfaction and Discharge**

The Senior Indenture will be discharged and will cease to be of further effect as to all Senior Notes issued thereunder, when either:

(1) all Senior Notes theretofore authenticated and delivered, except lost, stolen or destroyed Senior Notes which have been replaced or paid and Senior Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(2) (a) all Senior Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or may be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the Senior Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(b) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) with respect to the Senior Indenture or the Senior Notes shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit, and such deposit will not result in a breach or violation of, or constitute a default under, the Senior Credit Facilities, the Senior Subordinated Indenture, the Senior Subordinated Notes or any other material agreement or instrument (other than the Senior Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(c) the Issuer has paid or caused to be paid all sums payable by it under the Senior Indenture; and

(d) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Senior Notes at maturity or the redemption date, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

## Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the Senior Indenture, any Guarantee, and the Senior Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the Senior Notes then outstanding, including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Senior Notes, and any existing Default or compliance with any provision of the Senior Indenture, the Senior Notes issued thereunder, any Guarantee may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Senior Notes, other than Senior Notes beneficially owned by the Issuer or its Affiliates (including consents obtained in connection with a purchase of or tender offer or exchange offer for the Senior Notes).

The Senior Indenture provides that, without the consent of each affected Holder, an amendment or waiver may not, with respect to any Senior Notes held by a non-consenting Holder:

- (1) reduce the principal amount of such Senior Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed final maturity of any such Senior Note or alter or waive the provisions with respect to the redemption of such Senior Notes (other than provisions relating to the covenants described above under the caption "Repurchase at the Option of Holders");
- (3) reduce the rate of or change the time for payment of interest on any Senior Note;
- (4) waive a Default in the payment of principal of or premium, if any, or interest on the Senior Notes, except a rescission of acceleration of the Senior Notes by the Holders of at least a majority in aggregate principal amount of the Senior Notes and a waiver of the payment default that resulted from such acceleration, or in respect of a covenant or provision contained in the Senior Indenture or any Guarantee which cannot be amended or modified without the consent of all Holders;
- (5) make any Senior Note payable in money other than that stated therein;
- (6) make any change in the provisions of the Senior Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of or premium, if any, or interest on the Senior Notes;
- (7) make any change in these amendment and waiver provisions;
- (8) impair the right of any Holder to receive payment of principal of, or interest on such Holder's Senior Notes on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Holder's Senior Notes;
- (9) make any change to or modify the ranking of the Senior Notes that would adversely affect the Holders; or
- (10) except as expressly permitted by the Senior Indenture, modify the Guarantees of any Significant Subsidiary in any manner adverse to the Holders.

Notwithstanding the foregoing, the Issuer, any Guarantor (with respect to a Guarantee or the Senior Indenture to which it is a party) and the Trustee may amend or supplement the Senior Indenture, any Guarantee or Notes without the consent of any Holder;

- (1) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (2) to provide for uncertificated Senior Notes of such series in addition to or in place of certificated Senior Notes;

- (3) to comply with the covenant relating to mergers, consolidations and sales of assets;
- (4) to provide for the assumption of the Issuer's or any Guarantor's obligations to the Holders;
- (5) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Senior Indenture of any such Holder;
- (6) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Guarantor;
- (7) to comply with requirements of the SEC in order to effect or maintain the qualification of the Senior Indenture under the Trust Indenture Act;
- (8) to evidence and provide for the acceptance and appointment under the Senior Indenture of a successor Trustee thereunder pursuant to the requirements thereof;
- (9) to provide for the issuance of Senior Exchange Notes or private exchange notes, which are identical to Senior Exchange Notes except that they are not freely transferable;
- (10) to add a Guarantor under the Senior Indenture;
- (11) to conform the text of the Senior Indenture, Guarantees or the Senior Notes to any provision of this "Description of Senior Notes" to the extent that such provision in this "Description of Senior Notes" was intended to be a verbatim recitation of a provision of the Senior Indenture, Guarantee or Senior Notes; or
- (12) to make any amendment to the provisions of the Senior Indenture relating to the transfer and legending of Senior Notes as permitted by the Senior Indenture, including, without limitation, to facilitate the issuance and administration of the Senior Notes; *provided, however*, that (i) compliance with the Senior Indenture as so amended would not result in Senior Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Senior Notes.

The consent of the Holders will not be necessary under the Senior Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

## **Notices**

Notices given by publication will be deemed given on the first date on which publication is made and notices given by first-class mail, postage prepaid, will be deemed given five calendar days after mailing.

## **Concerning the Trustee**

The Senior Indenture contains certain limitations on the rights of the Trustee thereunder, should it become a creditor of the Issuer, to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee is permitted to engage in other transactions; however, if it acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue or resign.

The Senior Indenture provides that the Holders of a majority in principal amount of the outstanding Senior Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, subject to certain exceptions. The Senior Indenture provides that in case an Event of Default shall occur (which shall not be cured), the Trustee will be required, in the exercise of its power, to use the degree of care of a prudent person in the

conduct of his own affairs. Subject to such provisions, the Trustee is under no obligation to exercise any of its rights or powers under the Senior Indenture at the request of any Holder, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

- (1) any Subsidiary of the Issuer which at the time of determination is an Unrestricted Subsidiary (as designated by the Issuer, as provided below); and
- (2) any Subsidiary of an Unrestricted Subsidiary.

The Issuer may designate any Subsidiary of the Issuer (including any existing Subsidiary and any newly acquired or newly formed Subsidiary) to be an Unrestricted Subsidiary unless such Subsidiary or any of its Subsidiaries owns any Equity Interests or Indebtedness of, or owns or holds any Lien on, any property of, the Issuer or any Subsidiary of the Issuer (other than solely any Subsidiary of the Subsidiary to be so designated); *provided that*:

- (1) any Unrestricted Subsidiary must be an entity of which the Equity Interests entitled to cast at least a majority of the votes that may be cast by all Equity Interests having ordinary voting power for the election of directors or Persons performing a similar function are owned, directly or indirectly, by the Issuer;
- (2) such designation complies with the covenants described under "Certain Covenants—Limitation on Restricted Payments"; and
- (3) each of:
  - (a) the Subsidiary to be so designated; and
  - (b) its Subsidiaries

has not at the time of designation, and does not thereafter, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable with respect to any Indebtedness pursuant to which the lender has recourse to any of the assets of the Issuer or any Restricted Subsidiary.

The Issuer may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided that*, immediately after giving effect to such designation, no Default shall have occurred and be continuing and either:

- (1) the Issuer could incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test described in the first paragraph under "Certain Covenants—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock"; or

(2) the Fixed Charge Coverage Ratio for the Issuer and its Restricted Subsidiaries would be greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such designation, in each case on a *pro forma* basis taking into account such designation.

The Issuer shall notify the Trustee of any such designation by promptly filing with the Trustee a copy of the resolution of the board of directors of the Issuer or any committee thereof giving effect to such designation and an Officer's Certificate certifying that such designation complied with the foregoing provisions.

" *Voting Stock* " of any Person as of any date means the Capital Stock of such Person that is at the time entitled to vote in the election of the board of directors of such Person.

" *Weighted Average Life to Maturity* " means, when applied to any Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, at any date, the quotient obtained by dividing:

(1) the sum of the products of the number of years from the date of determination to the date of each successive scheduled principal payment of such Indebtedness or redemption or similar payment with respect to such Disqualified Stock or Preferred Stock multiplied by the amount of such payment; by

(2) the sum of all such payments.

" *Wholly-Owned Subsidiary* " of any Person means a Subsidiary of such Person, 100% of the outstanding Equity Interests of which (other than directors' qualifying shares) shall at the time be owned by such Person or by one or more Wholly-Owned Subsidiaries of such Person.

## DESCRIPTION OF SENIOR SUBORDINATED NOTES

### General

Certain terms used in this description are defined under the subheading "Certain Definitions."

Buck Acquisition Corp. issued \$725,000,000 aggregate principal amount of 11.875%/12.625% senior subordinated toggle notes due 2017 (the " *Senior Subordinated Notes* ") under an indenture to be dated July 6, 2007 (the " *Senior Subordinated Indenture* ") among Buck Acquisition Corp., the Guarantors and Wells Fargo Bank, National Association, as trustee (the " *Trustee* "). Immediately following the closing of the offering and as part of the Transactions, Buck Acquisition Corp. merged with and into Dollar General Corporation, with Dollar General Corporation continuing as the surviving corporation and assuming all the obligations of Buck Acquisition Corp. under the Senior Subordinated Indenture. Dollar General Corporation will issue the exchange notes described in the prospectus under the Senior Indenture. In this description, the terms " *we* ," " *our* ," " *us* ," " *the Issuer* " and " *the Company* " refer to Buck Acquisition Corp. prior to the merger described above and to Dollar General Corporation as the surviving corporation in the merger, together with its consolidated Subsidiaries (except that "the Issuer" does not include consolidated subsidiaries). The Senior Subordinated Notes were issued in a private transaction that is not subject to the registration requirements of the Securities Act. See "Notice to Investors." Except as set forth herein, the terms of the Senior Subordinated Notes will be substantially identical and include those stated in the Senior Subordinated Indenture and those made part of the Senior Subordinated Indenture by reference to the Trust Indenture Act.

The following description is only a summary of the material provisions of the Senior Subordinated Indenture, does not purport to be complete and is qualified in its entirety by reference to the provisions of that agreement, including the definitions therein of certain terms used below. We urge you to read the Senior Subordinated Indenture because it, and not this description, will define your rights as Holders of Senior Subordinated Notes. You may request copies of the Senior Subordinated Indenture at our address set forth under the heading "Summary."

### Brief Description of the Senior Subordinated Notes

The Senior Subordinated Notes:

- are general unsecured senior subordinated obligations of the Issuer;
- are subordinated in right of payment to all existing and future Senior Indebtedness of the Issuer, including Indebtedness under the Issuer's new Senior Credit Facilities and the Issuer's new Senior Notes;
- are *pari passu* in right of payment with all future unsecured Senior Subordinated Indebtedness of the Issuer;
- are effectively subordinated to all Secured Indebtedness of the Issuer, including Indebtedness under the Issuer's new Senior Credit Facilities, to the extent of the collateral securing such Indebtedness;
- are senior in right of payment to all future Subordinated Indebtedness of the Issuer;
- are structurally subordinated to any existing and future indebtedness and liabilities of non-guarantor Subsidiaries, including the Issuer's Foreign Subsidiaries and any Unrestricted Subsidiaries;
- are initially unconditionally guaranteed on a joint and several and senior subordinated basis by each Restricted Subsidiary that guarantees the General Credit Facility; and
- are subject to registration with the SEC pursuant to the Registration Rights Agreement.

## Guarantees

The Guarantors, as primary obligors and not merely as sureties, initially jointly and severally fully and unconditionally guarantee, on a senior subordinated basis, the performance and full and punctual payment when due, whether at maturity, by acceleration or otherwise, of all obligations of the Issuer under the Senior Subordinated Indenture and the Senior Subordinated Notes, whether for payment of principal of, premium, if any, or interest or Special Interest in respect of the Senior Subordinated Notes, expenses, indemnification or otherwise, on the terms set forth in the Senior Subordinated Indenture by executing the Senior Subordinated Indenture.

The Restricted Subsidiaries which guarantee the General Credit Facility initially guarantee the Senior Subordinated Notes. Each Guarantee is a general unsecured senior subordinated obligation of the applicable Guarantor, is subordinated in right of payment to all existing and any future Senior Indebtedness of such Guarantor, is *pari passu* in right of payment with any future Senior Subordinated Indebtedness of such Guarantor, is effectively subordinated to all Secured Indebtedness of such Guarantor to the extent of the value of the collateral securing such Indebtedness, and will rank senior in right of payment to any future Subordinated Indebtedness of such Guarantor. The Senior Subordinated Notes are structurally subordinated to Indebtedness and other liabilities of Subsidiaries of the Issuer that do not guarantee the Senior Subordinated Notes.

Not all of the Issuer's Subsidiaries guarantee the Senior Subordinated Notes. In the event of a bankruptcy, liquidation or reorganization of any of these non-Guarantor Subsidiaries, the non-Guarantor Subsidiaries will pay the holders of their debt and their trade creditors before they will be able to distribute any of their assets to the Issuer. None of the Issuer's Subsidiaries which are Foreign Subsidiaries, non-Wholly Owned Subsidiaries or any Receivables Subsidiaries will guarantee the Senior Credit Facilities, the Senior Notes or the Senior Subordinated Notes. Our Non-Guarantor Subsidiaries accounted for approximately \$107.4 million of net revenues and approximately \$20.5 million of net income, in each case, for 2006 and approximately \$243.0 million of total assets, and approximately \$187.0 million of total liabilities, in each case as of February 2, 2007.

The obligations of each Guarantor under its Guarantee will be limited as necessary to prevent the Guarantee from constituting a fraudulent conveyance under applicable law.

Any entity that makes a payment under its Guarantee will be entitled upon payment in full of all guaranteed obligations under the Senior Subordinated Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

If a Guarantee were rendered voidable, it could be subordinated by a court to all other indebtedness (including guarantees and other contingent liabilities) of the Guarantor, and, depending on the amount of such indebtedness, a Guarantor's liability on its Guarantee could be reduced to zero. See "Risk Factors—Risks Related to the Notes—Federal and state fraudulent transfer laws may permit a court to void the guarantees, and, if that occurs, you may not receive any payments on the notes."

Each Guarantee by a Guarantor will provide by its terms that it will be automatically and unconditionally released and discharged upon:

- (1) (a) any sale, exchange or transfer (by merger or otherwise) of the Capital Stock of such Guarantor (including any sale, exchange or transfer), after which the applicable Guarantor is no longer a Restricted Subsidiary or all or substantially all the assets of such Guarantor, which sale, exchange or transfer is made in compliance with the applicable provisions of the Senior Subordinated Indenture;

- (b) the release or discharge of the guarantee by such Guarantor of the Senior Credit Facilities or such other guarantee that resulted in the creation of such guarantee, except a discharge or release by or as a result of payment under such guarantee;
- (c) the designation of any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of the Senior Subordinated Indenture; or
- (d) the exercise by the Issuer of its legal defeasance option or covenant defeasance option as described under "Legal Defeasance and Covenant Defeasance" or the discharge of the Issuer's obligations under the Senior Subordinated Indenture in accordance with the terms of the Senior Subordinated Indenture; and

(2) such Guarantor delivering to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in the Senior Subordinated Indenture relating to such transaction have been complied with.

### **Other Senior Subordinated Indebtedness Versus Senior Subordinated Notes**

Only Indebtedness of the Issuer or a Guarantor that is Senior Indebtedness ranks senior to the Senior Subordinated Notes and the Guarantees in accordance with the provisions of the Senior Subordinated Indenture. The Senior Subordinated Notes and the Guarantees rank *pari passu* with all future Senior Subordinated Indebtedness of the Issuer and the Guarantors.

The Issuer and the Guarantors agree in the Senior Subordinated Indenture not to incur any Indebtedness that is subordinate or junior in right of payment to Senior Indebtedness, unless such Indebtedness is Senior Subordinated Indebtedness of the applicable person or is expressly subordinated in right of payment to Senior Subordinated Indebtedness of such person. The Senior Subordinated Indenture does not treat (i) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (ii) Senior Indebtedness as subordinated or junior to any other Senior Indebtedness merely because it has a junior priority with respect to the same collateral.

### **Payment of Senior Subordinated Notes**

Neither the Issuer nor any Guarantor are permitted to make payments of principal of or premium, if any, or interest on the Senior Subordinated Notes (or pay any other obligations relating to the Senior Subordinated Notes, including Special Interest, fees, costs, expenses, indemnities and rescission or damage claims) or make any deposit pursuant to the provisions described under "Legal Defeasance and Covenant Defeasance" or "Satisfaction and Discharge" below and may not purchase, redeem or otherwise retire any Senior Subordinated Notes (collectively, "*pay the Senior Subordinated Notes*") (except in the form of Permitted Junior Securities) if either of the following occurs (a "*Payment Default* "):

- (1) any Obligation on any Designated Senior Indebtedness of the Issuer is not paid in full in cash when due (after giving effect to any applicable grace period); or
- (2) any other default on Designated Senior Indebtedness of the Issuer occurs and the maturity of such Designated Senior Indebtedness is accelerated in accordance with its terms;

unless, in either case, the Payment Default has been cured or waived and any such acceleration has been rescinded or such Designated Senior Indebtedness has been paid in full in cash. Notwithstanding the foregoing, the Issuer is permitted to pay the Senior Subordinated Notes if it and the Trustee receive written notice approving such payment from the Representatives of all Designated Senior Indebtedness with respect to which the Payment Default has occurred and is continuing.

During the continuance of any default other than a Payment Default (a " *Non-Payment Default* ") with respect to any Designated Senior Indebtedness pursuant to which the maturity thereof may be accelerated without further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods, the Issuer is not permitted to pay the Senior Subordinated Notes (except in the form of Permitted Junior Securities) for a period (a " *Payment Blockage Period* ") commencing upon the receipt by the Trustee (with a copy to the Issuer) of written notice (a " *Blockage Notice* ") of such default from the Representative of such Designated Senior Indebtedness specifying an election to effect a Payment Blockage Period and ending 179 days thereafter. The Payment Blockage Period will end earlier if such Payment Blockage Period is terminated:

- (1) by written notice to the Trustee and the Issuer from the Person or Persons who gave such Blockage Notice;
- (2) because the default giving rise to such Blockage Notice is cured, waived or otherwise no longer continuing; or
- (3) because such Designated Senior Indebtedness has been discharged or repaid in full in cash.

Notwithstanding the provisions described above, unless the holders of such Designated Senior Indebtedness or the Representative of such Designated Senior Indebtedness have accelerated the maturity of such Designated Senior Indebtedness, the Issuer and related Guarantors are permitted to resume paying the Senior Subordinated Notes after the end of such Payment Blockage Period. The Senior Subordinated Notes shall not be subject to more than one Payment Blockage Period in any consecutive 360-day period irrespective of the number of defaults with respect to Designated Senior Indebtedness during such period; *provided* that if any Payment Blockage Notice is delivered to the Trustee by or on behalf of the holders of Designated Senior Indebtedness of the Issuer (other than the holders of Indebtedness under the Senior Credit Facilities), a Representative of holders of Indebtedness under the Senior Credit Facilities may give another Payment Blockage Notice within such period. However, in no event may the total number of days during which any Payment Blockage Period or Periods on the Senior Subordinated Notes is in effect exceed 179 days in the aggregate during any consecutive 360-day period, and there must be at least 181 days during any consecutive 360-day period during which no Payment Blockage Period is in effect. Notwithstanding the foregoing, however, no Default that existed or was continuing on the date of delivery of any Blockage Notice to the Trustee will be, or be made, the basis for a subsequent Blockage Notice unless such default has been cured or waived for a period of not less than 90 consecutive days (it being acknowledged that any subsequent action, or any breach of any financial covenants during the period after the date of delivery of such initial Blockage Notice, that, in either case, would give rise to a Non-Payment Default pursuant to any provisions under which a Non-Payment Default previously existed or was continuing shall constitute a new Non-Payment Default for this purpose).

Upon any payment or distribution of the assets of the Issuer upon a total or partial liquidation or dissolution or reorganization of or similar proceeding relating to the Issuer or its property:

- (1) the holders of Senior Indebtedness of the Issuer will be entitled to receive payment in full in cash of such Senior Indebtedness before the Holders are entitled to receive any payment;
- (2) until the Senior Indebtedness of the Issuer is paid in full in cash, any payment or distribution to which Holders would be entitled but for the subordination provisions of the Senior Subordinated Indenture will be made to holders of such Senior Indebtedness as their interests may appear, except that Holders may receive Permitted Junior Securities; and
- (3) if a distribution is made to Holders that, due to the subordination provisions, should not have been made to them, such Holders are required to hold it in trust for the holders of Senior Indebtedness of the Issuer and pay it over to them as their interests may appear.

The subordination and payment blockage provisions described above will not prevent a Default from occurring under the Senior Subordinated Indenture upon the failure of the Issuer to pay principal, premium, if any, or interest with respect to the Senior Subordinated Notes when due by their terms. If payment of the Senior Subordinated Notes is accelerated because of an Event of Default, the Issuer or the Trustee must promptly notify the holders of Designated Senior Indebtedness or the Representative of such Designated Senior Indebtedness of the acceleration. So long as there shall remain outstanding Senior Indebtedness under the Senior Credit Facilities, a Blockage Notice with respect to the Senior Credit Facilities may only be given by the respective administrative agents thereunder unless otherwise agreed to in writing by the respective requisite lenders named therein. If any Designated Senior Indebtedness is outstanding, neither the Issuer nor any Guarantor may pay the Senior Subordinated Notes until five Business Days after the Representatives of all the issues of Designated Senior Indebtedness receive notice of such acceleration and, thereafter, may pay the Senior Subordinated Notes only if the Senior Subordinated Indenture otherwise permits payment at that time.

A Guarantor's obligations under its Guarantee are senior subordinated obligations. As such, the rights of Holders to receive payment by a Guarantor pursuant to its Guarantee will be subordinated in right of payment to the rights of holders of Senior Indebtedness of such Guarantor. The terms of the subordination and payment blockage provisions described above with respect to the Issuer's obligations under the Senior Subordinated Notes apply equally to a Guarantor and the obligations of such Guarantor under its Guarantee.

A Holder by its acceptance of Senior Subordinated Notes agrees to be bound by these subordination provisions and authorizes and expressly directs the Trustee under the Senior Subordinated Indenture, on its behalf, to take such action as may be necessary or appropriate to effectuate the subordination provided for in the Senior Subordinated Indenture and appoints the Trustee under the Senior Subordinated Indenture its attorney-in-fact for such purpose.

By reason of the subordination provisions contained in the Senior Subordinated Indenture, in the event of a liquidation or insolvency proceeding, creditors of the Issuer or a Guarantor who are holders of Senior Indebtedness of the Issuer or such Guarantor, as the case may be, may recover more, ratably, than the Holders, and creditors of the Issuer or a Guarantor who are not holders of Senior Indebtedness may recover less, ratably, than holders of Senior Indebtedness of the Issuer or such Guarantor and may recover more, ratably, than the Holders. See "Risk Factors—Risks Related to the Notes—Your right to receive payments on the senior subordinated notes will be junior to our existing and future senior indebtedness, including borrowings under our new senior secured credit facilities and the senior notes."

The terms of the subordination provisions described above will not apply to payments from money or the proceeds of Government Securities deposited in trust or with the Trustee, as applicable, for the payment of principal of and interest on the Senior Subordinated Notes pursuant to the provisions described under "Legal Defeasance and Covenant Defeasance" or "Satisfaction and Discharge," if the subordination provisions described in this section were not violated at the time the applicable amounts were deposited in trust or with the Trustee, as applicable, pursuant to such sections.

#### **Paying Agent and Registrar for the Senior Subordinated Notes**

The Issuer maintains one or more paying agents and a registrar for the Senior Subordinated Notes with offices in the Borough of Manhattan, City of New York. The initial paying agent and the initial registrar for the Senior Subordinated Notes is the Trustee.

The registrar will maintain a register reflecting ownership of the Senior Subordinated Notes outstanding from time to time and will make payments on and facilitate transfer of Senior Subordinated Notes on behalf of the Issuer.

The Issuer may change the paying agents or the registrars without prior notice to the Holders. The Issuer or any of its Subsidiaries may act as a paying agent or registrar.

## **Transfer and Exchange**

A Holder may transfer or exchange Senior Subordinated Notes in accordance with the Senior Subordinated Indenture. The registrar and the Trustee may require a Holder to furnish appropriate endorsements and transfer documents in connection with a transfer of Senior Subordinated Notes. Holders will be required to pay all taxes due on transfer. The Issuer will not be required to transfer or exchange any Senior Subordinated Note selected for redemption. Also, the Issuer will not be required to transfer or exchange any Senior Subordinated Note for a period of 15 days before a selection of Senior Subordinated Notes to be redeemed.

## **Principal, Maturity and Interest**

The Issuer issued \$725,000,000 in aggregate principal amount of Senior Subordinated Notes. The Senior Subordinated Notes will mature on July 15, 2017. Subject to compliance with the covenant described below under the caption "Certain Covenants—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock," the Issuer may issue additional Senior Subordinated Notes from time to time after this offering under the Senior Subordinated Indenture (any such Senior Subordinated Notes, "*Additional Senior Subordinated Notes*"). In addition, in connection with the payment of PIK Interest or Partial PIK Interest in respect of the Senior Subordinated Notes, the Issuer is entitled to, without the consent of the Holders, increase the outstanding principal amount of the Senior Subordinated Notes or issue additional Senior Subordinated Notes (the "*PIK Notes*") under the Senior Subordinated Indenture on the same terms and conditions as the Senior Subordinated Notes (in each case, the "*PIK Payment*"). The Senior Subordinated Notes, the PIK Notes and any Additional Senior Subordinated Notes subsequently issued under the Senior Subordinated Indenture, are treated as a single class for all purposes under the Senior Subordinated Indenture, including waivers, amendments, redemptions and offers to purchase. Unless the context requires otherwise, references to "Senior Subordinated Notes" for all purposes of the Senior Subordinated Indenture and this "Description of Senior Subordinated Notes" include any PIK Notes and Additional Senior Subordinated Notes that are actually issued, and references to "principal amount" of the Senior Subordinated Notes includes any increase in the principal amount of the outstanding Senior Notes as a result of a PIK Payment.

Interest on the Senior Subordinated Notes is payable semi-annually in arrears on January 15 and July 15, commencing on January 15, 2008, to the Holders of record on the immediately preceding January 1 and July 1. Interest on the Senior Subordinated Notes accrues from the most recent date to which interest has been paid or, if no interest has been paid, from and including the Issue Date. Interest on the Senior Subordinated Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months. For any interest payment period after the initial interest payment period and prior to July 15, 2011,

The Issuer may, at its option, elect to pay interest on the Senior Subordinated Notes:

- entirely in cash ("*Cash Interest*");
- entirely by increasing the principal amount of the outstanding Senior Subordinated Notes or by issuing PIK Notes ("*PIK Interest*"); or
- on 50% of the outstanding principal amount of the Senior Subordinated Notes in cash and on 50% of the principal amount by increasing the principal amount of the outstanding Senior Subordinated Notes or by issuing PIK Notes ("*Partial PIK Interest*").

The Issuer must elect the form of interest payment with respect to each interest period by delivering a notice to the Trustee at least 30 days prior to the beginning of each interest period. The Trustee shall promptly deliver a corresponding notice to the Holders. In the absence of such an election for any interest period, interest on the Senior Subordinated Notes shall be payable according to the election for the previous interest period. Interest for the first interest period commencing on the Issue Date shall be payable entirely in cash. After July 15, 2011, the Issuer will make all interest payments on the Senior Subordinated Notes entirely in cash. Notwithstanding anything to the contrary, the payment of accrued interest in connection with any redemption of Senior Subordinated Notes as described under "—Optional Redemption" or "Repurchase at the Option of Holders" shall be made solely in cash.

Cash Interest on the Senior Subordinated Notes will accrue at a rate of 11.875% per annum and be payable in cash. PIK Interest on the Senior Subordinated Notes will accrue at a rate of 12.625% per annum and be payable (x) with respect to Senior Subordinated Notes represented by one or more global notes registered in the name of, or held by, The Depository Trust Company ("DTC") or its nominee on the relevant record date, by increasing the principal amount of the outstanding global Senior Subordinated Note by an amount equal to the amount of PIK Interest for the applicable interest period (rounded up to the nearest \$1,000) and (y) with respect to Senior Subordinated Notes represented by certificated notes, by issuing PIK Notes in certificated form in an aggregate principal amount equal to the amount of PIK Interest for the applicable period (rounded up to the nearest whole dollar), and the Trustee will, at the request of the Issuer, authenticate and deliver such PIK Notes in certificated form for original issuance to the Holders on the relevant record date, as shown by the records of the register of Holders. In the event that the Issuer elects to pay Partial PIK Interest for any interest period, each Holder will be entitled to receive Cash Interest in respect of 50% of the principal amount of the Senior Subordinated Notes held by such Holder on the relevant record date and PIK Interest in respect of 50% of the principal amount of the Senior Subordinated Notes held by such Holder on the relevant record date. Following an increase in the principal amount of the outstanding global Senior Subordinated Notes as a result of a PIK Payment, such global Senior Subordinated Notes will bear interest on such increased principal amount from and after the date of such PIK Payment. Any PIK Notes issued in certificated form will be dated as of the applicable interest payment date and will bear interest from and after such date. All Senior Subordinated Notes issued pursuant to a PIK Payment will mature on July 15, 2017 and will be governed by, and subject to the terms, provisions and conditions of, the Senior Subordinated Indenture and shall have the same rights and benefits as the Senior Subordinated Notes issued on the Issue Date. Any certificated PIK Notes will be issued with the description "PIK" on the face of such PIK Note.

If the Senior Subordinated Notes would otherwise constitute "applicable high yield discount obligations" within the meaning of Section 163(i)(1) of the Code, at the end of each accrual period ending after the fifth anniversary of the Senior Subordinated Notes' issuance (the "*AHYDO redemption date*"), the Issuer will be required to redeem for cash a portion of each Senior Subordinated Note then outstanding equal to the "Mandatory Principal Redemption Amount" (such redemption, a "*Mandatory Principal Redemption*"). The redemption price for the portion of each Senior Subordinated Note redeemed pursuant to a Mandatory Principal Redemption will be 100% of the principal amount of such portion plus any accrued interest thereon on the date of redemption. The "Mandatory Principal Redemption Amount" means, as of each AHYDO redemption date, the excess, if any, of (a) the aggregate amount of accrued and unpaid interest and all accrued and unpaid "original issue discount" (as defined in Section 1273(a)(1) of the Code) with respect to the Senior Subordinated Notes, over (b) an amount equal to the product of (i) the "issue price" (as defined in Sections 1273(b) and 1274(a) of the Code) of the Senior Subordinated Notes multiplied by (ii) the "yield to maturity" (as defined in the Treasury Regulation Section 1.1272-1(b)(1)(i)) of the Senior Subordinated Notes. No partial redemption or repurchase of the senior Senior Subordinated Notes prior to any AHYDO redemption date pursuant to any other provision of the Senior Subordinated Indenture will alter the Issuer's

obligation to make any Mandatory Principal Redemption with respect to any Senior Subordinated Notes that remain outstanding on the AHYDO redemption date.

### ***Special Interest***

Special Interest may accrue on the Senior Subordinated Notes in certain circumstances pursuant to the Registration Rights Agreement. Any Special Interest on the Senior Subordinated Notes will be payable in the same form elected by the Issuer for payment of interest for the applicable interest payment period. All references in the Senior Subordinated Indenture, in any context, to any interest or other amount payable on or with respect to the Senior Subordinated Notes shall be deemed to include any Special Interest pursuant to the Registration Rights Agreement. Principal of, premium, if any, and interest on the Senior Subordinated Notes will be payable at the office or agency of the Issuer maintained for such purpose within the City and State of New York or, at the option of the Issuer, payment of interest may be made by check mailed to the Holders at their respective addresses set forth in the register of Holders; *provided* that all payments of principal, premium, if any, and interest with respect to the Senior Subordinated Notes represented by one or more global notes registered in the name of or held by DTC or its nominee will be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof. Until otherwise designated by the Issuer, the Issuer's office or agency in New York will be the office of the Trustee maintained for such purpose.

### **Mandatory Redemption; Offers to Purchase; Open Market Purchases**

Except as set forth in the last paragraph under "Principal, Maturity and Interest," the Issuer will not be required to make any mandatory redemption or sinking fund payments with respect to the Senior Subordinated Notes. However, under certain circumstances, the Issuer may be required to offer to purchase Senior Subordinated Notes as described under the caption "Repurchase at the Option of Holders." The Issuer may from time to time acquire any Senior Subordinated Notes by means other than a redemption, whether by tender offer, in open market purchases, through negotiated transactions or otherwise.

### **Optional Redemption**

Except as set forth below, the Issuer will not be entitled to redeem Senior Subordinated Notes at its option prior to July 15, 2012.

At any time prior to July 15, 2012, the Issuer may redeem all or a part of the Senior Subordinated Notes, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to the registered address of each Holder or otherwise in accordance with the procedures of DTC, at a redemption price equal to 100% of the principal amount of the Senior Subordinated Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest and Special Interest, if any, to the date of redemption (the "*Redemption Date*"), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

On and after July 15, 2012, the Issuer may redeem the Senior Subordinated Notes, in whole or in part, upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to the registered address of each Holder or otherwise in accordance with the procedures of DTC, at the redemption prices (expressed as percentages of principal amount of the Senior Subordinated Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon and Special Interest, if any, to the applicable Redemption Date, subject to the right of Holders of record on the relevant record date

to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on July 15 of each of the years indicated below:

Year	Percentage
2012	105.938%
2013	103.958%
2014	101.979%
2015 and thereafter	100.000%

In addition, until July 15, 2010, the Issuer may, at its option, on one or more occasions redeem up to 35% of the aggregate principal amount of Senior Subordinated Notes at a redemption price equal to 111.875% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon and Special Interest, if any, to the applicable Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds of one or more Equity Offerings; *provided* that at least 50% of the sum of the original aggregate principal amount of Senior Subordinated Notes issued under the Senior Subordinated Indenture and the original principal amount of any Additional Senior Subordinated Notes issued under the Senior Subordinated Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption; *provided further* that each such redemption occurs within 90 days of the date of closing of each such Equity Offering.

Notice of redemption may be given prior to the redemption thereof, and any such redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an Equity Offering or other corporate transaction.

If the Issuer redeems less than all of the outstanding Senior Subordinated Notes, the Trustee shall select the Senior Subordinated Notes to be redeemed in the manner described under "Repurchase at the Option of Holders—Selection and Notice."

## **Repurchase at the Option of Holders**

### ***Change of Control***

The Senior Subordinated Notes provide that if a Change of Control occurs, unless the Issuer has previously or concurrently mailed a redemption notice with respect to all the outstanding Senior Subordinated Notes as described under "Optional Redemption," the Issuer will make an offer to purchase all of the Senior Subordinated Notes pursuant to the offer described below (the "*Change of Control Offer*") at a price in cash (the "*Change of Control Payment*") equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest and Special Interest, if any, to the date of purchase, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Issuer will send notice of such Change of Control Offer by first-class mail, with a copy to the Trustee, to each Holder to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, with the following information:

(1) that a Change of Control Offer is being made pursuant to the covenant entitled "Change of Control" and that all Senior Subordinated Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;

(2) the purchase price and the purchase date, which will be no earlier than 30 days nor later than 60 days from the date such notice is mailed (the "*Change of Control Payment Date*");

(3) that any Senior Subordinated Note not properly tendered will remain outstanding and continue to accrue interest;

(4) that unless the Issuer defaults in the payment of the Change of Control Payment, all Senior Subordinated Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(5) that Holders electing to have any Senior Subordinated Notes purchased pursuant to a Change of Control Offer will be required to surrender such Senior Subordinated Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such Senior Subordinated Notes completed, to the paying agent and at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their tendered Senior Subordinated Notes and their election to require the Issuer to purchase such Senior Subordinated Notes; *provided* that the paying agent receives, not later than the close of business on the 30th day following the date of the Change of Control notice, a telegram, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Senior Subordinated Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Senior Subordinated Notes and its election to have such Senior Subordinated Notes purchased;

(7) that if the Issuer is redeeming less than all of the Senior Subordinated Notes, the Holders of the remaining Senior Subordinated Notes will be issued new Senior Subordinated Notes that will be equal in principal amount to the unpurchased portion of the Senior Subordinated Notes surrendered. The unpurchased portion of the Senior Subordinated Notes must be equal to \$2,000 or an integral multiple of \$1,000 in excess thereof; and

(8) the other instructions, as determined by us, consistent with the covenant described hereunder, that a Holder must follow.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent they are applicable in connection with the repurchase of Senior Subordinated Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Senior Subordinated Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Senior Subordinated Indenture by virtue thereof.

On the Change of Control Payment Date, the Issuer will, to the extent permitted by law,

(1) accept for payment all Senior Subordinated Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the paying agent an amount equal to the aggregate Change of Control Payment in respect of all Senior Subordinated Notes or portions thereof so tendered; and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Senior Subordinated Notes so accepted together with an Officer's Certificate to the Trustee stating that such Senior Subordinated Notes or portions thereof have been tendered to and purchased by the Issuer.

The paying agent will promptly mail to each Holder the Change of Control Payment for such Senior Subordinated Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Senior Subordinated Note equal in principal amount to any unpurchased portion of the Senior Subordinated Notes surrendered, if any; *provided* that each such new Senior Subordinated Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Senior Credit Facilities and Senior Notes will limit, and future credit agreements or other agreements relating to the Senior Indebtedness to which the Issuer becomes a party may prohibit or limit, the Issuer from purchasing any Senior Subordinated Notes as a result of a Change of Control. In the event a Change of Control occurs at a time when the Issuer is prohibited from purchasing the Senior Subordinated Notes, the Issuer could seek the consent of its lenders and the holders of the Senior Notes to permit the purchase of the Senior Subordinated Notes or could attempt to refinance the borrowings and Senior Notes that contain such prohibition. In such case, the Issuer's failure to purchase tendered Senior Subordinated Notes would constitute an Event of Default under the Senior Subordinated Indenture. If, as a result thereof, a default occurs with respect to any Senior Indebtedness, the subordination provisions in the Senior Subordinated Indenture would restrict payments to the Holders under certain circumstances. The Senior Credit Facilities will, and future credit agreements or other agreements relating to Senior Indebtedness to which the Issuer becomes a party may, provide that certain change of control events with respect to the Issuer would constitute a default thereunder (including a Change of Control under the Senior Subordinated Indenture). If we experience a change of control that triggers a default under our Senior Credit Facilities, we could seek a waiver of such default or seek to refinance our Senior Credit Facilities. In the event we do not obtain such a waiver or refinance the Senior Credit Facilities, such default could result in amounts outstanding under our Senior Credit Facilities being declared due and payable and could cause a Receivables Facility to be wound down.

Our ability to pay cash to the Holders following the occurrence of a Change of Control may be limited by our then-existing financial resources. Therefore, sufficient funds may not be available when necessary to make any required repurchases.

The Change of Control purchase feature of the Senior Subordinated Notes may in certain circumstances make more difficult or discourage a sale or takeover of us and, thus, the removal of incumbent management. The Change of Control purchase feature is a result of negotiations between the Initial Purchasers and us. After the Issue Date, we have no present intention to engage in a transaction involving a Change of Control, although it is possible that we could decide to do so in the future. Subject to the limitations discussed below, we could, in the future, enter into certain transactions, including acquisitions, refinancings or other recapitalizations, that would not constitute a Change of Control under the Senior Subordinated Indenture, but that could increase the amount of indebtedness outstanding at such time or otherwise affect our capital structure or credit ratings. Restrictions on our ability to incur additional Indebtedness are contained in the covenants described under "Certain Covenants—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock" and "Certain Covenants—Liens." Such restrictions in the Senior Subordinated Indenture can be waived only with the consent of the Holders of a majority in principal amount of the Senior Subordinated Notes then outstanding. Except for the limitations contained in such covenants, however, the Senior Subordinated Indenture will not contain any covenants or provisions that may afford Holders protection in the event of a highly leveraged transaction.

The Issuer will not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Senior Subordinated Indenture applicable to a Change of Control Offer made by us and purchases all Senior Subordinated Notes validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

The definition of "Change of Control" includes a disposition of all or substantially all of the assets of the Issuer to any Person. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law.

Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve a disposition of "all or substantially all" of the assets of the Issuer. As a result, it may be unclear as to whether a Change of Control has occurred and whether a Holder may require the Issuer to make an offer to repurchase the Senior Subordinated Notes as described above.

The provisions under the Senior Subordinated Indenture relating to the Issuer's obligation to make an offer to repurchase the Senior Subordinated Notes as a result of a Change of Control may be waived or modified with the written consent of the Holders of a majority in principal amount of the Senior Subordinated Notes.

### *Asset Sales*

The Senior Subordinated Indenture provides that the Issuer will not, and will not permit any of its Restricted Subsidiaries to consummate, directly or indirectly, an Asset Sale, unless:

(1) the Issuer or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Issuer) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Issuer or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; *provided* that the amount of:

(a) any liabilities (as shown on the Issuer's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto) of the Issuer or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Senior Subordinated Notes, that are assumed by the transferee of any such assets and for which the Issuer and all of its Restricted Subsidiaries have been validly released by all creditors in writing,

(b) any securities received by the Issuer or such Restricted Subsidiary from such transferee that are converted by the Issuer or such Restricted Subsidiary into cash (to the extent of the cash received) within 180 days following the closing of such Asset Sale, and

(c) any Designated Non-cash Consideration received by the Issuer or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed 5.0% of Total Assets at the time of the receipt of such Designated Non-cash Consideration, with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value,

shall be deemed to be cash for purposes of this provision and for no other purpose.

Within 360 days after the receipt of any Net Proceeds of any Asset Sale, the Issuer or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale,

(1) to permanently reduce:

(a) Obligations under any Senior Indebtedness, the Senior Subordinated Notes or any other Senior Subordinated Indebtedness, in each case, of the Issuer or any Guarantor (other than Obligations owed to the Issuer or a Restricted Subsidiary) and, in the case of Obligations under revolving credit facilities or other similar Indebtedness, to correspondingly permanently reduce commitments with respect thereto; *provided* that if the Issuer or any Restricted Subsidiary shall so reduce Obligations under any Senior Subordinated Indebtedness, the Issuer or such Guarantor will, equally and ratably, reduce Obligations under the Senior Subordinated Notes by, at its option, (A) redeeming Senior Subordinated Notes, (B) making an offer (in accordance with the

procedures set forth below for an Asset Sale Offer) to all Holders to purchase their Senior Subordinated Notes at 100% of the principal amount thereof, *plus* the amount of accrued and unpaid interest and Special Interest, if any, on the principal amount of Senior Subordinated Notes to be repurchased or (C) purchasing Senior Subordinated Notes through open market purchases (to the extent such purchases are at a price equal to or higher than 100% of the principal amount thereof) in a manner that complies with the Senior Subordinated Indenture and applicable securities law; or

(b) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Issuer or another Restricted Subsidiary;

(2) to make (a) an Investment in any one or more businesses, *provided* that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or another of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) capital expenditures or (c) acquisitions of other assets, in each of (a), (b) and (c), used or useful in a Similar Business; or

(3) to make an Investment in (a) any one or more businesses, *provided* that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Issuer or another of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes a Restricted Subsidiary, (b) properties or (c) acquisitions of other assets that, in each of (a), (b) and (c), replace the businesses, properties and/or assets that are the subject of such Asset Sale;

*provided* that, in the case of clauses (2) and (3) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Issuer, or such other Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of such commitment (an " *Acceptable Commitment* ") and, in the event any *Acceptable Commitment* is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, the Issuer or such Restricted Subsidiary enters into another *Acceptable Commitment* (a " *Second Commitment* ") within 180 days of such cancellation or termination; *provided*, *further*, that if any *Second Commitment* is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds.

Any Net Proceeds from Asset Sales that are not invested or applied as provided and within the time period set forth in the first sentence of the preceding paragraph will be deemed to constitute " *Excess Proceeds* ." When the aggregate amount of Excess Proceeds exceeds \$75.0 million, the Issuer shall make an offer to all Holders and, if required or permitted by the terms of any Senior Subordinated Indebtedness, to the holders of such Senior Subordinated Indebtedness (an " *Asset Sale Offer* "), to purchase the maximum aggregate principal amount of the Senior Subordinated Notes and such Senior Indebtedness that is a minimum of \$2,000 or an integral multiple of \$1,000 in excess thereof that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest and Special Interest, if any, to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Senior Subordinated Indenture. The Issuer will commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed \$75.0 million by mailing the notice required pursuant to the terms of the Senior Subordinated Indenture, with a copy to the Trustee.

To the extent that the aggregate amount of Senior Subordinated Notes and such Senior Subordinated Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Issuer may use any remaining Excess Proceeds for general corporate purposes, subject to other covenants contained in the Senior Subordinated Indenture. If the aggregate principal amount of Senior Subordinated Notes or such Senior Subordinated Indebtedness surrendered by such holders thereof

exceeds the amount of Excess Proceeds, the Trustee shall select the Senior Subordinated Notes and such other Senior Subordinated Indebtedness to be purchased on a *pro rata* basis based on the accreted value or principal amount of the Senior Subordinated Notes or such Senior Subordinated Indebtedness tendered. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero. Additionally, the Issuer may, at its option, make an Asset Sale Offer using proceeds from any Asset Sale at any time after consummation of such Asset Sale; *provided* that such Asset Sale Offer shall be in an aggregate amount of not less than \$75.0 million. Upon consummation of such Asset Sale Offer, any Net Proceeds not required to be used to purchase Senior Subordinated Notes shall not be deemed Excess Proceeds.

Pending the final application of any Net Proceeds pursuant to this covenant, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by the Senior Subordinated Indenture.

The Issuer will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Senior Subordinated Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the Senior Subordinated Indenture, the Issuer will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Senior Subordinated Indenture by virtue thereof.

The Senior Credit Facilities and the Senior Notes will prohibit or limit (subject to limited exceptions), and future credit agreements or other agreements to which the Issuer becomes a party may limit or prohibit, the Issuer from purchasing any Senior Subordinated Notes as a result of an Asset Sale Offer. In the event the Issuer is required to make an Asset Sale Offer at a time when the Issuer is prohibited from purchasing the Senior Subordinated Notes, the Issuer could seek the consent of its lenders to permit the purchase of the Senior Subordinated Notes or could attempt to refinance the borrowings and Senior Notes that contain such prohibition. If the Issuer does not obtain such consent or repay such borrowings or Senior Notes, the Issuer will remain prohibited from purchasing the Senior Subordinated Notes. In such case, the Issuer's failure to purchase tendered Senior Subordinated Notes would constitute an Event of Default under the Senior Subordinated Indenture.

The provisions under the Senior Subordinated Indenture relative to the Issuer's obligation to make an offer to repurchase the Senior Subordinated Notes as a result of an Asset Sale may be waived or modified with the written consent of the Holders of a majority in principal amount of the Senior Subordinated Notes.

#### ***Selection and Notice***

If the Issuer is redeeming less than all of the Senior Subordinated Notes issued at any time, the Trustee will select the Senior Subordinated Notes to be redeemed (a) if the Senior Subordinated Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Senior Subordinated Notes are listed, (b) on a *pro rata* basis to the extent practicable or (c) by lot or such other similar method in accordance with the procedures of DTC.

Notices of purchase or redemption shall be mailed by first-class mail, postage prepaid, at least 30 but not more than 60 days before the purchase or Redemption Date to each Holder at such Holder's registered address or otherwise in accordance with the procedures of DTC, except that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Senior Subordinated Notes or a satisfaction and discharge of the Senior Subordinated Indenture. If any Senior Subordinated Note is to be purchased or redeemed in

part only, any notice of purchase or redemption that relates to such Senior Subordinated Note shall state the portion of the principal amount thereof that has been or is to be purchased or redeemed.

The Issuer will issue a new Senior Subordinated Note in a principal amount equal to the unredeemed portion of the original Senior Subordinated Note in the name of the Holder upon cancellation of the original Senior Subordinated Note. Senior Subordinated Notes called for redemption become due on the date fixed for redemption. On and after the Redemption Date, interest ceases to accrue on Senior Subordinated Notes or portions thereof called for redemption.

## **Certain Covenants**

### ***Limitation on Restricted Payments***

The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

(a) dividends or distributions by the Issuer payable solely in Equity Interests (other than Disqualified Stock) of the Issuer; or

(b) dividends or distributions by a Restricted Subsidiary so long as, in the case of any dividend or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly-Owned Subsidiary, the Issuer or a Restricted Subsidiary receives at least its *pro rata* share of such dividend or distribution in accordance with its Equity Interests in such class or series of securities;

(II) purchase, redeem, defease or otherwise acquire or retire for value any Equity Interests of the Issuer or any direct or indirect parent of the Issuer, including in connection with any merger or consolidation;

(IV) make any Restricted Investment

(all such payments and other actions set forth in clauses (I) through (IV) above (other than any exception thereto) being collectively referred to as " *Restricted Payments* "), unless, at the time of such Restricted Payment:

(1) no Default shall have occurred and be continuing or would occur as a consequence thereof;

(2) immediately after giving effect to such transaction on a *pro forma* basis, the Issuer could incur \$1.00 of additional Indebtedness under the provisions of the first paragraph of the covenant described under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock"; and

(3) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Issuer and its Restricted Subsidiaries after the Issue Date (including Restricted Payments permitted by clauses (1), (2) (with respect to the payment of dividends on Refunding Capital Stock (as defined below) pursuant to clause (b) thereof only), (6)(c), (9) and (14) of the next succeeding paragraph, but excluding all other Restricted Payments permitted by the next succeeding paragraph), is less than the sum of (without duplication):

(a) 50% of the Consolidated Net Income of the Issuer for the period (taken as one accounting period) beginning May 4, 2007, to the end of the Issuer's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment, or, in the case such Consolidated Net Income for such period is a deficit, minus 100% of such deficit; *plus*

(b) 100% of the aggregate net cash proceeds and the fair market value, as determined in good faith by the Issuer, of marketable securities or other property received by the Issuer since immediately after the Issue Date from the issue or sale of:

(x) Equity Interests to members of management, directors or consultants of the Issuer, any direct or indirect parent company of the Issuer and the Issuer's Subsidiaries after the Issue Date to the extent such amounts have been applied to Restricted Payments made in accordance with clause (4) of the next succeeding paragraph; and

(y) Designated Preferred Stock; and

(B) to the extent such net cash proceeds are actually contributed to the Issuer, Equity Interests of the Issuer's direct or indirect parent companies (excluding contributions of the proceeds from the sale of Designated Preferred Stock of such companies or contributions to the extent such amounts have been applied to Restricted Payments made in accordance with clause (4) of the next succeeding paragraph); or

(ii) debt securities of the Issuer that have been converted into or exchanged for such Equity Interests of the Issuer;

*provided, however*, that this clause (b) shall not include the proceeds from (V) Refunding Capital Stock (as defined below), (W) Equity Interests of the Issuer or convertible debt securities of the Issuer sold to a Restricted Subsidiary, as the case may be, (X) Disqualified Stock or debt securities that have been converted into Disqualified Stock, (Y) Excluded Contributions or (Z) transactions whose proceeds were used to incur Indebtedness, Disqualified Stock or Preferred Stock pursuant to clause (13)(a) of the second paragraph of "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock", solely to the extent of such usage; *plus*

(c) 100% of the aggregate amount of cash and the fair market value, as determined in good faith by the Issuer, of marketable securities or other property contributed to the capital of the Issuer following the Issue Date (other than net cash proceeds to the extent such net cash proceeds (i) have been used to incur Indebtedness, Disqualified Stock or Preferred Stock pursuant to clause (13)(a) of the second paragraph of "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock", (ii) are contributed by a Restricted Subsidiary or (iii) constitute Excluded Contributions; *plus*

(d) to the extent not already included in Consolidated Net Income, 100% of the aggregate amount received in cash and the fair market value, as determined in good faith by the Issuer, of marketable securities or other property received by means of:

(i) the sale or other disposition (other than to the Issuer or a Restricted Subsidiary) of Restricted Investments made by the Issuer or its Restricted Subsidiaries and repurchases and redemptions of such Restricted Investments from the Issuer or its Restricted Subsidiaries and repayments of loans or advances, and releases of guarantees, which constitute Restricted Investments by the Issuer or its Restricted Subsidiaries, in each case after the Issue Date; or

(ii) the sale (other than to the Issuer or a Restricted Subsidiary) of the stock of an Unrestricted Subsidiary or a distribution from an Unrestricted Subsidiary (other than in each case to the extent the Investment in such Unrestricted Subsidiary was made by the Issuer or a Restricted Subsidiary pursuant to clause (7) of the next succeeding paragraph or to the extent such Investment constituted a Permitted Investment) or a dividend from an Unrestricted Subsidiary after the Issue Date; *plus*

(e) in the case of the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary after the Issue Date, the fair market value of the Investment in such Unrestricted Subsidiary, as determined by the Issuer in good faith (or if such fair market value exceeds \$75.0 million, in writing by an Independent Financial Advisor), at the time of the redesignation of such Unrestricted Subsidiary as a Restricted Subsidiary other than to the extent the Investment in such Unrestricted Subsidiary was made by the Issuer or a Restricted Subsidiary pursuant to clause (7) of the next succeeding paragraph or to the extent such Investment constituted a Permitted Investment.

The foregoing provisions will not prohibit:

(1) the payment of any dividend within 60 days after the date of declaration thereof, if at the date of declaration such payment would have complied with the provisions of the Senior Subordinated Indenture;

(2) (a) the redemption, repurchase, retirement or other acquisition of any Equity Interests (" *Treasury Capital Stock* ") or Subordinated Indebtedness of the Issuer or any Equity Interests of any direct or indirect parent company of the Issuer, in exchange for, or out of the proceeds of the substantially concurrent sale (other than to a Restricted Subsidiary) of, Equity Interests of the Issuer or any direct or indirect parent company of the Issuer to the extent contributed to the Issuer (in each case, other than any Disqualified Stock) (" *Refunding Capital Stock* ") and (b) if immediately prior to the retirement of Treasury Capital Stock, the declaration and payment of dividends thereon was permitted under clause (6) of this paragraph, the declaration and payment of dividends on the Refunding Capital Stock (other than Refunding Capital Stock the proceeds of which were used to redeem, repurchase, retire or otherwise acquire any Equity Interests of any direct or indirect parent company of the Issuer) in an aggregate amount per year no greater than the aggregate amount of dividends per annum that were declarable and payable on such Treasury Capital Stock immediately prior to such retirement;

(3) the redemption, repurchase or other acquisition or retirement of Subordinated Indebtedness of the Issuer or a Guarantor made in exchange for, or out of the proceeds of the substantially concurrent sale of, new Indebtedness of the Issuer or a Guarantor, as the case may be, which is incurred in compliance with "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock" so long as:

(a) the principal amount (or accreted value) of such new Indebtedness does not exceed the principal amount of (or accreted value, if applicable), plus any accrued and unpaid interest on, the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired for value, plus the amount of any reasonable premium (including reasonable tender premiums), defeasance costs and

any reasonable fees and expenses incurred in connection with the issuance of such new Indebtedness;

(b) such new Indebtedness is subordinated to the Senior Subordinated Notes or the applicable Guarantee at least to the same extent as such Subordinated Indebtedness so purchased, exchanged, redeemed, repurchased, acquired or retired for value;

(c) such new Indebtedness has a final scheduled maturity date equal to or later than the final scheduled maturity date of the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired; and

(d) such new Indebtedness has a Weighted Average Life to Maturity equal to or greater than the remaining Weighted Average Life to Maturity of the Subordinated Indebtedness being so redeemed, repurchased, acquired or retired;

(4) a Restricted Payment to pay for the repurchase, retirement or other acquisition or retirement for value of Equity Interests (other than Disqualified Stock) of the Issuer or any of its direct or indirect parent companies held by any future, present or former employee, director or consultant of the Issuer, any of its Subsidiaries or any of its direct or indirect parent companies pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement, including any Equity Interests rolled over by management of the Company or any of its direct or indirect parent companies in connection with the Transactions; *provided, however*, that the aggregate Restricted Payments made under this clause (4) do not exceed in any calendar year \$12.5 million (which shall increase to \$25.0 million subsequent to the consummation of an underwritten public Equity Offering by the Issuer or any direct or indirect parent entity of the Issuer) (with unused amounts in any calendar year being carried over to succeeding calendar years subject to a maximum (without giving effect to the following proviso) of \$50.0 million in any calendar year (which shall increase to \$100.0 million subsequent to the consummation of an underwritten public Equity Offering by the Issuer or any direct or indirect parent corporation of the Issuer)); *provided further* that such amount in any calendar year may be increased by an amount not to exceed:

(a) the cash proceeds from the sale of Equity Interests (other than Disqualified Stock) of the Issuer and, to the extent contributed to the Issuer, Equity Interests of any of the Issuer's direct or indirect parent companies, in each case to members of management, directors or consultants of the Issuer, any of its Subsidiaries or any of its direct or indirect parent companies that occurs after the Issue Date to the extent the cash proceeds from the sale of such Equity Interests have not otherwise been applied to the payment of Restricted Payments by virtue of clause (3) of the preceding paragraph; *plus*

(b) the cash proceeds of key man life insurance policies received by the Issuer or its Restricted Subsidiaries after the Issue Date; *less*

(c) the amount of any Restricted Payments previously made with the cash proceeds described in clauses (a) and (b) of this clause (4);

and *provided, further*, that cancellation of Indebtedness owing to the Issuer or any Restricted Subsidiary from members of management of the Issuer, any of the Issuer's direct or indirect parent companies or any of the Issuer's Restricted Subsidiaries in connection with a repurchase of Equity Interests of the Issuer or any of its direct or indirect parent companies will not be deemed to constitute a Restricted Payment for purposes of this covenant or any other provision of the Senior Subordinated Indenture;

(5) the declaration and payment of dividends to holders of any class or series of Disqualified Stock of the Issuer or any of its Restricted Subsidiaries or any class or series of Preferred Stock of any Restricted Subsidiary issued in accordance with the covenant described under "— Limitation on

Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock" to the extent such dividends are included in the definition of "Fixed Charges";

(6) (a) the declaration and payment of dividends to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) issued by the Issuer after the Issue Date;

(b) the declaration and payment of dividends to a direct or indirect parent company of the Issuer, the proceeds of which will be used to fund the payment of dividends to holders of any class or series of Designated Preferred Stock (other than Disqualified Stock) of such parent company issued after the Issue Date; *provided* that the amount of dividends paid pursuant to this clause (b) shall not exceed the aggregate amount of cash actually contributed to the Issuer from the sale of such Designated Preferred Stock; or

(c) the declaration and payment of dividends on Refunding Capital Stock that is Preferred Stock in excess of the dividends declarable and payable thereon pursuant to clause (2) of this paragraph;

*provided, however*, in the case of each of (a), (b) and (c) of this clause (6), that for the most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date of issuance of such Designated Preferred Stock or the declaration of such dividends on Refunding Capital Stock that is Preferred Stock, after giving effect to such issuance or declaration on a *pro forma* basis, the Issuer and its Restricted Subsidiaries on a consolidated basis would have had a Fixed Charge Coverage Ratio of at least 2.00 to 1.00;

(7) Investments in Unrestricted Subsidiaries having an aggregate fair market value, taken together with all other Investments made pursuant to this clause (7) that are at the time outstanding, without giving effect to the sale of an Unrestricted Subsidiary to the extent the proceeds of such sale do not consist of cash or marketable securities, not to exceed \$50.0 million at the time of such Investment (with the fair market value of each Investment being measured at the time made and without giving effect to subsequent changes in value);

(8) repurchases of Equity Interests deemed to occur upon exercise of stock options or warrants if such Equity Interests represent a portion of the exercise price of such options or warrants;

(9) the declaration and payment of dividends on the Issuer's common stock (or the payment of dividends to any direct or indirect parent entity to fund a payment of dividends on such entity's common stock), following consummation of the first public offering of the Issuer's common stock or the common stock of any of its direct or indirect parent companies after the Issue Date, of up to 6% per annum of the net cash proceeds received by or contributed to the Issuer in or from any such public offering, other than public offerings with respect to the Issuer's common stock registered on Form S-8 and other than any public sale constituting an Excluded Contribution;

(10) Restricted Payments that are made with Excluded Contributions;

(11) other Restricted Payments in an aggregate amount taken together with all other Restricted Payments made pursuant to this clause (11) not to exceed \$100.0 million at the time made;

(14) the repurchase, redemption or other acquisition or retirement for value of any Subordinated Indebtedness in accordance with the provisions similar to those described under the captions "Repurchase at the Option of Holders—Change of Control" and "Repurchase at the Option of

(15) the declaration and payment of dividends by the Issuer to, or the making of loans to, any direct or indirect parent in amounts required for any direct or indirect parent companies to pay, in each case without duplication,

(a) franchise and excise taxes and other fees, taxes and expenses required to maintain their corporate existence;

(b) foreign, federal, state and local income taxes, to the extent such income taxes are attributable to the income of the Issuer and its Restricted Subsidiaries and, to the extent of the amount actually received from its Unrestricted Subsidiaries, in amounts required to pay such taxes to the extent attributable to the income of such Unrestricted Subsidiaries; *provided* that in each case the amount of such payments in any fiscal year does not exceed the amount that the Issuer and its Restricted Subsidiaries would be required to pay in respect of foreign, federal, state and local taxes for such fiscal year were the Issuer, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent described above) to pay such taxes separately from any such parent entity;

*provided, however*, that at the time of, and after giving effect to, any Restricted Payment permitted under clause (11), no Default shall have occurred and be continuing or would occur as a consequence thereof.

As of the Issue Date, all of the Issuer's Subsidiaries will be Restricted Subsidiaries. The Issuer will not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the last sentence of the definition of "Unrestricted Subsidiary." For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Issuer and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Restricted Payments in an amount determined as set forth in the last sentence of the definition of "Investment." Such designation will be permitted only if a Restricted Payment in such amount would be permitted at such time, whether pursuant to the first paragraph of this covenant or under clause (7), (10) or (11) of the second paragraph of this covenant, or pursuant to the definition of "Permitted Investments," and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. Unrestricted Subsidiaries will not be subject to any of the restrictive covenants set forth in the Senior Subordinated Indenture.

Notwithstanding the foregoing provisions of this covenant, the Issuer will not, and will not permit any of its Restricted Subsidiaries to, pay any cash dividend or make any cash distribution on or in respect of the Issuer's Capital Stock or purchase for cash or otherwise acquire for cash any Capital Stock of the Issuer or any direct or indirect parent of the Issuer, for the purpose of paying any cash dividend or making any cash distribution to, or acquiring Capital Stock of any direct or indirect parent of the Issuer for cash from, the Investors, or Guarantee any Indebtedness of any Affiliate of the Issuer

for the purpose of paying such dividend, making such distribution or so acquiring such Capital Stock to or from the Investors, in each case by means of utilization of the cumulative Restricted Payment credit provided by the first paragraph of this covenant, or the exceptions provided by clauses (1), (7) or (11) of the second paragraph of this covenant or clauses (8) or (13) of the definition of "Permitted Investments", unless at the time and after giving effect to such payment, the Consolidated Leverage Ratio of the Issuer would be equal to or less than 6.00:1.00.

***Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock***

The Issuer will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise (collectively, "incur" and collectively, an "incurrence") with respect to any Indebtedness (including Acquired Indebtedness), and the Issuer will not issue any shares of Disqualified Stock and will not permit any Restricted Subsidiary to issue any shares of Disqualified Stock or Preferred Stock; *provided, however*, that the Issuer may incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock, and any of its Restricted Subsidiaries may incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock and issue shares of Preferred Stock, if the Fixed Charge Coverage Ratio on a consolidated basis for the Issuer and its Restricted Subsidiaries' most recently ended four fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such four-quarter period; *provided, further*, that Restricted Subsidiaries that are not Guarantors may not incur Indebtedness or Disqualified Stock or Preferred Stock if, after giving *pro forma* effect to such incurrence or issuance (including a *pro forma* application of the net proceeds therefrom), more than an aggregate of \$250.0 million of Indebtedness or Disqualified Stock or Preferred Stock of Restricted Subsidiaries that are not Guarantors would be outstanding pursuant to this paragraph and clauses (13)(b), (15) and (20) below at such time.

The foregoing limitations will not apply to:

(1) the incurrence of Indebtedness under (x) Credit Facilities (other than the ABL Facility) by the Issuer or any of its Restricted Subsidiaries and the issuance and creation of letters of credit and bankers' acceptances thereunder (with letters of credit and bankers' acceptances being deemed to have a principal amount equal to the face amount thereof), up to an aggregate principal amount of \$2,625.0 million outstanding at any one time and (y) the ABL Facility by the Issuer or any of its Restricted Subsidiaries and the issuance and creation of letters of credit and bankers' acceptances thereunder (with letters of credit and bankers' acceptances being deemed to have a principal amount equal to the face amount thereof), up to an aggregate principal amount equal to the ABL Facility Cap;

(2) the incurrence by the Issuer and any Guarantor of Indebtedness represented by the Senior Subordinated Notes issued on the Issue Date (including any PIK Notes and any Guarantee) and the Senior Subordinated Exchange Notes and related guarantees of the Senior Subordinated Exchange Notes to be issued in exchange for the Senior Subordinated Notes and the Guarantees pursuant to the Registration Rights Agreement (other than any Additional Senior Subordinated Notes and related guarantees);

(3) the incurrence by the Issuer and any Guarantor of Indebtedness represented by the Senior Notes and related guarantees, as well as any exchange notes and exchange guarantees to be issued in exchange for the Senior Notes and related guarantees pursuant a registration rights agreement;

(4) Indebtedness of the Issuer and its Restricted Subsidiaries in existence on the Issue Date (other than Indebtedness described in clauses (1), (2) and (3) of this paragraph);

(5) Indebtedness consisting of Capitalized Lease Obligations and Purchase Money Obligations in a principal amount not to exceed \$250.0 million (excluding the principal amount of any Capitalized Lease Obligations or Purchase Money Obligations relating to the purchase, lease or improvement of the Company's distribution centers located in Fulton, Missouri, Indianola, Mississippi and Ardmore, Oklahoma) in the aggregate at any one time outstanding together with all other Indebtedness issued under this clause (5); so long as such Indebtedness exists at the date of such purchase, lease or improvement, or is created within 270 days thereafter;

(6) Indebtedness incurred by the Issuer or any of its Restricted Subsidiaries constituting reimbursement obligations with respect to letters of credit issued in the ordinary course of business, including letters of credit in respect of workers' compensation or employee health claims, or other Indebtedness with respect to reimbursement-type obligations regarding workers' compensation, or employee health claims; *provided*, *however*, that upon the drawing of such letters of credit or the incurrence of such Indebtedness, such obligations are reimbursed within 30 days following such drawing or incurrence;

(7) Indebtedness arising from agreements of the Issuer or its Restricted Subsidiaries providing for indemnification, adjustment of purchase price or similar obligations, in each case, incurred or assumed in connection with the disposition of any business, assets or a Subsidiary, other than guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or a Subsidiary for the purpose of financing such acquisition; *provided*, *however*, that such Indebtedness is not reflected on the balance sheet of the Issuer, or any of its Restricted Subsidiaries (contingent obligations referred to in a footnote to financial statements and not otherwise reflected on the balance sheet will not be deemed to be reflected on such balance sheet for purposes of this clause (7));

(8) Indebtedness of the Issuer to a Restricted Subsidiary; *provided* that any such Indebtedness owing to a Restricted Subsidiary that is not a Guarantor is expressly subordinated in right of payment to the Senior Subordinated Notes; *provided*, *further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an incurrence of such Indebtedness not permitted by this clause (8);

(9) Indebtedness of a Restricted Subsidiary to the Issuer or another Restricted Subsidiary; *provided* that if a Guarantor issues such Indebtedness to a Restricted Subsidiary that is not a Guarantor (other than to any Restricted Subsidiary engaged in the insurance business in order to provide insurance to the Issuer and its Subsidiaries), such Indebtedness is expressly subordinated in right of payment to the Guarantee of the Senior Subordinated Notes of such Guarantor; *provided*, *further*, that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Issuer or another Restricted Subsidiary) shall be deemed, in each case, to be an incurrence of such Indebtedness not permitted by this clause (9);

(10) shares of Preferred Stock of a Restricted Subsidiary issued to the Issuer or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Issuer or another of its Restricted Subsidiaries) shall be deemed in each case to be an issuance of such shares of Preferred Stock not permitted by this clause (10);

(11) Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes) for the purpose of limiting interest rate risk with respect to any Indebtedness permitted to be incurred pursuant to "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock," or exchange rate risk or commodity pricing risk;

(12) obligations in respect of performance, bid, appeal and surety bonds and completion guarantees provided by the Issuer or any of its Restricted Subsidiaries in the ordinary course of business;

(13) (a) Indebtedness or Disqualified Stock of the Issuer and Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or any Restricted Subsidiary equal to 100.0% of the net cash proceeds received by the Issuer since immediately after the Issue Date from the issue or sale of Equity Interests of the Issuer or cash contributed to the capital of the Issuer (in each case, other than Excluded Contributions or proceeds of Disqualified Stock or sales of Equity Interests to the Issuer or any of its Subsidiaries) as determined in accordance with clauses (3)(b) and (3) (c) of the first paragraph of "—Limitation on Restricted Payments" to the extent such net cash proceeds or cash have not been applied pursuant to such clauses to make Restricted Payments or to make other Investments, payments or exchanges pursuant to the second paragraph of "—Limitation on Restricted Payments" or to make Permitted Investments (other than Permitted Investments specified in clauses (1) and (3) of the definition thereof) and (b) Indebtedness or Disqualified Stock of Issuer and Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or any Restricted Subsidiary not otherwise permitted hereunder in an aggregate principal amount or liquidation preference, which when aggregated with the principal amount and liquidation preference of all other Indebtedness, Disqualified Stock and Preferred Stock then outstanding and incurred pursuant to this clause (13)(b), does not at any one time outstanding exceed \$250.0 million; *provided, however* that on a *pro forma basis*, together with any amounts incurred and outstanding by Restricted Subsidiaries that are not Guarantors pursuant to the second proviso to the first paragraph of this covenant and clauses (15) and (20), no more than \$250.0 million of Indebtedness, Disqualified Stock or Preferred Stock at any one time outstanding and incurred pursuant to this clause (13)(b) shall be incurred by Restricted Subsidiaries that are not Guarantors (it being understood that any Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to this clause (13)(b) shall cease to be deemed incurred or outstanding for purposes of this clause (13)(b) but shall be deemed incurred for the purposes of the first paragraph of this covenant from and after the first date on which the Issuer or such Restricted Subsidiary could have incurred such Indebtedness, Disqualified Stock or Preferred Stock under the first paragraph of this covenant without reliance on this clause (13)(b));

(14) the incurrence or issuance by the Issuer or any Restricted Subsidiary of Indebtedness, Disqualified Stock or Preferred Stock which serves to refund or refinance any Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or any Restricted Subsidiary incurred as permitted under the first paragraph of this covenant and clauses (2), (3), (4), (5) and (13)(a) above, this clause (14) and clause (15) below or any Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or any Restricted Subsidiary issued to so refund or refinance such Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or any Restricted Subsidiary including additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay premiums (including reasonable tender premiums), defeasance costs and fees in connection therewith (the "*Refinancing Indebtedness*") prior to its respective maturity; *provided, however*, that such Refinancing Indebtedness:

(a) has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is incurred which is not less than the remaining Weighted Average Life to Maturity of the Indebtedness, Disqualified Stock or Preferred Stock being refunded or refinanced,

(b) to the extent such Refinancing Indebtedness refinances (i) Indebtedness subordinated or *pari passu* to the Senior Subordinated Notes or any Guarantee thereof, such Refinancing Indebtedness is subordinated or *pari passu* to the Senior Subordinated Notes or the Guarantee at least to the same extent as the Indebtedness being refinanced or refunded or (ii) Disqualified

Stock or Preferred Stock, such Refinancing Indebtedness must be Disqualified Stock or Preferred Stock, respectively, and

(c) shall not include Indebtedness, Disqualified Stock or Preferred Stock of a Subsidiary of the Issuer that is not a Guarantor that refinances Indebtedness, Disqualified Stock or Preferred Stock of the Issuer or a Guarantor;

and *provided further* that subclause (a) of this clause (14) will not apply to any refunding or refinancing of any Indebtedness outstanding under a Credit Facility;

(15) Indebtedness, Disqualified Stock or Preferred Stock of (x) the Issuer or a Restricted Subsidiary incurred to finance an acquisition of any Person or assets or (y) Persons that are acquired by the Issuer or any Restricted Subsidiary or merged into the Issuer or a Restricted Subsidiary in accordance with the terms of the Senior Subordinated Indenture; *provided* that after giving effect to such acquisition or merger, either:

(a) the Issuer would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of this covenant, or

(b) the Fixed Charge Coverage Ratio of the Issuer and the Restricted Subsidiaries is greater than immediately prior to such acquisition or merger;

*provided, however* that on a *pro forma* basis, together with amounts incurred and outstanding pursuant to the second proviso to the first paragraph of this covenant and clauses (13)(b) and (20), no more than \$250.0 million of Indebtedness, Disqualified Stock or Preferred Stock at any one time outstanding and incurred by Restricted Subsidiaries that are not Guarantors pursuant to this clause (15) shall be incurred and outstanding;

(16) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; *provided* that such Indebtedness is extinguished within two Business Days of its incurrence;

(17) Indebtedness of the Issuer or any of its Restricted Subsidiaries supported by a letter of credit issued pursuant to any Credit Facilities, in a principal amount not in excess of the stated amount of such letter of credit;

(18) (a) any guarantee by the Issuer or a Restricted Subsidiary of Indebtedness or other Obligations of any Restricted Subsidiary, so long as the incurrence of such Indebtedness incurred by such Restricted Subsidiary is permitted under the terms of the Senior Subordinated Indenture, or (b) any guarantee by a Restricted Subsidiary of Indebtedness of the Issuer permitted to be incurred under the terms of the Senior Subordinated Indenture; *provided* that such guarantee is incurred in accordance with the covenant described below under "—Limitation on Guarantees of Indebtedness by Restricted Subsidiaries";

(19) Indebtedness of Foreign Subsidiaries of the Issuer in an amount not to exceed at any one time outstanding and together with any other Indebtedness incurred under this clause (19) 5.0% of the Total Assets of the Foreign Subsidiaries (it being understood that any Indebtedness incurred pursuant to this clause (19) shall cease to be deemed incurred or outstanding for purposes of this clause (19) but shall be deemed incurred for the purposes of the first paragraph of this covenant from and after the first date on which the Issuer or such Restricted Subsidiaries could have incurred such Indebtedness under the first paragraph of this covenant without reliance on this clause (19));

(20) Indebtedness, Disqualified Stock or Preferred Stock of a Restricted Subsidiary incurred to finance or assumed in connection with an acquisition in a principal amount not to exceed \$100.0 million in the aggregate at any one time outstanding together with all other Indebtedness, Disqualified Stock and/or Preferred Stock issued under this clause (20) (it being understood that any Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to this clause (20) shall cease to

be deemed incurred or outstanding for purposes of this clause (20) but shall be deemed incurred for the purposes of the first paragraph of this covenant from and after the first date on which such Restricted Subsidiary could have incurred such Indebtedness, Disqualified Stock or Preferred Stock under the first paragraph of this covenant without reliance on this clause (20)); *provided, however*, that, on a *pro forma* basis, together with amounts incurred and outstanding by Restricted Subsidiaries that are not Guarantors pursuant to the second proviso to the first paragraph of this covenant and clauses (13)(b) and (15), no more than \$250.0 million of Indebtedness would be incurred and outstanding by Restricted Subsidiaries that are not Guarantors;

(21) Indebtedness of the Issuer or any of its Restricted Subsidiaries consisting of (i) the financing of insurance premiums or (ii) take-or-pay obligations contained in supply arrangements, in each case, incurred in the ordinary course of business; and

(22) Indebtedness consisting of Indebtedness issued by the Issuer or any of its Restricted Subsidiaries to current or former officers, directors and employees thereof, their respective estates, spouses or former spouses, in each case to finance the purchase or redemption of Equity Interests of the Issuer or any direct or indirect parent company of the Issuer to the extent described in clause (4) of the second paragraph under the caption "—Limitation on Restricted Payments."

For purposes of determining compliance with this covenant:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (22) above or is entitled to be incurred pursuant to the first paragraph of this covenant, the Issuer, in its sole discretion, will classify or reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and will only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one of the above clauses; *provided* that all Indebtedness outstanding under the Credit Facilities on the Issue Date will be treated as incurred on the Issue Date under clause (1) of the preceding paragraph; and

(2) at the time of incurrence, the Issuer will be entitled to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in the first and second paragraphs above.

Accrual of interest, the accretion of accreted value and the payment of interest in the form of additional Indebtedness, Disqualified Stock or Preferred Stock will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this covenant.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

### ***Limitation on Layering***

The Issuer will not, and will not permit any Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is subordinate in right of payment to any Senior Indebtedness of the Issuer or such Guarantor, as the case may be, unless such Indebtedness is either:

- (1) equal in right of payment with the Senior Subordinated Notes or such Guarantor's Guarantee of the Senior Subordinated Notes, as the case may be; or
- (2) expressly subordinated in right of payment to the Senior Subordinated Notes or such Guarantor's Guarantee of the Senior Subordinated Notes, as the case may be, *provided* that this covenant shall not apply to Indebtedness incurred under clause (1) of the second paragraph under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified and Preferred Stock."

The Senior Subordinated Indenture will not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Senior Indebtedness as subordinated or junior to any other Senior Indebtedness merely because it has a junior priority with respect to the same collateral.

### ***Liens***

The Issuer will not, and will not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Senior Subordinated Indebtedness or Subordinated Indebtedness or any related Guarantee, on any asset or property of the Issuer or any Guarantor now owned or hereafter acquired, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

- (1) in the case of Liens securing Subordinated Indebtedness, the Senior Subordinated Notes and related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; or
- (2) in all other cases, the Senior Subordinated Notes or the Guarantees are equally and ratably secured or are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens.

Any Lien which is granted to secure the Senior Subordinated Notes under this covenant shall be discharged at the same time as the discharge of the Lien (other than through the exercise of remedies with respect thereto) that gave rise to the obligation to so secure the Senior Subordinated Notes.

### ***Merger, Consolidation or Sale of All or Substantially All Assets***

The Issuer may not consolidate or merge with or into or wind up into (whether or not the Issuer is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

- (1) the Issuer is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than the Issuer) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation organized or existing under the laws of the jurisdiction of organization of the Issuer or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Person, as the case may be, being herein called the "*Successor Company*");
- (2) the Successor Company, if other than the Issuer, expressly assumes all the obligations of the Issuer under the Senior Subordinated Notes and the Senior Subordinated Indenture pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(3) immediately after such transaction, no Default exists;

(4) immediately after giving *pro forma* effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the applicable four-quarter period,

(a) the Successor Company would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first sentence of the covenant described under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock," or

(b) the Fixed Charge Coverage Ratio for the Successor Company, the Issuer and its Restricted Subsidiaries would be greater than such ratio for the Issuer and its Restricted Subsidiaries immediately prior to such transaction;

(5) each Guarantor, unless it is the other party to the transactions described above, in which case clause (b) of the second succeeding paragraph shall apply, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under the Senior Subordinated Indenture, the Senior Subordinated Notes and the Registration Rights Agreement; and

(6) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Senior Subordinated Indenture.

The Successor Company will succeed to, and be substituted for the Issuer, as the case may be, under the Senior Subordinated Indenture, the Guarantees and the Senior Subordinated Notes, as applicable. Notwithstanding the foregoing clauses (3) and (4),

(1) any Restricted Subsidiary may consolidate with or merge into or transfer all or part of its properties and assets to the Issuer, and

(2) the Issuer may merge with an Affiliate of the Issuer, as the case may be, solely for the purpose of reincorporating the Issuer in a State of the United States or any state thereof, the District of Columbia or any territory thereof so long as the amount of Indebtedness of the Issuer and its Restricted Subsidiaries is not increased thereby.

Subject to certain limitations described in the Senior Subordinated Indenture governing release of a Guarantee upon the sale, disposition or transfer of a Guarantor, no Guarantor will, and the Issuer will not permit any Guarantor to, consolidate or merge with or into or wind up into (whether or not the Issuer or Guarantor is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(1) (a) such Guarantor is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Guarantor or such Person, as the case may be, being herein called the "*Successor Person*");

(b) the Successor Person, if other than such Guarantor, expressly assumes all the obligations of such Guarantor under the Senior Subordinated Indenture and such Guarantor's related Guarantee pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(c) immediately after such transaction, no Default exists; and

(d) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Senior Subordinated Indenture; or

(2) the transaction is made in compliance with the covenant described under "Repurchase at the Option of Holders—Asset Sales."

Subject to certain limitations described in the Senior Subordinated Indenture, the Successor Person will succeed to, and be substituted for, such Guarantor under the Senior Subordinated Indenture and such Guarantor's Guarantee. Notwithstanding the foregoing, any Guarantor may (i) merge into or transfer all or part of its properties and assets to another Guarantor or the Issuer, (ii) merge with an Affiliate of the Issuer solely for the purpose of reincorporating the Guarantor in the United States, any state thereof, the District of Columbia or any territory thereof or (iii) convert into a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor.

### ***Transactions with Affiliates***

The Issuer will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Issuer (each of the foregoing, an "*Affiliate Transaction*") involving aggregate payments or consideration in excess of \$15.0 million, unless:

(1) such Affiliate Transaction is on terms that are not materially less favorable to the Issuer or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm's-length basis; and

(2) the Issuer delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$25.0 million, a resolution adopted by the majority of the board of directors of the Issuer approving such Affiliate Transaction and set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with clause (1) above.

The foregoing provisions will not apply to the following:

(1) transactions between or among the Issuer or any of its Restricted Subsidiaries;

(2) Restricted Payments permitted by the provisions of the Senior Subordinated Indenture described above under the covenant "—Limitation on Restricted Payments" and the definition of "Permitted Investments";

(3) the payment of management, consulting, monitoring and advisory fees and related expenses to the Investors pursuant to the Sponsor Management Agreement (plus any unpaid management, consulting, monitoring and advisory fees and related expenses accrued in any prior year) and the termination fees pursuant to the Sponsor Management Agreement, in each case as in effect on the Issue Date, or any amendment thereto (so long as any such amendment is not disadvantageous in the good faith judgment of the board of directors of the Issuer to the Holders when taken as a whole as compared to the Sponsor Management Agreement in effect on the Issue Date);

(4) the payment of reasonable and customary fees paid to, and indemnities provided for the benefit of, officers, directors, employees or consultants of Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries;

(5) transactions in which the Issuer or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is

fair to the Issuer or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Issuer or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Issuer or such Restricted Subsidiary with an unrelated Person on an arm's-length basis;

(6) any agreement as in effect as of the Issue Date, or any amendment thereto (so long as any such amendment is not disadvantageous to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date in the reasonable determination of the Issuer);

(7) the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of its obligations under the terms of, any stockholders agreement (including any registration rights agreement or purchase agreement related thereto) to which it is a party as of the Issue Date and any similar agreements which it may enter into thereafter; *provided, however*, that the existence of, or the performance by the Issuer or any of its Restricted Subsidiaries of obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date shall only be permitted by this clause (7) to the extent that the terms of any such amendment or new agreement are not otherwise disadvantageous to the Holders when taken as a whole in the reasonable determination of the Issuer;

(8) the Transactions and the payment of all fees and expenses related to the Transactions, in each case as disclosed in the offering documentation relating to the outstanding notes;

(9) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of the Senior Subordinated Indenture which are fair to the Issuer and its Restricted Subsidiaries, in the reasonable determination of the board of directors of the Issuer or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(10) the issuance of Equity Interests (other than Disqualified Stock) of the Issuer to any Permitted Holder or to any director, officer, employee or consultant;

(11) sales of accounts receivable, or participations therein, in connection with the ABL Facility and any Receivables Facility;

(12) payments by the Issuer or any of its Restricted Subsidiaries to any of the Investors made for any financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including, without limitation, in connection with acquisitions or divestitures, which payments are approved by a majority of the board of directors of the Issuer in good faith;

(13) payments or loans (or cancellation of loans) to employees or consultants of the Issuer, any of its direct or indirect parent companies or any of its Restricted Subsidiaries and employment agreements, stock option plans and other similar arrangements with such employees or consultants which, in each case, are approved by the Issuer in good faith;

(14) investments by the Investors in securities of the Issuer or any of its Restricted Subsidiaries so long as (i) the investment is being offered generally to other investors on the same or more favorable terms and (ii) the investment constitutes less than 5.0% of the proposed or outstanding issue amount of such class of securities;

(15) payments to or from, and transactions with, any joint ventures in the ordinary course of business; and

(16) payments by the Issuer (and any direct or indirect parent thereof) and its Subsidiaries pursuant to tax sharing agreements among the Issuer (and any such parent) and its Subsidiaries on customary terms to the extent attributable to the ownership or operation of the Issuer and its Subsidiaries; *provided* that in each case the amount of such payments in any fiscal year does not exceed

the amount that the Issuer, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent of amounts received from Unrestricted Subsidiaries) would be required to pay in respect of foreign, federal, state and local taxes for such fiscal year were the Issuer and its Restricted Subsidiaries (to the extent described above) to pay such taxes separately from any such parent entity.

***Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries***

The Issuer will not, and will not permit any of its Restricted Subsidiaries that are not Guarantors to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

(1) (a) pay dividends or make any other distributions to the Issuer or any of its Restricted Subsidiaries on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits, or

(b) pay any Indebtedness owed to the Issuer or any of its Restricted Subsidiaries;

(2) make loans or advances to the Issuer or any of its Restricted Subsidiaries; or

(3) sell, lease or transfer any of its properties or assets to the Issuer or any of its Restricted Subsidiaries,

except (in each case) for such encumbrances or restrictions existing under or by reason of:

(a) contractual encumbrances or restrictions in effect on the Issue Date, including pursuant to the Senior Credit Facilities and the related documentation;

(b) the Senior Indenture, the Senior Notes, the Senior Subordinated Indenture and the Senior Subordinated Notes;

(c) purchase money obligations for property acquired in the ordinary course of business that impose restrictions of the nature discussed in clause (3) above on the property so acquired;

(d) applicable law or any applicable rule, regulation or order;

(e) any agreement or other instrument of a Person acquired by the Issuer or any Restricted Subsidiary in existence at the time of such acquisition (but not created in connection therewith or in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person and its Subsidiaries, or the property or assets of the Person and its Subsidiaries, so acquired;

(f) contracts for the sale of assets, including customary restrictions with respect to a Subsidiary of the Issuer pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock or assets of such Subsidiary;

(g) Secured Indebtedness that limits the right of the debtor to dispose of the assets securing such Indebtedness that is otherwise permitted to be incurred pursuant to the covenants described under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock" and "—Liens";

(h) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(i) other Indebtedness, Disqualified Stock or Preferred Stock of Foreign Subsidiaries permitted to be incurred subsequent to the Issue Date pursuant to the provisions of the covenant described under "—Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock";

(j) customary provisions in joint venture agreements and other agreements or arrangements relating solely to such joint venture;

(k) customary provisions contained in leases or licenses of intellectual property and other agreements, in each case entered into in the ordinary course of business;

(l) any encumbrances or restrictions of the type referred to in clauses (1), (2) and (3) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (a) through (k) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Issuer, no more restrictive with respect to such encumbrance and other restrictions taken as a whole than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing; and

(m) restrictions created in connection with any Receivables Facility that, in the good faith determination of the Issuer, are necessary or advisable to effect the transactions contemplated under such Receivables Facility.

***Limitation on Guarantees of Indebtedness by Restricted Subsidiaries***

The Issuer will not permit any of its Wholly-Owned Subsidiaries that are Restricted Subsidiaries (and non-Wholly-Owned Subsidiaries if such non-Wholly-Owned Subsidiaries guarantee other capital markets debt securities of the Issuer or any Guarantor), other than a Guarantor, a Foreign Subsidiary or a Receivables Subsidiary, to guarantee the payment of any Indebtedness of the Issuer or any other Guarantor unless:

(1) such Restricted Subsidiary within 30 days executes and delivers a supplemental indenture to the Senior Subordinated Indenture providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Issuer or any Guarantor:

(a) if the Senior Subordinated Notes or such Guarantor's Guarantee are subordinated in right of payment to such Indebtedness, the Guarantee under the supplemental indenture shall be subordinated to such Restricted Subsidiary's guarantee with respect to such Indebtedness substantially to the same extent as the Senior Subordinated Notes are subordinated to such Indebtedness; and

(b) if such Indebtedness is by its express terms subordinated in right of payment to the Senior Subordinated Notes or such Guarantor's Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Senior Subordinated Notes; and

(2) such Restricted Subsidiary waives, and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Issuer or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee;

*provided* that this covenant shall not be applicable to (i) any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary and (ii) guarantees of any Receivables Facility by any Receivables Subsidiary.

## ***Reports and Other Information***

Notwithstanding that the Issuer may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, the Senior Subordinated Indenture will require the Issuer to file with the SEC (and make available to the Trustee and Holders (without exhibits), without cost to any Holder, within 15 days after it files with the SEC) from and after the Issue Date,

(1) within 90 days (or any other time period then in effect under the rules and regulations of the Exchange Act with respect to the filing of a Form 10-K by a non-accelerated filer) after the end of each fiscal year, annual reports on Form 10-K, or any successor or comparable form, containing the information required to be contained therein, or required in such successor or comparable form;

(2) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, reports on Form 10-Q containing all information that would be required to be contained in Form 10-Q, or any successor or comparable form;

(3) promptly from time to time after the occurrence of an event required to be therein reported, such other reports on Form 8-K, or any successor or comparable form; and

(4) any other information, documents and other reports which the Issuer would be required to file with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act;

in each case in a manner that complies in all material respects with the requirements specified in such form; *provided* that the Issuer shall not be so obligated to file such reports with the SEC if the SEC does not permit such filing, in which event the Issuer will make available such information to prospective purchasers of Senior Subordinated Notes, in addition to providing such information to the Trustee and the Holders, in each case within 15 days after the time the Issuer would be required to file such information with the SEC if it were subject to Section 13 or 15 (d) of the Exchange Act. In addition, to the extent not satisfied by the foregoing, the Issuer will agree that, for so long as any Senior Subordinated Notes are outstanding, it will furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

In the event that any direct or indirect parent company of the Issuer becomes a Guarantor of the Senior Subordinated Notes, the Senior Subordinated Indenture will permit the Issuer to satisfy its obligations in this covenant with respect to financial information relating to the Issuer by furnishing financial information relating to such parent; *provided* that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Issuer and its Restricted Subsidiaries on a standalone basis, on the other hand.

Notwithstanding the foregoing, such requirements shall be deemed satisfied prior to the commencement of the exchange offer or the effectiveness of the shelf registration statement described in the Registration Rights Agreement (1) by the filing with the SEC of the exchange offer registration statement or shelf registration statement (or any other similar registration statement), and any amendments thereto, with such financial information that satisfies Regulation S-X, subject to exceptions consistent with the presentation of financial information in the offering documentation relating to the outstanding notes, to the extent filed within the times specified above, or (2) by posting reports that would be required to be filed substantially in the form required by the SEC on the Issuer's website (or that of any of its parent companies) or providing such reports to the Trustee within 15 days after the time the Issuer would be required to file such information with the SEC if it were subject to Section 13 or 15(d) of the Exchange Act, the financial information (including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" section) that would be required to be

included in such reports, subject to exceptions consistent with the presentation of financial information in the offering documentation relating to the outstanding notes, to the extent filed within the times specified above. Notwithstanding anything herein to the contrary, the Issuer will not be deemed to have failed to comply with any of its agreements set forth under this covenant for purposes of clause (3) under "Events of Default and Remedies" until 120 days after the date any report is required to be filed with the SEC (or posted on the Issuer's website or provided to the Trustee) pursuant to this covenant.

## Events of Default and Remedies

The Senior Subordinated Indenture provides that each of the following is an " *Event of Default* ":

- (1) default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Senior Subordinated Notes, whether or not such payment is prohibited by the subordination provisions of the Senior Subordinated Indenture;
- (2) default for 30 days or more in the payment when due of interest or Special Interest on or with respect to the Senior Notes, whether or not such payment is prohibited by the subordination provisions of the Senior Subordinated Indenture;
- (3) failure by the Issuer or any Guarantor for 60 days after receipt of written notice given by the Trustee or the Holders of not less 30% in principal amount of the Senior Subordinated Notes then outstanding under the Senior Subordinated Indenture to comply with any of its obligations, covenants or agreements (other than a default referred to in clauses (1) and (2) above) contained in the Senior Subordinated Indenture or the Senior Subordinated Notes;
- (4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Issuer or any of its Restricted Subsidiaries or the payment of which is guaranteed by the Issuer or any of its Restricted Subsidiaries, other than Indebtedness owed to the Issuer or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Senior Subordinated Notes, if both:
  - (a) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and
  - (b) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$50.0 million or more at any one time outstanding;
- (5) failure by the Issuer or any Significant Subsidiary (or group of Subsidiaries that together would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of \$50.0 million, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;
- (6) certain events of bankruptcy or insolvency with respect to the Issuer or any Significant Subsidiary (or group of Subsidiaries that together would constitute a Significant Subsidiary); or
- (7) the Guarantee of any Significant Subsidiary (or group of Subsidiaries that together would constitute a Significant Subsidiary) shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer (or the responsible officers of any group of

Subsidiaries that together would constitute a Significant Subsidiary) of any Guarantor that is a Significant Subsidiary, as the case may be, denies that it has any further liability under its Guarantee or gives notice to such effect, other than by reason of the termination of the Senior Subordinated Indenture or the release of any such Guarantee in accordance with the Senior Subordinated Indenture.

If any Event of Default (other than of a type specified in clause (6) above) occurs and is continuing under the Senior Subordinated Indenture, the Trustee or the Holders of at least 30% in principal amount of the Senior Subordinated Notes then outstanding under the Senior Subordinated Indenture may declare the principal, premium, if any, interest and any other monetary obligations on all the Senior Subordinated Notes then outstanding under the Senior Subordinated Indenture to be due and payable immediately.

Upon the effectiveness of such declaration, such principal premium, if any, and interest will be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) of the first paragraph of this section, all outstanding Senior Subordinated Notes will become due and payable without further action or notice. The Senior Subordinated Indenture provides that the Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in their interest. In addition, the Trustee shall have no obligation to accelerate the Senior Subordinated Notes if in the best judgment of the Trustee acceleration is not in the best interest of the Holders.

The Senior Subordinated Indenture provides that the Holders of a majority in aggregate principal amount of the Senior Subordinated Notes then outstanding under the Senior Subordinated Indenture by notice to the Trustee may on behalf of the Holders of all of the Senior Subordinated Notes waive any existing Default and its consequences under the Senior Subordinated Indenture except a continuing Default in the payment of interest on, premium, if any, or the principal of any Senior Subordinated Note held by a non-consenting Holder. In the event of any Event of Default specified in clause (4) above, such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Senior Subordinated Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 20 days after such Event of Default arose:

- (1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged;
- (2) the Holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or
- (3) the default that is the basis for such Event of Default has been cured.

Subject to the provisions of the Senior Subordinated Indenture relating to the duties of the Trustee thereunder, in case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under the Senior Subordinated Indenture at the request or direction of any of the Holders unless the Holders have offered to the Trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no Holder may pursue any remedy with respect to the Senior Subordinated Indenture or the Senior Subordinated Notes unless:

- (1) such Holder has previously given the Trustee notice that an Event of Default is continuing;
- (2) Holders of at least 30% in principal amount of the then outstanding Senior Subordinated Notes have requested the Trustee to pursue the remedy;
- (3) Holders have offered the Trustee reasonable security or indemnity against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and

(5) Holders of a majority in principal amount of the then outstanding Senior Subordinated Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

Subject to certain restrictions, under the Senior Subordinated Indenture the Holders of a majority in principal amount of the total outstanding Senior Subordinated Notes are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or the Senior Subordinated Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability.

The Senior Subordinated Indenture provides that the Issuer is required to deliver to the Trustee annually a statement regarding compliance with the Senior Subordinated Indenture, and the Issuer is required, within five Business Days, upon becoming aware of any Default, to deliver to the Trustee a statement specifying such Default.

#### **No Personal Liability of Directors, Officers, Employees and Stockholders**

No director, officer, employee, incorporator or stockholder of the Issuer or any Guarantor or any of their parent companies (other than the Issuer and the Guarantors) shall have any liability for any obligations of the Issuer or the Guarantors under the Senior Subordinated Notes, the Guarantees or the Senior Subordinated Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting the Senior Subordinated Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Senior Subordinated Notes. Such waiver may not be effective to waive liabilities under the federal securities laws, and it is the view of the SEC that such a waiver is against public policy.

#### **Legal Defeasance and Covenant Defeasance**

The obligations of the Issuer and the Guarantors under the Senior Subordinated Indenture will terminate (other than certain obligations) and will be released upon payment in full of all of the Senior Subordinated Notes issued under the Senior Subordinated Indenture. The Issuer may, at its option and at any time, elect to have all of its obligations discharged with respect to the Senior Subordinated Notes issued under the Senior Subordinated Indenture and have the Issuer's and each Guarantor's obligation discharged with respect to its Guarantee (" *Legal Defeasance* ") and cure all then existing Events of Default except for:

(1) the rights of Holders issued under the Senior Subordinated Indenture to receive payments in respect of the principal of, premium, if any, and interest on the Senior Subordinated Notes when such payments are due solely out of the trust created pursuant to the Senior Subordinated Indenture;

(2) the Issuer's obligations with respect to Senior Subordinated Notes concerning issuing temporary notes, registration of such Senior Subordinated Notes, mutilated, destroyed, lost or stolen Senior Subordinated Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuer's obligations in connection therewith; and

(4) the Legal Defeasance provisions of the Senior Subordinated Indenture.

In addition, the Issuer may, at its option and at any time, elect to have its obligations and those of each Guarantor released with respect to certain covenants that are described in the Senior

Subordinated Indenture (" *Covenant Defeasance* ") and thereafter any omission to comply with such obligations shall not constitute a Default with respect to the Senior Subordinated Notes. In the event Covenant Defeasance occurs, certain events (not including bankruptcy, receivership, rehabilitation and insolvency events pertaining to the Issuer) described under "Events of Default and Remedies" will no longer constitute an Event of Default with respect to the Senior Subordinated Notes.

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Senior Subordinated Notes:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest due on the Senior Subordinated Notes issued under the Senior Subordinated Indenture on the stated maturity date or on the redemption date, as the case may be, of such principal, premium, if any, or interest on such Senior Subordinated Notes, and the Issuer must specify whether such Senior Subordinated Notes are being defeased to maturity or to a particular redemption date;

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(a) the Issuer has received from, or there has been published by, the United States Internal Revenue Service a ruling, or

(b) since the original issuance of the Senior Subordinated Notes, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Senior Credit Facilities, the Senior Indenture, the Senior Notes or any other material agreement or instrument (other than the Senior Subordinated Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(6) the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that, as of the date of such opinion and subject to customary assumptions and exclusions following the deposit, the trust funds will not be subject to the effect of Section 547 of Title 11 of the United States Code;

(7) the Issuer shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or any Guarantor or others; and

(8) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

### **Satisfaction and Discharge**

The Senior Subordinated Indenture will be discharged and will cease to be of further effect as to all Senior Subordinated Notes issued thereunder, when either:

(1) all Senior Subordinated Notes theretofore authenticated and delivered, except lost, stolen or destroyed Senior Subordinated Notes which have been replaced or paid and Senior Subordinated Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(2) (a) all Senior Subordinated Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or may be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the Senior Subordinated Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(b) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) with respect to the Senior Subordinated Indenture or the Senior Subordinated Notes shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit, and such deposit will not result in a breach or violation of, or constitute a default under, the Senior Credit Facilities, the Senior Indenture, the Senior Notes or any other material agreement or instrument (other than the Senior Subordinated Indenture) to which the Issuer or any Guarantor is a party or by which the Issuer or any Guarantor is bound (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(c) the Issuer has paid or caused to be paid all sums payable by it under the Senior Subordinated Indenture; and

(d) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Senior Subordinated Notes at maturity or the redemption date, as the case may be.

In addition, the Issuer must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

## Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the Senior Subordinated Indenture, any Guarantee, and the Senior Subordinated Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the Senior Subordinated Notes then outstanding, including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Senior Subordinated Notes, and any existing Default or compliance with any provision of the Senior Subordinated Indenture, the Senior Subordinated Notes issued thereunder, any Guarantee may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Senior Subordinated Notes, other than Senior Subordinated Notes beneficially owned by the Issuer or its Affiliates (including consents obtained in connection with a purchase of or tender offer or exchange offer for the Senior Subordinated Notes).

The Senior Subordinated Indenture provides that, without the consent of each affected Holder, an amendment or waiver may not, with respect to any Senior Subordinated Notes held by a non-consenting Holder:

- (1) reduce the principal amount of such Senior Subordinated Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed final maturity of any such Senior Subordinated Note or alter or waive the provisions with respect to the redemption of such Senior Subordinated Notes (other than provisions relating to the covenants described above under the caption "Repurchase at the Option of Holders");
- (3) reduce the rate of or change the time for payment of interest on any Senior Subordinated Note;

## REGISTRATION RIGHTS

We, the guarantors of the notes and the initial purchasers entered into a registration rights agreement on July 6, 2007 pursuant to which we and the guarantors agreed to, at our expense, for the benefit of the holders of each series of notes, (i) file one or more registration statements on an appropriate registration form (each, an "exchange offer registration statement") with respect to a registered offer (each, an "exchange offer") to exchange each series of notes for new notes guaranteed by the guarantors, on a senior basis, with terms substantially identical in all material respects to the senior notes or the senior subordinated notes, as the case may be (the notes so exchanged, the "exchange notes" (except that the exchange notes will not contain terms with respect to transfer restrictions) and (ii) use reasonable best efforts to cause such exchange offer registration statement to be declared effective under the Securities Act. Upon an exchange offer registration statement being declared effective, we will offer the applicable exchange notes (and the related guarantees) in exchange for surrender of the applicable series of notes. We will keep each exchange offer open for not less than 20 business days (or longer if required by applicable law) after the date notice of the applicable exchange offer is mailed to the holders. For each of the notes surrendered to us pursuant to an exchange offer, the holder who surrendered such note will receive a related exchange note having a principal amount equal to that of the surrendered note. Interest on each exchange note will accrue (A) from the later of (i) the last interest payment date on which interest was paid on the note surrendered in exchange therefor or (ii) if the note is surrendered for exchange on a date in a period that includes the record date for an interest payment date to occur on or after the date of such exchange and as to which interest will be paid, the date of such interest payment date or (B) if no interest has been paid on such note, from the original issue date of the notes.

Under existing SEC interpretations contained in several no-action letters to third parties, the exchange notes and the related guarantees will be freely transferable by holders (other than our affiliates) after the applicable exchange offer without further registration under the Securities Act; provided, however, that each holder that wishes to exchange its notes for exchange notes will be required to represent (i) that it will acquire the exchange notes in the ordinary course of its business, (ii) that, at the time of the commencement of the applicable exchange offer, it has no arrangement or understanding with any person to participate in the distribution (within the meaning of Securities Act) of the applicable exchange notes in violation of the Securities Act, (iii) that it is not an "affiliate" (as defined in Rule 405 promulgated under Securities Act) of ours, (iv) if such holder is not a broker-dealer, that it is not engaged in, and does not intend to engage in, the distribution of applicable exchange notes and (v) if such holder is a broker-dealer (a "participating broker-dealer") that will receive exchange notes for its own account in exchange for notes that were acquired as a result of market-making or other trading activities, that it will deliver a prospectus in connection with any resale of such exchange notes. We agreed to make available, during the period required by the Securities Act, a prospectus meeting the requirements of the Securities Act for use by participating broker-dealers and other persons, if any, with similar prospectus delivery requirements for use in connection with any resale of exchange notes.

If (i) because of any change in law or in currently prevailing interpretations of the Staff of the SEC, we are not permitted to effect an exchange offer, (ii) an exchange offer is not consummated within 270 days of the original issue date of the notes, (iii) in certain circumstances, certain holders of unregistered exchange notes so request, or (iv) in the case of any holder that participates in an exchange offer, such holder does not receive exchange notes on the date of the exchange that may be sold without restriction under state and federal securities laws (other than due solely to the status of such holder as an affiliate of ours within the meaning of the Securities Act), then, in each case, we will (x) promptly deliver to the holders and the applicable trustee written notice thereof and (y) at our sole expense, (a) promptly file a shelf registration statement covering resales of the applicable series of notes and (b) use our reasonable best efforts to keep effective such shelf registration statement until

the earliest of (i) two years after the original issue date of the notes, (ii) such time as all of the applicable notes have been sold thereunder or (iii) the date upon which all notes covered by such shelf registration statement become eligible for resale, without regard to volume or other restrictions contained in Rule 144 (the "shelf registration period"). We will, in the event that a shelf registration statement is filed, provide to each holder whose notes are registered under such shelf registration statement copies of the prospectus that is part of such shelf registration statement, notify each such holder when such shelf registration statement has become effective and take certain other actions as are required to permit unrestricted resales of the applicable series of notes. A holder that sells notes pursuant to a shelf registration statement will be required to be named as a selling security holder in the related prospectus and to deliver a prospectus to purchasers, will be subject to certain of the civil liability provisions under Securities Act in connection with such sales and will be bound by the provisions of the applicable registration rights agreement that are applicable to such a holder (including certain indemnification rights and obligations).

If (A) we have not exchanged notes for all notes validly tendered in accordance with the terms of an exchange offer on or prior to the 270<sup>th</sup> day after the original issue date of the notes or (B) if applicable, a shelf registration statement covering resales of the applicable series of notes has been declared effective and such shelf registration statement ceases to be effective at any time during the shelf registration period (subject to certain exceptions), then additional interest shall accrue on the principal amount of the applicable series of notes at a rate of 0.25% per annum (which rate will be increased by an additional 0.25% per annum for each subsequent 90-day period that such additional interest continues to accrue, provided that the rate at which such additional interest accrues may in no event exceed 1.00% per annum) commencing on (x) the 271<sup>st</sup> day after the original issue date of the notes, in the case of (A) above, or (y) the day such shelf registration statement ceases to be effective, in the case of (B) above; provided, however, that upon the exchange of exchange notes for all notes tendered (in the case of clause (A) above, or upon the effectiveness of a shelf registration statement that had ceased to remain effective (in the case of clause (B) above), additional interest on such notes as a result of such clause (or the relevant sub-clause thereof), as the case may be, shall cease to accrue.

Any amounts of additional interest due will be payable in cash on the same original interest payment dates as interest on the notes is payable.

The exchange notes will be accepted for clearance through The Depository Trust Company.

This summary of the provisions of the registration rights agreement is subject to, and is qualified in its entirety by reference to, all the provisions of the registration rights agreement, a copy of which is filed as an exhibit to the registration statement of which this prospectus is a part.

## BOOK-ENTRY SETTLEMENT AND CLEARANCE

### The global notes

The exchange notes will be represented by global notes in definitive, fully registered form, without interest coupons (collectively, the "global notes").

Upon issuance, the global notes will be deposited with the Trustee as custodian for DTC and registered in the name of Cede & Co., as nominee of DTC.

Ownership of beneficial interests in each global note will be limited to persons who have accounts with DTC ("DTC participants") or persons who hold interests through DTC participants. We expect that under procedures established by DTC:

- upon deposit of each global note with DTC's custodian, DTC will credit portions of the principal amount of the global note to the accounts of the DTC participants designated by the initial purchasers; and
- ownership of beneficial interests in each global note will be shown on, and transfer of ownership of those interests will be effected only through, records maintained by DTC (with respect to interests of DTC participants) and the records of DTC participants (with respect to other owners of beneficial interests in the global note).

Beneficial interests in the global notes may not be exchanged for notes in physical, certificated form except in the limited circumstances described below.

### Book-entry procedures for the global notes

All interests in the global notes will be subject to the operations and procedures of DTC, Euroclear and Clearstream. We provide the following summaries of those operations and procedures solely for the convenience of investors. The operations and procedures of each settlement system are controlled by that settlement system and may be changed at any time. Neither we nor the initial purchasers are responsible for those operations or procedures.

DTC has advised us that it is:

- a limited purpose trust company organized under the laws of the State of New York;
- a "banking organization" within the meaning of the New York State Banking Law;
- a member of the Federal Reserve System;
- a "clearing corporation" within the meaning of the Uniform Commercial Code; and
- a "clearing agency" registered under Section 17A of the Exchange Act.

DTC was created to hold securities for its participants and to facilitate the clearance and settlement of securities transactions between its participants through electronic book-entry changes to the accounts of its participants. DTC's participants include securities brokers and dealers, including the initial purchasers; banks and trust companies; clearing corporations and other organizations. Indirect access to DTC's system is also available to others such as banks, brokers, dealers and trust companies; these indirect participants clear through or maintain a custodial relationship with a DTC participant, either directly or indirectly. Investors who are not DTC participants may beneficially own securities held by or on behalf of DTC only through DTC participants or indirect participants in DTC.

So long as DTC's nominee is the registered owner of a global note, that nominee will be considered the sole owner or holder of the notes represented by that global note for all purposes under the applicable indenture. Except as provided below, owners of beneficial interests in a global note:

- will not be entitled to have notes represented by the global note registered in their names;
- will not receive or be entitled to receive physical, certificated notes; and
- will not be considered the owners or holders of the notes under the applicable indenture for any purpose, including with respect to the giving of any direction, instruction or approval to the Trustee under the applicable indenture.

As a result, each investor who owns a beneficial interest in a global note must rely on the procedures of DTC to exercise any rights of a holder of notes under the applicable indenture (and, if the investor is not a participant or an indirect participant in DTC, on the procedures of the DTC participant through which the investor owns its interest).

Payments of principal, premium (if any) and interest with respect to the notes represented by a global note will be made by the Trustee to DTC's nominee as the registered holder of the global note. Neither we nor the Trustee will have any responsibility or liability for the payment of amounts to owners of beneficial interests in a global note, for any aspect of the records relating to or payments made on account of those interests by DTC, or for maintaining, supervising or reviewing any records of DTC relating to those interests.

Payments by participants and indirect participants in DTC to the owners of beneficial interests in a global note will be governed by standing instructions and customary industry practice and will be the responsibility of those participants or indirect participants and DTC.

Transfers between participants in DTC will be effected under DTC's procedures and will be settled in same-day funds. Transfers between participants in Euroclear or Clearstream will be effected in the ordinary way under the rules and operating procedures of those systems.

Cross-market transfers between DTC participants, on the one hand, and Euroclear or Clearstream participants, on the other hand, will be effected within DTC through the DTC participants that are acting as depositaries for Euroclear and Clearstream. To deliver or receive an interest in a global note held in a Euroclear or Clearstream account, an investor must send transfer instructions to Euroclear or Clearstream, as the case may be, under the rules and procedures of that system and within the established deadlines of that system. If the transaction meets its settlement requirements, Euroclear or Clearstream, as the case may be, will send instructions to its DTC depository to take action to effect final settlement by delivering or receiving interests in the relevant global notes in DTC, and making or receiving payment under normal procedures for same-day funds settlement applicable to DTC. Euroclear and Clearstream participants may not deliver instructions directly to the DTC depositaries that are acting for Euroclear or Clearstream.

Because of time zone differences, the securities account of a Euroclear or Clearstream participant that purchases an interest in a global note from a DTC participant will be credited on the business day for Euroclear or Clearstream immediately following the DTC settlement date. Cash received in Euroclear or Clearstream from the sale of an interest in a global note to a DTC participant will be received with value on the DTC settlement date but will be available in the relevant Euroclear or Clearstream cash account as of the business day for Euroclear or Clearstream following the DTC settlement date.

DTC, Euroclear and Clearstream have agreed to the above procedures to facilitate transfers of interests in the global notes among participants in those settlement systems. However, the settlement systems are not obligated to perform these procedures and may discontinue or change these procedures at any time. Neither we nor the Trustee will have any responsibility for the performance by DTC,

Euroclear or Clearstream or their participants or indirect participants of their obligations under the rules and procedures governing their operations.

### **Certificated notes**

Notes in physical, certificated form will be issued and delivered to each person that DTC identifies as a beneficial owner of the related notes only if:

- DTC notifies us at any time that it is unwilling or unable to continue as depository for the global notes and a successor depository is not appointed within 90 days;
- DTC ceases to be registered as a clearing agency under the Exchange Act and a successor depository is not appointed within 90 days;
- we, at our option, notify the Trustee that we elect to cause the issuance of certificated notes; or
- certain other events provided in the applicable indenture should occur.

**UNITED STATES FEDERAL INCOME TAX CONSEQUENCES  
OF THE EXCHANGE OFFER**

The exchange of outstanding notes for exchange notes in the exchange offer will not constitute a taxable event to holders for United States federal income tax purposes. Consequently, no gain or loss will be recognized by a holder upon receipt of an exchange note, the holding period of the exchange note will include the holding period of the outstanding note exchanged therefor and the basis of the exchange note will be the same as the basis of the outstanding note immediately before the exchange.

**In any event, persons considering the exchange of outstanding notes for exchange notes should consult their own tax advisors concerning the United States federal income tax consequences in light of their particular situations as well as any consequences arising under the laws of any other taxing jurisdiction.**

## CERTAIN ERISA CONSIDERATIONS

The notes may be purchased and held by an employee benefit plan subject to Title I of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), or by an individual retirement account or other plan subject to Section 4975 of the Internal Revenue Code of 1986, as amended ("Code"). A fiduciary of an employee benefit plan subject to ERISA must, however, determine that the purchase and holding of a note is consistent with its fiduciary duties under ERISA. The fiduciary of an ERISA plan, as well as any other prospective investor subject to Section 4975 of the Code or any similar law, must also determine that the purchase and holding of notes does not result in a non-exempt prohibited transaction as defined in Section 406 of ERISA or Section 4975 of the Code or any similar law. Each purchaser and transferee of a note who is subject to Section 406 of ERISA and/or Section 4975 of the Code or any similar law ("Plan Investor") will be deemed to have represented to us, by its acquisition and holding of the note, that its acquisition and holding of the notes does not constitute or give rise to a non-exempt prohibited transaction under Section 406 of ERISA, Section 4975 of the Code or any similar law. The sale of any notes to any Plan Investor is in no respect a representation by us or any of our affiliates or representatives that such an investment meets all relevant legal requirements with respect to investments by Plan Investors generally or any particular Plan Investor, or that such an investment is appropriate for Plan Investors generally or any particular Plan Investor.

## PLAN OF DISTRIBUTION

Each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of exchange notes received in exchange for outstanding notes where the outstanding notes were acquired as a result of market-making activities or other trading activities. To the extent any such broker-dealer participates in the exchange offer, we have agreed that for a period of up to 90 days we will use our reasonable best efforts to make this prospectus, as amended or supplemented, available to such broker-dealer for use in connection with any such resale, and will deliver as many additional copies of this prospectus and each amendment or supplement to this prospectus and any documents incorporated by reference in this prospectus as such broker-dealer may reasonably request.

We will not receive any proceeds from any sale of exchange notes by broker-dealers. Exchange notes received by broker-dealers for their own accounts pursuant to the exchange offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the exchange notes or a combination of these methods of resale, at market prices prevailing at the time of resale, at prices related to the prevailing market prices or negotiated prices. Any resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any broker-dealer or the purchasers of any exchange notes. Any broker-dealer that resells exchange notes that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of the exchange notes may be deemed to be an "underwriter" within the meaning of the Securities Act and any profit on any resale of exchange notes and any commissions or concessions received by these persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

We have agreed to pay all expenses incident to the exchange offer and will indemnify the holders of outstanding notes, including any broker-dealers, against certain liabilities, including liabilities under the Securities Act.

## LEGAL MATTERS

The validity of the exchange notes and related guarantees offered hereby will be passed upon by Simpson Thacher & Bartlett LLP, New York, New York with respect to validity under Delaware and California law and Baker, Donelson, Bearman, Caldwell & Berkowitz, P.C. with respect to validity under Tennessee and Kentucky law.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors and Shareholders of  
Dollar General Corporation  
Goodlettsville, Tennessee

We have audited the accompanying consolidated balance sheets of Dollar General Corporation and subsidiaries as of February 2, 2007 and February 3, 2006, and the related consolidated statements of income, shareholders' equity and cash flows for each of the three years in the period ended February 2, 2007. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Dollar General Corporation and subsidiaries as of February 2, 2007 and February 3, 2006, and the consolidated results of their operations and their cash flows for each of the three years in the period ended February 2, 2007, in conformity with U.S. generally accepted accounting principles.

As discussed in Notes 1 and 10 to the consolidated financial statements, effective February 4, 2006, the Company changed its accounting for stock-based compensation in connection with the adoption of Statement of Financial Accounting Standards No. 123(R), "Share-Based Payment."

### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

#### 1. Basis of presentation and accounting policies

##### Basis of presentation

These notes contain references to the years 2007, 2006, 2005 and 2004, which represent fiscal years ending or ended February 1, 2008, February 2, 2007, February 3, 2006 and January 28, 2005, respectively. Fiscal year 2007 will be, and each of 2006 and 2004 was, a 52-week accounting period while 2005 was a 53-week accounting period. The Company's fiscal year ends on the Friday closest to January 31. The consolidated financial statements include all subsidiaries of the Company, except for its not-for-profit subsidiary the assets and revenues of which are not material. Intercompany transactions have been eliminated.

The Company leases three of its distribution centers ("DCs") from lessors, which meet the definition of a Variable Interest Entity ("VIE") as described by Financial Accounting Standards Board ("FASB") Interpretation 46, "Consolidation of Variable Interest Entities" ("FIN 46"), as revised. One of these DCs has been recorded as a financing obligation whereby the property and equipment, along with the related lease obligations, are reflected in the consolidated balance sheets. The other two DCs, excluding the equipment, have been recorded as operating leases in accordance with Statement of Financial Accounting Standards ("SFAS") 98, "Accounting for Leases." The Company is not the primary beneficiary of these VIEs and, accordingly, has not included these entities in its consolidated financial statements.

##### Business description

The Company sells general merchandise on a retail basis through 8,229 stores (as of February 2, 2007) located primarily in the southern, southwestern, midwestern and eastern United States. The Company has DCs in Scottsville, Kentucky; Ardmore, Oklahoma; South Boston, Virginia; Indianola, Mississippi; Fulton, Missouri; Alachua, Florida; Zanesville, Ohio; Jonesville, South Carolina and Marion, Indiana.

The Company purchases its merchandise from a wide variety of suppliers. Approximately 11% of the Company's purchases in 2006 were made from The Procter & Gamble Company. The Company's next largest supplier accounted for approximately 5% of the Company's purchases in 2006.

##### Cash and cash equivalents

Cash and cash equivalents include highly liquid investments with insignificant interest rate risk and original maturities of three months or less when purchased. Such investments primarily consist of money market funds, certificates of deposit and commercial paper. The carrying amounts of these items are a reasonable estimate of their fair value due to the short maturity of these investments.

Payments due from banks for third-party credit card, debit card and electronic benefit transactions classified as cash and cash equivalents totaled approximately \$11.6 million and \$7.8 million at February 2, 2007 and February 3, 2006, respectively.

The Company's cash management system provides for daily investment of available balances and the funding of outstanding checks when presented for payment. Outstanding but un-presented checks totaling approximately \$122.3 million and \$124.2 million at February 2, 2007 and February 3, 2006, respectively, have been included in Accounts payable in the consolidated balance sheets. Upon presentation for payment, these checks are funded through available cash balances or the Company's existing credit facility.

The Company has certain cash and cash equivalents balances that, along with certain other assets, are being held as required by certain regulatory requirements and are therefore not available for general corporate purposes, as further described below under "Investments in debt and equity securities."

### **Investments in debt and equity securities**

The Company accounts for its investment in debt and marketable equity securities in accordance with SFAS 115, "Accounting for Certain Investments in Debt and Equity Securities," and accordingly, classifies them as held-to-maturity, available-for-sale, or trading. Debt securities categorized as held-to-maturity are stated at amortized cost. Debt and equity securities categorized as available-for-sale are stated at fair value, with any unrealized gains and losses, net of deferred income taxes, reported as a component of Accumulated other comprehensive loss. Trading securities (primarily mutual funds held pursuant to deferred compensation and supplemental retirement plans, as further discussed in Note 9) are stated at fair value, with changes in fair value recorded in income as a component of Selling, general and administrative ("SG&A") expense.

In general, the Company invests excess cash in shorter-dated, highly liquid investments such as money market funds, certificates of deposit, and commercial paper. Depending on the type of securities purchased (debt versus equity) as well as the Company's intentions with respect to the potential sale of such securities before their stated maturity dates, such securities have been classified as held-to-maturity or available-for-sale. Given the short maturities of such investments (except for those securities described in further detail below), the carrying amounts approximate the fair values of such securities.

The Company may invest in tax-exempt auction rate securities, which are debt instruments having longer-dated (in some cases, many years) legal maturities, but with interest rates that are generally reset every 28-35 days under an auction system. Because auction rate securities are frequently re-priced, they trade in the market like short-term investments. As available-for-sale securities, these investments are carried at fair value, which approximates cost given that the average duration of such securities held by the Company is less than 40 days. Despite the liquid nature of these investments, the Company categorizes them as short-term investments instead of cash and cash equivalents due to the underlying legal maturities of such securities. However, they have been classified as current assets as they are generally available to support the Company's current operations. There were no such investments outstanding as of February 2, 2007 or February 3, 2006.

In 2006 and 2005, the Company's South Carolina-based wholly owned captive insurance subsidiary, Ashley River Insurance Company ("ARIC"), had investments in U.S. Government securities, obligations of Government Sponsored Enterprises, short- and long-term corporate obligations, and asset-backed obligations. These investments are held pursuant to South Carolina regulatory requirements to maintain certain asset balances in relation to ARIC's liability and equity balances and as such, these investments are not available for general corporate purposes. The composition of these required asset balances changes periodically. At February 2, 2007, the total of these balances was \$52.9 million and is reflected in the Company's consolidated balance sheet as follows: cash and cash equivalents of \$3.2 million, short-term investments of \$30.0 million and long-term investments included in other assets of \$19.7 million.

The Company's investment in the secured promissory notes issued by the third-party entity from which the Company formerly leased its DC in South Boston, Virginia, was classified as a held-to-maturity security at February 3, 2006. The Company acquired the entity which held legal title to this DC in June 2006 as discussed in Note 8, thereby effectively eliminating these secured promissory notes and related financing obligations.

Historical cost information pertaining to investments in mutual funds by participants in the Company's supplemental retirement and compensation deferral plans classified as trading securities is not readily available to the Company.

On February 2, 2007 and February 3, 2006, held-to-maturity, available-for-sale and trading securities consisted of the following (in thousands):

For the years ended February 2, 2007, February 3, 2006 and January 28, 2005, gross realized gains and losses on the sales of available-for-sale securities were not material. The cost of securities sold is based upon the specific identification method.

### Merchandise inventories

Inventories are stated at the lower of cost or market with cost determined using the retail last-in, first-out ("LIFO") method. Under the Company's retail inventory method ("RIM"), the calculation of gross profit and the resulting valuation of inventories at cost are computed by applying a calculated cost-to-retail inventory ratio to the retail value of sales. The excess of current cost over LIFO cost was approximately \$4.3 million at February 2, 2007 and \$5.8 million at February 3, 2006. Current cost is determined using the retail first-in, first-out method. LIFO reserves decreased \$1.5 million, \$0.5 million

and \$0.2 million in 2006, 2005 and 2004, respectively. Costs directly associated with warehousing and distribution are capitalized into inventory.

In 2005, the Company expanded the number of inventory departments it utilizes for its gross profit calculation from 10 to 23. The impact of this change in estimate on the Company's consolidated 2005 results of operations was an estimated reduction of gross profit and a corresponding decrease to inventory, at cost, of \$5.2 million.

### **Store pre-opening costs**

Pre-opening costs related to new store openings and the construction periods are expensed as incurred.

### **Property and equipment**

Property and equipment are recorded at cost. The Company provides for depreciation and amortization on a straight-line basis over the following estimated useful lives:

Land improvements	20
Buildings	39-40
Furniture, fixtures and equipment	3-10

Improvements of leased properties are amortized over the shorter of the life of the applicable lease term or the estimated useful life of the asset.

### **Impairment of long-lived assets**

When indicators of impairment are present, the Company evaluates the carrying value of long-lived assets, other than goodwill, in relation to the operating performance and future cash flows or the appraised values of the underlying assets. In accordance with SFAS 144, "Accounting for the Impairment or Disposal of Long-Lived Assets," the Company reviews for impairment stores open more than two years for which current cash flows from operations are negative. Impairment results when the carrying value of the assets exceeds the undiscounted future cash flows over the life of the lease. The Company's estimate of undiscounted future cash flows over the lease term is based upon historical operations of the stores and estimates of future store profitability which encompasses many factors that are subject to variability and difficult to predict. If a long-lived asset is found to be impaired, the amount recognized for impairment is equal to the difference between the carrying value and the asset's fair value. The fair value is estimated based primarily upon future cash flows (discounted at the Company's credit adjusted risk-free rate) or other reasonable estimates of fair market value. Assets to be disposed of are adjusted to the fair value less the cost to sell if less than the book value.

The Company recorded impairment charges, included in SG&A expense, of approximately \$9.4 million in 2006, \$0.6 million in 2005 and \$0.2 million in 2004 to reduce the carrying value of certain of its stores' assets as deemed necessary due to negative sales trends and cash flows at these locations. The majority of the 2006 charges were recorded pursuant to certain strategic initiatives discussed in Note 2.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

### 1. Basis of presentation and accounting policies (Continued)

#### Other assets

Other assets consist primarily of long-term investments, qualifying prepaid expenses, debt issuance costs which are amortized over the life of the related obligations, utility and security deposits, life insurance policies and goodwill.

#### Vendor rebates

The Company accounts for all cash consideration received from vendors in accordance with the provisions of Emerging Issues Task Force Issue ("EITF") 02-16, "Accounting by a Customer (Including a Reseller) for Certain Consideration Received from a Vendor." Cash consideration received from a vendor is generally presumed to be a rebate or an allowance and is accounted for as a reduction of merchandise purchase costs and recognized in the statement of operations at the time the goods are sold. However, certain specific, incremental and otherwise qualifying SG&A expenses related to the promotion or sale of vendor products may be offset by cash consideration received from vendors, in accordance with arrangements such as cooperative advertising, when earned for dollar amounts up to but not exceeding actual incremental costs. The Company recognizes amounts received for cooperative advertising on performance, "first showing" or distribution, consistent with its policy for advertising expense in accordance with the American Institute of Certified Public Accountants Statement of Position 93-7, "Reporting on Advertising Costs."

#### Rent expense

Rent expense is recognized over the term of the lease. The Company records minimum rental expense on a straight-line basis over the base, non-cancelable lease term commencing on the date that the Company takes physical possession of the property from the landlord, which normally includes a period prior to the store opening to make necessary leasehold improvements and install store fixtures. When a lease contains a predetermined fixed escalation of the minimum rent, the Company recognizes the related rent expense on a straight-line basis and records the difference between the recognized rental expense and the amounts payable under the lease as deferred rent. The Company also receives tenant allowances, which are recorded as deferred incentive rent and are amortized as a reduction to rent expense over the term of the lease. Any difference between the calculated expense and the amounts actually paid are reflected as a liability, with the current portion in Accrued expenses and other and the long-term portion in Other liabilities in the consolidated balance sheets, and totaled approximately \$30.4 million and \$25.0 million at February 2, 2007 and February 3, 2006, respectively.

The Company recognizes contingent rental expense when the achievement of specified sales targets are considered probable, in accordance with EITF Issue 98-9, "Accounting for Contingent Rent." The amount expensed but not paid as of February 2, 2007 and February 3, 2006 was approximately \$8.6 million and \$9.3 million, respectively, and is included in Accrued expenses and other in the consolidated balance sheets. (See Notes 4 and 8).

For store closures where a lease obligation still exists, the Company records the estimated future liability associated with the rental obligation on the date the store is closed in accordance with SFAS 146, "Accounting for Costs Associated with Exit or Disposal Activities." Based on an overall analysis of store performance and expected trends, management periodically evaluates the need to close underperforming stores. Liabilities are established at the point of closure for the present value of any

remaining operating lease obligations, net of estimated sublease income, and at the communication date for severance and other exit costs, as prescribed by SFAS 146. Key assumptions in calculating the liability include the timeframe expected to terminate lease agreements, estimates related to the sublease potential of closed locations, and estimation of other related exit costs. Liabilities are reviewed periodically and adjusted when necessary.

### **Insurance liabilities**

The Company retains a significant portion of risk for its workers' compensation, employee health, general liability, property and automobile claim exposures. Accordingly, provisions are made for the Company's estimates of such risks. Actuaries are utilized to determine the undiscounted future claim costs for the workers' compensation, general liability, and health claim risks. To the extent that subsequent claim costs vary from those estimates, future results of operations will be affected. Ashley River Insurance Company (or ARIC, as defined above), a South Carolina-based wholly owned captive insurance subsidiary of the Company, charges the operating subsidiary companies premiums to insure the retained workers' compensation and non-property general liability exposures. Pursuant to South Carolina insurance regulations, ARIC has cash and cash equivalents and investment balances that are not available for general corporate purposes, as further described above under "Investments in debt and equity securities." ARIC currently insures no unrelated third-party risk. The Greater Cumberland Insurance Company, formerly a Vermont-based wholly owned captive insurance subsidiary of the Company, was liquidated in 2005.

### **Other liabilities**

Other liabilities consist primarily of the noncurrent portion of insurance liabilities of \$107.5 million in 2006 and \$89.3 million in 2005, as well as the noncurrent portion of deferred rent, deferred gains, and liabilities related to the Company's supplemental retirement and compensation deferral plans.

### **Fair value of financial instruments**

The carrying amounts reflected in the consolidated balance sheets for cash, cash equivalents, short-term investments, receivables and payables approximate their respective fair values. At February 2, 2007 and February 3, 2006, the fair value of the Company's debt, excluding capital lease obligations, was approximately \$265.7 million and \$281.0 million, respectively, based upon the estimated market value of the debt at those dates. The February 3, 2006 amount is net of the fair value of a note receivable on the South Boston, Virginia DC of approximately \$49.5 million, as further discussed in Note 8. Such fair value exceeded the carrying values of the debt at February 2, 2007 and February 3, 2006 by approximately \$14.0 million and \$24.2 million, respectively. Fair values are based primarily on quoted prices for those or similar instruments. A discussion of the carrying value and fair value of the Company's derivative financial instruments is included in the section entitled "Derivative financial instruments" below.

### **Derivative financial instruments**

The Company accounts for derivative financial instruments in accordance with the provisions of SFAS 133, "Accounting for Derivative Instruments and Hedging Activities", as amended by SFAS 137, 138 and 149 and interpreted by numerous FASB Issues. These statements require the Company to

recognize all derivative instruments on the balance sheet at fair value, and contain accounting rules for hedging instruments, which depend on the nature of the hedge relationship.

The Company has historically used derivative financial instruments primarily to reduce its exposure to adverse fluctuations in interest rates and, to a much lesser extent, other market exposures.

As a matter of policy, the Company does not buy or sell financial instruments, including derivatives, for speculative or trading purposes and all financial instrument transactions must be authorized and executed pursuant to the approval of the Board of Directors. All financial instrument positions taken by the Company are used to reduce risk by hedging an underlying economic exposure and are structured as straightforward instruments with liquid markets. The Company primarily executes derivative transactions with major financial institutions.

The following table summarizes activity in Accumulated other comprehensive loss during 2006 related to derivative transactions used by the Company in prior periods to hedge cash flow exposures relating to certain debt transactions (in thousands):

	Before-Tax Amount	Income Tax	After-Tax Amount
	=	=	=
Accumulated net losses as of February 3, 2006	\$ (1,253)	\$ 459	\$ (794)
Net losses reclassified from Other comprehensive loss into earnings	286	(98)	188
	=	=	=
Accumulated net losses as of February 2, 2007	\$ (967)	\$ 361	\$ (606)
	=	=	=

The Accumulated other comprehensive loss balance at February 2, 2007 includes deferred losses realized in June 2000 on the settlement of an interest rate derivative that was designated and effective as a cash flow hedge of the Company's forecasted issuance of its \$200 million of fixed rate notes in June 2000 (see Note 6). This amount will be reclassified into earnings as an adjustment to the effective interest expense on the fixed rate notes through their maturity date in June 2010. The Company estimates that it will reclassify into earnings during the next twelve months approximately \$0.2 million of the net amount recorded in Accumulated other comprehensive loss as of February 2, 2007.

#### Share-based payments

The Company has a shareholder-approved stock incentive plan under which stock options, restricted stock, restricted stock units and other equity-based awards may be granted to officers, directors and key employees. Effective February 4, 2006, the Company adopted SFAS 123 (Revised 2004) "Share Based Payment" and began recognizing compensation expense for share-based compensation based on the fair value of the awards on the grant date. SFAS 123(R) requires share-based compensation expense recognized since February 4, 2006 to be based on the following: (a) grant date fair value estimated in accordance with the original provisions of SFAS 123, "Accounting for Stock-Based Compensation," for unvested options granted prior to the adoption date and (b) grant date fair value estimated in accordance with the provisions of SFAS 123(R) for unvested options granted subsequent to the adoption date. The Company adopted SFAS 123(R) under the modified-prospective-transition method and, therefore, results from prior periods have not been restated.

Prior to February 4, 2006, the Company accounted for share-based payments using the intrinsic-value-based recognition method prescribed by Accounting Principles Board Opinion 25, "Accounting for

Stock Issued to Employees" ("APB 25"), and had provided pro forma disclosures as permitted under SFAS 123. Because stock options were granted at an exercise price equal to the market price of the underlying common stock on the date of grant, compensation cost related to stock options was generally not required to be recorded as a reduction to net income prior to adopting SFAS 123(R).

Under SFAS 123(R), forfeitures are estimated at the time of valuation and reduce expense ratably over the vesting period. This estimate is adjusted periodically based on the extent to which actual forfeitures differ, or are expected to differ, from the previous estimate. The forfeiture rate is the estimated percentage of options granted that are expected to be forfeited or canceled before becoming fully vested. The Company bases this estimate on historical experience. An increase in the forfeiture rate will decrease compensation expense. Under SFAS 123, the Company elected to account for forfeitures when awards were actually forfeited.

SFAS 123(R) also requires the benefits of tax deductions in excess of recognized compensation cost to be reported as a financing cash flow, rather than as an operating cash flow as required prior to the adoption of SFAS 123(R).

The fair value of each option grant is separately estimated. The fair value of each option grant is amortized into compensation expense on a straight-line basis between the grant date for the award and each vesting date. The Company has estimated the fair value of all stock option awards as of the date of the grant by applying the Black-Scholes-Merton option pricing valuation model. The application of this valuation model involves assumptions that are judgmental and highly sensitive in the determination of compensation expense.

The Company also accounts for nonvested restricted stock and restricted stock unit awards in accordance with the provisions of SFAS 123 (R). The Company calculates compensation expense as the difference between the market price of the underlying stock on the date of grant and the purchase price, if any, and recognizes such amount on a straight-line basis over the period in which the recipient earns the nonvested restricted stock and restricted stock unit award. Under the provisions of SFAS 123(R), unearned compensation is not recorded within shareholders' equity.

The Company has elected to determine its excess tax benefit pool upon adoption of SFAS 123(R) in accordance with the provisions of FASB Staff Position ("FSP") 123(R)-3, "Transition Election Related to Accounting for the Tax Effects of Share-Based Payment Awards." Under the provisions of this FSP, the cumulative benefit of stock option exercises included in additional paid-in capital for the periods after the effective date of SFAS 123 is reduced by the cumulative income tax effect of the pro forma stock option expense previously disclosed in accordance with the requirements of SFAS 123. (The provision of this FSP applied only to options that were fully vested before the date of adoption of SFAS 123(R). The amount of any excess tax benefit for options that are either granted after the adoption of SFAS 123(R) or are partially vested on the date of adoption were computed in accordance with the provisions of SFAS 123(R).) The amount of any excess deferred tax asset over the actual income tax benefit realized for options that are exercised after the adoption of SFAS 123(R) will be absorbed by the excess tax benefit pool. Income tax expense will be increased should the Company's excess tax benefit pool be insufficient to absorb any future deferred tax asset amounts in excess of the actual tax benefit realized. The Company has determined that its excess tax benefit pool was approximately \$68 million as of the adoption of SFAS 123(R) on February 4, 2006.

## **Revenue and gain recognition**

The Company recognizes retail sales in its stores at the time the customer takes possession of merchandise. All sales are net of discounts and estimated returns and are presented net of taxes assessed by governmental authorities that are imposed concurrent with those sales. The liability for retail merchandise returns is based on the Company's prior experience. The Company records gain contingencies when realized.

The Company began gift card sales in the third quarter of 2005. The Company recognizes gift card sales revenue at the time of redemption. The liability for the gift cards is established for the cash value at the time of purchase. The liability for outstanding gift cards was approximately \$0.8 million and \$0.5 million at February 2, 2007 and February 3, 2006, respectively, and is recorded in Accrued expenses and other. Through February 2, 2007, the Company has not recorded any breakage income related to its gift card program. The Company will continue to evaluate its current breakage policy as it continues to gain more sufficient company-specific customer experience.

## **Advertising costs**

Advertising costs are expensed upon performance, "first showing" or distribution, and are reflected net of qualifying cooperative advertising funds provided by vendors in SG&A expenses. Advertising costs were \$45.0 million, \$15.1 million and \$7.9 million in 2006, 2005 and 2004, respectively. These costs primarily include promotional circulars, targeted circulars supporting new stores, in-store signage, and costs associated with the sponsorship of a National Association for Stock Car Auto Racing team. In addition, beginning in the fourth quarter of 2006, the Company also utilized television and radio advertising in conjunction with certain strategic initiatives as further discussed in Note 2. Vendor funding for cooperative advertising offset reported expenses by \$7.9 million, \$0.8 million and \$1.0 million in 2006, 2005 and 2004, respectively.

## **Capitalized interest**

To assure that interest costs properly reflect only that portion relating to current operations, interest on borrowed funds during the construction of property and equipment is capitalized. Interest costs capitalized were approximately \$2.9 million, \$3.3 million and \$3.6 million in 2006, 2005 and 2004, respectively.

## **Income taxes**

The Company reports income taxes in accordance with SFAS 109, "Accounting for Income Taxes". Under SFAS 109, the asset and liability method is used for computing future income tax consequences of events that have been recognized in the Company's consolidated financial statements or income tax returns. Deferred income tax expense or benefit is the net change during the year in the Company's deferred income tax assets and liabilities.

## **Management estimates**

The preparation of financial statements and related disclosures in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets

and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

### **Accounting pronouncements**

In July 2006, the FASB issued Interpretation 48, "Accounting for Uncertainty in Income Taxes" ("FIN 48"), which will require companies to assess each income tax position taken using a two-step process. A determination is first made as to whether it is more likely than not that the position will be sustained, based upon the technical merits, upon examination by the taxing authorities. If the tax position is expected to meet the more likely than not criteria, the benefit recorded for the tax position equals the largest amount that is greater than 50% likely to be realized upon ultimate settlement of the respective tax position. The interpretation applies to income tax expense as well as any related interest and penalty expense.

FIN 48 requires that changes in tax positions recorded in a company's financial statements prior to the adoption of this interpretation be recorded as an adjustment to the opening balance of retained earnings for the period of adoption. FIN 48 will generally be effective for public companies for the first fiscal year beginning after December 15, 2006. The Company anticipates adopting the provisions of this interpretation during the first quarter of fiscal 2007. No determination has yet been made regarding the materiality of the potential impact of this interpretation on the Company's financial statements.

In September 2006 the FASB issued SFAS 157, "Fair Value Measurements", which provides guidance for using fair value to measure assets and liabilities. The standard also requires expanded information about the extent to which companies measure assets and liabilities at fair value, the information used to measure fair value, and the effect of fair value measurements on earnings. The standard applies whenever other standards require (or permit) assets or liabilities to be measured at fair value. The standard does not expand the use of fair value in any new circumstances. SFAS 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007, and interim periods within those fiscal years. The Company currently expects to adopt SFAS 157 during the 2008 fiscal year. No determination has yet been made regarding the potential impact of this standard on the Company's financial statements.

In September 2006 the FASB issued SFAS 158, "Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans," which will require companies to recognize the overfunded or underfunded status of a defined benefit postretirement plan (other than a multiemployer plan) as an asset or liability in its statement of financial position and to recognize changes in that funded status in the year in which the changes occur through comprehensive income. This Statement also requires a company to measure the funded status of a plan as of the date of its year-end statement of financial position, with limited exceptions. A company with publicly traded equity securities is required to initially recognize the funded status of a defined benefit postretirement plan and to provide the required disclosures as of the end of the fiscal year ending after December 15, 2006, and the Company has complied with these provisions to the extent material. The second phase of SFAS 158 includes a requirement to measure plan assets and benefit obligations as of the date of the Company's fiscal year-end statement of financial position, and is effective for fiscal years ending after December 15, 2008. No final determination has yet been made regarding the timing or expected impact of adoption of the second phase of SFAS 158 on the Company's consolidated financial statements, however,

because the Company currently has one supplemental executive retirement plan with one executive participant, the impact, if any, is expected to be minimal.

## **Reclassifications**

Certain reclassifications of the 2005 and 2004 amounts have been made to conform to the 2006 presentation.

## **2. Strategic initiatives**

In its Quarterly Report on Form 10-Q for the quarterly period ended August 4, 2006, the Company announced it was considering modifying its historical inventory management model and accelerating its recently enhanced real estate strategy. The outcome of these deliberations is set forth below.

### **Inventory management**

In November 2006, the Company's Board of Directors approved management's recommendation to discontinue the Company's historical inventory packaway model by the end of fiscal 2007. With few exceptions, the Company plans to eliminate, through end-of-season and other markdowns, existing seasonal, home products and basic clothing packaway merchandise by the close of fiscal 2007 to allow for increased levels of newer, current-season merchandise. In connection with this strategic change, the Company incurred substantially higher markdowns and writedowns on inventory in the third and fourth quarters of 2006. The Company recorded total markdowns of \$279.1 million at cost taken during 2006, compared with total markdowns of \$106.5 million at cost taken in 2005. Markdowns which were expected to reduce inventory below cost were considered in the Company's lower of cost or market estimate and recorded at such time as the utility of the underlying inventory was deemed to be impaired. During the third quarter of fiscal 2006, the Company recorded a lower of cost or market inventory impairment estimate of \$63.5 million, increasing the balance to \$69.4 million as of November 3, 2006. This estimate was reduced by \$23.7 million during the remainder of 2006, reflecting the Company's estimate of the below-cost markdowns that were taken during that period, resulting in a balance of approximately \$45.6 million as of February 2, 2007. This inventory is expected to be sold during 2007. Markdowns which are not below cost impact the Company's gross profit in the period in which such markdowns are taken. The amount of the below-cost inventory adjustment is based on management's assumptions regarding the timing and adequacy of markdowns and the final adjustment may vary materially from the amount recorded depending on various factors, including timing of the execution of the plan, retail market conditions and the accuracy of assumptions used by management in developing these estimates.

### **Exit and disposal activities**

In November 2006, the Company's Board of Directors approved management's recommendation to close, in addition to those stores that might be closed in the ordinary course of business, approximately 400

stores by the end of fiscal 2007 (approximately 128 of which have been closed as of February 2, 2007), and expects to incur the following pretax costs associated with the closing of these stores (in millions):

(Unaudited)	Estimated Total	Incurred in 2006	Remaining
Lease contract termination costs	\$ 38.1	\$ 5.7	\$ 32.4
One-time employee termination benefits	1.4	0.3	1.1
Other associated store closing costs	9.0	0.2	8.8
Inventory liquidation fees	5.0	1.6	3.4
Asset impairment & accelerated depreciation	9.0	8.3	0.7
Inventory markdowns below cost	10.5	6.7	3.8
<b>Total</b>	<b>\$ 73.0</b>	<b>\$ 22.8</b>	<b>\$ 50.2</b>

Other associated store closing costs as listed in the table above primarily include the removal of any usable assets as well as real estate consulting and other services.

Liability balances related to activities discussed above for stores closed during 2006 are as follows (in millions):

	Balance, February 3, 2006	2006 Initial Expenses	2006 Payments and Other	Balance, February 2, 2007
Lease contract termination costs	\$ —	\$ 5.7	\$ 0.7	\$ 5.0
One-time employee termination benefits	—	0.3	—	0.3
Other associated store closing costs	—	0.2	—	0.2
Inventory liquidation fees	—	1.6	1.3	0.3
<b>Total</b>	<b>\$ —</b>	<b>\$ 7.8</b>	<b>\$ 2.0</b>	<b>\$ 5.8</b>

In addition, non-cash costs and charges of approximately \$15.0 million associated with this decision have been recognized in 2006, comprised of \$8.0 million of property and equipment impairment and \$0.3 million of accelerated depreciation included in SG&A, and \$6.7 million of below-cost inventory adjustments included in cost of goods sold. The Company recorded an estimated below-cost inventory reserve for closing stores of \$7.8 million during the third quarter of 2006, which was reduced by \$4.2 million during the remainder of 2006, reflecting the Company's \$3.1 million estimate of the below-cost markdowns that were taken during that period and a \$1.1 million reduction of the original estimate, resulting in a balance of approximately \$3.6 million for inventory owned as of February 2, 2007.

All expenses associated with exit and disposal activities are included in SG&A expenses with the exception of the below-cost inventory adjustments, which are included in cost of goods sold in the consolidated statement of income for 2006. As noted above, the Company expects to incur additional charges in future periods when the related expenses are incurred. The estimated amount and timing of these future costs and charges are dependent on various factors, including timing of the execution of the plan, the outcome of negotiations with landlords and/or potential sublease tenants, and final inventory levels.

**4. Accrued expenses and other**

Accrued expenses and other consist of the following (in thousands):

	2006	2005

A reconciliation between actual income taxes and amounts computed by applying the federal statutory rate to income before income taxes is summarized as follows (dollars in thousands):

	2006		2005		2004

The 2006 income tax rate was higher than the 2005 rate by 1.7%. Factors contributing to this increase include additional expense of approximately \$0.9 million related to the adoption of a new tax system in the State of Texas which resulted in the elimination of certain deferred tax assets that had been recorded in prior years; an increase of approximately \$0.9 million related to the Company's current year tax liability under the revised State of Texas tax system; a reduction in the contingent income tax reserve due to the resolution of contingent liabilities that is \$2.0 million less than the decrease that occurred in 2005; an increase in the deferred tax valuation allowance, as discussed below, of approximately \$3.2 million; and an increase of \$2.6 million related to a benefit recognized in 2005 related to an internal restructuring. Offsetting these rate increases was a reduction in the income tax rate related to federal income tax credits. Due to the reduction in the Company's 2006 income before tax, a small increase in the amount of federal income tax credits earned yielded a much larger percentage reduction in the income tax rate for 2006 versus 2005.

While the 2005 and 2004 rates were similar overall, the rates contained offsetting differences. Factors causing the 2005 tax rate to increase when compared to the 2004 tax rate include a reduction in

federal jobs credits of approximately \$1.0 million, additional net foreign income tax expense of approximately \$0.8 million and a decrease in the contingent income tax reserve due to resolution of contingent liabilities that was \$3.6 million less than the decrease that occurred in 2004. Factors causing the 2005 tax rate to decrease when compared to the 2004 tax rate include the recognition of state tax credits of approximately \$2.3 million related to the Company's construction of a DC in Indiana and a benefit of approximately \$2.6 million related to an internal restructuring that was completed during 2005.

Deferred taxes reflect the effects of temporary differences between carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. Significant components of the Company's deferred tax assets and liabilities are as follows (in thousands):

	2006	2005
Deferred tax assets:		
Deferred compensation expense	\$ 10,090	\$ 15,166
Accrued expenses and other	4,037	3,916

Total deferred tax liabilities	<u>(71,943)</u>	<u>(107,446)</u>
Net deferred tax liabilities	<u>\$ (17,276)</u>	<u>\$ (55,721)</u>

Net deferred tax liabilities are reflected separately on the consolidated balance sheets as current and noncurrent deferred income taxes. The following table summarizes net deferred income tax liabilities from the consolidated balance sheets (in thousands):

	2006	2005
Current deferred income tax assets (liabilities), net	\$ 24,321	\$ (7,267)
Noncurrent deferred income tax liabilities, net	(41,597)	(48,454)
Net deferred tax liabilities	<u>\$ (17,276)</u>	<u>\$ (55,721)</u>

State net operating loss carryforwards as of February 2, 2007, totaled approximately \$94 million and will expire beginning in 2017 through 2027. The Company also has state tax credit carryforwards of approximately \$13.2 million that will expire beginning in 2007 through 2021.

The valuation allowance, as of 2006, has been provided for certain state tax credit carryforwards that are principally associated with the Company's distribution centers. The increase in the valuation allowance for 2006 of \$3.2 million is the result of an increase in available state tax credits during 2006 in excess of the amount that the Company believes will be utilized prior to their expiration.

The valuation allowance, as of 2005, had been provided principally for certain state tax credit carryforwards. In 2005, after an internal restructuring, all valuation allowances related to state net operating loss carryforwards were removed resulting in a reduction in the valuation allowance of approximately \$1.1 million. This decrease was offset by additions to the valuation allowance applied to certain state tax credit carryforwards of approximately \$0.9 million due to the same internal restructuring. The remaining change in the valuation allowance, an increase of approximately \$0.1 million, related primarily to changes in state tax credits that were unrelated to the 2005 internal restructuring.

The change in the valuation allowance was an increase of \$3.2 million in 2006 and a decrease of \$0.1 million in both 2005 and 2004. Based upon expected future income and available tax planning strategies, management believes that it is more likely than not that the results of operations will generate sufficient taxable income to realize the deferred tax assets after giving consideration to the valuation allowance.

The Company estimates its contingent income tax liabilities based on its assessment of probable income tax-related exposures and the anticipated settlement of those exposures translating into actual future liabilities. As of February 2, 2007 and February 3, 2006, the Company's accrual for these contingent liabilities, included in Income taxes payable in the consolidated balance sheets, was approximately \$15.2 million and \$13.4 million, respectively, and the related accrued interest included in Accrued expenses and other in the consolidated balance sheets was approximately \$10.2 million and \$6.2 million respectively.

As of February 2, 2007 and February 3, 2006, the Company had additional exposure in the amount of \$4.2 million and \$3.8 million, respectively, related to contingent income tax liabilities that had a reasonable possibility of being recognized as a loss in a future period. These additional amounts relate principally to income tax audits. As the Company does not consider it probable that a loss has yet been incurred related to these items, no portion of these liabilities has been recorded.

## 6. Current and long-term obligations

Current and long-term obligations consist of the following (in thousands):

	February 2, 2007	February 3, 2006
8 <sup>5</sup> / <sub>8</sub> % Notes due June 15, 2010, net of discount of \$146 and \$189 at February 2, 2007 and February 3, 2006, respectively	\$ 199,832	\$ 199,789

Less: current portion	<b>(8,080)</b>	(8,785)
Long-term portion	<b>\$ 261,958</b>	\$ 269,962

In June 2006, the Company amended its revolving credit facility to increase the maximum commitment to \$400 million and to extend the expiration date to June 2011. The amended credit facility contains provisions that would allow the maximum commitment to be increased to up to \$500 million upon mutual agreement of the Company and its lenders. The amended credit facility is unsecured. The Company has two interest rate options: base rate (which is usually equal to prime rate) or LIBOR. The Company pays interest on funds borrowed under the LIBOR option at rates that are subject to change based upon the ratio of the Company's debt to EBITDA (as defined in the amended credit facility). Under the amended credit facility, the facility fees can range from 10 to 20 basis points; the all-in drawn margin under the LIBOR option can range from LIBOR plus 55 to 125 basis points; and the all-in drawn margin under the base rate option can range from the base rate plus 10 to 20 basis points.

The amended credit facility contains financial covenants, which include limits on certain debt to cash flow ratios, a fixed charge coverage test, and minimum allowable consolidated net worth (\$1.45 billion at February 2, 2007). In December 2006, the Company amended the revolving credit facility to lower the fixed charge coverage test for future periods through fiscal 2008 to take into account the impact that the initiatives discussed in Note 2 related to merchandising and real estate strategies may have on the ratio in those periods. As of February 2, 2007, the Company was in compliance with all of these covenants. During 2006 and 2005, the Company had peak borrowings of \$253.4 million and \$100.3 million, respectively, under the amended credit facility. As of February 2, 2007, the Company had no outstanding borrowings or letters of credit outstanding under the amended credit facility.

**6. Current and long-term obligations (Continued)**

In 2000, the Company issued \$200 million principal amount of 8 <sup>5</sup>/<sub>8</sub> % Notes due June 2010 (the "Notes"). The Notes require semi-annual interest payments in June and December of each year through June 15, 2010, at which time the entire balance becomes due and payable. The Notes contain certain restrictive covenants. At February 2, 2007, the Company was in compliance with all such covenants.

In July 2005, as an inducement for the Company to select Marion, Indiana as the site for construction of a new DC, the Economic Development Board of Marion approved a tax increment financing in the amount of \$14.5 million. The principal amounts on this financing are due to be repaid during fiscal years 2015 to 2035. Pursuant to this financing, proceeds from the issuance of certain revenue bonds were loaned to the Company in connection with the construction of this DC. The variable interest rate on this loan is based on the weekly remarketing of the bonds, which are supported by a bank letter of credit, and ranged from 4.60% to 5.43% in 2006 and from 3.52% to 4.60% in 2005.

At February 2, 2007 and February 3, 2006, the Company had commercial letter of credit facilities totaling \$200.0 million and \$195.0 million, respectively, of which \$116.1 million and \$85.1 million, respectively, were outstanding for the funding of imported merchandise purchases. This merchandise is subject to lien until it is paid for by the Company.

The amounts reflected below are in thousands except per share data.

Effect of dilutive stock options, restricted stock and restricted stock units		2,692	
Diluted earnings per share	\$ 344,190	332,068	\$ 1.04

Basic earnings per share was computed by dividing net income by the weighted average number of shares of common stock outstanding during the year. Diluted earnings per share was determined based on the dilutive effect of stock options using the treasury stock method.

Options to purchase shares of common stock that were outstanding at the end of the respective fiscal year, but were not included in the computation of diluted earnings per share because the options' exercise prices were greater than the average market price of the common shares, were 15.0 million, 7.9 million and 7.3 million in 2006, 2005 and 2004, respectively.

## 8. Commitments and contingencies

As of February 2, 2007, the Company was committed under capital and operating lease agreements and financing obligations for most of its retail stores, three of its DCs, and certain of its furniture, fixtures and equipment. The majority of the Company's stores are subject to short-term leases (usually with initial or primary terms of three to five years) with multiple renewal options when available. The Company also has stores subject to build-to-suit arrangements with landlords, which typically carry a primary lease term of between 7 and 10 years with multiple renewal options. Approximately half of the stores have provisions for contingent rentals based upon a percentage of defined sales volume. Certain leases contain restrictive covenants. As of February 2, 2007, the Company is not aware of any material violations of such covenants.

In January 1999 and April 1997, the Company sold its DCs located in Ardmore, Oklahoma and South Boston, Virginia, respectively, for 100% cash consideration. Concurrent with the sale transactions, the Company leased the properties back for periods of 23 and 25 years, respectively. The transactions were recorded as financing obligations rather than sales as a result of, among other things, the lessor's ability to put the properties back to the Company under certain circumstances. The property and equipment, along with the related lease obligations, associated with these transactions were recorded in the consolidated balance sheets.

In May 2003, the Company purchased two secured promissory notes (the "DC Notes") from Principal Life Insurance Company totaling \$49.6 million. The DC Notes represented debt issued by the third party entity ("TPE") from which the Company leased the South Boston DC. The DC Notes were being accounted for as "held to maturity" debt securities in accordance with the provisions of SFAS 115, "Accounting for Certain Investments in Debt and Equity Securities." However, by acquiring the DC Notes, the Company holds the debt instruments pertaining to its lease financing obligation and, because a legal right of offset exists, reflected the acquired DC Notes as a reduction of its outstanding financing obligations in its consolidated balance sheet as of February 3, 2006 in accordance with the provisions of FASB Interpretation 39, "Offsetting of Amounts Related to Certain Contracts — An Interpretation of APB Opinion 10 and FASB Statement 105."

In June 2006, the Company acquired the TPE, which owned legal title to the South Boston DC assets and had issued the related debt in connection with the original financing transaction described above. There was no material gain or loss recognized as a result of this transaction. Based on the Company's ownership of the TPE at February 2, 2007, the financing obligation and DC notes are eliminated in the Company's consolidated financial statements.

Future minimum payments as of February 2, 2007 for capital leases, financing obligations and operating leases are as follows (in thousands):

	Capital Leases	Financing Obligations	Operating Leases

Capital leases were discounted at an effective interest rate of approximately 6.7% at February 2, 2007. The gross amount of property and equipment recorded under capital leases and financing obligations at February 2, 2007 and February 3, 2006, was \$85.1 million and \$150.2 million, respectively. Accumulated depreciation on property and equipment under capital leases and financing obligations at February 2, 2007 and February 3, 2006, was \$41.0 million and \$70.5 million, respectively.

Rent expense under all operating leases is as follows (in thousands):

## Legal proceedings

On March 14, 2002, a complaint was filed in the United States District Court for the Northern District of Alabama (*Edith Brown, on behalf of herself and others similarly situated v. Dolgencorp, Inc.*,

and Dollar General Corporation , CV02-C-0673-W ( "*Brown*" ). *Brown* was a collective action against the Company on behalf of current and former salaried store managers claiming that these individuals were entitled to overtime pay and should not have been classified as exempt employees under the Fair Labor Standards Act ("FLSA"). Plaintiffs sought to recover overtime pay, liquidated damages, declaratory relief and attorneys' fees.

On January 12, 2004, the court certified an opt-in class of plaintiffs consisting of all persons employed by the Company as store managers at any time since March 14, 1999, who regularly worked more than 50 hours per week and either: (1) customarily supervised less than two employees at one time; (2) lacked authority to hire or discharge employees without supervisor approval; or (3) sometimes worked in non-managerial positions at stores other than the one he or she managed. The Company's request to appeal the certification decision on a discretionary basis to the 11<sup>th</sup> U.S. Circuit Court of Appeals was denied.

Notice was sent to prospective class members and the deadline for individuals to opt in to the lawsuit was May 31, 2004. Approximately 5,000 individuals opted in. Following the close of discovery in April 2005, the Company filed several motions, including a motion to decertify the class as a collective action. On March 31, 2006, the court denied the Company's motion to decertify, but granted, either in whole or in part, certain other motions, thereby reducing the number of class members to approximately 2,500. Trial of this matter began on July 31, 2006. During the trial, on August 4, 2006, the court decertified the class. The Company reached a settlement agreement with the twelve named plaintiffs in the case for an amount that was not material to the Company's financial statements, and the matter was dismissed as settled on August 9, 2006.

On October 10, 2005, the Company was served with an additional lawsuit, *Moldoon, et al. v. Dolgenercorp, Inc., et al.* (Western District of Louisiana, Lake Charles Division, CV05-0852, filed May 19, 2005), filed as a putative collective action in which five current or former store managers claim to have been improperly classified as exempt executive employees under the FLSA. Plaintiffs seek injunctive relief, back wages, liquidated damages and attorneys' fees. On April 26, 2006, this action was conditionally transferred to the Northern District of Alabama and consolidated with the *Brown* case. The Company opposed the transfer and consolidation of this matter, and on August 11, 2006, the conditional transfer order was vacated.

On August 7, 2006, a lawsuit entitled *Cynthia Richter, et al. v. Dolgenercorp, Inc., et al.* was filed in the United States District Court for the Northern District of Alabama (Case No. 7:06-cv-01537-LSC) in which the plaintiff alleges that she and other current and former Dollar General store managers were improperly classified as exempt executive employees under the FLSA and seeks to recover overtime pay, liquidated damages, and attorneys' fees and costs. On August 15, 2006, the *Richter* plaintiff filed a motion in which she asked the court to certify a nationwide class of current and former store managers. The Company has opposed the plaintiff's motion. On March 23, 2007, the Court conditionally certified a nationwide class of individuals who worked for Dollar General as Store Managers since August 7, 2003. The Court further ordered the parties to jointly file a proposed Notice to the class and a plan to facilitate the transmission of that Notice within 10 days. The number of persons to whom Notice will be sent has not been determined. Following the close of the discovery period in this case, the Company will have an opportunity to seek decertification of the class, and the Company expects to file such a motion.

The Company believes that its store managers are and have been properly classified as exempt employees under the FLSA and that the actions described above are not appropriate for collective action treatment. The Company intends to vigorously defend these actions. However, at this time, it is not possible to predict whether the courts will permit these actions to proceed collectively, and no assurances can be given that the Company will be successful in its defense on the merits or otherwise. If the Company is not successful in its efforts to defend these actions, the resolution or resolutions could have a material adverse effect on the Company's financial statements as a whole.

On May 18, 2006, the Company was served with a lawsuit entitled *Tammy Brickey, Becky Norman, Rose Rochow, Sandra Cogswell and Melinda Sappington v. Dolgencorp, Inc. and Dollar General Corporation* (Western District of New York, Case 6:06-cv-06084-DGL, originally filed on February 9, 2006 and amended on May 12, 2006 (" *Brickey* ")). The *Brickey* plaintiffs seek to proceed collectively under the FLSA and as a class under New York, Ohio, Maryland and North Carolina wage and hour statutes on behalf of, among others, individuals employed by the Company as assistant store managers who claim to be owed wages (including overtime wages) under those statutes. At this time, it is not possible to predict whether the court will permit this action to proceed collectively or as a class. However, the Company believes that this action is not appropriate for either collective or class treatment, and believes that its wage and hour policies and practices comply with both federal and state law. The Company plans to vigorously defend this action; however, no assurances can be given that the Company will be successful in its defense on the merits or otherwise, and, if it is not, the resolution of this action could have a material adverse effect on the Company's financial statements as a whole.

On March 7, 2006, a complaint was filed in the United States District Court for the Northern District of Alabama ( *Janet Calvert v. Dolgencorp, Inc.* , Case No. 2:06-cv-00465-VEH (" *Calvert* ")), in which the plaintiff, a former store manager, alleged that she was paid less than male store managers because of her sex, in violation of the Equal Pay Act ("EPA") and Title VII of the Civil Rights Act of 1964, as amended ("Title VII"). On March 9, 2006, the *Calvert* complaint was amended to include seven additional plaintiffs, who also allege to have been paid less than males because of their sex, and to add allegations of sex discrimination in promotional opportunities and undefined terms and conditions of employment. In addition to allegations of intentional sex discrimination, the amended *Calvert* complaint also alleges that the Company's employment policies and practices have a disparate impact on females. The amended *Calvert* complaint seeks to proceed collectively under the EPA and as a class under Title VII, and requests back wages, injunctive and declaratory relief, liquidated damages and attorney's fees and costs.

At this time, it is not possible to predict whether the court will permit *Calvert* to proceed collectively or as a class. However, the Company believes that the case is not appropriate for class or collective treatment and believes that its policies and practices comply with the EPA and Title VII. The Company intends to vigorously defend the action; however, no assurances can be given that the Company will be successful in its defense on the merits or otherwise. If the Company is not successful in defending the *Calvert* action, its resolution could have a material adverse effect on the Company's financial statements as a whole.

On April 28, 2006, the Company was served with an additional lawsuit, *Linda Beeman, on behalf of herself and all others similarly situated, v. Dolgencorp, Inc. d/b/a Dollar General* , 06-CV-0250 (" *Beeman* "), filed on February 28, 2006 in the United States District Court for the Northern District of New York, in which the plaintiff, a former store manager, raised claims substantially similar to those raised in the

*Calvert* matter. The *Beeman* plaintiff sought to proceed collectively under the EPA and as a class under Title VII, and requested back wages, injunctive and declaratory relief, liquidated damages and attorney's fees and costs. On November 6, 2006, the parties reached an agreement to settle plaintiff's claims for an amount that was not material to the Company's financial statements, and that matter is now concluded.

On September 8, 2005, the Company received a request for information from the Environmental Protection Agency ("EPA") with respect to Krazy String, a product that was offered for sale in the Company's stores. The EPA asserted that Krazy String contained an aerosol composed of an ozone depleting substance in violation of the Clean Air Act. On July 12, 2006, the Company agreed to an Administrative Compliance Order requiring the destruction of the Krazy String remaining in inventory. On December 21, 2006, the EPA advised the Company that they were considering imposing a penalty in connection with Krazy String, but they did not indicate an estimated amount. On February 5, 2007, the EPA proposed a penalty of approximately \$800,000 which the Company believes is in excess of the amount that is appropriate pursuant to applicable EPA policies. The Company intends to vigorously defend the action; however, no assurances can be given that the Company will be successful in its defense on the merits or otherwise.

Subsequent to the announcement of the Agreement and Plan of Merger among the Company, Buck Holdings LP and Buck Acquisition Corp (each of Buck Holdings LP and Buck Acquisition Corp is an affiliate of Kohlberg Kravis Roberts & Co., L.P. ("KKR")), as more fully described in Note 14, the Company and its directors were named in seven putative class actions alleging claims for breach of fiduciary duty arising out of the proposed sale of the Company to KKR. The cases are captioned *City of Miami General Employees' & Sanitation Employees' Retirement Trust and Louisiana Sheriffs' Pension and Relief Fund v. David A. Perdue, et al* (the "*City of Miami Complaint*"), *Lee S. Grubman v. Dollar General Corporation, et al* (the "*Grubman Complaint*"), *William Hochman, IRA v. Dollar General Corporation, et al* (the "*Hochman Complaint*"), *Helene Hutt v. Dollar General Corporation, et al* (the "*Hutt Complaint*"), *Shalom Rechnieder v. David L. Beré, et al* (the "*Rechnieder Complaint*"), *Catherine Rubbery v. Dollar General Corporation, et al* (the "*Rubbery Complaint*"), and *David B. Shaev, IRA v. David A. Perdue, et al*, Case No. 07-559 (the "*Shaev Complaint*"). The *City of Miami Complaint*, the *Grubman Complaint*, the *Hochman Complaint*, the *Hutt Complaint*, the *Rubbery Complaint*, and the *Shaev Complaint* were each brought in the Chancery Court for Davidson County, Tennessee, and the *Rechnieder Complaint* was brought in the Circuit Court of Davidson County, Tennessee. Each of the complaints allege, among other things, that the \$22 per share price of the proposed transaction is inadequate and that the process leading to the transaction was unfair. The plaintiffs seek, among other things, an injunction enjoining completion of the transaction and, in certain cases, compensatory damages.

The Company believes that each of the foregoing lawsuits is without merit and intends to defend these actions vigorously.

In addition to the matters described above, the Company is involved in other legal actions and claims arising in the ordinary course of business. The Company believes, based upon information currently available, that such other litigation and claims, both individually and in the aggregate, will be resolved without a material effect on the Company's financial statements as a whole. However, litigation involves an element of uncertainty. Future developments could cause these actions or claims to have a material adverse effect on the Company's financial statements as a whole.

## 9. Benefit plans

The Dollar General Corporation 401(k) Savings and Retirement Plan became effective on January 1, 1998. The 401(k) plan is a safe harbor defined contribution plan and is subject to the Employee Retirement and Income Security Act ("ERISA").

Participants are permitted to contribute between 1% and 25% of their pre-tax annual eligible compensation as defined in the 401(k) plan document, subject to certain limitations under the Internal Revenue Code. Employees who are over age 50 are permitted to contribute additional amounts on a pre-tax basis under the catch-up provision of the 401(k) plan subject to Internal Revenue Code limitations. The Company currently matches employee contributions, including catch-up contributions, at a rate of 100% of employee contributions, up to 5% of annual eligible salary, after an employee has been employed for one year and has completed a minimum of 1,000 hours of service.

A participant's right to claim a distribution of his or her account balance is dependent on ERISA guidelines and Internal Revenue Service regulations. All active employees are fully vested in all contributions to the 401(k) plan. During 2006, 2005 and 2004, the Company expensed approximately \$6.4 million, \$5.8 million, and \$4.9 million, respectively, for matching contributions.

The Company also has a nonqualified supplemental retirement plan and compensation deferral plan (called the Dollar General Corporation CDP/SERP Plan) for a select group of management and highly compensated employees. The supplemental retirement plan is a noncontributory defined contribution plan with annual Company contributions ranging from 2% to 12% of base pay plus bonus depending upon age plus years of service and job grade. Under the compensation deferral plan, participants may defer up to 65% of base pay and up to 100% of bonus pay. An employee may be designated for participation in one or both of the plans, according to the eligibility requirements of the plans. The Company matches base pay deferrals at a rate of 100% of base pay deferral, up to 5% of annual salary, with annual salary offset by the amount of match-eligible salary in the 401(k) plan. All participants are 100% vested in their compensation deferral plan accounts. Supplemental retirement plan accounts vest at the earlier of the participant's attainment of age 50, the participant's being credited with 10 or more "years of service", upon termination of employment due to death or "total and permanent disability", or upon a "change in control," all as defined in the plan. The Company incurred compensation expense for these plans of approximately \$0.8 million in 2006 and \$0.6 million in both 2005 and 2004.

The supplemental retirement plan and compensation deferral plan assets are invested at the option of the participant in either an account that mirrors the performance of a fund or funds selected by the Compensation Committee of the Company's Board of Directors or its delegate (the "Mutual Funds Option"), or in an account which mirrors the performance of the Company's common stock (the "Common Stock Option"). Investments in the Common Stock Option cannot be subsequently diversified and investments in the Mutual Funds Option cannot be subsequently transferred into the Common Stock Option.

A participant's compensation deferral plan and supplemental retirement plan account balances will be paid in accordance with the participant's election by (a) lump sum, (b) monthly installments over a 5, 10 or 15 year period or (c) a combination of lump sum and installments. The vested amount will be payable at the time designated by the plan upon the participant's termination of employment or retirement, except that participants may elect to receive an in-service distribution or an "unforeseeable emergency hardship" distribution of vested amounts credited to the compensation deferral account. Account balances deemed to be invested in the Mutual Funds Option are payable in cash and account

balances deemed to be invested in the Common Stock Option are payable in shares of Dollar General common stock and cash in lieu of fractional shares.

Asset balances in the Mutual Funds Option are stated at fair market value, which is based on quoted market prices. The current portion of these balances are included in Prepaid expenses and other current assets and the long term portion is included in Other assets, net in the consolidated balance sheets. In accordance with EITF 97-14 "Accounting for Deferred Compensation Arrangements Where Amounts Earned Are Held in a Rabbi Trust and Invested," the Company's stock is recorded at historical cost and included in Other shareholders' equity. The deferred compensation liability related to the Company stock for active plan participants is included in shareholders' equity and subsequent changes to the fair value of the obligation are not recognized, in accordance with the provisions of EITF 97-14. The deferred compensation liability related to the Mutual Funds Option is recorded at the fair value of the investments held in the trust. The current portion of these balances is included in Accrued expenses and other and the long term portion is included in Other liabilities in the consolidated balance sheets.

The Company sponsors a supplemental executive retirement plan for the Chief Executive Officer (called the Supplemental Executive Retirement Plan for David A. Perdue) and accounts for the plan in accordance with SFAS 158. The plan has an unfunded liability balance of \$2.9 million as of February 2, 2007, included in Other liabilities in the consolidated balance sheet as of February 2, 2007. This balance includes a \$0.6 million transition adjustment (\$0.4 million net of tax) for net actuarial losses recorded in 2006 as prescribed by SFAS 158, with the net of tax offset to Accumulated other comprehensive income. The Company has not included additional disclosures due to the plan's immateriality to the consolidated financial statements as a whole. Effective January 25, 2006, the Board approved the restatement of the plan to clarify certain provisions, comply with pending federal legislation and establish a grantor trust to hold certain assets in connection with the plan. The grantor trust provides for assets to be placed in the trust upon an actual or potential change in control (as defined in the grantor trust). The assets of the grantor trust are subject to the claims of the Company's creditors.

Non-employee directors may defer all or a part of any fees normally paid by the Company to a voluntary nonqualified compensation deferral plan. The compensation eligible for deferral includes the annual retainer, meeting and other fees, as well as any per diem compensation for special assignments, earned by a director for his or her service to the Company's Board of Directors or one of its committees. The deferred compensation is credited to a liability account, which is then invested at the option of the director, in deemed investments which mirror either the Mutual Funds Option or the Common Stock Option and the deferred compensation will be paid in accordance with the director's election in a lump sum or in monthly installments over a 5, 10 or 15 year period, or a combination of both, at the time designated by the plan upon a director's resignation or termination from the Board. However, a director may request to receive an "unforeseeable emergency hardship" in-service distribution of amounts credited to his account in accordance with the terms of the directors' deferral plan. All deferred compensation will be immediately due and payable upon a "change in control" (as defined in the directors' deferral plan) of the Company. Account balances deemed to be invested in the Mutual Funds Option are payable in cash and account balances deemed to be invested in the Common Stock Option are payable in shares of Dollar General common stock and cash in lieu of fractional shares.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)

**10. Share-based payments**

The Company has a shareholder-approved stock incentive plan under which stock options, nonvested shares in the form of restricted stock and restricted stock units (which represent the right to receive one share of common stock for each unit upon vesting), and other equity-based awards may be granted to certain officers, directors and key employees. The plan authorizes the issuance of up to 29.375 million shares of the Company's common stock, up to 4 million of which may be issued in the form of restricted stock or restricted stock units. As of February 2, 2007, there were approximately 6.4 million shares available for future grant, approximately 3.0 million of which may be issued as restricted stock or restricted stock units. The Company believes that stock-based awards assist in retaining employees and better align the interests of its employees with those of its shareholders.

Stock options granted under the plan are non-qualified stock options issued at an exercise price equal to the market price of the Company's common stock on the grant date, vest ratably over a four-year period (subject to earlier vesting in certain circumstances such as a change in control), and expire no more than 10 years following the grant date. The number of options granted is generally based on individual job grade levels, which are determined based upon competitive market data. Dividends are not paid or accrued on stock options.

Unvested options generally are forfeited upon the cessation of employment with the Company. In the event employment terminates for a reason other than cause, death, disability or retirement, any outstanding vested options issued under the plan generally may be exercised for a period of three months. In the event employment terminates due to death, disability or retirement, the option recipient (or the recipient's legal representative or beneficiary) generally may exercise any outstanding vested options issued under the plan for a period of three years. Notwithstanding the foregoing, no option may be exercised beyond its initial 10-year expiration date.

Restricted stock awards and restricted stock unit awards granted under the plan generally vest ratably over three years (subject to earlier vesting in certain circumstances such as a change in control). Unvested restricted stock and restricted stock unit awards generally are forfeited upon the cessation of a grantee's employment with the Company. Recipients of restricted stock are entitled to receive cash dividends and to vote their respective shares, but are generally prohibited from selling or transferring restricted shares prior to vesting. Recipients of restricted stock units are entitled to accrue dividend equivalents on the units but are not entitled to vote, sell or transfer the units or the shares underlying the units prior to both vesting and payout. Dividends or dividend equivalents, as the case may be, are paid or accrued on the grants of restricted stock and restricted stock units at the same rate that dividends are paid to shareholders generally. Dividend equivalents on restricted stock units vest at the same time that the underlying shares vest.

The plan provides for the automatic annual grant of 4,600 restricted stock units to each non-employee director that vest one year after the grant date (subject to earlier vesting upon retirement, change in control or other circumstances set forth in the plan) and generally may not be paid until the individual has ceased to be a member of the Company's Board of Directors.

In the past, the Company had various stock and incentive plans under which stock options were granted. Stock options that were granted under prior plans and were outstanding on February 2, 2007 continue in accordance with the terms of the respective plans.

On February 3, 2006, the vesting of all outstanding options granted prior to August 2, 2005, other than options previously granted to the Company's CEO and options granted in 2005 to the officers of

the Company at the level of Executive Vice President or above, accelerated pursuant to a January 24, 2006 action of the Compensation Committee of the Company's Board of Directors. In addition, pursuant to that Compensation Committee action, the vesting of all outstanding options granted on or after August 2, 2005 but prior to January 24, 2006, other than options granted during that time period to the officers of the Company at the level of Executive Vice President or above, accelerated effective as of the date that is six months after the applicable grant date. Certain options granted on January 24, 2006 to certain newly hired officers below the level of Executive Vice President were granted with a six-month vesting period. The decision to accelerate the vesting of these stock options resulted in compensation expense of \$0.9 million, before income taxes, recognized during the fourth quarter of 2005, and was made primarily to reduce non-cash compensation expense to be recorded in future periods under the provisions of SFAS 123(R). The future expense eliminated as a result of the decision to accelerate the vesting of these options was approximately \$28 million, or \$17 million net of income taxes, over the four-year period during which the stock options would have vested, subject to the impact of additional adjustments related to certain stock option forfeitures. The Company also believed this decision benefited employees.

Effective February 4, 2006, the Company adopted SFAS 123(R) and began recognizing compensation expense for stock options based on the fair value of the awards on the grant date. The Company adopted SFAS 123(R) under the modified-prospective-transition method and, therefore, results from prior periods have not been restated. The following table illustrates the effect on net income and earnings per share as if the Company had applied the fair value recognition provisions of SFAS 123 to options granted under the Company's stock plans for the years ended February 3, 2006 and January 28, 2005. For purposes of this pro forma disclosure, the value of the options is estimated using the Black-Scholes-Merton option pricing model for all option grants. Amounts are in thousands except per share data.

	Year Ended February 3, 2006	Year Ended January 28, 2005
Net income — as reported	\$ 350,155	\$ 344,190
Deduct: Total pro forma stock-based employee compensation expense determined under fair value based method for all awards, net of related tax effects per SFAS 123	32,621	10,724
Net income — pro forma	\$ 317,534	\$ 333,466
Earnings per share — as reported		
Basic	\$ 1.09	\$ 1.04
Diluted	\$ 1.08	\$ 1.04
Earnings per share — pro forma		
Basic	\$ 0.99	\$ 1.01
Diluted	\$ 0.98	\$ 1.00

Under SFAS 123(R), forfeitures are estimated at the time of valuation and reduce expense ratably over the vesting period. Under SFAS 123, the Company elected to account for forfeitures when awards were actually forfeited, at which time all previous pro forma expense (which, after-tax, approximated \$5.5 million and \$8.5 million in the years ended February 3, 2006 and January 28, 2005, respectively) was reversed to reduce pro forma expense for those years.

For the year ended February 2, 2007, the adoption of the fair value method of SFAS 123(R) resulted in additional share-based compensation expense (a component of SG&A expenses) and a corresponding reduction in net income before income taxes in the amount of \$3.6 million, a reduction in net income of \$2.2 million, and a reduction in basic and diluted earnings per share of approximately \$0.01.

SFAS 123(R) also requires the benefits of tax deductions in excess of recognized compensation cost to be reported as a financing cash flow, rather than as an operating cash flow as required prior to the adoption of SFAS 123(R). For the year ended February 2, 2007, the \$2.5 million excess tax benefit classified as a financing cash inflow would have been classified as an operating cash inflow if the Company had not adopted SFAS 123(R). The impact of the adoption of SFAS 123(R) on future results will depend on, among other things, levels of share-based payments granted in the future, actual forfeiture rates and the timing of option exercises.

The fair value of each option grant is separately estimated by applying the Black-Scholes-Merton option pricing valuation model. The weighted average for key assumptions used in determining the fair value of options granted in the years ended February 2, 2007, February 3, 2006 and January 28, 2005, and a summary of the methodology applied to develop each assumption, are as follows:

	February 2, 2007	February 3, 2006	January 28, 2005
Expected dividend yield	0.82%	0.85%	0.85%
Expected stock price volatility	28.8%	27.1%	35.5%
Weighted average risk-free interest rate	4.7%	4.2%	3.5%
Expected term of options (years)	5.7	5.0	5.0

Expected dividend yield — This is an estimate of the expected dividend yield on the Company's stock. This estimate is based on historical dividend payment trends. An increase in the dividend yield will decrease compensation expense.

Expected stock price volatility — This is a measure of the amount by which the price of the Company's common stock has fluctuated or is expected to fluctuate. The Company uses actual historical changes in the market price of the Company's common stock and implied volatility based upon traded options, weighted equally, to calculate the volatility assumption, as it is the Company's belief that this methodology provides the best indicator of future volatility. For historical volatility, the Company calculates daily market price changes from the date of grant over a past period representative of the expected life of the options to determine volatility, excluding the period from April 30, 2001 to January 31, 2002 due to a restatement of the Company's financial statements for fiscal years 2001 and prior and the Company's inability, during a substantial portion of this period, to file annual and quarterly reports required by the Securities Exchange Act of 1934. The Company believes that the restatement and related inability to file periodic Exchange Act reports is an event specific to the Company that resulted in higher than normal share price volatility during this period and is not expected to recur during the estimated term of current option grants. An increase in the expected volatility will increase compensation expense.

Weighted average risk-free interest rate — This is the U.S. Treasury rate for the week of the grant having a term approximating the expected life of the option. An increase in the risk-free interest rate will increase compensation expense.

Expected term of options — This is the period of time over which the options granted are expected to remain outstanding. Because the terms of the Company's stock option grants prior to August 2002 were significantly different than grants issued on and after that date and the Company does not currently intend to grant stock options similar to those granted prior to August 2002 in future periods, the Company believes that the historical and post-vesting employee behavior patterns for grants prior to August 2002 are of little or no value in determining future expectations and, therefore, has generally excluded these pre-August 2002 grants from its analysis of expected term. The Company has estimated expected term using a computation based on an assumption that outstanding options will be exercised approximately halfway through their contractual term, taking into consideration such factors as grant date, expiration date, weighted-average time-to-vest, actual exercises and post-vesting cancellations. Options granted have a maximum term of 10 years. An increase in the expected term will increase compensation expense.

The Company issues new shares when options are exercised. A summary of stock option activity during the year ended February 2, 2007 is as follows:

	Options Issued	Weighted Average Exercise Price
Balance, February 3, 2006	20,258,324	\$ 18.19
Granted	2,648,600	17.41
Exercised	(1,573,354)	12.65
Canceled	(1,934,689)	19.68
Balance, February 2, 2007	19,398,881	\$ 18.38

During the years ended February 2, 2007, February 3, 2006 and January 28, 2005, the weighted average grant date fair value of options granted was \$5.86, \$6.33 and \$6.36, respectively; 617,234, 8,281,184 and 1,037,126 options vested, net of forfeitures, respectively; with a total fair value of approximately \$2.5 million, \$56.5 million and \$4.2 million, respectively; and the total intrinsic value of stock options exercised was \$6.8 million, \$16.7 million and \$24.0 million, respectively.

At February 2, 2007, the aggregate intrinsic value of all outstanding options was \$14.6 million with a weighted average remaining contractual term of 5.2 years, of which 16,923,305 of the outstanding options are currently exercisable with an aggregate intrinsic value of \$14.1 million, a weighted average exercise price of \$18.50 and a weighted average remaining contractual term of 4.7 years. At February 2, 2007, the total unrecognized compensation cost related to non-vested stock options was \$11.6 million with an expected weighted average expense recognition period of 3.1 years.

All stock options granted in the years ended February 2, 2007 and February 3, 2006 under the terms of the Company's stock incentive plan were non-qualified stock options issued at a price equal to the fair market value of the Company's common stock on the date of grant, were originally scheduled to vest ratably over a four-year period, and expire 10 years following the date of grant.

A summary of activity related to nonvested restricted stock and restricted stock unit awards during the year ended February 2, 2007 is as follows:

	Nonvested Shares	Weighted Average Grant Date Fair Value
Balance, February 3, 2006	363,687	\$ 19.66
Granted	571,603	15.20
Vested	(149,066)	18.01
Canceled	(37,593)	18.76
Balance, February 2, 2007	748,631	\$ 16.63

The purchase price was set at zero for all nonvested restricted stock and restricted stock unit awards granted in the year ended February 2, 2007. The Company records compensation expense on a straight-line basis over the restriction period based on the market price of the underlying stock on the date of grant. The nonvested restricted stock and restricted stock unit awards granted under the plan to employees during the year ended February 2, 2007 are scheduled to vest and become payable ratably over a three-year period from the respective grant dates, except for a restricted stock unit grant made to the Company's Chairman and Chief Executive Officer in the third quarter of fiscal 2006 which is scheduled to vest ratably over a three-year period from the grant date but which is not payable until after he ceases to be employed by the Company. The nonvested restricted stock unit awards granted under the plan to non-employee directors during the year ended February 2, 2007 are scheduled to vest over a one-year period from the respective grant dates, but become payable only after the recipient ceases to serve as a Board member (or upon a change-in-control as discussed above).

The Company accounts for nonvested restricted stock and restricted stock unit awards in accordance with the provisions of SFAS 123(R). Under the provisions of SFAS 123(R), unearned compensation is not recorded within shareholders' equity, and accordingly, during the year ended February 2, 2007, the Company reversed its unearned compensation balance as of February 3, 2006 of approximately \$5.2 million, with an offset to common stock and additional paid-in capital. The Company recognized compensation expense relating to its nonvested restricted stock and restricted stock unit awards of approximately \$4.0 million, \$2.4 million and \$1.8 million in 2006, 2005 and 2004, respectively. At February 2, 2007, the total compensation cost related to nonvested restricted stock and restricted stock unit awards not yet recognized was approximately \$9.1 million.

There have been no modifications to any of the Company's outstanding share-based payment awards during the year ended February 2, 2007. The Company recognized total compensation expense relating to share-based awards of approximately \$7.6 million, \$3.3 million and \$1.8 million in 2006, 2005 and 2004, respectively.

**11. Capital stock**

The Company has a Shareholder Rights Plan (the "Plan"), filed with the Securities and Exchange Commission, under which Series B Junior Participating Preferred Stock Purchase Rights (the "Rights") were issued for each outstanding share of common stock. The Rights were attached to all common stock outstanding as of March 10, 2000. On May 8, 2000, we effected a five for four stock split at which time, pursuant to the adjustment provisions contained in the Rights Agreement, each outstanding share of the Company's common stock evidenced the right to receive eight-tenths of a right. Such Rights will be attached to all additional shares of common stock issued prior to the Plan's expiration on February 28, 2010, or such earlier termination, if applicable. The Rights entitle the holders to purchase from the Company one one-hundredth of a share (a "Unit") of Series B Junior Participating Preferred Stock (the "Preferred Stock"), no par value, at a purchase price of \$100 per Unit, subject to adjustment. Initially, the Rights will attach to all certificates representing shares of outstanding common stock, and no separate Rights Certificates will be distributed. The Rights will become exercisable upon the occurrence of a triggering event as defined in the Plan. The triggering events generally include any unsolicited attempt to acquire more than 15 percent of the Company's outstanding common stock. The practical operation of the Plan, if triggered, allows a holder of rights: (a) to acquire \$200 of the Company's common stock in exchange for the \$100 purchase price in the event of an acquisition of the Company in which the Company is the surviving entity; and (b) in the event of an acquisition of the Company in which the Company is not the surviving entity, to acquire \$200 of the surviving entity's securities in exchange for the \$100 purchase price.

On November 29, 2006, the Board of Directors authorized the Company to repurchase up to \$500 million of its outstanding common stock. On September 30, 2005 and November 30, 2004, the Board of Directors authorized the Company to repurchase up to 10 million shares of its outstanding common stock on each date. These authorizations allow or allowed, as applicable, for purchases in the open market or in privately negotiated transactions from time to time, subject to market conditions. The objective of the Company's share repurchase initiative is to enhance shareholder value by purchasing shares at a price that produces a return on investment that is greater than the Company's cost of capital. Additionally, share repurchases generally are undertaken only if such purchases result in an accretive impact on the Company's fully diluted earnings per share calculation. The 2006 authorization expires December 31, 2008 and as of February 2, 2007 no purchases had been made pursuant to this authorization. The 2005 and 2004 authorizations were completed prior to their expiration dates. During 2006, the Company purchased approximately 4.5 million shares pursuant to the 2005 authorization at a total cost of \$79.9 million. During 2005, the Company purchased approximately 5.5 million shares pursuant to the 2005 authorization at a total cost of \$104.7 million and approximately 9.5 million shares pursuant to the 2004 authorization at a total cost of \$192.9 million. During 2004, the Company purchased approximately 0.5 million shares pursuant to the 2004 authorization at a total cost of \$10.9 million and approximately 10.5 million shares pursuant to a 2003 authorization at a total cost of \$198.4 million.

**12. Insurance settlement**

During 2006 and 2005, the Company received proceeds of \$13.0 million and \$8.0 million, respectively, representing insurance recoveries for destroyed and damaged assets, costs incurred and business interruption coverage related to Hurricane Katrina, which is reflected in results of operations for these years as a reduction of SG&A expenses. The claim was settled in 2006. The business interruption portion of the proceeds was approximately \$5.8 million and was received in 2006.

Insurance recoveries related to fixed assets losses are included in cash flows from investing activities and recoveries related to inventory losses and business interruption are included in cash flows from operating activities.

### 13. Segment reporting

The Company manages its business on the basis of one reportable segment. See Note 1 for a brief description of the Company's business. As of February 2, 2007, all of the Company's operations were located within the United States with the exception of an immaterial Hong Kong subsidiary formed to assist in the process of importing certain merchandise that began operations in early 2004. The following data is presented in accordance with SFAS 131, "Disclosures about Segments of an Enterprise and Related Information." Amounts are in thousands.

### 14. Subsequent event

On March 11, 2007, the Company entered into an Agreement and Plan of Merger (the "Merger Agreement") with Buck Holdings LP, a Delaware limited partnership ("Parent") and Buck Acquisition Corp., a Tennessee corporation and wholly owned subsidiary of Parent ("Merger Sub").

Pursuant to the Merger Agreement, Merger Sub will be merged with and into the Company (the "Merger"), with the Company surviving the Merger as a wholly owned subsidiary of Parent. Merger Sub and Parent are affiliates of Kohlberg Kravis Roberts & Co., L.P. Pursuant to the Merger Agreement, at the effective time of the Merger, each outstanding share of common stock of the Company, other than any shares held by any wholly owned subsidiary of the Company and any shares owned by Parent or Merger Sub or held by the Company, will be cancelled and converted into the right to receive \$22.00 in cash, without interest (the "Merger Consideration"). In addition, immediately prior to the effective time of the Merger, all shares of Company restricted stock and restricted stock units will, unless otherwise agreed by the holder and Parent, vest and be converted into the right to receive the Merger Consideration. All options to acquire shares of Company common stock will vest immediately prior to the effective time of the Merger and holders of such options will, unless otherwise agreed by the holder and Parent, be entitled to receive an amount in cash equal to the excess, if any, of the Merger Consideration over the exercise price per share of Company common stock subject to the option.

The Board of Directors of the Company unanimously approved the Merger Agreement and amended the Company's Shareholder Rights Plan to exempt the Merger from that Plan's operation.

Consummation of the Merger is not subject to a financing condition but is subject to customary closing conditions, including approval of the Merger Agreement by the Company's shareholders,

regulatory approval and other customary closing conditions. The Merger Agreement places specified restrictions on certain of the Company's business activities, including but not limited to: acquisitions or dispositions of assets, capital expenditures, modifications of debt, leasing activities, compensatory changes, dividend increases, investments and share repurchases. The accompanying consolidated financial statements do not include any financial reporting impacts related to potential consummation of the Merger, including but not limited to potential change in basis of accounting, and acceleration of vesting of restricted stock, stock units or options.

Subsequent to the announcement of the Merger Agreement, the Company and its directors were named in seven putative class actions alleging claims for breach of fiduciary duty arising out of the proposed sale of the Company to KKR, all as described more fully under "Legal Proceedings" in Note 8 above.

#### 15. Quarterly financial data (unaudited)

The following is selected unaudited quarterly financial data for the fiscal years ended February 2, 2007 and February 3, 2006. With the exception of the fourth quarter of 2005, which was a 14-week accounting period, each quarter listed below was a 13-week accounting period. The sum of the four quarters for any given year may not equal annual totals due to rounding. Amounts are in thousands except per share data.

Quarter	First	Second	Third	Fourth
<b>2006:</b>				
Net sales	\$ 2,151,387	\$ 2,251,053	\$ 2,213,396	\$ 2,553,986

Basic earnings (loss) per share	0.15	0.15	(0.02)	0.16
Diluted earnings (loss) per share	0.15	0.15	(0.02)	0.16
<b>2005:</b>				
Net sales	\$ 1,977,829	\$ 2,066,016	\$ 2,057,888	\$ 2,480,504
Gross profit	563,349	591,530	579,016	730,929
Operating profit	106,921	121,070	101,612	232,264
Net income	64,900	75,558	64,425	145,272
Basic earnings per share	0.20	0.23	0.20	0.46
Diluted earnings per share	0.20	0.23	0.20	0.46

As discussed in Note 12, during the first and third quarters of 2006, the Company received proceeds, net of taxes, of \$3.2 million (\$0.01 per diluted share), and \$5.0 million, (\$0.02 per diluted share) respectively, representing insurance recoveries for destroyed and damaged assets, costs incurred and business interruption coverage related to Hurricane Katrina, which is reflected in results of operations for these periods as a reduction of SG&A expenses.

As discussed in Note 2, in the third quarter of 2006, the Company completed a strategic review of its real estate portfolio and traditional inventory packaway strategy. The review resulted in plans to close approximately 400 underperforming stores and to eliminate nearly all packaway merchandise by

the close of fiscal 2007. As a result, in the third quarter of 2006, the Company recorded SG&A charges and a lower of cost or market inventory impairment, which reduced the Company's net income and related per share amounts. Also, the fourth quarter 2006 change in merchandising strategy resulted in substantially higher markdowns on inventory in the fourth quarter of 2006 (\$179.9 million at cost) and the Company's ending inventory being valued lower than under historical practices as ending inventory on-hand as of February 2, 2007 reflects the immediate impact of the markdowns at the time such markdowns were taken rather than at the time such inventory is sold. The impact of this reduction to inventory value approximated \$30.7 million in the fourth quarter of 2006.

In 2005, the Company expanded the number of departments it utilizes for its gross profit calculation from 10 to 23. The estimated impact of this change was a reduction of the Company's net income and related per share amounts above of \$2.1 million (\$0.01 per diluted share), \$2.2 million (\$0.01 per diluted share) and \$6.8 million (\$0.02 per diluted share) in the first, second and third quarters of 2005, respectively, and a \$7.7 million (\$0.02 per diluted share) increase in the Company's fourth quarter 2005 net income and related per share amounts.

# DOLLAR GENERAL CORPORATION AND SUBSIDIARIES

## Notes to Condensed Consolidated Financial Statements

(Unaudited)

### 1. Basis of presentation

Dollar General Corporation (the "Company") was acquired on July 6, 2007 through a Merger (as defined and discussed in greater detail in Note 2 below) accounted for as a reverse acquisition. Although the Company continued as the same legal entity after the Merger, the accompanying condensed consolidated financial statements are presented for the "Predecessor" and "Successor" relating to the periods preceding and succeeding the Merger, respectively. As a result of the Company applying purchase accounting and a new basis of accounting beginning on July 7, 2007, the financial reporting periods presented are as follows:

- The 2007 39-week period presented includes the Predecessor period of the Company from February 3, 2007 to July 6, 2007 and a Successor period, reflecting the merger of the Company and Buck Acquisition Corp. ("Buck"), from July 7, 2007 to November 2, 2007.
- The results of operations of Buck for the period from March 6, 2007 to July 6, 2007 (prior to the Merger on July 6, 2007) are also included in the condensed consolidated financial statements for the periods described above, where applicable, as a result of certain derivative financial instruments entered into by Buck prior to the Merger as further described in Note 4. Buck had no assets, liabilities, or operations prior to the merger other than the derivatives.
- The 2006 periods presented reflect the Predecessor. The consolidated financial statements for the Predecessor periods have been prepared using the historical basis of accounting for the Company. As a result of purchase accounting, the condensed consolidated financial statements subsequent to the Merger are not comparable to such financial statements prior to the Merger date.

The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") for interim financial information. Therefore, such financial statements do not include all of the disclosures normally required by GAAP or those normally made in the Company's annual financial statements. For more information, refer to the Predecessor's annual audited financial statements contained in the Annual Report on Form 10-K for the year ended February 2, 2007. The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with the Company's customary accounting practices. In management's opinion, all adjustments (which, other than the effects of the Merger, are of a normal recurring nature) necessary for a fair presentation of the consolidated financial position as of November 2, 2007 and results of operations for the accounting periods presented for the Predecessor, Successor and Buck as described above, have been made.

Ongoing estimates of inventory shrinkage and initial markups and markdowns are included in the interim cost of goods sold calculation. Because the Company's business is moderately seasonal, the results for interim periods are not necessarily indicative of the results to be expected for the entire year.

The preparation of financial statements in conformity with GAAP requires the Company to make estimates and assumptions that affect the amounts reported in the condensed consolidated financial statements and accompanying notes. Ultimate outcomes could materially differ from those estimates.

Certain financial statement amounts relating to prior periods have been reclassified to conform to the current period presentation, including the separate disclosure of noncash share-based compensation on the condensed consolidated statement of cash flows.

As discussed in Note 8, effective February 3, 2007 the Company changed its accounting for income taxes in connection with the adoption of Financial Accounting Standards Board ("FASB")

In December 2007, the FASB issued Statement of Financial Accounting Standards ("SFAS") No. 141(R), "Business Combinations." The new standard establishes the requirements for how an acquirer recognizes and measures in its financial statements the identifiable assets acquired, the liabilities assumed, and any non-controlling interest (formerly minority interest) in an acquired; provides updated requirements for recognition and measurement of goodwill acquired in a business combination or a gain from a bargain purchase, and provides updated disclosure requirement to enable users of financial statements to evaluate the nature and financial effects of the business combination. This Statement applies prospectively to business combinations for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after December 15, 2008. Early adoption is not allowed. No determination has yet been made regarding the potential impact of this Statement on the Company's financial statements.

In September 2006, the FASB issued SFAS 157, "Fair Value Measurements." SFAS 157 provides guidance for using fair value to measure assets and liabilities. The standard also requires expanded information about the extent to which companies measure assets and liabilities at fair value, the information used to measure fair value, and the effect of fair value measurements on earnings. The standard applies whenever other standards require (or permit) assets or liabilities to be measured at fair value. The standard does not expand the use of fair value in any new circumstances for financial assets and liabilities. SFAS 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007, and interim periods within those fiscal years. For non-financial assets and liabilities, the effective date has been delayed to fiscal years beginning after November 15, 2008. The Company currently plans to adopt SFAS 157 during its 2008 and 2009 fiscal years as appropriate. No determination has yet been made regarding the potential impact of this standard on the Company's financial statements.

In February 2007, the FASB issued SFAS No. 159, "The Fair Value Option for Financial Assets and Financial Liabilities—Including an amendment of FASB Statement No. 115" (SFAS 159). SFAS 159 permits entities to choose to measure many financial instruments and certain other items at fair value. It provides entities with the opportunity to mitigate volatility in reported earnings caused by measuring related assets and liabilities differently without having to apply complex hedge accounting provisions. SFAS 159 is effective as of the beginning of an entity's first fiscal year that begins after November 15, 2007. The Company currently plans to adopt SFAS 159 during its 2008 fiscal year. No determination has yet been made regarding the potential impact of this standard on the Company's financial statements.

## **2. Merger**

On March 11, 2007, the Company entered into an Agreement and Plan of Merger (the "Merger Agreement") with Buck Holdings L.P., a Delaware limited partnership ("Parent"), and Buck, a Tennessee corporation and wholly owned subsidiary of Parent. Parent is and Buck was (prior to the Merger) controlled by investment funds affiliated with Kohlberg Kravis Roberts & Co., L.P. ("KKR"). On July 6, 2007, the transaction was consummated through a merger (the "Merger") of Buck with and into the Company, with the Company surviving the Merger as a subsidiary of Parent. The Company's results of operations subsequent to July 6, 2007 include the effects of the Merger.

The aggregate purchase price was approximately \$7.1 billion, including direct costs of the Merger, and was funded primarily through debt financings as described more fully below in Note 3 and cash equity contributions from KKR, GS Capital Partners VI Fund, L.P. and affiliated funds (affiliates of Goldman, Sachs & Co.), Citi Private Equity, Wellington Management Company, LLP, CPP Investment Board (USRE II) Inc., and other equity co-investors (collectively, the "Investors") of approximately \$2.8 billion (553.4 million shares of new common stock, \$0.50 par value per share, valued at \$5.00 per share). In addition to the cash contributions by the Investors, in connection with the Merger, certain of the Company's management shareholders invested, and were issued new shares, in the Company. Such shares represented less than 1% of the outstanding shares. Pursuant to the terms of the Merger Agreement, the former holders of the Company's common stock, par value \$0.50 per share, received \$22.00 per share, or approximately \$6.9 billion, and all such shares were acquired as a result of the Merger. As of November 2, 2007, there were approximately 554.6 million shares of Company common stock outstanding, a portion of which is redeemable as further discussed below in Note 6.

As discussed in Note 1, the Merger was accounted for as a reverse acquisition in accordance with the purchase accounting provisions of SFAS 141, "Business Combinations." Because of this accounting treatment, the assets and liabilities of the Company have properly been accounted for at their estimated fair values as of the date of the Merger. The aggregate purchase price has been allocated to the tangible and intangible assets acquired and liabilities assumed, based upon a preliminary assessment of their relative fair values as of the date of the Merger. The preliminary allocation of the purchase price is subject to the finalization of certain fair values including certain assets being evaluated through appraisals, the final allocation of financing and other costs associated with the Merger, and other items.

The preliminary allocation of the purchase price is as follows (in thousands):

Cash and cash equivalents	\$ 349,615
Short-term investments	30,906
Merchandise inventories	1,378,220
Income taxes receivable	34,714
Deferred income taxes	55,358
Prepaid expenses and other current assets	63,204
Net property and equipment	1,269,120
Goodwill	4,364,841
Intangible assets	1,397,538
Other assets, net	66,537
Current portion of long-term obligations	(7,088)
Accounts payable	(585,518)
Accrued expenses and other	(306,140)
Income taxes payable	(84)

Deferred income taxes	(531,875)
Other liabilities	(215,951)
	<hr/>
Total purchase price assigned	\$ 7,095,470
	<hr/>

The preliminary allocation of the purchase price in connection with the Merger resulted in approximately \$4.4 billion of goodwill, none of which is expected to be deductible for tax purposes. The goodwill balance at November 2, 2007 increased by \$41.2 million over the balance at August 3, 2007,

representing the ongoing refinement of the purchase price allocation related to the Merger. The preliminary allocation of the purchase price also resulted in approximately \$1.4 billion of other intangible assets, as follows (in thousands):

As of November 2, 2007			
Estimated Useful Life	Gross Carrying Amount	Accumulated Amortization	Net

The Company recorded amortization expense related to amortizable intangible assets for the year-to-date Successor period ended November 2, 2007 of \$14.9 million. Amortizable intangible assets will be amortized over a weighted average period of 5.4 years.

For intangible assets subject to amortization, the estimated aggregate amortization expense for each of the five succeeding fiscal years is as follows: 2008—\$44.7 million, 2009—\$41.3 million, 2010—\$27.4 million, 2011—\$21.0 million, 2012—\$17.1 million.

Fees and expenses related to the Merger totaled \$102.6 million, principally consisting of investment banking fees, legal fees and stock compensation (\$39.4 million as further discussed in Note 6), and are reflected in the 2007 results of operations. Capitalized debt issuance costs related to financing the Merger totaled \$86.8 million and are reflected in other long-term assets in the condensed consolidated balance sheet. The amounts recorded in the condensed consolidated financial statements represent management's current estimates based on preliminary information as to the amounts and allocation of such expenses.

The following represents the unaudited pro forma results of our consolidated operations as if the Merger had occurred on February 4, 2006, after giving effect to certain adjustments, including the depreciation and amortization of the assets acquired based on their estimated fair values and changes in interest expense resulting from changes in consolidated debt (in thousands):

	39-Week Period Ended	
	November 2, 2007	November 3, 2006
Revenue	\$ 6,935,673	\$ 6,615,836
Net loss	\$ (113,327)	\$ (130,390)

The pro forma information does not purport to be indicative of what our results of operations would have been if the acquisition had in fact occurred at the beginning of the periods presented, and is not intended to be a projection of our future results of operations.

Subsequent to the announcement of the Company entering into the Merger Agreement with Buck, the Company and its directors, along with other parties, were named in seven putative class actions filed in Tennessee state courts alleging claims for breach of fiduciary duty arising out of the proposed Merger, all as described more fully under "Legal Proceedings" in Note 7 below.

On July 6, 2007, the Company entered into two senior secured credit agreements (the "New Credit Facilities"). The New Credit Facilities provide financing of \$3,425.0 million, consisting of \$2,300.0 million in a senior secured term loan facility which matures on July 6, 2014, and a senior secured asset-based revolving credit facility of up to \$1,125.0 million (of which \$302.0 million is outstanding at November 2, 2007) subject to borrowing base availability, which matures on July 6, 2013.

Under the New Credit Facilities, the Company has the right at any time to request up to \$325.0 million of incremental commitments under one or more incremental term loan facilities and/or asset-based revolving credit facilities, subject to certain conditions and subject to the lender's desire to extend the incremental facilities.

The amount from time to time available under the senior secured asset-based revolving credit facility (including in respect of letters of credit) may not exceed the borrowing base (consisting of specified percentages of eligible inventory and credit card receivables less any applicable availability reserves). The senior secured asset-based revolving credit facility includes a \$1.0 billion tranche and a \$125.0 million ("last out") tranche. Repayments of the senior secured asset-based revolving credit facility will be applied to the \$125.0 million tranche only after all other tranches have been fully paid down. As of November 2, 2007, the Company had borrowed \$125.0 million under this tranche.

Borrowings under the New Credit Facilities bear interest at a rate equal to an applicable margin plus, at the Company's option, either (a) LIBOR or (b) a base rate (which is usually equal to the prime rate). The initial applicable margin for borrowings is (i) under the term loan facility, 2.75% with respect to LIBOR borrowings and 1.75% with respect to base-rate borrowings and (ii) under the asset-based revolving credit facility (except in the last out tranche described above), 1.50% with respect to LIBOR borrowings and 0.50% with respect to base-rate borrowings and for any last out borrowings, 2.25% with respect to LIBOR borrowings and 1.25% with respect to base-rate borrowings. The applicable margins for borrowings under the asset-based revolving credit facility (except in the case of last out borrowings) are subject to adjustment each quarter based on average daily excess availability under the asset-based revolving credit facility. As of November 2, 2007, the average interest rates for borrowings under the revolving credit facility were 6.5% and 7.4% for the \$1.0 billion tranche and the last out tranche, respectively. The interest rate for borrowings under the term loan facility was 7.8% (without giving effect to the interest rate swap discussed in Note 4) as of November 2, 2007.

In addition to paying interest on outstanding principal under the New Credit Facilities, the Company is required to pay a commitment fee to the lenders under the asset-based revolving credit facility in respect of the unutilized commitments thereunder. The initial commitment fee rate is 0.375% per annum. The commitment fee rate will be reduced (except with regard to the last out tranche) to 0.25% per annum at any time that excess availability under the asset-based credit facility is equal to or less than 50% of the aggregate commitments under the asset-based revolving credit facility. The Company also must pay customary letter of credit fees.

The senior secured credit agreement for the term loan facility requires the Company to prepay outstanding term loans, subject to certain exceptions, with percentages of excess cash flow, proceeds of non-ordinary course asset sales or dispositions of property, and proceeds of incurrences of certain debt. In addition, the senior secured credit agreement for the asset-based revolving credit facility requires the Company to prepay the asset-based revolving credit facility, subject to certain exceptions, with proceeds of non-ordinary course asset sales or dispositions of property and any borrowings in excess of the then current borrowing base. Beginning September 30, 2009, the Company is required to repay installments on the loans under the term loan credit facility in equal quarterly principal amounts in an aggregate amount per annum equal to 1% of the total funded principal amount at July 6, 2007, with the balance payable on July 6, 2014.

All obligations under the New Credit Facilities are unconditionally guaranteed by substantially all of the Company's existing and future domestic subsidiaries (excluding certain immaterial subsidiaries and certain subsidiaries designated by the Company under the New Credit Facilities as "unrestricted subsidiaries").

All obligations and guarantees of those obligations under the term loan credit facility are secured by, subject to certain exceptions, a second-priority security interest in all existing and after-acquired inventory and accounts receivable; a first priority security interest in substantially all of the Company's and the guarantors' tangible and intangible assets (other than the inventory and accounts receivable collateral just described); and a first-priority pledge of the capital stock held by the Company. All obligations under the asset-based revolving credit facility are secured by all existing and after-acquired inventory and accounts receivable, subject to certain exceptions.

The New Credit Facilities contain certain covenants, including, among other things, covenants that limit the Company's ability to incur additional indebtedness, sell assets, incur additional liens, pay dividends, make investments or acquisitions, or repay certain indebtedness.

As of November 2, 2007, the Company had \$302.0 million of borrowings, \$43.7 million of commercial letters of credit, and \$68.8 million of standby letters of credit outstanding under the asset-based revolving credit facility, with excess availability under that facility of \$710.5 million. As of November 2, 2007, the Company had \$2,300.0 million outstanding under the term loan facility.

In addition, on July 6, 2007, in conjunction with the Merger, the Company issued \$1,175.0 million aggregate principal amount of 10.625% senior notes due 2015 (the "senior notes") which were issued net of a discount of \$23.2 million and which mature on July 15, 2015 pursuant to an indenture, dated as of July 6, 2007 (the "senior indenture"), and \$725 million aggregate principal amount of 11.875% / 12.625% senior subordinated toggle notes due 2017 (the "senior subordinated notes"), which mature on July 15, 2017, pursuant to an indenture, dated as of July 6, 2007 (the "senior subordinated indenture"). The senior notes and the senior subordinated notes are collectively referred to herein as the "notes." The senior indenture and the senior subordinated indenture are collectively referred to herein as the "indentures."

Interest on the notes is payable on January 15 and July 15 of each year, commencing on January 15, 2008. Interest on the senior notes will be payable in cash. Cash interest on the senior subordinated notes will accrue at a rate of 11.875% per annum, and PIK interest (as that term is defined below) will accrue at a rate of 12.625% per annum. The initial interest payment on the senior subordinated notes will be payable in cash. For certain subsequent interest periods, the Company may elect to pay interest on the senior subordinated notes by increasing the principal amount of the senior subordinated notes or issuing new senior subordinated notes ("PIK interest").

The notes are fully and unconditionally guaranteed by each of the existing and future direct or indirect wholly owned domestic subsidiaries that guarantee the obligations under the Company's New Credit Facilities.

The Company may redeem some or all of the notes at any time at redemption prices described or set forth in the indentures.

The indentures contain certain covenants, including, among other things, covenants that limit the Company's ability to incur additional indebtedness, create liens, sell assets, enter into transactions with affiliates, or consolidate or dispose of all of its assets.

Scheduled debt maturities on a rolling 52- or 53-week period, as applicable, over the next five years for the periods ending on or around July 31 of the following years are as follows (in thousands): 2008—\$7,201; 2009—\$5,023; 2010—\$26,611; 2011—\$24,361; 2012—\$24,474.

On July 6, 2007, immediately after the completion of the Merger, the Company completed a cash tender offer to purchase any and all of its \$200 million principal amount of the 2010 Notes. Approximately 99% of the 2010 Notes were validly tendered and accepted for payment. The tender offer included a consent payment equal to 3% of the par value of the 2010 Notes, and such payments along with associated settlement costs totaling \$6.2 million were paid and reflected as a loss on debt retirement in the 2007 year-to-date Successor period presented. Additionally, because the Company received the requisite consents to the proposed amendments to the indenture pursuant to which the 2010 Notes were issued, a supplemental indenture to effect such amendments was executed and delivered. The amendments, which eliminated substantially all of the restrictive covenants contained in the indenture, became operative upon the purchase of the tendered 2010 Notes.

#### **4. Derivative financial instruments**

The Company accounts for derivative financial instruments in accordance with SFAS No. 133, "Accounting for Derivative Instruments and Hedging Activities" ("SFAS 133"), as amended, which requires the fair value of such instruments to be reflected in the condensed consolidated balance sheets. The Company generally does not enter into derivative financial instruments other than for hedging purposes.

### 4. Derivative financial instruments (Continued)

The Company's derivative financial instruments, in the form of interest rate swaps, are related to variable interest rate risk exposures associated with the Company's long-term debt and were entered into in an attempt to manage that risk. The counterparties to the Company's derivative agreements are all major international financial institutions. The Company continually monitors its position and the credit ratings of its counterparties and does not anticipate nonperformance by the counterparties.

In April 2007, Buck entered into interest rate swaps, contingent upon the completion of the Merger, on a portion of the loans anticipated to result from the Merger. The interest rate swaps result in the Company receiving a fixed rate of 7.683% on a notional amount of \$2.0 billion as of July 31, 2007, with the notional amount of these swaps amortizing on a quarterly basis through July 31, 2012. The swaps were designated as cash flow hedges on October 12, 2007. For the period prior to hedge designation, unrealized losses of \$3.7 million for the year-to-date Successor period ended November 2, 2007 have been recognized in Loss on interest rate swaps in the condensed consolidated statements of operations, reflecting the changes in fair value of the swaps prior to their designation as qualifying cash flow hedging relationships, which were offset by earnings under the contractual provisions of the swaps of \$1.7 million during the same time period.

As of November 2, 2007, the fair value of the interest rate swaps of (\$22.1) million was recorded in non-current Other liabilities on the consolidated balance sheet. From the date the swaps were designated as hedges, the effective portion of the change in fair value of the swaps of (\$18.4) million was recorded in Other comprehensive income, a separate component of equity, offset by related income taxes of \$7.0 million. The Company also recorded hedge ineffectiveness of (\$0.1) million in earnings during the year-to-date Successor period ended November 2, 2007.

### 5. Strategic initiatives

During 2006, the Company began implementing certain strategic initiatives related to its historical inventory management and real estate strategies, as more fully described below.

#### Inventory management

In November 2006, the Company's Board of Directors approved management's recommendation to discontinue the Company's historical inventory packaway model by the end of fiscal 2007. With few exceptions, the Company is in the process of eliminating, through end-of-season and other markdowns, existing seasonal, home products and basic clothing packaway merchandise by the close of fiscal 2007 to allow for increased levels of newer, current-season merchandise. In connection with this strategic change, the Company incurred higher markdowns and writedowns on inventory in the second half of 2006 and the first half of 2007 prior to the Merger than in the comparable prior-year periods. As a result, the Company recorded a reserve for lower of cost or market inventory impairment estimates in the 13-week period ended November 3, 2006. As a result of the Merger and in accordance with SFAS 141, the Company's inventory balances, including the inventory associated with this strategic change, were adjusted to fair value and the related reserve was eliminated.

#### Exit and disposal activities

In November 2006, the Company's Board of Directors approved management's recommendation to close, in addition to those stores that might be closed in the ordinary course of business, approximately

400 stores by the end of fiscal 2007, all of which have been closed as of November 2, 2007. Additionally, in connection with the Merger, management has approved a plan to close an additional 60 stores prior to February 1, 2008. The Company has recorded or expects to record the following pre-tax costs associated with the closing of these approximately 460 stores (in millions).

	Estimated Total(a)	Incurred in 2006	Incurred in 2007	Merger Additions(b)	Remaining
Lease contract termination costs(c)	\$ 34.9	\$ 5.7	\$ 16.9	\$ 12.3	\$ —

- (b) These amounts were recorded as assumed liabilities in connection with the Merger.
- (c) Including reversals of deferred rent accruals totaling \$0.5 million, of which \$0.1 million is reflected in 2006, and \$0.4 million is reflected in 2007. Excludes accretion expense to be incurred in future periods.

Other associated store closing costs as listed in the table above primarily include the removal of any usable assets as well as real estate consulting and other services.

Liability balances related to exit activities discussed above are as follows (in millions):

	Balance, February 2, 2007	2007 Expenses(a)	2007 Payments and Other	Merger Additions(b)	Balance, November 2, 2007
Lease contract termination costs	\$ 5.0	\$ 17.5	\$ 10.6	\$ 12.3	\$ 24.2

- (a) 2007 expenses associated with exit and disposal activities are included in selling, general and administrative ("SG&A") expenses in the condensed consolidated statement of operations for the first half of 2007.
- (b) These amounts were recorded as assumed liabilities in connection with the Merger.

## **6. Share-based payments**

### **Pre-Merger equity plans**

Prior to the Merger, the Company maintained various share-based compensation programs which included options, restricted stock and restricted stock units. In connection with the Merger, the Company's outstanding stock options, restricted stock and restricted stock units became fully vested immediately prior to the closing of the Merger and were settled in cash, canceled or, in limited circumstances, exchanged for new options of the Company, as described below. Unless exchanged for new options, each option holder received an amount in cash, without interest and less applicable withholding taxes, equal to \$22.00 less the exercise price of each option. Additionally, each restricted stock and restricted stock unit holder received \$22.00 in cash, without interest and less applicable withholding taxes. Certain stock options held by management of the Company were exchanged for new options to purchase common stock in the Company (the "Rollover Options"). The exercise price of the Rollover Options and the number of shares of common stock of the Company underlying the Rollover Options were adjusted as a result of the Merger. The Rollover Options otherwise continue under the terms of the equity plans under which they were issued.

The Company accounts for share-based payments in accordance with Statement of Financial Accounting Standards 123 (Revised 2004) "Share-Based Payment," ("SFAS 123(R)"). Under SFAS 123(R), the fair value of each option grant is separately estimated. The fair value of each option is amortized into compensation expense over the service period.

The Company recognized \$45.4 million of share-based compensation expense in the Predecessor statements of operations in 2007 through the date of the Merger, including \$39.4 million of such expense directly related to the Merger, consisting of \$18.7 million and \$20.7 million, respectively, for the accelerated vesting of stock options and restricted stock and restricted stock units. This cost is reflected in Transaction and related costs in the condensed consolidated statements of operations for the periods ended July 6, 2007.

The Company's Predecessor statements of operations for the year-to-date period ended July 6, 2007 resulted in share-based compensation expense under the fair value method of SFAS 123(R) for outstanding stock options and a corresponding reduction of pre-tax income in the amount of \$2.3 million, excluding amounts directly related to the Merger as noted above. The condensed consolidated results of operations for the 39-week period ended November 3, 2006 reflect such expense of \$2.8 million.

The Company's Predecessor statements of operations for the year-to-date period ended July 6, 2007 reflect compensation expense relating to its restricted stock and restricted stock unit awards in the amount of \$3.7 million, excluding amounts directly related to the Merger as noted above. The condensed consolidated results of operations for the 39-week period ended November 3, 2006 reflect such expense of \$2.7 million.

### **2007 Stock Incentive Plan for Key Employees**

On July 6, 2007, the Company's Board of Directors adopted the 2007 Stock Incentive Plan for Key Employees (the "Plan"). The Plan provides for the granting of stock options, stock appreciation rights, and other stock-based awards or dividend equivalent rights to key employees, directors, consultants or other persons having a service relationship with the Company, its subsidiaries and certain of its

affiliates. The number of shares of Company common stock authorized for grant under the Plan is 24,000,000. From July 6, 2007 to November 2, 2007, the Company granted to certain members of management and other employees non-qualified stock options to purchase 17,390,000 shares of Company common stock pursuant to the terms of the Plan, while 150,000 of such grants have been canceled, resulting in 17,240,000 options outstanding under the plan as of November 2, 2007. Half of these options will vest ratably over a five-year period solely based upon continued employment over that time period, while the other half of these options will vest based both upon continued employment and upon the achievement of predetermined annual or cumulative financial-based targets over time which coincide with the Company's fiscal year. The options also have certain accelerated vesting provisions upon a change in control or initial public offering, as defined in the Plan. The options have a 10-year maximum expiration date and have an exercise price of \$5.00 per share, which represented the fair market value of one share of Company common stock on the grant dates. The Company believes that the Plan has been designed to effectively align the interests of its employees and shareholders.

The fair value of each option grant was estimated on the date of grant using the Black-Scholes-Merton valuation model. The application of this valuation model involves assumptions that are judgmental and highly sensitive in the determination of compensation expense. Primarily because of the Merger discussed in Note 2, the expected volatilities have been based upon the historical volatilities of a peer group of four companies. The risk-free rate for periods within the contractual life of the option was based on the U.S. Treasury yield curve in effect at the time of grant. The Company currently believes that the performance targets will be achieved. If such goals are not met, and there is no change in control, no compensation cost is recognized and any compensation cost recognized to date will be reversed.

The Successor statements of operations for the period from July 7, 2007 to November 2, 2007 reflect share-based compensation expense under the fair value method of SFAS 123(R) for outstanding stock options and a corresponding reduction of pre-tax income in the amount of \$3.2 million. As of November 2, 2007, total unrecognized compensation cost related to nonvested share-based compensation arrangements, was equal to \$38.1 million.

Certain employees of the Company have the right to require the Company to repurchase the shares that the employee may acquire through the exercise of certain options or otherwise, as well as any Rollover Options and vested new options, in each case at the time the employee's employment with the Company is terminated. These put rights would be triggered by the employee's death or disability at any time prior to the fifth anniversary of the closing date of the Merger. Certain officers also have "additional put rights" which would require the Company to purchase such officers' common stock and rollover options if such officer's employment terminates for any reason on or before the later of (x) the first anniversary of the closing date of the Merger and (y) six months following the employment start date of a permanent CEO. This purchase can be required for 365 days following such termination. The purchase price for shares subject to these put rights in the event the officer's employment terminates (x) due to death or disability, is the fair market value of the shares as of the date such officer's employment terminated and (y) due to other reasons, is \$5.00 per share. The purchase price for any new option or Rollover Option is equal to the excess, if any, of the fair market value over the option exercise price multiplied by the number of shares subject to the option. The purchase price for

Rollover Options for officers with those additional put rights is equal to the excess, if any, of \$5 over \$1.25 (the option exercise price) multiplied by the number of shares subject to the option. The liability related to the Rollover Options for officers with these additional put rights is approximately \$3.6 million and has been classified as other non-current liabilities in the Company's condensed consolidated balance sheet as of November 2, 2007. The value of shares subject to the put rights in the event of death or disability of \$9.5 million has been classified as temporary equity and reflected in the condensed consolidated balance sheet as Redeemable common stock as of November 2, 2007.

## **7. Commitments and contingencies**

### **Lease issues**

The Merger and certain of the related financing transactions may be interpreted as giving rise to certain trigger events (which may include events of default) under the Company's three DC leases. In such event, the Company's cost of acquiring the underlying assets could approximate \$112 million. At this time, the Company does not believe the resolution of such issues would result in the purchase of these DCs; however, the payments associated with such an outcome would have a negative impact on the Company's liquidity. To minimize the uncertainty associated with such possible interpretations, the Company is negotiating the restructuring of these leases and the related underlying debt. The Company has concluded that a probable loss exists in connection with the restructurings and has recorded expenses totaling \$12.0 million in SG&A expenses in the Successor financial statements for the year-to-date period ended November 2, 2007. The ultimate resolution of these negotiations may result in changes in the amounts of such losses, which change may be material.

### **Legal proceedings**

On August 7, 2006, a lawsuit entitled *Cynthia Richter, et al. v. Dolgencorp, Inc., et al.* was filed in the United States District Court for the Northern District of Alabama (Case No. 7:06-cv-01537-LSC) ("*Richter*") in which the plaintiff alleges that she and other current and former Dollar General store managers were improperly classified as exempt executive employees under the FLSA and seeks to recover overtime pay, liquidated damages, and attorneys' fees and costs. On August 15, 2006, the *Richter* plaintiff filed a motion in which she asked the Court to certify a nationwide class of current and former store managers. The Company opposed the plaintiff's motion. On March 23, 2007, the Court conditionally certified a nationwide class of individuals who worked for Dollar General as store managers since August 7, 2003. The number of persons who will be included in the class has not been determined, and the Court has not approved the Notice that will be sent to the class.

On May 30, 2007, the Court stayed all proceedings in the case, including the sending of the Notice, to evaluate, among other things, an appeal in the Eleventh Circuit involving claims similar to those raised in this action. That stay has been extended through March 31, 2008. During the stay, the statute of limitations will be tolled for potential class members. At its conclusion, the Court will determine whether to extend the stay or to permit this action to proceed. If the Court ultimately permits Notice to issue, the Company will have an opportunity at the close of the discovery period to seek decertification of the class, and the Company expects to file such a motion.

The Company believes that its store managers are and have been properly classified as exempt employees under the FLSA and that this action is not appropriate for collective action treatment. The Company intends to vigorously defend this action. However, at this time, it is not possible to predict whether the Court will permit this action to proceed collectively, and no assurances can be given that the Company will be successful in its defense on the merits or otherwise. If the Company is not successful in its efforts to defend this action, the resolution could have a material adverse effect on the Company's financial statements as a whole.

On May 18, 2006, the Company was served with a lawsuit entitled *Tammy Brickey, Becky Norman, Rose Rochow, Sandra Cogswell and Melinda Sappington v. Dolgencorp, Inc. and Dollar General Corporation* (Western District of New York, Case No. 6:06-cv-06084-DGL, originally filed on February 9, 2006 and amended on May 12, 2006 (" *Brickey* ")). The *Brickey* plaintiffs seek to proceed collectively under the FLSA and as a class under New York, Ohio, Maryland and North Carolina wage and hour statutes on behalf of, among others, individuals the Company employed as assistant store managers who claim to be owed wages (including overtime wages) under those statutes. At this time, it is not possible to predict whether the Court will permit this action to proceed collectively or as a class. However, the Company believes that this action is not appropriate for either collective or class treatment and that its wage and hour policies and practices comply with both federal and state law. The Company plans to vigorously defend this action; however, no assurances can be given that the Company will be successful in its defense on the merits or otherwise, and, if it is not, the resolution of this action could have a material adverse effect on the Company's financial statements as a whole.

On March 7, 2006, a complaint was filed in the United States District Court for the Northern District of Alabama ( *Janet Calvert v. Dolgencorp, Inc.* , Case No. 2:06-cv-00465-VEH (" *Calvert* " )), in which the plaintiff, a former store manager, alleged that she was paid less than male store managers because of her sex, in violation of the Equal Pay Act and Title VII of the Civil Rights Act of 1964, as amended ("Title VII"). On March 9, 2006, the *Calvert* complaint was amended to include seven additional plaintiffs, who also allege to have been paid less than males because of their sex, and to add allegations of sex discrimination in promotional opportunities and undefined terms and conditions of employment. The amended *Calvert* complaint also alleged that the Company's employment practices disparately impacted females. However, the Court subsequently struck those allegations. The amended *Calvert* complaint seeks to proceed collectively under the Equal Pay Act and as a class under Title VII, and requests back wages, injunctive and declaratory relief, liquidated damages, punitive damages, and attorney's fees and costs.

On July 9, 2007, the plaintiffs filed a motion in which they asked the Court to approve the issuance of Notice to a class of current and former female store managers under the Equal Pay Act. The Company opposed plaintiffs' motion. On November 30, 2007, the Court conditionally certified a nationwide class of females under the Equal Pay Act who worked for Dollar General as store managers between November 30, 2004 and November 30, 2007. Notice issued on January 11, 2008, and persons to whom the Notice is sent will be required to opt into the suit on or before March 11, 2008. The Company will have an opportunity at the close of the discovery period to seek decertification of the Equal Pay Act class, and the Company expects to file such a motion.

At this time, it is not possible to predict whether the Court ultimately will permit *Calvert* to proceed collectively under the Equal Pay Act or as a class under Title VII. However, the Company

believes that the case is not appropriate for class or collective treatment and believes that its policies and practices comply with the Equal Pay Act and Title VII. The Company intends to vigorously defend the action; however, no assurances can be given that the Company will be successful in its defense on the merits or otherwise. If the Company is not successful in defending the *Calvert* action, its resolution could have a material adverse effect on the Company's financial statements as a whole.

On November 9, 2007, the Company was served with an action entitled *Sheneica Nunn, et al. v. Dollar General Corporation, et al.* (Circuit Court for Dane County, Wisconsin, Case No. 07CV4178) in which the plaintiff, on behalf of herself and a putative class of African-American applicants, alleges that the Company's criminal background check process disparately impacts African-Americans in violation of Title VII of the Civil Rights Act of 1964, as amended, and the Wisconsin Fair Employment Act. The Company has removed the case to Federal Court, and it currently is pending in the United States District Court for the Western District of Wisconsin. At this time, it is not possible to predict whether the Court will permit this action to proceed as a class under either Title VII or the Wisconsin statute. However, the Company believes that this action is not appropriate for class treatment, and believes that its background check policies and practices comply with both federal and state law. The Company plans to vigorously defend this action; however, no assurances can be given that the Company will be successful in its defense on the merits or otherwise, and, if it is not, the resolution of this action could have a material adverse effect on the Company's financial statements as a whole.

On September 8, 2005, the Company received a request for information from the Environmental Protection Agency (EPA) with respect to Krazy String, a product that was offered for sale in the Company's stores. The EPA asserted that Krazy String contained an aerosol that included an ozone depleting substance in violation of the Clean Air Act. On July 12, 2006, the Company agreed to an Administrative Compliance Order requiring the destruction of the Krazy String remaining in inventory. After advising the Company that it was considering imposing a penalty in connection with Krazy String, on February 5, 2007, the EPA proposed a penalty of approximately \$800,000. The Company believed that amount to be excessive under applicable EPA policies. After additional discussions with the EPA, the Company and the EPA agreed on January 17, 2008 to resolve this matter through the Company's payment of a \$155,826 penalty. The Company expects to pay this penalty no later than February 22, 2008.

Subsequent to the announcement of the Merger Agreement, the Company and its directors were named in seven putative class actions alleging claims for breach of fiduciary duty arising out of the Company's proposed sale to KKR. Each of the complaints alleged, among other things, that the Company's directors engaged in "self-dealing" by agreeing to recommend the transaction to the Company's shareholders and that the consideration available to the Company's shareholders in the transaction is unfairly low. On motion of the plaintiffs, each of these cases was transferred to the Sixth Circuit Court for Davidson County, Twentieth Judicial District, at Nashville. By order dated April 26, 2007, the seven lawsuits were consolidated in the Court under the caption, "In re: Dollar General," Case No. 07MD-1. On June 13, 2007, the Court denied the Plaintiffs' motion for a temporary injunction to block the shareholder vote that was then held on June 21, 2007. On June 22, 2007, the Plaintiffs filed their amended complaint making claims substantially similar to those outlined above. The Company believes that the foregoing lawsuit is without merit and intends to defend the action

vigorously; however, if the Company is not successful in defending such matter, its resolution could have a material adverse effect on the Company's financial statements as a whole.

From time to time, the Company is a party to various other legal actions involving claims incidental to the conduct of its business, including actions by employees, consumers, suppliers, shareholders, government agencies, or others through private actions, class actions, administrative proceedings, regulatory actions or other litigation, including under federal and state employment laws and wage and hour laws. The Company believes, based upon information currently available, that such other litigation and claims, both individually and in the aggregate, will be resolved without a material adverse effect on the Company's financial statements as a whole. However, litigation involves an element of uncertainty. Future developments could cause these actions or claims to have a material adverse effect on the Company's results of operations or financial position. In addition, certain of these lawsuits, if decided adversely to the Company or settled by the Company, may result in liability material to the Company's financial position or may negatively affect its operating results if changes to its business operation are required.

## **8. Income taxes**

The Predecessor adopted the provisions of FIN 48 effective February 3, 2007. The adoption resulted in an \$8.9 million decrease in retained earnings and a reclassification of certain amounts between deferred income taxes and other noncurrent liabilities to conform to the balance sheet presentation requirements of FIN 48. As of the date of adoption, the total reserve for uncertain tax benefits was \$77.9 million. This reserve excludes the federal income tax benefit for the uncertain tax positions related to state income taxes, which is now included in deferred tax assets. As a result of the adoption of FIN 48, the reserve for interest expense related to income taxes was increased to \$15.3 million and a reserve for potential penalties of \$1.9 million related to uncertain income tax positions was recorded. As of the date of adoption, approximately \$27.1 million of the reserve for uncertain tax positions would impact the Company's effective income tax rate if the Company were to recognize the tax benefit for these positions.

Subsequent to the adoption of FIN 48, the Company has elected to record income tax related interest and penalties as a component of the provision for income tax expense.

In the quarter ended May 4, 2007, the Internal Revenue Service completed an examination of the Company's federal income tax returns through fiscal year 2003 resulting in a net income tax refund. There are no unresolved issues related to this examination. In connection with this examination, the Company and the Internal Revenue Service agreed to extend the statute of limitations related to the 2002 and 2003 fiscal years through December 2007. Accordingly, the 2002 and 2003 fiscal years could be subject to further examination by the Internal Revenue Service until that date; however, the Company believes that such further examination is unlikely. Also remaining open for examination are the Company's 2004 and later fiscal years. None of the Company's federal income tax returns are currently under examination by the Internal Revenue Service. The Company has various state income tax examinations that are currently in progress. The estimated liability related to these state income tax examinations is included in the Company's reserve for uncertain tax positions. Generally, the Company's tax years ended in 2004 and forward remain open for examination by the various state taxing authorities.

As of November 2, 2007, the total reserves for uncertain tax benefits, interest expense related to income taxes and potential income tax penalties were \$90.0 million, \$17.8 million and \$1.5 million, respectively, including a total of \$27.7 million and \$81.6 million of such amounts which are reflected in current liabilities as accrued expenses and other and in other noncurrent liabilities, respectively, in the condensed consolidated balance sheet. The change, from the date of adoption, in the reserves for uncertain tax benefits, interest expense related to income taxes and potential income tax penalties was \$12.1 million, \$2.5 million and (\$0.4) million, respectively. The Company believes that it is reasonably possible that the reserve for uncertain tax positions may be reduced by approximately \$62.3 million in the coming twelve months as a result of the settlement of currently ongoing state income tax examinations and the anticipated filing of an income tax accounting method change request that is expected to resolve certain uncertainties related to accounting methods employed by the Company. The reasonably possible change of \$62.3 million is included in both current liabilities (\$24.2 million) and other noncurrent liabilities (\$38.1 million) in the condensed consolidated balance sheet. As of November 2, 2007 (after the merger and the related application of purchase accounting), approximately \$0.1 million of the reserve for uncertain tax positions would impact the Company's effective income tax rate if the Company were to recognize the tax benefit for these positions.

For the 39-week periods presented, the effective income tax rates for the Successor period ended November 2, 2007 and the Predecessor periods ended July 6, 2007 and November 3, 2006 were 36.4%, 300.2% and 38.6%, respectively. The tax rate for the Predecessor period ended July 6, 2007 is higher than that of the other two periods due principally to non-deductible expenses incurred in association with the Merger.

## **9. Related party transactions**

Affiliates of certain of the Investors participated as (i) lenders in the Company's New Credit Facilities discussed in Note 3; (ii) initial purchasers of the Company's notes discussed in Note 3; (iii) counterparties to certain interest rate swaps discussed in Note 4 and (iv) as advisors in the Merger. Certain fees were paid upon closing of the Merger to affiliates of certain of the Investors. These fees primarily included underwriting fees, advisory fees, equity commitment fees, syndication fees, merger and acquisition fees, sponsor fees, costs of raising equity, and out of pocket expenses. The aggregate fees paid to these related parties during the year-to-date period ended November 2, 2007 totaled \$134.9 million, portions of which have been capitalized as debt financing costs or as direct acquisition costs.

The Company entered into a monitoring agreement, dated July 6, 2007, with affiliates of certain of the Investors pursuant to which those entities will provide management and advisory services to the Company. Under the terms of the monitoring agreement, among other things, the Company is obliged to pay to those entities an aggregate annual management fee of \$5.0 million payable in arrears at the end of each calendar quarter plus all reasonable out of pocket expenses incurred in connection with the provision of services under the agreement upon request. The fees incurred for the year-to-date Successor period ended November 2, 2007 totaled \$1.7 million. After the completion of the Company's first fiscal year, the management fee will increase at a rate of 5% per year. Those entities also are entitled to receive a fee equal to 1% of the gross transaction value in connection with certain subsequent financing, acquisition, disposition, and change in control transactions, as well as a

termination fee in the event of an initial public offering or under certain other circumstances. In addition, on July 6, 2007, the Company also entered into a separate indemnification agreement with the parties to the monitoring agreement, pursuant to which the Company agreed to provide customary indemnification to such parties and their affiliates.

The Company uses Capstone Consulting, LLC, a team of executives who work exclusively with KKR portfolio companies, as an integral part of the value-creation process, for certain consulting services. The Chief Executive Officer of Capstone serves on our Board. Although neither KKR nor any entity affiliated with KKR owns any of the equity of Capstone, KKR has provided financing to Capstone. The aggregate fees incurred for Capstone services for the year-to-date period ended November 2, 2007 totaled \$1.3 million.

## 10. Segment reporting

## PART II

### INFORMATION NOT REQUIRED IN PROSPECTUS

#### Item 20. Indemnification of Directors and Officers.

##### California Registrant

Sun-Dollar, L.P. is registered under the laws of California.

Section 15904.06 (operative January 1, 2008) of the 2008 California Revised Limited Partnership Act addresses the rights of a general partner with respect to its management and conduct of partnership activities. The 2008 California Revised Limited Partnership Act provides that a limited partnership shall reimburse a general partner for payments made, and indemnify a general partner for liabilities incurred by, the general partner in the ordinary course of the activities of the partnership or for the preservation of its activities or property.

The limited partnership agreement of Sun-Dollar, L.P. provides that the partnership shall indemnify each partner (and the officers and directors of each partner) against judgments, fines, amounts paid in settlement and expenses (including, without limitation, attorneys' fees) reasonably incurred by them in any civil, criminal or administrative proceeding in which they are involved, or threatened to be involved, by reason of being a partner in the partnership, provided that the partner acted in good faith, within what such partner reasonably believed to be the scope of such partner's authority, and for a purpose which such partner reasonably believed to be in the best interests of the partnership or the partners. To the extent that a partner has been successful on the merits or otherwise in defense of any such proceeding or in defense of any claim or matter therein, such partner shall be deemed to have acted in good faith and in a manner such partner believed to be in the best interests of the partnership or the partners. Under any other circumstances, the determination of whether a partner acted in good faith, within what such partner reasonably believed to be the scope of such partner's authority, and for a purpose which such partner reasonably believed to be in the best interests of the partnership or the partners shall be made by independent legal counsel selected by a general partner (who may be the regular counsel for the partnership) in a written opinion.

##### Delaware Registrants

(a) Dollar General Investment, Inc. and South Boston Holdings, Inc. are each incorporated under the laws of Delaware.

Section 145 of the Delaware General Corporation Law (the "DGCL") grants each corporation organized thereunder the power to indemnify any person who is or was a director, officer, employee or agent of a corporation or enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of being or having been in any such capacity, if he acted in good faith in a manner reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

Section 102(b)(7) of the DGCL enables a corporation in its certification of incorporation or an amendment thereto to eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for violations of the directors' fiduciary duty of care, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of

dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit.

In accordance with the law, the certificate of incorporation of Dollar General Investment, Inc. contains an indemnification provision mirroring the language of Section 102(b)(7) of the DGCL. The by-laws of Dollar General Investment, Inc. and South Boston Holdings, Inc. provide that the corporations shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (a "Proceeding"), whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was or has agreed to become a director or officer of the corporation, or is or was serving or has agreed to serve at the request of the corporation as a director or officer, of another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, and may indemnify any person who was or is a party or is threatened to be made a party to such an action, suit or proceeding by reason of the fact that he or she is or was or has agreed to become an employee or agent of the corporations, or is or was serving or has agreed to serve at the request of the corporations as an employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him or her or on his or her behalf in connection with such action, suit or proceeding and any appeal therefrom, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporations, and, with respect to any criminal action or proceeding had no reasonable cause to believe his or her conduct was unlawful; except that in the case of an action or suit by or in the right of the corporations to procure a judgment in its favor (1) such indemnification shall be limited to expenses (including attorneys' fees) actually and reasonably incurred by such person in the defense or settlement of such action or suit, and (2) no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporations unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Delaware Court of Chancery or such other court shall deem proper. The corporations shall not be obligated to indemnify a director or officer of the corporations in respect of a Proceeding (or part thereof) instituted by such director or officer, unless such Proceeding (or part thereof) has been authorized by the Board of Directors. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporations, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

(b) DGC Properties LLC, DGC Properties of Kentucky, LLC, and South Boston FF&E, LLC are each limited liability companies organized under the laws of Delaware.

Section 18-108 of the Delaware Limited Liability Company Act empowers a Delaware limited liability company to indemnify and hold harmless any member or manager of the limited liability company from and against any and all claims and demands whatsoever.

The operating agreement of South Boston FF&E, LLC ("South Boston FF&E") provides that South Boston FF&E shall indemnify the member and those authorized agents of South Boston FF&E identified in writing by the member as entitled to be indemnified under the section for all costs, losses, liabilities and damages paid or accrued by the member or any such agent in connection with the business of South Boston FF&E, to the fullest extent provided or allowed by the Act and the other laws of the State of Delaware. In addition, South Boston FF&E may advance costs of defense of any proceeding to the member or any such agent upon receipt by South Boston FF&E of an undertaking

by or on behalf of such person to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by South Boston FF&E.

The operating agreements of DGC Properties LLC and DGC Properties of Kentucky LLC are silent on indemnification provisions.

### **Kentucky Registrants**

(a) Dolgencorp of New York, Inc., Dolgencorp of Texas, Inc., and Dolgencorp, Inc. are incorporated under the laws of Kentucky.

Sections 271B.8-500 to 271B.8-580 of the Kentucky Business Corporation Act (the "KBCA") provide that, subject to restrictions contained in the statute, a corporation may indemnify any person made or threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust or other enterprise or employee benefit plan. A person who has been successful on the merits or otherwise in any suit or matter covered by the indemnification statute shall be indemnified against expenses (including attorneys' fees) reasonably incurred by him in connection therewith. Indemnification is authorized upon a determination that the person to be indemnified has met the applicable standard of conduct required. Such determination shall be made by the board of directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding; or if such a quorum cannot be obtained, by a majority vote of a committee of the board, duly designated to so act by a majority of the full board, consisting solely of two or more directors who are not parties to the action; or by special legal counsel selected by the board or a committee thereof; or by the shareholders who are not parties to such action, suit or proceeding. Expenses incurred in defense may be paid in advance upon receipt by the corporation of a written affirmation by the director of his good faith belief that he has met the applicable standard of conduct required, a written undertaking by or on behalf of the director to repay such advance if it is ultimately determined that he did not meet the standard of conduct, and a determination that the facts then known to those making the determination would not preclude indemnification under the statute. The indemnification provided by statute shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of shareholders or disinterested directors, or otherwise, which shall inure to the benefit of the heirs, executors and administrators of such a person. Insurance may be purchased on behalf of any person entitled to indemnification by the corporation against any liability incurred in an official capacity regardless of whether the person could be indemnified under the statute. References to the corporation include all constituent corporations absorbed in a consolidation or merger as well as the resulting or surviving corporation and anyone seeking indemnification by virtue of acting in some capacity with a constituent corporation would stand in the same position as if he had served the resulting or surviving corporation in the same capacity.

Section 271B.2-020 of the KBCA allows a corporation in its articles of incorporation to set forth a provision eliminating or limiting the personal liability of a director to the corporation or its shareholders for monetary damages for breach of his duties as a director, provided that such provision shall not eliminate or limit the liability of a director: (i) for any transaction in which the director's personal financial interest is in conflict with the financial interests of the corporation or its shareholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or are known to the director to be a violation of law; (iii) for any vote or assent to an unlawful distribution to shareholders as prohibited under Section 271B.8-330 of the KBCA; or (iv) for any transaction from which the director derived an improper personal benefit.

The articles of incorporation of Dolgencorp of New York, Inc. and Dolgencorp of Texas, Inc. contain a provision that provides that no director of the corporation shall be personally liable to the corporation or its shareholders for monetary damages for breach of duty as a director, except to the extent provided by the KBCA. The bylaws of Dolgencorp of New York, Inc. and Dolgencorp of Texas, Inc. provide that, to the maximum extent permitted by law but subject to the limitations set forth in the bylaws, the corporation shall indemnify a director or officer who is a party to a proceeding by reason of the fact that he or she is or was a director or officer against any liability incurred in the proceeding, and the corporation may advance any reasonable expenses incurred by such director or officer in connection with the proceeding in advance of its disposition, but the corporation shall not be required to indemnify or advance expenses to such director or officer incurred in a proceeding initiated by or on behalf of such director or officer, other than a suit to enforce indemnification rights. The indemnification provisions in the bylaws are intended to be greater than those which are otherwise provided for in the statutes, notwithstanding such director or officer's failure to meet the standard of conduct required for permissive indemnification under the KBCA, are contractual in nature between the director or officer and the corporation, and are mandatory. The rights of such director or officer to indemnification and advancement of expenses shall not be exclusive of other rights to which such director or officer may be entitled under the statutes, articles of incorporation, the bylaws, a resolution of shareholders or directors, or an agreement providing for indemnification. The rights of such director or officer to advancement of expenses are subject to such director or officer's furnishing to the corporation: (a) a written affirmation, personally signed by or on behalf of such director or officer, of his good faith belief that he was not liable for (i) any transaction in which such director or officer's personal financial interest is in conflict with the financial interest of the corporation or its shareholders, (ii) any acts or omissions not in good faith or which involve intentional misconduct or are known to such director or officer to be a violation of law, (iii) any unlawful distributions under the statutes, or (iv) any transaction from which such director or officer derived an improper personal benefit; (b) a written opinion of counsel for such director or officer in the proceeding to the effect that based on the facts known to counsel for such director or officer, a successful defense, on the merits or otherwise, is either probable or reasonably possible; and (c) a written undertaking, personally signed by or on behalf of such director or officer, to repay any advances if a judgment or other final adjudication adverse to such director or officer establishes that he is liable, contrary to his affirmation. No indemnification may be made in advance of a final disposition of such proceeding or if a judgment or other final adjudication adverse to such director or officer establishes his liability for: (i) any transaction in which the personal financial interest of such officer or director is in conflict with the financial interests of the corporation or its shareholders; (ii) any acts or omissions not in good faith or which involve intentional misconduct or are known to such director or officer to be a violation of law; (iii) any unlawful distributions under the statutes; or (iv) any transaction from which such director or officer derived an improper personal benefit. The indemnification rights granted to such director or officer in the bylaws may not be limited in any way by a subsequent amendment to or repeal of the indemnification provision in the bylaws with respect to acts or omissions that occur prior to the adoption of the amendment or repeal. The corporation may, but is not required to, maintain insurance at its expense to protect itself and any such person against any such liability, cost or expense.

Both the articles of incorporation and the bylaws of Dolgencorp, Inc. are silent regarding indemnification of officers and directors.

(b) Dollar General Partners is formed under the laws of Kentucky.

Kentucky partnership law provides that a partnership shall indemnify every partner in respect of payments made and personal liabilities reasonably incurred by him in the ordinary and proper conduct of its business, or for the preservation of its business or property.

The partnership agreement of Dollar General Partners is silent regarding indemnification. The charter and/or bylaws of the two partners of Dollar General Partners, Dollar General Corporation and

Dollar General Merchandising, Inc., both Tennessee corporations, contain indemnification provisions that are described below.

### **Tennessee Registrants**

(a) Dollar General Corporation, DG Promotions, Inc., DG Transportation, Inc., and Dollar General Merchandising, Inc. are incorporated under the laws of Tennessee.

The Tennessee Business Corporation Act ("TBCA") allows a Tennessee corporation's charter to contain a provision eliminating or limiting, with certain exceptions, the personal liability of a director to the corporation or its shareholders for monetary damages for breach of the director's fiduciary duty as a director. Under the TBCA, a Tennessee business corporation may not eliminate or limit director monetary liability for (i) breaches of the director's duty of loyalty to the corporation or its shareholders; (ii) acts or omissions not in good faith or involving intentional misconduct or a knowing violation of law; or (iii) unlawful dividends, stock repurchases or redemptions. This provision also may not limit a director's liability for violation of, or otherwise relieve a corporation or its directors from the necessity of complying with, federal or state securities laws, or affect the availability of non-monetary remedies such as injunctive relief or rescission. The charters of Dollar General Corporation and DG Promotions, Inc. contain a provision stating that directors shall not be personally liable for monetary damage to the corporation or its shareholders for breach of fiduciary duty as a director, except to the extent required by the TBCA in effect from time to time.

The TBCA provides that a corporation may indemnify any of its directors, officers, employees and agents against liability incurred in connection with a proceeding if (a) such person acted in good faith; (b) in the case of conduct in an official capacity with the corporation, he reasonably believed such conduct was in the corporation's best interests; (c) in all other cases, he reasonably believed that his conduct was at least not opposed to the best interests of the corporation; and (d) in connection with any criminal proceeding, such person had no reasonable cause to believe his conduct was unlawful. In actions brought by or in the right of the corporation, however, the TBCA provides that no indemnification may be made if the director or officer was adjudged to be liable to the corporation. The TBCA also provides that in connection with any proceeding charging improper personal benefit to an officer or director, no indemnification may be made if such officer or director is adjudged liable on the basis that such personal benefit was improperly received. In cases where the director or officer is wholly successful, on the merits or otherwise, in the defense of any proceeding instigated because of his or her status as a director or officer of a corporation, the TBCA mandates that the corporation indemnify the director or officer against reasonable expenses incurred in the proceeding. The TBCA provides that a court of competent jurisdiction, unless the corporation's charter provides otherwise, upon application, may order that an officer or director be indemnified for reasonable expenses if, in consideration of all relevant circumstances, the court determines that such individual is fairly and reasonably entitled to indemnification, notwithstanding the fact that (a) such officer or director was adjudged liable to the corporation in a proceeding by or in the right of the corporation; (b) such officer or director was adjudged liable on the basis that personal benefit was improperly received by him; or (c) such officer or director breached his duty of care to the corporation.

Dollar General Corporation's charter and bylaws require us to indemnify our directors and officers to the fullest extent permitted by applicable law. Dollar General Corporation's bylaws further require us to advance expenses to each of our directors and officers to the full extent allowed by Tennessee law. Under Dollar General Corporation's charter and bylaws, such indemnification and advancement of expenses provisions are not exclusive of any other right that a director or officer may have or acquire both as to action in his or her official capacity and as to action in another capacity.

The charter and bylaws of DG Promotions, Inc. and the bylaws of DG Transportation, Inc. and Dollar General Merchandising, Inc. provide that the corporation shall indemnify and advance expenses

to each director and officer of the corporation, or any person who may have served at the request of the corporation's board of directors or its President or Chief Executive Officer as a director or officer of another corporation, and such person's heirs, executors, and administrators, to the fullest extent permitted by Tennessee law. The corporation may indemnify and advance expenses to any employee or agent of the corporation who is not a director or officer, and such person's heirs, executors, and administrators, to the same extent as to a director or officer, if the board of directors determines it to be in the best interests of the corporation to do so. In addition, such indemnification and advancement of expenses provisions are not exclusive of any other right that a director or officer may have or acquire both as to action in his or her official capacity and as to action in another capacity. The corporation may maintain insurance at its own expense to protect itself and any individual who is or was a director, officer, employee or agent of the corporation, or who, while a director, officer, employee or agent of the corporation, is or was serving at the request of the board of directors or Chief Executive Officer as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise against any expense, liability or loss, whether or not the corporation would have the power to indemnify such person under the bylaws or the TBCA.

(b) DG Logistics LLC, DG Retail, LLC and Retail Risk Solutions, LLC are registered under the laws of Tennessee.

Section 48-243-101 of the Tennessee Limited Liability Company Act provides that an LLC may indemnify any person made or threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of the fact that he is or was a governor of a board-managed LLC, a member of a member-managed LLC or an individual who, while a governor of a board-managed LLC or member of a member-managed LLC, is or was serving at the LLC's request as a governor, manager, director, officer, partner, trustee, employee or agent of another LLC, corporation, partnership, joint venture, trust or other enterprise or employee benefit plan (a "Responsible Person"). Indemnification is authorized upon a determination that the person to be indemnified has met the requisite standard of conduct. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, is not, of itself, determinative that the Responsible Person did not meet the standard of conduct required. An LLC may not indemnify a Responsible Person: (i) in connection with a proceeding by or in the right of the LLC in which the Responsible Person was adjudged liable to the LLC; or (ii) in connection with any other proceeding charging improper personal benefit to such Responsible Person, whether or not involving action in such person's official capacity, in which such person was adjudged liable on the basis that personal benefit was improperly received by such person. A person who has been successful on the merits or otherwise in any suit or matter covered by the indemnification statute shall be indemnified against expenses (including attorneys' fees) reasonably incurred by him in connection therewith. Expenses incurred in defense may be paid in advance upon receipt by the LLC of a written affirmation by the Responsible Person of his good faith belief that he has met the requisite standard of conduct, a written undertaking by or on behalf of such person to repay such advance if it is ultimately determined that he did not meet the standard of conduct, and a determination that the facts then known to those making the determination would not preclude indemnification under the statute. A court of competent jurisdiction, unless the LLC's articles provide otherwise, upon application by the Responsible Person, may order that such person be indemnified for reasonable expenses if, in consideration of all relevant circumstances, the court determines that such person is fairly and reasonably entitled to indemnification, whether or not such person met the requisite standard of conduct, was adjudged liable in a proceeding by or in the right of the LLC, or was adjudged liable on the basis that personal benefit was improperly received by him. Such determination shall be made by the board of governors in the case of a board-managed LLC or by the members of a member-managed LLC by a majority vote of a quorum consisting of governors or members who were not parties to such action, suit or proceeding; or if such a quorum cannot be obtained, by a majority vote of a committee designated by the board of

governors in the case of a board-managed LLC or by the members of a member-managed LLC, consisting solely of two or more governors or members, as applicable, who are not parties to the action; or by independent special legal counsel selected by the board of governors of a board-managed LLC or by the members of a member-managed LLC; or by the members of a board-managed LLC who are not parties to such action, suit or proceeding. Such indemnification and advancement of expenses provisions are not exclusive of any other right that a Responsible Person may have; provided that no indemnification may be made to or on behalf of any Responsible Person if a judgment or other final adjudication adverse to the Responsible Person establishes such person's liability: (i) for any breach of the duty of loyalty to the LLC or its members; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; or (iii) for wrongful distributions under Section 48-237-101 of the Tennessee Limited Liability Company Act. The LLC may indemnify and advance expenses to a manager, employee, independent contractor or agent of the LLC to the same extent as a Responsible Person. The LLC may purchase insurance on behalf of any person entitled to indemnification by the LLC against any liability incurred in an official capacity regardless of whether the person could be indemnified under the statute.

The operating agreement of DG Logistics, LLC provides that the LLC shall fully indemnify the Member (Dolgencorp, Inc.) for any claim against the Member in the Member's capacity as a member or as a manager. In addition, the LLC shall advance litigation expenses to the Member for any claim against the Member in the Member's capacity as a member or as a manager.

The operating agreements of DG Retail, LLC and Retail Risk Solutions, LLC provide that the LLC shall indemnify the Member (Dollar General Corporation), and the authorized agents of the LLC identified in writing by the Member as entitled to be indemnified, for all costs, losses, liabilities and damages paid or accrued by the Member or any such agent in connection with the business of the LLC to the fullest extent provided or allowed under Tennessee law. In addition, the LLC may advance costs of defense of any proceeding to the Member or any such agent upon receipt by the LLC of an undertaking by such person to repay such amount if it is ultimately determined that such person is not entitled to be indemnified by the LLC.

### **Certain Other Arrangements**

Dollar General Corporation has in effect a directors' and officers' liability insurance policy that covers the directors and officers of each of the registrants in amounts that we believe are customary in our industry, including for liabilities in connection with the registration, offering and sale of the notes. Under this policy, the insurer agrees to pay, subject to certain exclusions, for any claim made against directors or officers of the registrants for a wrongful act or omission by such persons, but only if and to the extent such persons become legally obligated to pay such claim or incur certain costs in defending such claim.

In addition, in connection with entering into the monitoring agreement with an affiliate of KKR and an affiliate of Goldman, Sachs & Co., we also entered into a separate indemnification agreement with the parties to the monitoring agreement, pursuant to which we agreed to provide customary indemnification to such parties and their affiliates. See "Certain Relationships and Related Party Transactions—Monitoring Agreement and Indemnity Agreement" in the prospectus included in this registration statement. Furthermore, the Merger Agreement requires us to maintain indemnification of directors and officers to the fullest extent permitted by law following completion of the Merger.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to our directors, officers or controlling persons pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

## Item 22. Undertakings

The undersigned registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is used in the offering made by the undersigned registrant to the purchaser.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, or controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore,

unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

This **OPERATING AGREEMENT** (“Agreement”) is made and entered into as of the 31st day of December, 2007, by Dollar General Corporation, a Tennessee corporation, as the sole member (the “Member”) of Retail Risk Solutions, LLC, a Tennessee limited liability company (the “Company”).

### BACKGROUND

**WHEREAS**, the Company was formed by the filing of Articles of Organization (the “Articles”) in the Office of the Tennessee Secretary of State on December 28, 2007; and

**WHEREAS**, the Member desires to enter into this Agreement to define and express its rights and obligations with respect to the operation of the Company as a limited liability company under the Tennessee Revised Limited Liability Company Act, as the same may be amended (the “Act”).

### AGREEMENT

**NOW, THEREFORE**, in consideration of the premises and of the covenants and agreements set forth herein, the parties agree as follows:

**1. Effective Date; Term.**

1.1 Effective Date. This Agreement shall be effective for all purposes upon the filing of the Articles of Organization with the Office of the Secretary of State of the State of Tennessee (the “Effective Date”).

1.2 Term. The existence of the Company shall commence upon the Effective Date and shall be perpetual unless dissolved sooner pursuant to the Act and Section 14 of this Agreement.

**2. Purpose.** The Company has as its purpose engaging in all lawful business for which limited liability companies may be organized under the Act.

**3. Registered Office; Registered Agent.** The address of the Company’s registered office and the Company’s registered agent shall be as set forth in the Articles.

**4. Management.** The business and affairs of the Company shall be managed by the Member. The Member shall have the power to do any and all acts necessary or convenient to or for the furtherance of the purposes described herein, including ( a ) the opening of bank accounts, ( b ) the authority to execute and deliver any contract, instrument or document on behalf of the LLC, and to otherwise bind the LLC with third parties, ( c ) the sole discretion to make decisions relating to the business and internal affairs of the LLC, and ( d ) all other powers, statutory or otherwise, possessed by members under the laws of the State of Tennessee.

**5. Contributions.** The Member shall have the right, but not the obligation, to make additional capital contributions to the Company in the form of cash, services or otherwise, and upon such contribution the Member’s capital account balance shall be adjusted accordingly.

**6. Allocation of Profits and Losses.** The Company’s profits and losses shall be allocated to the Member. To the extent allowed by law, the Member intends that the Company be disregarded as an entity separate from the Member for all federal and state income tax purposes.

---

7. **Distributions**. Distributions shall be made to the Member at such times and in such amounts as determined by the Member and permitted by applicable law.
8. **Elections**. The Member may make any tax elections for the Company that are permitted under the Internal Revenue Code of 1986, as amended, and under the tax laws of any state or other jurisdiction having taxing authority over the Company.
9. **Transferability of Membership Interest**. Except as the Member may agree in writing, the interest of the Member in the Company is transferable, either voluntarily or by operation of law. The Member may sell, assign, transfer, exchange, mortgage, pledge, grant, hypothecate, encumber, or otherwise transfer all or a portion of its interest in the Company (including as security). Upon the transfer of the interest, the transferee shall be admitted as a member of the Company.
10. **Admission of Additional Members**. Additional members may be admitted to the Company at the Member's direction. In the event that any additional member is admitted, this Agreement shall be construed to apply to all members and the additional member(s) shall be required to enter into, ratify, or approve this Agreement or execute a new operating agreement upon the termination of this Agreement by the Member. Unless otherwise stated herein or required by the Act (or any other law or regulation to which the Company is subject), if additional members have been admitted to the Company and this Agreement has not been terminated or modified, the decisions of the members owning at least a majority of the membership interests in the Company shall constitute the decisions of the Member for the purposes of the interpretation of this Agreement.
11. **Liability of the Member**. The Member shall not have any liability for the debts, obligations or liabilities of the Company or for the acts or omissions of any other member, manager, agent or employee of the Company except to the extent provided in the Act. The failure of the Member to observe any formalities or requirements relating to the exercise of the powers of the Member or the management of the business and affairs of the Company under this Agreement or the Act shall not be grounds for imposing personal liability on the Member for liabilities of the Company.
12. **Title to Company Property**. All real and personal property shall be acquired in the name of the Company, and title to any property so acquired shall vest in the Company rather than in the Member.
13. **Indemnification**. The Company shall indemnify the Member and those authorized agents of the Company identified in writing by the Member as entitled to be indemnified under this section for all costs, losses, liabilities and damages paid or accrued by the Member or any such agent in connection with the business of the Company, to the fullest extent provided or allowed by the Act and the other laws of the State of Tennessee. In addition, the Company may advance costs of defense of any proceeding to the Member or any such agent upon receipt by the Company of an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Company.
14. **Dissolution; Winding Up**.
- 14.1 **Dissolution**. The Company shall dissolve and its affairs shall be wound up upon the first to occur of the following: (a) the written direction of the Member or (b) the entry of a decree of judicial dissolution under Section 48-249-616 or -617 of the Act. The bankruptcy of the Member or the occurrence of any other event that terminates the continued membership of the Member shall not cause a dissolution of the Company.
-

14.2 **Certificate of Dissolution**. Upon dissolution, the Company shall cease carrying on any and all business, but the existence of the Company shall continue until its affairs have been wound up and articles of termination have been filed pursuant to the Act.

14.3 **Final Distributions**. Upon the winding up of the Company, the Company's property shall be distributed as follows: (a) first to creditors, including the Member if the Member is a creditor, to the extent permitted by law, in satisfaction of the Company's liabilities; and (b) then to the Member. Such distributions shall be in cash, property, or both cash and property, as determined by the Member.

15. **Fiduciary Duties of Member**. The Member shall have no fiduciary duties toward the Company.

16. **Governing Law**. This Agreement shall be governed by, and construed under, the laws of the State of Tennessee, without giving effect to any of the conflicts of laws or choice of law provisions thereof that would compel the application of the substantive laws of any other jurisdiction.

17. **Entire Agreement**. This Agreement constitutes the entire agreement and understanding between the Member and the Company relating to the subject matter hereof.

18. **Amendment**. The Member may amend or modify this Agreement from time to time by written instrument, duly executed.

## SECOND SUPPLEMENTAL INDENTURE

Second Supplemental Indenture (this “Supplemental Indenture”), dated as of December 31, 2007, among Retail Risk Solutions, LLC (the “Guaranteeing Subsidiary”), a Tennessee limited liability company and a subsidiary of Dollar General Corporation, a Tennessee Corporation (the “Issuer”), and Wells Fargo Bank, National Association, as trustee (the “Trustee”).

## WITNESSETH

WHEREAS, each of Dollar General Corporation, Buck Acquisition Corp., and the Guarantors (as defined in the Indenture referred to below) has heretofore executed and delivered to the Trustee an indenture (the “Indenture”), dated as of July 6, 2007, providing for the issuance of an unlimited aggregate principal amount of 10.625% Senior Notes due 2015 (the “Notes”);

WHEREAS, the Indenture provides that under certain circumstances the Guaranteeing Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which the Guaranteeing Subsidiary shall unconditionally guarantee all of the Issuer’s Obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture (the “Guarantee”); and

WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

- (1) Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.
  - (2) Agreement to Guarantee. The Guaranteeing Subsidiary hereby agrees as follows:
    - (a) Along with all Guarantors named in the Indenture, to jointly and severally unconditionally guarantee to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of the Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:
      - (i) the principal of and interest, premium and Special Interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and
      - (ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors and
-

the Guaranteeing Subsidiary shall be jointly and severally obligated to pay the same immediately. This is a guarantee of payment and not a guarantee of collection.

(b) The obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or the Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

(c) The following is hereby waived: diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever.

(d) This Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes, the Indenture and this Supplemental Indenture, and the Guaranteeing Subsidiary accepts all obligations of a Guarantor under the Indenture.

(e) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors (including the Guaranteeing Subsidiary), or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(f) The Guaranteeing Subsidiary shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby.

(g) As between the Guaranteeing Subsidiary, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 of the Indenture for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 of the Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guaranteeing Subsidiary for the purpose of this Guarantee.

(h) The Guaranteeing Subsidiary shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Guarantee.

(i) Pursuant to Section 10.02 of the Indenture, after giving effect to all other contingent and fixed liabilities that are relevant under any applicable Bankruptcy or fraudulent conveyance laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under Article 10 of the Indenture, this new Guarantee shall be limited to the maximum amount permissible such that the obligations of such Guaranteeing Subsidiary under this Guarantee will not constitute a fraudulent transfer or conveyance.

(j) This Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the

Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes and Guarantee, whether as a "voidable preference", "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Note shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(k) In case any provision of this Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(l) This Guarantee shall be a general senior obligation of such Guaranteeing Subsidiary, ranking equally in right of payment with all existing and future senior Indebtedness of the Guaranteeing Subsidiary but, to the extent of the value of the collateral, will be effectively senior to all of the Guaranteeing Subsidiary's unsecured senior Indebtedness. The Guarantees will be senior in right of payment to all existing and future Subordinated Indebtedness of each Guarantor. The Notes will be structurally subordinated to Indebtedness and other liabilities of Subsidiaries of the Issuer that do not Guarantee the Notes, if any.

(m) Each payment to be made by the Guaranteeing Subsidiary in respect of this Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

(3) Execution and Delivery. The Guaranteeing Subsidiary agrees that the Guarantee shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(4) Merger, Consolidation or Sale of All or Substantially All Assets.

(a) Except as otherwise provided in Section 5.01(c) of the Indenture, the Guaranteeing Subsidiary may not consolidate or merge with or into or wind up into (whether or not the Issuer or Guaranteeing Subsidiary is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(i) such Guarantor is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Guarantor or such Person, as the case may be, being herein called the "Successor Person");

(ii) the Successor Person, if other than such Guarantor, expressly assumes all the obligations of such Guarantor under the Indenture and such Guarantor's related

Guarantee pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(iii) immediately after such transaction, no Default exists; and

(iv) the Issuer shall have delivered to the Trustee an Officer's Certificate, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture; or

(v) the transaction is made in compliance with Section 4.09 of the Indenture.

(b) Subject to certain limitations described in the Indenture, the Successor Person will succeed to, and be substituted for, such Guarantor under the Indenture and such Guarantor's Guarantee. Notwithstanding the foregoing, any Guarantor may (i) merge into or transfer all or part of its properties and assets to another Guarantor or the Issuer, (ii) merge with an Affiliate of the Issuer solely for the purpose of reincorporating the Guarantor in the United States, any state thereof, the District of Columbia or any territory thereof or (iii) convert into a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor.

(5) Releases.

The Guarantee of the Guaranteeing Subsidiary shall be automatically and unconditionally released and discharged, and no further action by the Guaranteeing Subsidiary, the Issuer or the Trustee is required for the release of the Guaranteeing Subsidiary's Guarantee, upon:

(1) (A) any sale, exchange or transfer (by merger or otherwise) of the Capital Stock of such Guarantor (including any sale, exchange or transfer), after which the applicable Guarantor is no longer a Restricted Subsidiary or all or substantially all the assets of such Guarantor which sale, exchange or transfer is made in compliance with the applicable provisions of this Indenture;

## SECOND SUPPLEMENTAL INDENTURE

Second Supplemental Indenture (this “Supplemental Indenture”), dated as of December 31, 2007, among Retail Risk Solutions, LLC (the “Guaranteeing Subsidiary”), a Tennessee limited liability company and a subsidiary of Dollar General Corporation, a Tennessee Corporation (the “Issuer”), and Wells Fargo Bank, National Association, as trustee (the “Trustee”).

## WITNESSETH

WHEREAS, each of Dollar General Corporation, Buck Acquisition Corp. and the Guarantors (as defined in the Indenture referred to below) has heretofore executed and delivered to the Trustee an indenture (the “Indenture”), dated as of July 6, 2007, providing for the issuance of an unlimited aggregate principal amount of 11.875% / 12.625% Senior Subordinated Toggle Notes due 2017 (the “Notes”);

WHEREAS, the Indenture provides that under certain circumstances the Guaranteeing Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which the Guaranteeing Subsidiary shall unconditionally guarantee all of the Issuer’s Obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture (the “Guarantee”); and

WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

- (1) Capitalized Terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.
  - (2) Agreement to Guarantee. The Guaranteeing Subsidiary hereby agrees as follows:
    - (a) Along with all Guarantors named in the Indenture, to jointly and severally unconditionally guarantee to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of the Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:
      - (i) the principal of and interest, premium and Special Interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and
      - (ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors and
-

the Guaranteeing Subsidiary shall be jointly and severally obligated to pay the same immediately. This is a guarantee of payment and not a guarantee of collection.

(b) The obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or the Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor.

(c) The following is hereby waived: diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever.

(d) This Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes, the Indenture and this Supplemental Indenture, and the Guaranteeing Subsidiary accepts all obligations of a Guarantor under the Indenture.

(e) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors (including the Guaranteeing Subsidiary), or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(f) The Guaranteeing Subsidiary shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby.

(g) As between the Guaranteeing Subsidiary, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 of the Indenture for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 of the Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guaranteeing Subsidiary for the purpose of this Guarantee.

(h) The Guaranteeing Subsidiary shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under this Guarantee.

(i) Pursuant to Section 10.02 of the Indenture, after giving effect to all other contingent and fixed liabilities that are relevant under any applicable Bankruptcy or fraudulent conveyance laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under Article 10 of the Indenture, this new Guarantee shall be limited to the maximum amount permissible such that the obligations of such Guaranteeing Subsidiary under this Guarantee will not constitute a fraudulent transfer or conveyance.

(j) This Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation, reorganization, should the

Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes and Guarantee, whether as a "voidable preference", "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Note shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(k) In case any provision of this Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

(l) This Guarantee shall be a general unsecured senior subordinated obligation of such Guaranteeing Subsidiary, will be subordinated in right of payment to all existing and any future Senior Indebtedness of such Guaranteeing Subsidiary, will rank equally in right of payment with all existing and future Senior Subordinated Indebtedness of such Guaranteeing Subsidiary, will be effectively subordinated to all Secured Indebtedness of such Guarantor to the extent of the value of the collateral securing such Indebtedness and will rank senior in right of payment to any future Subordinated Indebtedness of such Guaranteeing Subsidiary. The Notes will be structurally subordinated to Indebtedness and other liabilities of Subsidiaries of the Issuer that do not Guarantee the Notes, if any.

(m) Each payment to be made by the Guaranteeing Subsidiary in respect of this Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

(3) Execution and Delivery. The Guaranteeing Subsidiary agrees that the Guarantee shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(4) Merger, Consolidation or Sale of All or Substantially All Assets.

(a) Except as otherwise provided in Section 5.01(c) of the Indenture, the Guaranteeing Subsidiary may not consolidate or merge with or into or wind up into (whether or not the Issuer or Guaranteeing Subsidiary is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(i) such Guarantor is the surviving corporation or the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Guarantor or such Person, as the case may be, being herein called the "Successor Person");

(ii) the Successor Person, if other than such Guarantor, expressly assumes all the obligations of such Guarantor under the Indenture and such Guarantor's related Guarantee pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(iii) immediately after such transaction, no Default exists; and

(iv) the Issuer shall have delivered to the Trustee an Officer's Certificate, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with the Indenture; or

(v) the transaction is made in compliance with Section 4.09 of the Indenture.

(b) Subject to certain limitations described in the Indenture, the Successor Person will succeed to, and be substituted for, such Guarantor under the Indenture and such Guarantor's Guarantee. Notwithstanding the foregoing, any Guarantor may (i) merge into or transfer all or part of its properties and assets to another Guarantor or the Issuer, (ii) merge with an Affiliate of the Issuer solely for the purpose of reincorporating the Guarantor in the United States, any state thereof, the District of Columbia or any territory thereof or (iii) convert into a corporation, partnership, limited partnership, limited liability corporation or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor.

(5) Releases.

The Guarantee of the Guaranteeing Subsidiary shall be automatically and unconditionally released and discharged, and no further action by the Guaranteeing Subsidiary, the Issuer or the Trustee is required for the release of the Guaranteeing Subsidiary's Guarantee, upon:

(1) (A) any sale, exchange or transfer (by merger or otherwise) of the Capital Stock of such Guarantor (including any sale, exchange or transfer), after which the applicable Guarantor is no longer a Restricted Subsidiary or all or substantially all the assets of such Guarantor which sale, exchange or transfer is made in compliance with the applicable provisions of this Indenture;

(D) the exercise by Issuer of its Legal Defeasance option or Covenant Defeasance option in accordance with Article 8 of the Indenture or the Issuer's obligations under the Indenture being discharged in accordance with the terms of the Indenture; and

(2) such Guarantor delivering to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(6) No Recourse Against Others. No director, officer, employee, incorporator or stockholder of the Guaranteeing Subsidiary shall have any liability for any obligations of the Issuer or the Guarantors (including the Guaranteeing Subsidiary) under the Notes, any Guarantees, the Indenture or

this Supplemental Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

(8) Counterparts. The parties may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

(11) Subrogation. The Guaranteeing Subsidiary shall be subrogated to all rights of Holders of Notes against the Issuer in respect of any amounts paid by the Guaranteeing Subsidiary pursuant to the provisions of Section 2 hereof and Section 10.01 of the Indenture; provided that, if an Event of Default has occurred and is continuing, the Guaranteeing Subsidiary shall not be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under the Indenture or the Notes shall have been paid in full.

The Guaranteeing Subsidiary acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by the Indenture and this Supplemental Indenture and that the guarantee and waivers made by it pursuant to this Guarantee are knowingly made in contemplation of such benefits.

(13) Successors. E. Section 9.11 of the Credit Agreement and Section 9(b) of the Pledge Agreement provide that additional Subsidiaries may become Subsidiary Pledgors under the Pledge Agreement by execution and delivery of an instrument in the form of this Supplement. Accordingly, the Collateral Agent and each undersigned Additional Pledgor agree as follows:

SECTION 1. In accordance with Section 9(b) of the Pledge Agreement, each Additional Pledgor by its signature hereby transfers, assigns and pledges to the Collateral Agent, for the ratable benefit of the Secured Parties, and hereby grants to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in all of such Additional Pledgor's right, title and interest in the following, whether now owned or existing or hereafter acquired or existing (collectively, the "Additional Collateral"):

(a) the Additional Pledged Shares held by such Additional Pledgor and the certificates representing such Additional Pledged Shares and any interest of such Additional Pledgor in the entries on the books of the issuer of the Additional Pledged Shares or any financial intermediary pertaining to the Additional Pledged Shares and all dividends, cash, warrants, rights, instruments and other property or Proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Additional Pledged Shares;

(b) the Additional Pledged Debt and the instruments evidencing the Additional Pledged Debt owed to such Additional Pledgor, and all interest, cash, instruments and other property or Proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such Additional Pledged Debt; and

(c) to the extent not covered by clauses (a) and (b) above, respectively, all Proceeds of any or all of the foregoing Additional Collateral.

Notwithstanding the foregoing, the Additional Collateral for the Obligations shall not include any Excluded Stock and Stock Equivalents.

For purposes of the Pledge Agreement, the Collateral shall be deemed to include the Additional Collateral.

SECTION 2. Each Additional Pledgor by its signature below becomes a Pledgor under the Pledge Agreement with the same force and effect as if originally named therein as a Pledgor, and each Additional Pledgor hereby agrees to all the terms and provisions of the Pledge Agreement applicable to it as a Pledgor thereunder. (a) Schedule 1 hereto correctly represents as of the date hereof (A) the issuer, the certificate number, the Additional Pledgor and registered owner, the number and class and the percentage of the issued and outstanding Equity Interests of such class of all Additional Pledged Shares and (B) the issuer, the initial principal amount, the Additional Pledgor and holder, date of and maturity date of all Additional Pledged Debt. Except as set forth on Schedule 1, the Pledged Shares represent all (or 65% in the case of pledges of Foreign Subsidiaries) of the issued and outstanding Equity Interests of each class of Equity Interests of the issuer on the date hereof.

(b) Such Additional Pledgor is the legal and beneficial owner of the Additional Collateral pledged or assigned by such Additional Pledgor hereunder free and clear of any Lien, except for the Lien created by this Supplement to the Pledge Agreement.

(c) As of the date of this Supplement, the Additional Pledged Shares pledged by such Additional Pledgor hereunder have been duly authorized and validly issued and, in the case of Additional Pledged Shares issued by a corporation, are fully paid and non-assessable.

(d) The execution and delivery by such Additional Pledgor of this Supplement and the pledge of the Additional Collateral pledged by such Additional Pledgor hereunder pursuant hereto create a valid and perfected first-priority security interest in the Additional Collateral, securing the payment of the Obligations, in favor of the Collateral Agent for the ratable benefit of the Secured Parties.

(e) Such Additional Pledgor has full power, authority and legal right to pledge all the Additional Collateral pledged by such Additional Pledgor pursuant to this Supplement, and this Supplement constitutes a legal, valid and binding obligation of each Additional Pledgor, enforceable in accordance with its terms, except as enforceability thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally and subject to general principles of equity.

SECTION 4. This Supplement may be executed by one or more of the parties to this Supplement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Supplement signed by all the parties shall be lodged with the Collateral Agent and the Borrower. This Supplement shall become effective as to each Additional Pledgor when the Collateral Agent shall have received counterparts of this Supplement that, when taken together, bear the signatures of such Additional Pledgor and the Collateral Agent.

SECTION 5. Except as expressly supplemented hereby, the Pledge Agreement shall remain in full force and effect.

**SECTION 6. THIS SUPPLEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

SECTION 7. Any provision of this Supplement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof and in the Pledge Agreement, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. All notices, requests and demands pursuant hereto shall be made in accordance with Section 16 of the Pledge Agreement. All communications and notices hereunder to each Additional Pledgor shall be given to it in care of the Borrower at the Borrower's address set forth in Section 13.2 of the Credit Agreement.

The Senior Exchange Notes, together with their respective guarantees (including the Schedule I Guarantees) will be issued under an indenture, dated July 6, 2007 among Buck Acquisition Corp., a Tennessee corporation ("Buck"), the Company, the guarantors named therein and Wells Fargo Bank, National Association, as trustee (the "Trustee") (the "Senior Note Indenture"), as supplemented by a First Supplement to Indenture dated as of September 25, 2007, between DC Financial, LLC, one of the Schedule I Guarantors ("DC Financial") and the Trustee and a Second Supplement to Indenture dated as of December 31, 2007, between Retail Risk Solutions, LLC, another of the Schedule I Guarantors ("Retail Risk") and the Trustee (such supplements collectively referred to as the "Senior Note Supplemental Indentures" and, together with the Senior Note Indenture, the "Existing Senior Note Indenture") The Senior Subordinated Exchange Notes, together with their respective guarantees (including the Schedule I Guarantees) will be issued under an indenture, dated July 6, 2007 among Buck, the Company, the guarantors named therein and the Trustee (the "Senior Subordinated Note Indenture"), as supplemented by a First Supplement to Indenture dated as of September 25, 2007, between DC Financial and the Trustee and a Second Supplement to Indenture dated as of

---

December 31, 2007, between Retail Risk and the Trustee (such supplements collectively referred to as the “Senior Subordinated Note Supplemental Indentures” and, together with the Senior Subordinated Note Indenture, the “Existing Senior Subordinated Note Indenture”).

The Existing Senior Note Indenture and the Existing Senior Subordinated Note Indenture are referred to herein as the “Indentures.” The Senior Note Supplemental Indentures and the Senior Subordinated Note Supplemental Indentures are referred to herein as the “Supplemental Indentures.”

The Company will offer the Senior Exchange Notes in exchange for \$1,175,000,000 aggregate principal amount of its outstanding 10.625% Senior Notes due 2015 (the “Existing Senior Notes”) and the Senior Subordinated Exchange Notes in exchange for \$725,000,000 aggregate principal amount of its outstanding 11.875%/12.625% Senior Subordinated Toggle Notes due 2017 (the “Existing Senior Subordinated Notes”) and, together with the Existing Senior Notes, the “Existing Notes”).

We have examined the Registration Statement and the Indentures, which have been filed (or incorporated by reference from previous filings) with the Commission as exhibits to the Registration Statement. We also have examined the originals, or duplicates or certified or conformed copies, of such corporate and other records, agreements, documents and other instruments and have made such other investigations as we have deemed relevant and necessary in connection with the opinions hereinafter set forth. As to questions of fact material to this opinion, we have relied, without independent investigation, upon the representations and warranties made by the parties in the Indentures, and upon certificates or comparable documents of public officials and of officers and representatives of the Company and the Schedule I Guarantors.

In rendering the opinions set forth below, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as duplicates or certified or conformed copies and the authenticity of the originals of such latter documents. We also have assumed that the Indentures are the valid and legally binding obligation of the Trustee.

Based on the foregoing, it is our opinion that:

- (1) Each of the Company and the Schedule I Guarantors is duly incorporated, formed or organized, as the case may, be under the laws of the state of its respective jurisdiction of formation or organization as reflected on *Schedule I* and is in good standing (or the equivalent thereof) within such jurisdiction.
- (2) Each of the Company and the Schedule I Guarantors (other than DC Financial and Retail Risk) has duly authorized, executed and delivered the

Senior Note Indenture and the Senior Subordinated Note Indenture. Each of DC Financial and Retail Risk has duly authorized, executed and delivered its respective Supplemental Indentures.

- (3) The execution, delivery and performance by the Company and the Schedule I Guarantors of the Indentures and the Schedule I Guarantees will not violate the laws of the states of their respective jurisdictions of formation or organization as reflected on *Schedule I* and do not and will not constitute a breach or violation of any of their respective charters, articles of incorporation or formation, partnership agreements, bylaws or operating agreements, as the case may be.

It is further our opinion that, when the applicable provisions of the Securities Act and such “Blue Sky” or other state securities laws as may be applicable shall have been complied with and when the Exchange Notes have been duly executed, authenticated, issued and delivered in accordance with the provisions of the Indentures in exchange for an equal principal amount of Existing Notes and related guarantees:

- (1) The Exchange Notes will constitute valid and legally binding obligations of the Company enforceable against the Company in accordance with their terms; and
- (2) When the Schedule I Guarantees have been duly issued, the Schedule I Guarantees will constitute valid and legally binding obligations of the Schedule I Guarantors enforceable against the Schedule I Guarantors in accordance with their terms.

Our opinions rendered above relating to the enforceability of the Exchange Notes and the Schedule I Guarantees are subject to the following exceptions, limitations and qualifications: (i) the effect of bankruptcy, insolvency, fraudulent conveyance or transfer, reorganization, moratorium and other similar laws now or hereafter in effect relating to or affecting creditors’ rights and remedies generally; (ii) the effect of general principles of equity (including, without limitation, laches and estoppel as equitable defenses, concepts of materiality, reasonableness, good faith and fair dealing, and considerations of impracticability or impossibility of performance and defenses based upon unconscionability), whether enforcement is considered or applied in a proceeding at law or in equity, and the discretion of the court before which any proceeding therefor may be brought; and (iii) the qualification that the remedies of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought.

Our opinions as set forth herein are limited to the federal law of the United States, the laws of the State of Tennessee and the laws of the Commonwealth of Kentucky. No opinion is given regarding the laws of any other jurisdiction.

This letter speaks as of the date hereof. The foregoing opinions are rendered solely for the benefit of the Company and the Schedule I Guarantors; provided, however, that the foregoing opinions may be relied upon by Simpson Thacher & Bartlett LLP. We disclaim any obligation to provide any subsequent opinion or advice by reason of any future changes or events which may affect or alter any opinion rendered herein. Our opinion is limited to the matters stated herein, and no opinion is to be implied or inferred beyond the matters stated herein.

We hereby consent to the use of this opinion as an exhibit to the Registration Statement and to the reference to us under the heading "Legal Matters" in the prospectus included in the Registration Statement. In giving this consent, we do not admit that we come within the category of persons whose consent is required by the Securities Act or the Commission's rules and regulations promulgated thereunder.

Executive may not serve as a member of a board of directors of a for-profit company, other than the Company or any of its subsidiaries or affiliates, without the express approval of the Board of Directors; provided, however, that it shall not be a violation of this Agreement for Executive to manage personal business interests and investments and to engage in charitable and civic activities, so long as such activities do not interfere with the performance of Executive's responsibilities under this Agreement.

4. Work Standard. Executive hereby agrees that he shall at all times comply with and abide by all terms and conditions set forth in this Agreement, and all applicable work policies, procedures and rules as may be issued by the Company. Executive also agrees that he shall comply with all federal, state and local statutes, regulations and public ordinances governing the performance of his duties hereunder.

5. Compensation and Benefits.

a. Base Salary. Subject to the terms and conditions set forth in this Agreement, so long as Executive is employed hereunder, the Company shall pay Executive, and Executive shall accept, an annual rate of base salary ("Base Salary") in the amount of One Million Dollars (\$1,000,000.00) for pay periods beginning on or after the Effective Date. The Base Salary shall be paid in accordance with the Company's normal payroll practices and may be increased (and not decreased) from time to time at the sole discretion of the Board, and each such increase (if any) shall thereafter be regarded as Executive's "Base Salary" for all purposes under this Agreement.

b. Annual Bonus. With respect to each full fiscal year of the Company occurring during the Term, commencing with the 2008 fiscal year of the Company, Executive shall be eligible to earn an annual bonus award (the "Annual Bonus") in a target amount equal to 100% of his Base Salary (the "Target Bonus"), based upon the achievement by the Company of annual performance targets established by the Board within the first three (3) months of each fiscal year occurring during the Term and payable within two and one-half (2-1/2) months after the last day of the performance year or such other date as is provided under the applicable Annual Bonus plan and conforms to the requirements of Section 409A of the Internal Revenue Code of 1986, as amended ("Code"). As the actual amount payable to Executive as an Annual Bonus will be dependent upon the achievement of performance goals referred to in this Section 5(b), Executive's actual Annual Bonus may be less than, greater than or equal to the Target Bonus; provided, that Executive shall be eligible for an Annual Bonus of 50% of Executive's Base Salary (the "Threshold Bonus") upon attainment of minimum annual performance targets and up

---

to not less than 200% of Executive's Base Salary upon exceeding the performance targets (the "Maximum Bonus"). In respect of the 2008 fiscal year, Executive is guaranteed a payment of the Threshold Bonus. In respect of the 2007 fiscal year, Executive shall be eligible to earn an Annual Bonus equal to the product of (i) the amount (whether the Threshold Bonus, Target Bonus, Maximum Bonus, or some amount between any of the foregoing), if any, that Executive would have received if he had been employed with the Company in the position identified in Section 3(a) above during the entire 2007 fiscal year of the Company, multiplied by (ii) a fraction, the numerator of which is the number of days during which Executive was employed by the Company in fiscal year 2007, and the denominator of which is 365.

c. Signing Bonus. The Company shall pay to Executive a cash signing bonus of \$2,000,000 within 30 days following the Effective Date (the "Signing Bonus").

d. Equity Grants.

(i) Options. Executive shall receive the grant of an option to acquire 2,500,000 authorized shares or outstanding treasury shares of the Company's common stock ("Common Stock"), at an exercise price equal to \$5.00 per share (the "Option") in accordance with the 2007 Stock Incentive Plan for Key Executives of Dollar General Corporation and its Subsidiaries and Affiliates (the "Plan"), having a term of ten (10) years and vesting (A) as to 1,250,000 shares at the rate of 250,000 shares per fiscal year for each of the fiscal years 2007 through 2011 and (B) as to the other 1,250,000 shares upon the attainment of certain performance targets during the fiscal years 2007 through 2011 (or cumulatively).

(ii) Restricted Stock. The Company shall grant to Executive on the Effective Date 890,000 shares of restricted Common Stock pursuant to the Plan ("Restricted Stock"), which Restricted Stock shall vest 100% upon the earliest to occur of (1) a Change in Control (as defined in the Equity Documents), (2) an initial Public Offering (as defined in the Equity Documents), (3) Executive's termination of employment without Cause (as defined below) by the Company or due to his death or Disability (as defined below) or by Executive for Good Reason (as defined below) and (4) the last day of the Company's 2011 fiscal year. Except as otherwise provided herein, all unvested restricted stock shall be forfeited upon Executive's termination of employment with the Company prior to the occurrence of any of the foregoing vesting events, unless the Company and Executive otherwise agree in writing.

(iii) Equity Documents. The foregoing equity arrangements shall be governed by the terms and conditions of certain documents, including a Management Stockholder's Agreement, the Plan, Stock Option Agreement, Restricted Stock Award Agreement, Sale Participation Agreement, and Registration Rights Agreement, in the forms attached hereto as Exhibits A, B, C, D, E and F (collectively, the "Equity Documents"). Terms not defined herein shall be as defined in the Equity Documents. In the event of any inconsistency between (A) any of this Agreement, the Stock Option Agreement or Restricted Stock Award Agreement and (B) the Plan, this Agreement, the Stock Option Agreement or Restricted Stock Award Agreement, as the case may be, shall govern.

---

e. Incentive, Savings and Retirement Plans. During the Term, Executive shall be entitled to participate in all incentive, savings and retirement plans, practices, policies and programs applicable generally to senior executive officers of the Company (“Peer Executives”), and on the same basis as such Peer Executives, except as to benefits that are specifically applicable to Executive pursuant to this Agreement.

f. Welfare Benefit Plans. During the Term, Executive and Executive’s eligible dependents shall be eligible for participation in, and shall receive all benefits under, the welfare benefit plans, practices, policies and programs provided by the Company (including, without limitation, medical, prescription, dental, disability, Executive life, group life, accidental death and travel accident insurance plans and programs) (“Welfare Plans”) to the extent applicable generally to Peer Executives. The Company shall pay the premiums required to continue the long-term disability insurance coverage for Executive under Executive’s existing portable long-term disability insurance policy.

g. Vacation. Upon the Effective Date and each anniversary thereafter for so long as Executive is employed hereunder, Executive shall be granted four (4) weeks’ paid vacation.

h. Business Expenses. Executive shall be reimbursed for all reasonable business expenses incurred in carrying out the work hereunder. Executive shall follow the Company’s expense procedures that generally apply to other Company Executives in accordance with the policies, practices and procedures of the Company to the extent applicable generally to Peer Executives. The Company shall pay Executive’s legal fees incurred to negotiate and prepare this Agreement and the Equity Documents (up to \$35,000), “grossed up” for all federal and state income and employment taxes (and for such taxes on such gross-up payment), to the extent any such amount is taxable to Executive, no later than the end of the applicable calendar year in which the expenses were incurred.

i. Perquisites. Executive shall be entitled to receive such executive perquisites, fringe and other benefits as are provided to Peer Executives and their families under any of the Company’s plans and/or programs in effect from time to time and such other benefits as are customarily available to executives of the Company and their families. Perquisites shall include up to nine round trips annually (at a frequency of not more than one round trip per six weeks) of personal use for Executive and his spouse of the Company’s plane for travel to and from the Company’s headquarters and Executive’s primary residence in California (any income from which shall be imputed to Executive at SIFL rates in accordance with Treasury Regulation Section 1.61-21(g)(5)). During the Term, the Company shall pay on behalf of the Executive, the monthly membership fees and costs related to Executive’s membership in professional clubs selected by Executive. To the extent the Company’s payment or reimbursement of Executive’s expenses in relation to his professional club memberships are required to be included in the Executive’s income for income tax purposes or as wages for employment tax purposes, the Company will pay to the Executive an amount necessary to “gross-up” Executive for state and federal income and employment tax purposes (and for such taxes on such gross-up payment), which gross-up amount shall be paid to Executive no later than the end of the applicable calendar year in which the expenses were incurred.

---

j. **Moving Expenses.** The Company will reimburse Executive for reasonable and customary relocation expenses (as described on Schedule A attached to this Agreement) directly related to Executive's relocation from the New York metropolitan area to the Nashville, Tennessee area. To the extent the Company's payment or reimbursement of such expenses are required to be included in the Executive's income for income tax purposes or as wages for employment tax purposes, the Company will pay to the Executive an amount necessary to "gross up" Executive for state and federal income and employment tax purposes (and for such taxes on such gross-up payment), which gross up amount shall be paid to Executive no later than the end of the applicable calendar year in which the expenses were incurred.

**6. Termination for Cause.** This Agreement may be terminated immediately at any time by the Company without any liability owing to Executive or Executive's beneficiaries under this Agreement, except Base Salary through the date of termination and benefits under any plan or agreement covering Executive which shall be governed by the terms of such plan or agreement, under the following conditions, each of which shall constitute "Cause" or "Termination for Cause":

- a. Any act (other than a de minimis act) of fraud or dishonesty in connection with Executive's performance of his duties;
- b. Any material breach of any securities or other law or regulation or any Company policy governing trading or dealing with stocks, securities, investments and the like or with inappropriate disclosure or "tipping" relating to any stock, security or investment;
- c. Other than as required by law, the carrying out of any activity or the making of any public statement which prejudices or reduces the good name and standing of the Company or any of its affiliates (including any limited partner of any parent entity of the Company) or would bring any one of these into public contempt or ridicule;
- d. Attendance at work in a state of intoxication or being found with any drug or substance possession of which would amount to a criminal offense;
- e. Assault or other act of violence; or
- f. Conviction of or plea of guilty or *nolo contendere* to a crime constituting (i) any felony whatsoever or (ii) any misdemeanor that would preclude employment under the Company's hiring policy.

A termination for Cause shall be effective when the Company has given Executive written notice of its intention for Cause, describing those acts or omissions that are believed to constitute Cause, and has given Executive an opportunity to respond.

**7. Termination Upon Death.** Notwithstanding anything herein to the contrary, this Agreement shall terminate immediately upon Executive's death, and the Company shall have no further liability to Executive or his beneficiaries under this Agreement, other than for payment of Accrued Obligations (as defined in Section 9(a)(i)), the timely payment or provision of Other Benefits (as defined in Section 9(a)(vi)), including without limitation benefits under such plans,

---

programs, practices and policies relating to death benefits, if any, as are applicable to Executive on the date of his death, and for any rights of indemnification set forth in this Agreement.

**8. Disability.**

a. If the Company determines in good faith that the Disability of Executive has occurred during the Term (pursuant to the definition of Disability set forth below), the Company may give to Executive written notice of its intention to terminate Executive's employment. In such event, Executive's employment with the Company shall terminate effective on the date provided in such notice (the "Disability Effective Date"). If Executive's employment is terminated by reason of his Disability, this Agreement shall terminate without further obligations to Executive, except that the Company shall provide Executive with the following: (a) payment of Accrued Obligations (as defined in Section 9(a)(i)); (b) the payment or provision of Other Benefits (as defined in Section 9(a)(vi)), including without limitation benefits under such plans, programs, practices and policies relating to disability benefits, if any, as are applicable to Executive on the Disability Effective Date; (c) a lump sum payment, in cash, payable at such time as annual bonuses are paid to other senior executives of the Company, of a pro-rata portion of the Annual Bonus, if any, that Executive would have been entitled to receive pursuant to Section 5(b) hereof for the fiscal year of termination, if such termination had not occurred (for which Executive shall be deemed to have satisfied at a Target Bonus level any subjective performance goals thereunder), multiplied by a fraction, the numerator of which is the number of days during which Executive was employed by the Company in the fiscal year of Executive's termination, and the denominator of which is 365 (the "Pro-Rata Bonus"); and (d) for any rights of indemnification set forth in this Agreement.

b. For purposes of this Agreement, "Disability" shall mean: (i) a long-term disability entitling Executive to receive benefits under the Company's long-term disability plan as then in effect or under Executive's portable long-term disability insurance policy; or (ii) if no such plan or Executive's portable long-term disability insurance policy is then in effect or, in the case of the plan, the plan is in effect but does not apply to Executive, Executive's inability to perform the duties under this Agreement in accordance with the Company's expectations because of a medically determinable physical or mental impairment that (x) can reasonably be expected to result in death or (y) has lasted or can reasonably be expected to last longer than ninety (90) consecutive days. Under this Section 8, unless otherwise required by law, the existence of a Disability shall be determined by the Company, only upon receipt of a written medical opinion from a qualified physician selected by or acceptable to the Company. In this circumstance, to the extent permitted by law, Executive shall, if reasonably requested by the Company, submit to a physical examination by that qualified physician. Nothing in this Section 8 is intended to nor shall it be deemed to broaden or modify the definition of "disability" in the Company's long-term disability plan.

**9. Termination by the Company without Cause or by Executive for Good Reason.** If Executive's employment is terminated by the Company without Cause or by Executive for Good Reason (as defined below) prior to the expiration of the Term (it being understood by the parties that termination by death or Disability shall not constitute a termination without Cause), then Executive shall be entitled to the following benefits upon the execution and effectiveness of the Release attached hereto and made a part hereof (the "Release"). For all purposes under Section 8

---

and this Section 9, any payments due to Executive solely as a result of a termination of his employment that is not a “separation from service” shall be postponed until the occurrence of a “separation from service” (or such earlier permitted event) to the extent necessary to satisfy Section 409A of the Code.

a. On the later of the date of termination or the execution and effectiveness of the Release, the Company shall provide Executive with the following:

(i) A lump sum in cash equal to the sum of (A) Executive’s Base Salary and unused vacation accrued through the date of termination to the extent not theretofore paid, payable within 30 days after such date, (B) to the extent earned, but not yet paid, the Annual Bonus accrued in respect of the previously completed fiscal year of the Company, payable when annual bonuses are paid to other senior executives of the Company, (C) any expenses but not theretofore paid, payable in accordance with applicable Company expense reimbursement policy, and (D) unless Executive has elected a different payout date in a prior deferral election, any compensation previously deferred by Executive (together with any accrued interest or earnings thereon) to the extent not theretofore paid, payable in accordance with the terms thereof, (the sum of the amounts described in subsections (A), (B), (C) and (D) shall be referred to in this Agreement as the “Accrued Obligations”);

(ii) Payment in installments ratably over twenty-four (24) months after such date in accordance with the Company’s normal payroll cycle and procedures, with the first such payment on the first such payroll date after the effective date of the Release, an amount equal to the product of (x) two (2) multiplied by (y) the sum of (A) Executive’s annual Base Salary in effect as of the date of termination, and (B) Executive’s Target Bonus;

(iii) A Pro-Rata Bonus;

(iv) Benefits, on the same basis as provided to senior executives of the Company who are actively employed during the Severance Period (as defined below) under the Company’s group health plans, to Executive, his spouse and eligible dependents (to the extent covered immediately prior to such termination) until the earlier of (x) two years from the date of termination of Executive’s employment (the “Severance Period”), to the extent that Executive was eligible to participate in such plans immediately prior to the date of termination, or (y) until Executive is, or becomes, eligible for comparable coverage (determined on a coverage-by-coverage basis) under the group health plans of a subsequent employer. The COBRA health care continuation coverage period under Section 4980B of the Code, or any replacement or successor provision of United States tax law, shall run concurrently with the Severance Period;

(v) Outplacement services, provided by the Company, with a senior executive-level outplacement firm, for one year after such date or until other employment is secured, whichever comes first; and

---

(vi) To the extent not theretofore paid or provided to Executive any other accrued amounts or accrued benefits required to be paid or provided or which Executive is eligible to receive under any plan, program, policy or practice or contract or agreement of the Company (such other amounts and benefits shall be referred to in this Agreement as the “Other Benefits”).

b. In the event that there is a material breach by Executive of any continuing obligations under this Agreement or the Release after termination of employment, any unpaid amounts under this Section 9 shall be forfeited. Any payments or reimbursements under this Section 9 shall not be deemed the continuation of Executive’s employment for any purpose. Except as specifically enumerated in the Release, the Company’s payment obligations under this Section 9 will not negate or reduce (i) any amounts otherwise due but not yet paid to Executive by the Company, (ii) any other amounts payable to Executive outside this Agreement, (iii) those benefits owed under any other plan or agreement covering Executive which shall be governed by the terms of such plan or agreement or (iv) any amounts due to Executive under his rights of indemnification hereunder or otherwise.

c. For purposes of this Agreement, “Good Reason” shall mean:

(i) A reduction by the Company in Executive’s Base Salary or Target Bonus;

(ii) The Company shall fail to continue in effect any significant Company-sponsored compensation plan or benefit (without replacing it with a similar plan or with a compensation equivalent), unless such action is in connection with across-the-board plan changes or terminations similarly affecting at least ninety-five percent (95%) of all executive employees of the Company;

(iii) The Company’s principal executive offices shall be moved to a location outside the middle-Tennessee area, or Executive is required to be based anywhere other than the Company’s principal executive offices;

(iv) Without Executive’s written consent, the assignment to Executive by the Company of duties inconsistent with, or the significant reduction of the title, powers and functions associated with, Executive’s position, titles or offices as described in Section 3 above;

(v) Any material breach by the Company of this Agreement; or

(vi) The failure of any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business and/or assets of the Company to assume expressly and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place.

Good Reason shall not include Executive’s death, Disability or Termination for Cause or any isolated, insubstantial and inadvertent failure by the Company that is not in bad faith and is cured within ten (10) business days after the Executive gives the Company notice of such event.

---

d. Respecting all amounts due to Executive under this Section 9 or under Section 10, Executive shall not be obliged to seek other employment or take any other action by way of mitigation of the amounts payable to the Executive under any of the provisions of this Agreement, nor shall the amount of any payment hereunder be reduced by any compensation earned by the Executive as a result of employment by another employer, except as specifically set forth in this Agreement.

**10. Non-Renewal of Term.** In the event the Company elects not to extend the Term pursuant to Section 2, unless Executive's employment is earlier terminated pursuant to Sections 6, 7, 8 or 9 of this Agreement, the expiration of the Term and Executive's termination of employment hereunder shall occur on the close of business on the day immediately preceding the next scheduled Extension Date and Executive shall be entitled to receive the payments and benefits applicable to an involuntary termination of Executive's employment without Cause pursuant to Section 9. Executive shall have no further rights to any compensation or any other benefits under this Agreement.

**11. Publicity; No Disparaging Statement.** Except as otherwise provided in Section 12 hereof, Executive and the Company covenant and agree that they shall not engage in any communications to persons outside the Company which shall disparage one another or interfere with their existing or prospective business relationships.

**12. Confidentiality and Legal Process.** Executive agrees to keep the proprietary terms of this Agreement confidential and to refrain from disclosing any information concerning this Agreement to anyone other than Executive's immediate family and personal agents or advisors. Notwithstanding the foregoing, nothing in this Agreement is intended to prohibit Executive or the Company from performing any duty or obligation that shall arise as a matter of law. Specifically, Executive and the Company shall continue to be under a duty to truthfully respond to any legal and valid subpoena or other legal process. This Agreement is not intended in any way to proscribe Executive's or the Company's right and ability to provide information to any federal, state or local agency in response or adherence to the lawful exercise of such agency's authority.

**13. Business Protection Provision Definitions.**

a. Preamble. As a material inducement to the Company to enter into this Agreement, and in recognition of the valuable experience, knowledge and proprietary information Executive has gained or will gain while employed, Executive agrees to abide by and adhere to the business protection provisions in Sections 13, 14, 15, 16, 17 and 18 herein.

b. Definitions. For purposes of Sections 13, 14, 15, 16 and 17 herein:

(i) "Competitive Position" shall mean any employment, consulting, advisory, directorship, agency, promotional or independent contractor arrangement between Executive and (x) any person or Entity engaged wholly or in material part in the business in which the Company is engaged (i.e., the deep discount consumable basics retail business), including but not limited to such other similar businesses as Wal Mart, Target,

---

K-Mart, Family Dollar Stores, Fred's, the 99 Cents Stores, Dollar Tree Stores, Costco, BJ's Wholesale Club, Casey's General Stores, Inc., and Pantry Inc. or (y) any person or Entity then attempting or planning to enter the deep discount consumable basics retail business, whereby Executive is required to perform services on behalf of or for the benefit of such person or Entity which are substantially similar to the services Executive provided or directed at any time while employed by the Company or any of its affiliates.

(ii) "Confidential Information" shall mean the proprietary or confidential data, information, documents or materials (whether oral, written, electronic or otherwise) belonging to or pertaining to the Company, other than "Trade Secrets" (as defined below), which is of tangible or intangible value to the Company and the details of which are not generally known to the competitors of the Company. Confidential Information shall also include any items marked "CONFIDENTIAL" or some similar designation or which are otherwise identified as being confidential.

(iii) "Entity" or "Entities" shall mean any business, individual, partnership, joint venture, agency, governmental agency, body or subdivision, association, firm, corporation, limited liability company or other entity of any kind.

(iv) "Restricted Period" shall mean two (2) years following Executive's termination date.

(v) "Territory" shall include those states in which the Company maintains stores at Executive's termination date or those states in which the Company has specific and demonstrable plans to open stores within six months of Executive's termination date.

(vi) "Trade Secrets" shall mean information or data of or about the Company, including, but not limited to, technical or non-technical data, formulas, patterns, compilations, programs, devices, methods, techniques, drawings, processes, financial data, financial plans, product plans or lists of actual or potential customers or suppliers that: (A) derives economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; (B) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy; and (C) includes any other information which is defined as a "trade secret" under applicable law.

(vii) "Work Product" shall mean all tangible work product, property, data, documentation, "know-how," concepts or plans, inventions, improvements, techniques and processes relating to the Company that were conceived, discovered, created, written, revised or developed by Executive while employed by the Company.

#### **14. Nondisclosure: Ownership of Proprietary Property**

a. In recognition of the Company's need to protect its legitimate business interests, Executive hereby covenants and agrees that, for the Term and thereafter (as described below), Executive shall regard and treat Trade Secrets and Confidential Information as strictly confidential and wholly-owned by the Company and shall not, for any reason, in any fashion, either directly or indirectly, use, sell, lend, lease, distribute, license, give, transfer, assign, show,

---

disclose, disseminate, reproduce, copy, misappropriate or otherwise communicate any Trade Secrets or Confidential Information to any person or Entity for any purpose other than in accordance with Executive's duties under this Agreement or as required by applicable law. This provision shall apply to each item constituting a Trade Secret at all times it remains a "trade secret" under applicable law and shall apply to any Confidential Information, during employment and for the Restricted Period thereafter.

b. Executive shall exercise best efforts to ensure the continued confidentiality of all Trade Secrets and Confidential Information and shall immediately notify the Company of any unauthorized disclosure or use of any Trade Secrets or Confidential Information of which Executive becomes aware. Executive shall assist the Company, to the extent reasonably requested, in the protection or procurement of any intellectual property protection or other rights in any of the Trade Secrets or Confidential Information.

c. All Work Product shall be owned exclusively by the Company. To the greatest extent possible, any Work Product shall be deemed to be "work made for hire" (as defined in the Copyright Act, 17 U.S.C.A. § 101 et seq., as amended), and Executive hereby unconditionally and irrevocably transfers and assigns to the Company all right, title and interest Executive currently has or may have by operation of law or otherwise in or to any Work Product, including, without limitation, all patents, copyrights, trademarks (and the goodwill associated therewith), trade secrets, service marks (and the goodwill associated therewith) and other intellectual property rights. Executive agrees to execute and deliver to the Company any transfers, assignments, documents or other instruments which the Company may deem necessary or appropriate, from time to time, to protect the rights granted herein or to vest complete title and ownership of any and all Work Product, and all associated intellectual property and other rights therein, exclusively in the Company.

**15. Non-Interference with Executives.** Through the Term and thereafter throughout the Restricted Period, Executive will not, either directly or indirectly, alone or in conjunction with any other person or Entity: actively recruit, solicit, attempt to solicit, induce or attempt to induce any person who is an exempt Executive of the Company or any of its subsidiaries or affiliates to leave or cease such employment for any reason whatsoever;

**16. Non-Interference with Business Relationships.**

a. Executive acknowledges that, in the course of employment, Executive will learn about the Company's business, services, materials, programs and products and the manner in which they are developed, marketed, serviced and provided. Executive knows and acknowledges that the Company has invested considerable time and money in developing its product sales and real estate development programs and relationships, vendor and other service provider relationships and agreements, store layouts and fixtures, and marketing techniques and that those things are unique and original. Executive further acknowledges that the Company has a strong business reason to keep secret information relating to the Company's business concepts, ideas, programs, plans and processes, so as not to aid the Company's competitors. Accordingly, Executive acknowledges and agrees that the protection outlined in (b) below is necessary and reasonable.

---

b. During the Restricted Period, Executive will not, on Executive's own behalf or on behalf of any other person or Entity, solicit, contact, call upon, or communicate with any person or entity or any representative of any person or entity who has a business relationship with the Company and with whom Executive had contact while employed, if such contact or communication would likely interfere with the Company's business relationships or result in unfair competitive advantage over the Company.

**17. Agreement Not to Work in Competitive Position.** Executive covenants and agrees not to accept, obtain or work in a Competitive Position within the Territory for the Restricted Period.

**18. Acknowledgements Regarding Sections 12 – 17.**

a. Executive and the Company expressly covenant and agree that the scope, territorial, time and other restrictions contained in Sections 12 through 17 of this Agreement constitute the most reasonable and equitable restrictions possible to protect the business interests of the Company given: (i) the business of the Company; (ii) the competitive nature of the Company's industry; and (iii) that Executive's skills are such that Executive could easily find alternative, commensurate employment or consulting work in Executive's field which would not violate any of the provisions of this Agreement.

b. Executive acknowledges that the compensation and benefits described in Sections 5 and 9 are also in consideration of his/her covenants and agreements contained in Sections 12 through 17 hereof.

c. Executive acknowledges and agrees that a breach by Executive of the obligations set forth in Sections 12 through 17 will likely cause the Company irreparable injury and that, in such event, the Company shall be entitled to injunctive relief in addition to such other and further relief as may be proper.

d. The parties agree that if, at any time, a court of competent jurisdiction determines that any of the provisions of Section 12 through 17 are unreasonable under Tennessee law as to time or area or both, the Company shall be entitled to enforce this Agreement for such period of time or within such area as may be determined reasonable by such court.

**19. Return of Materials.** Upon Executive's termination, Executive shall return to the Company all written, electronic, recorded or graphic materials of any kind belonging or relating to the Company or its affiliates, including any originals, copies and abstracts in Executive's possession or control. Executive's rolodex (or other tangible or electronic address book) and his cellular telephone number are Executive's personal property.

**20. General Provisions.**

a. Amendment. This Agreement may be amended or modified only by a writing signed by both of the parties hereto.

b. Binding Agreement. This Agreement shall inure to the benefit of and be binding upon Executive, his/her heirs and personal representatives, and the Company and its successors and assigns. In the event of Executive's death prior to payment of all amounts due to Executive

---

under this Agreement, the remaining unpaid amounts shall be paid to Executive's estate as and when such amounts would have been paid to Executive had he survived.

c. Waiver Of Breach. The waiver of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any other breach.

d. Indemnification.

(i) The Company agrees that if Executive is made a party or threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "Proceeding") relating to a claim by Executive's prior employer (the "Prior Employer") that Executive has breached or attempted to breach the covenants (e.g., covenants not to compete and not to disclose confidential information) to which Executive is bound as a result of his employment arrangements with the Prior Employer, Executive shall be indemnified and held harmless by the Company to the fullest extent authorized by applicable law from and against any and all liabilities, amounts paid in settlement, costs, claims and expenses, including all costs and expenses incurred in defense of any such Proceeding (including attorneys' fees). Costs and expenses incurred by Executive in defense of such Proceeding (including attorneys' fees) shall be paid by the Company in advance of the final disposition of such litigation upon receipt by the Company of (a) a written request for payment, (b) appropriate documentation evidencing the incurrence, amount and nature of the costs and expenses for which payment is being sought, and (c) an undertaking adequate under applicable law made by or on behalf of Executive to repay the amounts so paid if it shall ultimately be determined that Executive is not entitled to be indemnified by the Company under this Agreement. Notwithstanding the foregoing, if as a result of such Proceeding Executive is prohibited from continuing his employment with the Company, the Company shall pay to Executive his Base Salary until the earliest to occur of (i) the date upon which Executive ceases to be so prohibited, (ii) the date, if any, upon which Executive becomes employed by a subsequent employer and (iii) the first anniversary of the effective date of such prohibition.

(ii) The Company shall indemnify and hold Executive harmless for all acts and omissions occurring during his employment or service as a member of the Board (or both) to the maximum extent provided under the Company's charter, by-laws and applicable law. During the Term and for a term of six years thereafter, the Company, or any successor to the Company shall purchase and maintain, at its own expense, directors and officers liability insurance providing coverage for Executive in the same amount as for members of the Board.

(iii) Executive shall provide his reasonable cooperation in connection with any Proceeding (or any appeal from any Proceeding) referenced above, as well as any Proceeding which relates to events occurring during Executive's employment hereunder.

e. Unsecured General Creditor. The Company shall neither reserve nor specifically set aside funds for the payment of its obligations under this Agreement, and such obligations shall be paid solely from the general assets of the Company.

---

f. No Effect On Other Arrangements. It is expressly understood and agreed that the payments made in accordance with this Agreement are in addition to any other benefits or compensation to which Executive may be entitled or for which Executive may be eligible.

g. Tax Withholding. There shall be deducted from each payment under this Agreement the amount of any tax required by any governmental authority to be withheld and paid over by the Company to such governmental authority for the account of Executive.

h. Section 280G.

l. Entire Agreement. o. Survival. The provisions of Sections 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19 and 20 shall survive any termination of Executive's employment and any termination of this Agreement.

p. Section Headings. The Section headings set forth herein are for convenience of reference only and shall not affect the meaning or interpretation of this Agreement whatsoever.

q. Voluntary Agreement. Executive and the Company represent and agree that each has reviewed all aspects of this Agreement, has carefully read and fully understands all provisions of this Agreement, and is voluntarily entering into this Agreement. Each party represents and agrees that such party has had the opportunity to review any and all aspects of this Agreement with legal, tax or other adviser(s) of such party's choice before executing this Agreement.

r. Nonqualified Deferred Compensation Omnibus Provision. It is intended that any payment or benefit which is provided pursuant to or in connection with this Agreement which is considered to be a deferral of within the meaning of Section 409A of the Code shall be paid and provided in a manner, and at such time and in such form, as complies with the applicable requirements of Section 409A of the Code to avoid the unfavorable tax consequences provided therein for non-compliance. In connection with effecting such compliance with Section 409A of the Code, the following shall apply:

(i) Notwithstanding any other provision of this Agreement, the Company is authorized to amend this Agreement, to void or amend any election made by Executive under this Agreement and/or to delay the payment of any monies and/or provision of any benefits in such manner as may be necessary to comply, or to evidence or further evidence required compliance, with Section 409A of the Code (including any transition or grandfather rules thereunder); provided, no such amendment shall be effective without Executive's consent to the extent reducing the economic value of the Agreement to Executive (as determined on a pre-tax basis).

(ii) Neither Executive nor the Company shall take any action to accelerate or delay the payment of any monies and/or provision of any benefits in any manner which would not be in compliance with Section 409A of the Code (including any transition or grandfather rules thereunder). Notwithstanding the foregoing:

- (A) Payment may be delayed for a reasonable period in the event the payment is not administratively practical due to events beyond the recipient's control such as where the recipient is not competent to receive the benefit payment, there is a dispute as to the amount due or the proper recipient of such benefit payment, additional time is needed to calculate the amount payable, or the payment would jeopardize the solvency of the Company; and
-

- (B) Payments shall be delayed in the following circumstances: (1) where the Company reasonably anticipates that the payment will violate the terms of a loan agreement to which the Company is a party and that the violation would cause material harm to the Company; or (2) where the Company reasonably anticipates that the payment will violate federal securities laws or other applicable laws; provided that any payment delayed by operation of this clause (B) will be made at the earliest date at which the Company reasonably anticipates that the payment will not be limited or cause the violations described;

(iii) If at the time of any separation from service Executive is a specified employee at a time in which the Company (or successor) is a publicly traded corporation, within the meaning of Section 409A(a)(2)(B)(i) of the Code and regulations thereunder, to the minimum extent required to satisfy Section 409A(a)(2)(B)(i) of the Code and regulations thereunder, any payment or provision of benefits to Executive in connection with his separation from service (as determined for purposes of Section 409A of the Code) shall be postponed and paid in a lump sum on the first business day following the date that is six months after Executive's separation from service (the "409A Deferral Period"), and the remaining payments due to be made in installments or periodically after 409A Deferral Period shall be made as otherwise scheduled. In the event benefits are required to be so postponed, any such benefit may be provided during the 409A Deferral Period at Executive's expense, with Executive having a right to reimbursement from the Company promptly after the 409A Deferral Period ends, and the balance of the benefits shall be provided as otherwise scheduled.

(iv) If a 280G CiC occurs which does not constitute a change in ownership of the Company or in the ownership of a substantial portion of the assets of the Company as provided in Section 409A(a)(2)(A)(v) of the Code, then payment of any amount or provision of any benefit payable pursuant to such 280G CiC under this Agreement which is considered to be a deferral of compensation subject to Section 409A of the Code shall be postponed until another permissible payment event contained in Section 409A of the Code occurs (e.g., death, disability, separation from service from the Company and its affiliated companies as defined for purposes of Section 409A of the Code), including any deferral of payment or provision of benefits for the 409A Deferral Period as provided above .

## Exhibit I

The provisions in this Exhibit I shall apply in respect of any 280G CiC that occurs while the Company is an entity whose stock is readily tradable on an established securities market (or otherwise).

**Paragraph 1.** In the event it shall be determined that any payment, benefit or distribution (or combination thereof) by the Company, any of its affiliates, or one or more trusts established by the Company for the benefit of its employees, to or for the benefit of Executive (whether paid or payable or distributed or distributable pursuant to the terms of this Agreement, or otherwise) (a “Payment”) is subject to the excise tax imposed by Section 4999 of the Code or any interest or penalties are incurred by Executive with respect to such excise tax (such excise tax, together with any such interest and penalties, hereinafter collectively referred to as the “Excise Tax”), Executive shall be entitled to receive an additional payment (a “Gross-Up Payment”) in an amount such that after payment by Executive of all taxes (including any interest or penalties imposed with respect to such taxes), including, without limitation, any federal, state and local income and employment taxes (and any interest and penalties imposed with respect thereto) and the Excise Tax imposed upon the Gross-Up Payment, Executive retains an amount of the Gross-Up Payment equal to the Excise Tax imposed upon the Payment.

**Paragraph 2.** All determinations required to be made under this Exhibit I, including whether and when a Gross-Up Payment is required and the amount of such Gross-Up Payment and the assumptions to be utilized in arriving at such determination, shall be made by Deloitte & Touche LLP or such other nationally recognized certified public accounting firm as may be designated by the Company (the “Accounting Firm”) which shall provide detailed supporting calculations both to the Company and Executive within ten business days of the receipt of notice from Executive that there has been a Payment, or such earlier time as is reasonably requested by the Company; provided that for purposes of determining the amount of any Gross-Up Payment, Executive shall be deemed to pay federal income tax at the highest marginal rates applicable to individuals in the calendar year in which any such Gross-Up Payment is to be made and deemed to pay state and local income taxes at the highest effective rates applicable to individuals in the state or locality of Executive’s residence or place of employment in the calendar year in which any such Gross-Up Payment is to be made, net of the maximum reduction in federal income taxes that can be obtained from deduction of such state and local taxes, taking into account limitations applicable to individuals subject to federal income tax at the highest marginal rates. All fees and expenses of the Accounting Firm shall be borne solely by the Company. Any Gross-Up Payment, as determined pursuant to this Exhibit I, shall be paid by the Company to Executive (or to the appropriate taxing authority on Executive’s behalf) when due but in no event later than the end of Executive’s taxable year next following Executive’s taxable year in which Executive remitted the related taxes. If the Accounting Firm determines that no Excise Tax is payable by Executive, it shall so indicate to Executive in writing. Any determination by the Accounting Firm shall be binding upon the Company and Executive (subject to the following provisions of this Paragraph 2 and of Paragraph 3). As a result of the uncertainty in the application of Section 4999 of the Code, it is possible that the amount of the Gross-Up Payment determined by the Accounting Firm to be due to (or on behalf of) Executive was lower than the amount actually due (“Underpayment”). In the event that the Company exhausts its remedies

pursuant to Paragraph 3 of Exhibit I and Executive thereafter is required to make a payment of any Excise Tax, the Accounting Firm shall determine the amount of the Underpayment that has occurred and any such Underpayment shall be promptly paid by the Company to or for the benefit of Executive (no later than the calendar year following the calendar year in which such tax was payable). For the avoidance of doubt, in the event of any such Underpayment, the Company shall reimburse Executive for any interests and penalties he may incur as a result thereof.

**Paragraph 3.** Executive shall notify the Company in writing of any claim by the Internal Revenue Service that, if successful, would require the payment by the Company of any Gross-Up Payment. Such notification shall be given as soon as practicable but no later than ten business days after Executive is informed in writing of such claim and shall apprise the Company of the nature of such claim and the date on which such claim is requested to be paid. Executive shall not pay such claim prior to the expiration of the thirty day period following the date on which it gives such notice to the Company (or such shorter period ending on the date that any payment of taxes with respect to such claim is due). If the Company notifies Executive in writing prior to the expiration of such period that it desires to contest such claim, Executive shall (i) give the Company any information reasonably requested by the Company relating to such claim, (ii) take such action in connection with contesting such claim as the Company shall reasonably request in writing from time to time, including, without limitation, accepting legal representation with respect to such claim by an attorney reasonably selected by the Company, (iii) cooperate with the Company in good faith in order to effectively contest such claim and (iv) permit the Company to participate in any proceedings relating to such claim; provided, however, that the Company shall bear and pay directly all costs and expenses (including additional interest and penalties) incurred in connection with such contest and shall indemnify and hold Executive harmless, on an after-tax basis, for any Excise Tax or income tax (including interest and penalties with respect thereto) imposed as a result of such representation and payment of costs and expenses. Without limitation on the foregoing provisions of this Paragraph 3, the Company shall control all proceedings taken in connection with such contest and, at its sole option, may pursue or forego any and all administrative appeals, proceedings, hearings and conferences with the taxing authority in respect of such claim and may, at its sole option, either direct Executive to pay the tax claimed and sue for a refund or contest the claim in any permissible manner, and Executive agrees to prosecute such contest to a determination before any administrative tribunal, in a court of initial jurisdiction and in one or more appellate courts, as the Company shall determine; provided, further, that if the Company directs Executive to pay such claim and sue for a refund, the Company shall advance the amount of such payment to Executive, on an interest-free basis, and shall indemnify and hold Executive harmless, on an after-tax basis, from any Excise Tax or income tax (including interest or penalties with respect thereto) imposed with respect to such advance or with respect to any imputed income with respect to such advance; provided, further, that if Executive is required to extend the statute of limitations to enable the Company to contest such claim, Executive may limit this extension solely to such contested amount. The Company's control of the contest shall be limited to issues with respect to which a Gross-Up Payment would be payable hereunder and Executive shall be entitled to settle or contest, as the case may be, any other issue raised by the Internal Revenue Service or any other taxing authority.

**Paragraph 4.** If, after the receipt by Executive of an amount paid or advanced by the Company

pursuant to this Exhibit I, Executive becomes entitled to receive any refund with respect to a Gross-Up Payment, Executive shall (subject to the Company's complying with the requirements of Paragraph 3 of this Exhibit I) promptly pay to the Company the amount of such refund received (together with any interest paid or credited thereon after taxes applicable thereto). If, after the receipt by Executive of an amount advanced by the Company pursuant to Paragraph 3 of this Exhibit I, a determination is made that Executive shall not be entitled to any refund with respect to such claim and the Company does not notify Executive in writing of its intent to contest such denial of refund prior to the expiration of thirty days after such determination, then such advance shall be forgiven and shall not be required to be repaid and the amount of such advance shall offset, to the extent thereof, the amount of the Gross-Up Payment required to be paid.

c. claims for lost or unpaid wages, compensation, or benefits, defamation, intentional or negligent infliction of emotional distress, assault, battery, wrongful or constructive discharge, negligent hiring, retention or supervision, fraud, misrepresentation, conversion, tortious interference, breach of contract, or breach of fiduciary duty;

d. claims to benefits under any bonus, severance, workforce reduction, early retirement, outplacement, or any other similar type plan sponsored by the Company (except for those benefits owed under any other plan or agreement covering Executive which shall be governed by the terms of such plan or agreement); or

e. any other claims under state law arising in tort or contract.

**22. Claims Not Released Under This Agreement**

In signing this Release, Executive is not releasing any claims that may arise under Section 9 or 10, as applies, Section 20(d) or Section 20(h) of the Agreement or the terms of this Release or which may arise out of events occurring after the date Executive executes this Release. Executive also is not releasing claims to benefits that Executive is already entitled to receive under any other plan or agreement covering Executive which shall be governed by the terms of such plan or agreement. However, Executive understands and acknowledges that nothing herein is intended to or shall be construed to require the Company to institute or continue in effect any particular plan or benefit sponsored by the Company, and the Company hereby reserves the right to amend or terminate any of its benefit programs at any time in accordance with the procedures set forth in such plans.

Nothing in this Release shall prohibit Executive from engaging in activities required or protected under applicable law or from communicating, either voluntarily or otherwise, with any governmental agency concerning any potential violation of the law.

**23. No Assignment of Claim** . Executive represents that Executive has not assigned or transferred, or purported to assign or transfer, any claims or any portion thereof or interest therein to any party prior to the date of this Release.

**24. Compensation** . In accordance with the Agreement, the Company agrees to pay Executive or, if Executive becomes eligible for payments under Section 5 and Section 9 but dies before receipt thereof, Executive's spouse or estate, as the case may be, the amount provided in Section 5 and Section 9 of the Agreement.

**25. Publicity; No Disparaging Statement** . Except as otherwise provided in Section 11 of the Agreement, Section 2 of this Release, and as privileged by law, Executive and the Company covenant and agree that they shall not engage in any communications with persons outside the Company which shall disparage one another or interfere with their existing or prospective business relationships.

**26. No Admission Of Liability** . This Release shall not in any way be construed as an admission by the Company or Executive of any improper actions or liability whatsoever as to one another, and each specifically disclaims any liability to or improper actions against the other or any other person.

27. **Voluntary Execution**. Executive warrants, represents and agrees that Executive has been encouraged in writing to seek advice regarding this Release from an attorney and tax advisor prior to signing it; that this Release represents written notice to do so; that Executive has been given the opportunity and sufficient time to seek such advice; and that Executive fully understands the meaning and contents of this Release. Executive further represents and warrants that Executive was not coerced, threatened or otherwise forced to sign this Release, and that Executive's signature appearing hereinafter is voluntary and genuine. **EXECUTIVE UNDERSTANDS THAT EXECUTIVE MAY TAKE UP TO TWENTY-ONE (21) DAYS TO CONSIDER WHETHER TO ENTER INTO THIS RELEASE.**

28. **Ability to Revoke Agreement**. **EXECUTIVE UNDERSTANDS THAT THIS RELEASE MAY BE REVOKED BY EXECUTIVE BY NOTIFYING THE COMPANY IN WRITING OF SUCH REVOCATION WITHIN SEVEN (7) DAYS OF EXECUTIVE'S EXECUTION OF THIS RELEASE AND THAT THIS RELEASE IS NOT EFFECTIVE UNTIL THE EXPIRATION OF SUCH SEVEN (7) DAY PERIOD. EXECUTIVE UNDERSTANDS THAT UPON THE EXPIRATION OF SUCH SEVEN (7) DAY PERIOD THIS RELEASE WILL BE BINDING UPON EXECUTIVE AND EXECUTIVE'S HEIRS, ADMINISTRATORS, REPRESENTATIVES, EXECUTORS, SUCCESSORS AND ASSIGNS AND WILL BE IRREVOCABLE.**

(ii) that 20% portion of the Performance Option, if any, that would have become exercisable in respect of the Fiscal Year in which the Optionee’s employment terminates if the Optionee had remained employed with the Company or the applicable Service Recipient through such date, shall remain outstanding through the date the Company determines whether the Annual Performance Target or Cumulative EBITDA Target is met for such Fiscal Year, and shall become exercisable on such date *if and only if*, and *only to the extent* that, the Annual Performance Target or Cumulative EBITDA Target is met for such Fiscal Year in accordance with Section 3.1(a)(ii) above; *provided, however*, that if such Annual Performance Target or Cumulative EBITDA Target is not met for such Fiscal Year, that portion of the Performance Option shall remain unvested and shall be forfeited upon such date.

(c) Notwithstanding any of Section 3.1(a) or (b) above, upon the earlier occurrence of a Change in Control:

(i) the Time Option shall become immediately exercisable as to 100% of the shares of Common Stock subject to such Option immediately prior to a Change in Control (but only to the extent such Option has not otherwise terminated or become exercisable); and

(ii) the Performance Option shall become immediately exercisable as to 100% of the shares of Common Stock subject to such Option immediately prior to a Change in Control (but only to the extent such Option has not otherwise terminated or become exercisable) if as a result of the Change in Control, (x) the Sponsor achieves the Sponsor IRR on 100% of the Sponsors' aggregate investment, directly or indirectly, in the equity securities of the Company (the "Sponsor Shares") and (y) the Sponsor earns an Sponsor Return on 100% of the Sponsor Shares; provided, however, that in the event that there occurs a Change in Control wherein more than 50% but less than 100% of the Common Stock or other voting securities of the Company or Buck Holdings, L.P. is sold or otherwise disposed of, then, the Performance Option will become vested (to the extent not already previously vested pursuant to Section 3.1(a) or (d)) up to the same percentage of Sponsor Shares on which such Sponsor Return and Sponsor IRR has been so achieved.

(d) Notwithstanding any of Section 3.1(a), (b) or (c) above, if after a Public Offering (as such term is defined in the Management Stockholder's Agreement), the Sponsor or its affiliates, through one transaction or a series of transactions, sells Shares and achieves the Sponsor Return and the Sponsor IRR on any percentage of Sponsor Shares, so long as the Optionee has remained employed with the Company or the applicable Service Recipient through the relevant sale date, then, the Performance Option will become vested (to the extent not already previously vested pursuant to Section 3.1(a) or (c)) up to the same percentage of Sponsor Shares on which such Sponsor Return and Sponsor IRR has been so achieved.

(e) Notwithstanding the foregoing but except as provided in Section 3.1(b), no Option shall become exercisable as to any additional shares of Common Stock following the termination of employment of the Optionee for any reason and any Option, which is unexercisable as of the Optionee's termination of employment, shall immediately expire without payment therefor.

Section 3.2. – Expiration of Option

Except as otherwise provided in Section 5 or 6 of the Management Stockholder's Agreement, the Optionee may not exercise the Option to any extent after the first to occur of the following events:

(a) The tenth anniversary of the Closing Date so long as the Optionee remains employed with the Company or any Service Recipient through such date;

(b) The first anniversary of the date of the Optionee's termination of employment with the Company and all Service Recipients, if the Optionee's employment is terminated by reason of death or Disability (unless earlier terminated as provided in Section 3.2 (h) below);

(c) Immediately upon the date of the Optionee's termination of employment by the Company and all Service Recipients for Cause;

(d) Immediately upon the date of the Optionee's termination of employment by the Company and all Service Recipients by the Optionee without Good Reason (except due to death or Disability);

(e) One hundred and eighty (180) days after the date of an Optionee's termination of employment by the Company and all Service Recipients without Cause (for any reason other than as set forth in Section 3.2(b));

(f) One hundred and eighty (180) days after the date of an Optionee's termination of employment with the Company and all Service Recipients by the Optionee for Good Reason;

(g) The date the Option is terminated pursuant to Section 6 or 7 of the Management Stockholder's Agreement; or

(h) At the discretion of the Company, if the Committee so determines pursuant to Section 9 of the Plan.

#### ARTICLE IV

##### EXERCISE OF OPTION

###### Section 4.1. – Person Eligible to Exercise

During the lifetime of the Optionee, only the Optionee (or his or her duly authorized legal representative) may exercise an Option or any portion thereof. After the death of the Optionee, any exercisable portion of an Option may, prior to the time when an Option becomes unexercisable under Section 3.2, be exercised by his personal representative or by any person empowered to do so under the Optionee's will or under the then applicable laws of descent and distribution.

###### Section 4.2. – Partial Exercise

Any exercisable portion of an Option or the entire Option, if then wholly exercisable, may be exercised in whole or in part at any time prior to the time when the Option or portion thereof becomes unexercisable under Section 3.2; provided, however, that any partial exercise shall be for whole shares of Common Stock only.

###### Section 4.3. – Manner of Exercise

An Option, or any exercisable portion thereof, may be exercised solely by delivering to the Secretary or his office all of the following prior to the time when the Option or such portion becomes unexercisable under Section 3.2:

(a) Notice in writing signed by the Optionee or the other person then entitled to exercise the Option or portion thereof, stating that the Option or portion thereof is thereby exercised, such notice complying with all applicable rules established by the Committee;

(b) (i) Full payment (in cash or by check or by a combination thereof) for the shares with respect to which such Option or portion thereof is exercised or (ii) indication that the Optionee elects to have the number of Shares that would otherwise be issued to the Optionee reduced by a number of Shares having an equivalent Fair Market Value to the payment that would otherwise be made by Optionee to the Company pursuant to clause (i) of this subsection (b);

(c) (i) Full payment (in cash or by check or by a combination thereof) to satisfy the minimum withholding tax obligation with respect to which such Option or portion thereof is exercised; or (ii) solely in the event that the Optionee's employment terminates under circumstances identified in Section 3.2(b), (e) or (f) above, notice in writing that the Optionee elects to have the number of Shares that would otherwise be issued to the Optionee reduced by a number of Shares having an equivalent Fair Market Value to the payment that would otherwise be made by Optionee to the Company pursuant to clause (i) of this subsection (c);

(d) A bona fide written representation and agreement, in a form satisfactory to the Committee, signed by the Optionee or other person then entitled to exercise such Option or portion thereof, stating that the shares of Common Stock are being acquired for his own account, for investment and without any present intention of distributing or reselling said shares or any of them except as may be permitted under the Securities Act of 1933, as amended (the "Act"), and then applicable rules and regulations thereunder, and that the Optionee or other person then entitled to exercise such Option or portion thereof will indemnify the Company against and hold it free and harmless from any loss, damage, expense or liability resulting to the Company if any sale or distribution of the shares by such person is contrary to the representation and agreement referred to above; provided, however, that the Committee may, in its reasonable discretion, take whatever additional actions it deems reasonably necessary to ensure the observance and performance of such representation and agreement and to effect compliance with the Act and any other federal or state securities laws or regulations; and

(e) In the event the Option or portion thereof shall be exercised pursuant to Section 4.1 by any person or persons other than the Optionee, appropriate proof of the right of such person or persons to exercise the option.

Without limiting the generality of the foregoing, the Committee may require an opinion of counsel acceptable to it to the effect that any subsequent transfer of shares acquired on exercise of an Option does not violate the Act, and may issue stop-transfer orders covering such shares. Share certificates evidencing stock issued on exercise of this Option shall bear an appropriate legend referring to the provisions of subsection (d) above and the agreements herein. The written representation and agreement referred to in subsection (d) above shall, however, not be required if the shares to be issued pursuant to such exercise have been registered under the Act, and such registration is then effective in respect of such shares.

Section 4.4. – Conditions to Issuance of Stock Certificates

The shares of stock deliverable upon the exercise of an Option, or any portion thereof, may be either previously authorized but unissued shares or issued shares, which have then been reacquired by the Company. Such shares shall be fully paid and nonassessable. The Company shall not be required to issue or deliver any certificate or certificates for shares of stock purchased (if certified, or if not certified, register the issuance of such shares on its books and records) upon the exercise of an Option or portion thereof prior to fulfillment of all of the following conditions:

(a) The obtaining of approval or other clearance from any state or federal governmental agency which the Committee shall, in its reasonable and good faith discretion, determine to be necessary or advisable;

(b) The execution by the Optionee of the Management Stockholder's Agreement and a Sale Participation Agreement; and

(c) The lapse of such reasonable period of time following the exercise of the Option as the Committee may from time to time establish for reasons of administrative convenience or as may otherwise be required by applicable law.

Section 4.5. – Rights as Stockholder

Except as otherwise provided in Section 2.4 of this Agreement, the holder of an Option shall not be, nor have any of the rights or privileges of, a stockholder of the Company in respect of any shares purchasable upon the exercise of the Option or any portion thereof unless and until certificates representing such shares shall have been issued by the Company to such holder or the Shares have otherwise been recorded in the records of the Company as owned by such holder.

ARTICLE V

MISCELLANEOUS

Section 5.1. – Administration

The Committee shall have the power to interpret the Plan and this Agreement and to adopt such rules for the administration, interpretation and application of the Plan as are consistent therewith and to interpret or revoke any such rules. In its absolute discretion, the Board may at any time and from time to time exercise any and all rights and duties of the Committee under the Plan and this Agreement.

Section 5.2. – Option Not Transferable

Neither the Option nor any interest or right therein or part thereof shall be liable for the debts, contracts or engagements of the Optionee or his successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; provided, however, that this Section 5.2 shall not prevent transfers by will or by the applicable laws of descent and distribution.

Section 5.3. – Notices

Any notice to be given under the terms of this Agreement to the Company shall be addressed to the Company in care of its Secretary, and any notice to be given to the Optionee shall be addressed to him at the address given beneath his signature hereto. By a notice given pursuant to this Section 5.3, either party may hereafter designate a different address for notices to be given to him. Any notice, which is required to be given to the Optionee, shall, if the Optionee is then deceased, be given to the Optionee’s personal representative if such representative has previously informed the Company of his status and address by written notice under this Section 5.3. Any notice shall have been deemed duly given when (i) delivered in person, (ii) enclosed in a properly sealed envelope or wrapper addressed as aforesaid, deposited (with postage prepaid) in a post office or branch post office regularly maintained by the United States Postal Service, or (iii) enclosed in a properly sealed envelope or wrapper addressed as

The Option and the shares of Common Stock issued to the Optionee upon exercise of the Option shall be subject to all of the terms and provisions of the Plan, the Management Stockholder's Agreement and a Sale Participation Agreement, to the extent applicable to the Option and such Shares.

Section 5.6. – Amendment

Subject to Section 10 of the Plan, this Agreement may be amended only by a writing executed by the parties hereto, which specifically states that it is amending this Agreement; provided, no amendment shall be made to Section 9 of the Plan pursuant to Section 10 (a) or Section 10(b) of the Plan except as is necessary to satisfy Section 409A of the Code.

Section 5.7. – Governing Law

The laws of the State of Delaware shall govern the interpretation, validity and performance of the terms of this Agreement regardless of the law that might be applied under principles of conflicts of laws.

Section 5.8. – Arbitration

If any contest or dispute arises between the parties with respect to this Agreement, such contest or dispute shall be submitted to binding arbitration for resolution in Nashville, Tennessee in accordance with the rules and procedures of the Employment Dispute Resolution Rules of the American Arbitration Association then in effect. The Company and the Optionee shall each bear 50% of the costs related to such arbitration. If the arbitrator determines that the Optionee is the prevailing party in the dispute, then the Company shall reimburse the Optionee for his reasonable legal or other fees and expenses incurred in such arbitration subject to and within ten days after his request for reimbursement accompanied by evidence that the fees and expenses were incurred. Any reimbursement hereunder shall be paid to the Optionee promptly and in no event later than the end of the year next following the date the expense was incurred. The decision of the arbitrator shall be final and binding upon all parties hereto and shall be rendered pursuant to a written decision, which contains a detailed recital of the arbitrator's reasoning.

The intent of such adjustments is to keep the probability of achieving the Annual Performance

---

NOW THEREFORE, to implement the foregoing and in consideration of the mutual agreements contained herein, the Parties agree as follows:

1. Issuance of Purchased Shares; Options; Restricted Stock.

(a) Subject to the terms and conditions hereinafter set forth, the Management Stockholder hereby subscribes for and shall purchase, as of the date hereof, and the Company shall issue and deliver to the Management Stockholder as of the date hereof, the number of shares of Purchased Stock set forth on Schedule I hereto, at a per share purchase price equal to \$5.00 per share (the "Base Price"), payable by the Management Stockholder on the date hereof by certified bank check payable to Dollar General Corporation.

(b) Subject to the terms and conditions hereinafter set forth and as set forth in the Option Plan, it is anticipated that the Company will grant to the Management Stockholder Options to acquire shares of Common Stock, at an initial per share exercise price equal to the Base Price, and the Parties shall execute and deliver to each other copies of the Stock Option Agreement concurrently with the issuance of the Options.

(c) Subject to the terms and conditions hereinafter set forth and as set forth in the Option Plan, it is anticipated that the Company will grant to the Management Stockholder shares of Restricted Stock, and the Parties shall execute and deliver to each other copies of the Restricted Stock Agreement concurrently with the grant of the shares of Restricted Stock.

(d) The Company shall have no obligation to sell any Purchased Stock to any person who (i) is a resident or citizen of a state or other jurisdiction in which the sale of the Common Stock to him or her would constitute a violation of the securities or "blue sky" laws of such jurisdiction or (ii) is not an employee or director of the Company or its subsidiaries as of the date of such sale.

2. Management Stockholder's Representations, Warranties and Agreements.

(a) The Management Stockholder agrees and acknowledges that he will not, directly or indirectly, offer, transfer, sell, assign, pledge, hypothecate or otherwise dispose of (any of the foregoing acts being referred to herein as a "transfer") any shares of Purchased Stock, shares of Restricted Stock and, at the time of exercise, Common Stock issuable upon exercise of Options ("Option Stock"; collectively, with all Purchased Stock, Restricted Stock and any other Common Stock otherwise acquired and/or held by the Management Stockholder Entities as of or after the date hereof, "Stock"; it being understood that for purposes of Sections 5 and 6 only vested shares of Restricted Stock shall be deemed to be "Stock"), except as otherwise provided for in this Section 2(a) below and Section 3 hereof. If the Management Stockholder is an Affiliate of the Company, the Management Stockholder also agrees and acknowledges that he or she will not transfer any shares of the Stock unless:

(i) the transfer is pursuant to an effective registration statement under the Securities Act of 1933, as amended, and the rules and regulations in effect thereunder (the "Act"), and in compliance with applicable provisions of state securities laws; or

(ii) (A) counsel for the Management Stockholder (which counsel shall be reasonably acceptable to the Company) shall have furnished the Company with an opinion or other advice, reasonably satisfactory in form and substance to the

Company, that no such registration is required because of the availability of an exemption from registration under the Act and (B) if the Management Stockholder is a citizen or resident of any country other than the United States, or the Management Stockholder desires to effect any transfer in any such country, counsel for the Management Stockholder (which counsel shall be reasonably satisfactory to the Company) shall have furnished the Company with an opinion or other advice reasonably satisfactory in form and substance to the Company to the effect that such transfer will comply with the securities laws of such jurisdiction.

Notwithstanding the foregoing, the Company acknowledges and agrees that any of the following transfers of Stock are deemed to be in compliance with the Act and this Agreement (including without limitation any restrictions or prohibitions herein) and no opinion of counsel is required in connection therewith: (1) a transfer made pursuant to Sections 3, 4, 5, 6 or 9 hereof, (2) a transfer (x) upon the death or Disability of the Management Stockholder to the Management Stockholder's Estate or (y) a transfer to the executors, administrators, testamentary trustees, legatees, immediate family members or beneficiaries of a person who has become a holder of Stock in accordance with the terms of this Agreement; provided that it is expressly understood that any such transferee shall be bound by the provisions of this Agreement, (3) a transfer made after the date hereof in compliance with the federal securities laws to a Management Stockholder's Trust, provided that such transfer is made expressly subject to this Agreement and that the transferee agrees in writing to be bound by the terms and conditions hereof as a "Management Stockholder" with respect to the representations and warranties and other obligations of this Agreement, and provided further that it is expressly understood and agreed that if such Management Stockholder's Trust at any point includes any person or entity other than the Management Stockholder, his spouse (or ex-spouse) or his lineal descendants (including adopted children) such that it fails to meet the definition thereof as set forth in Section 7(b) hereof, such transfer shall no longer be deemed in compliance with this Agreement and shall be subject to Section 3(d) below, (4) a transfer of Stock made by the Management Stockholder to Other Management Stockholders, provided that it is expressly understood that any such transferee(s) shall be bound by the provisions of this Agreement (in addition to the provisions set forth in any Other Management Stockholders Agreement to which such Other Management Stockholders are a party), and (5) a transfer made by the Management Stockholder, with the Board's approval, to the Company or any subsidiary of the Company.

(b) The certificate (or certificates) representing the Stock, if any, shall bear the following legend:

**"THE SHARES REPRESENTED BY THIS CERTIFICATE MAY NOT BE TRANSFERRED, SOLD, ASSIGNED, PLEDGED, HYPOTHECATED OR OTHERWISE DISPOSED OF UNLESS SUCH TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION OR OTHER DISPOSITION COMPLIES WITH THE PROVISIONS OF THE MANAGEMENT STOCKHOLDER'S AGREEMENT AMONG DOLLAR GENERAL CORPORATION (THE "COMPANY"), BUCK HOLDINGS, L.P. AND THE MANAGEMENT STOCKHOLDER NAMED ON THE FACE HEREOF OR THE SALE PARTICIPATION AGREEMENT AMONG SUCH MANAGEMENT STOCKHOLDER AND BUCK HOLDINGS, L.P., IN EACH CASE DATED AS OF JANUARY 21, 2008 (COPIES OF WHICH**

ARE ON FILE WITH THE SECRETARY OF THE COMPANY) AND ALL APPLICABLE FEDERAL AND STATE SECURITIES LAWS.”

(c) The Management Stockholder acknowledges that he has been advised that (i) the Stock are characterized as “restricted securities” under the Act inasmuch as they are being acquired from the Company in a transaction not involving a Public Offering and that under the Act (including applicable regulations) the Stock may be resold without registration under the Act only in certain limited circumstances, (ii) a restrictive legend in the form heretofore set forth shall be placed on the certificates (if any) representing the Stock and (iii) a notation shall be made in the appropriate records of the Company indicating that the Stock is subject to restrictions on transfer and appropriate stop transfer restrictions will be issued to the Company’s transfer agent with respect to the Stock.

(d) If any shares of the Stock are to be disposed of in accordance with Rule 144 under the Act or otherwise, the Management Stockholder shall promptly notify the Company of such intended disposition and shall deliver to the Company at or prior to the time of such disposition such documentation as the Company may reasonably request in connection with such sale and take any actions reasonably requested by the Coordination Committee prior to any such sale (provided that such instructions shall not have a disproportionate adverse impact on the Management Stockholder vis-à-vis any other shareholders of the Company or limited partners of Parent) and, in the case of a disposition pursuant to Rule 144, shall deliver to the Company an executed copy of any notice on Form 144 required to be filed with the SEC.

(e) The Management Stockholder agrees that, if any shares of the Stock are offered to the public pursuant to an effective registration statement under the Act (other than registration of securities issued on Form S-8, S-4 or any successor or similar form), the Management Stockholder will not effect any public sale or distribution of any shares of the Stock not covered by such registration statement from the time of the receipt of a notice from the Company that the Company has filed or imminently intends to file such registration statement to, or within 180 days (or such shorter period as may be consented to by the managing underwriter or underwriters) in the case of the IPO and ninety (90) days (or in an underwritten offering such shorter period as may be consented to by the managing underwriter or underwriters, if any) in the case of any other Public Offering after the effective date of such registration statement, unless otherwise agreed to in writing by the Company.

(f) The Management Stockholder represents and warrants that (i) with respect to the Purchased Stock, Restricted Stock and Option Stock, the Management Stockholder has received and reviewed the available information relating to such Stock, including having received and reviewed the documents related thereto, certain of which documents set forth the rights, preferences and restrictions relating to the shares of Restricted Stock, the Options and the Stock underlying the Options and (ii) the Management Stockholder has been given the opportunity to obtain any additional information or documents and to ask questions and receive answers about such information, the Company and the business and prospects of the Company which the Management Stockholder deems necessary to evaluate the merits and risks related to the Management Stockholder’s investment in the Stock and to verify the information contained in the information received as indicated in this Section 2(f), and the Management Stockholder has relied solely on such information.

(g) The Management Stockholder further represents and warrants that (i) the Management Stockholder's financial condition is such that the Management Stockholder can afford to bear the economic risk of holding the Stock for an indefinite period of time and has adequate means for providing for the Management Stockholder's current needs and personal contingencies, (ii) the Management Stockholder can afford to suffer a complete loss of his or her investment in the Stock, (iii) the Management Stockholder understands and has taken cognizance of all risk factors related to the purchase of the Stock, (iv) the Management Stockholder's knowledge and experience in financial and business matters are such that the Management Stockholder is capable of evaluating the merits and risks of the Management Stockholder's purchase of the Stock as contemplated by this Agreement, (v) with respect to the Purchased Stock and the Restricted Stock, such shares of Stock are being acquired by the Management Stockholder for his or her own account, not as nominee or agent, and not with a view to the resale or distribution of any part thereof in violation of the Act, and the Management Stockholder has no present intention of selling or otherwise distributing the Purchased Stock in violation of the Act, and (vi) the Management Stockholder is an "accredited investor" as defined in Rule 501(a) of Regulation D, as amended, under the Act.

### 3. Transferability of Stock.

(a) The Management Stockholder agrees that he or she will not transfer any shares of Stock at any time during the period commencing on the date hereof and ending on the fifth anniversary of the Closing Date; provided, however, that during such period, the Management Stockholder may transfer shares of Stock during such time pursuant to one of the following exceptions: (i) transfers permitted by Sections 5 or 6; (ii) transfers permitted by clauses (2), (3) and (4) of Section 2(a); (iii) a sale of shares of Common Stock pursuant to an effective registration statement under the Act filed by the Company upon the proper exercise of registration rights, if any, of such Management Stockholder under Section 9 (excluding any registration on Form S-8, S-4 or any successor or similar form); (iv) transfers permitted pursuant to the Sale Participation Agreement (as defined in Section 7(b)); (v) transfers permitted by the Board or (vi) transfers to Parent or its designee (any such exception, a "Permitted Transfer"). In addition, during the period commencing on the fifth anniversary of the Closing Date through the earlier of a Change of Control or consummation of a Qualified Public Offering, the Management Stockholder may only transfer shares of Stock in compliance with Section 4.

(b) Notwithstanding anything to the contrary herein, (i) Section 3(a) shall terminate and be of no further force or effect upon the occurrence of a Change in Control and (ii) upon the occurrence of any sale or other disposition of any percentage of limited partnership units of Parent held by the Sponsors or their Affiliates who are limited partners of Parent, the restrictions on transfer of shares of Common Stock contained in Section 3(a) shall cease to be of any further force or effect with respect to the percentage of shares of vested Common Stock held by the Management Stockholder Entities equal to the quotient of the number of limited partnership units of Parent sold or disposed of by the Sponsors or such Affiliates in such transaction divided by the aggregate number of Limited Partnership Units owned by the Sponsors or such Affiliates prior to such transaction, and for the avoidance of doubt, such transfer restrictions shall continue to apply to the remaining shares of Common Stock held by the Management Stockholder Entities and to all unvested shares of Restricted Stock.

(c) No shares of Restricted Stock may be transferred by the Management Stockholder until such shares have vested pursuant to the terms of the Restricted Stock

Agreement and the Option Plan, and then such shares may only be transferred in compliance with the other provisions of this Agreement.

(d) No transfer of any such shares in violation hereof shall be made or recorded on the books of the Company and any such transfer shall be void ab initio and of no effect.

(c) The Company will not agree to any amendment of the terms of the credit agreement entered into on the Closing Date, or to any corresponding provision in any successor or equivalent debt agreement, that imposes any limits on the Company's permission thereunder to repurchase stock, or make payments on any note, in each case under Section 5(c) or 6(e) of this Agreement, that are materially more restrictive than such provision under such credit agreement as in effect on the Closing Date if, at or prior to the time of such agreement, restrictions corresponding and proportionate thereto have not also been imposed thereunder on the payment of cash dividends on the Common Stock.

9. "Piggyback" Registration Rights. Effective after the occurrence of an initial Public Offering:

(a) The Parties agree to be bound, with respect to Senior Management Stockholders or to any other Management Stockholder who are provided such rights pursuant to this Section 9, by all of the terms, conditions and obligations of the Registration Rights Agreement (the "Registration Rights Agreement") as they relate to the exercise of piggyback registration rights as provided in Sections 4, 6, 7, 8 and 11 (but not Section 11(l)) of the Registration Rights Agreement entered into by and among the Company and investors party thereto (the "Piggyback Registration Rights"), as in effect on the date hereof (subject, with respect to any such Management Stockholder expressly provided Piggyback Registration Rights, only to any amendments thereto to which such Management Stockholder has agreed in writing to be bound), and, if any of the Investors are selling stock, shall have all of the rights and privileges of the Piggyback Registration Rights (including, without limitation, the right to participate in the initial Public Offering and any rights to indemnification and/or contribution from the Company and/or the Investors), in each case as if the Management Stockholder were an original party (other than the Company) to the Registration Rights Agreement, subject to applicable and customary underwriter restrictions; provided, however,

that at no time shall the Management Stockholder have any rights to request registration under Section 3 of the Registration Rights Agreement. All Stock purchased or held by the applicable Management Stockholder Entities pursuant to this Agreement shall be deemed to be “Registrable Securities” as defined in the Registration Rights Agreement.

(b) In the event of a sale of Common Stock by any of the Investors in accordance with the terms of the Registration Rights Agreement, the Company will promptly notify each Senior Management Stockholder or other Management Stockholder to whom the Board, after consultation with the Chief Executive Officer, Chief Operating Officer and Chief Financial Officer of the Company, has decided to extend the Piggyback Registration Rights, in writing (a “Piggyback Notice”) of any proposed registration (a “Proposed Registration”), which Piggyback Notice shall include: the principal terms and conditions of the proposed registration, including (A) the number of the shares of Common Stock to be sold, (B) the fraction expressed as a percentage, determined by dividing the number of shares of Common Stock to be sold by the holders of Registrable Securities by the total number of shares held by the holders of Registrable Securities selling the shares of Common Stock, (C) the proposed per share purchase price (or an estimate thereof), and (D) the proposed date of sale. If within fifteen (15) days of the receipt by the Management Stockholder or Management Stockholder, as the case may be, of such Piggyback Notice, the Company receives from the applicable Management Stockholder Entities of the Senior Management Stockholder or Management Stockholder, as the case may be, a written request (a “Request”) to register shares of Stock held by the applicable Management Stockholder Entities (which Request will be irrevocable unless otherwise mutually agreed to in writing by the Senior Management Stockholder or Management Stockholder, if any, and the Company), shares of Stock will be so registered as provided in this Section 9; provided, however, that for each such registration statement only one Request, which shall be executed by the applicable Management Stockholder Entities, may be submitted for all Registrable Securities held by the applicable Management Stockholder Entities.

(c) The maximum number of shares of Stock which will be registered pursuant to a Request will be the lowest of (i) the number of shares of Stock then held by the Management Stockholder Entities, including all shares of Stock which the Management Stockholder Entities are then entitled to acquire under an unexercised Option to the extent then exercisable (and taking into account any unvested shares of Restricted Stock), multiplied by a fraction, the numerator of which is the aggregate number of shares of Stock being sold by holders of Registrable Securities and the denominator of which is the aggregate number of shares of Stock owned by the holders of Registrable Securities or (ii) the maximum number of shares of Stock which the Company can register in connection with such Request in the Proposed Registration without adverse effect on the offering in the view of the managing underwriters (reduced pro rata as more fully described in subsection (d) of this Section 9 or (iii) the maximum number of shares which the Senior Management Stockholder (pro rata based upon the aggregate number of shares of Stock the Senior Management Stockholder and all Other Management Stockholders who are Senior Management Stockholders have requested to be registered) is permitted to register under the Piggyback Registration Rights.

(d) If a Proposed Registration involves an underwritten offering and the managing underwriter advises the Company in writing that, in its opinion, the number of shares of Stock requested to be included in the Proposed Registration exceeds the number which can be sold in such offering, so as to be likely to have an adverse effect on the price, timing or distribution of the shares of Stock offered in such Public Offering as contemplated

by the Company, then, unless the managing underwriter advises that marketing factors require a different allocation, the Company will include in the Proposed Registration (i) first, 100% of the shares of Stock the Company proposes to sell and (ii) second, to the extent of the number of shares of Stock requested to be included in such registration which, in the opinion of such managing underwriter, can be sold without having the adverse effect referred to above, the number of shares of Stock which the selling holders of Registrable Securities, the Senior Management Stockholder and all Other Management Stockholders who are Senior Management Stockholders and any other Persons who are entitled to piggyback or incidental registration rights in respect of Stock (together, the “Holders”) have requested to be included in the Proposed Registration, such amount to be allocated pro rata among all requesting Holders on the basis of the relative number of shares of Stock (without taking into account any unvested shares of Restricted Stock) then held by each such Holder (including upon exercise of all exercisable Options) ( provided that any shares thereby allocated to any such Holder that exceed such Holder’s request will be reallocated among the remaining requesting Holders in like manner).

(e) Upon delivering a Request a Senior Management Stockholder or other Management Stockholder having Piggyback Registration Rights pursuant to clause (b) of this Section 9 will, if requested by the Company, execute and deliver a custody agreement and power of attorney having customary terms and in form and substance reasonably satisfactory to the Company with respect to the shares of Stock to be registered pursuant to this Section 9 (a “Custody Agreement and Power of Attorney”). The Custody Agreement and Power of Attorney will provide, among other things, that the Senior Management Stockholder or Management Stockholder, as the case may be, will deliver to and deposit in custody with the custodian and attorney-in-fact named therein a certificate or certificates (to the extent applicable) representing such shares of Stock (duly endorsed in blank by the registered owner or owners thereof or accompanied by duly executed stock powers in blank) and irrevocably appoint said custodian and attorney-in-fact as the Senior Management Stockholder’s or Management Stockholder’s agent and attorney-in-fact with full power and authority to act under the Custody Agreement and Power of Attorney on the Senior Management Stockholder’s or Management Stockholder’s behalf with respect to the matters specified therein.

(f) The Management Stockholder agrees that he will execute such other agreements as the Company may reasonably request to further evidence the provisions of this Section 9, including reasonable and customary lock-up agreements; provided that Parent and its Affiliates enter into a similar agreement if requested by the managing underwriter.

(g) Notwithstanding Section 11(l) of the Registration Rights Agreement, this Section 9 will terminate on the earlier of (i) the occurrence of a Change in Control and (ii) with respect to each Management Stockholder, on the date on which such Management Stockholder ceases to own any Registrable Securities.

(h) For the avoidance of doubt, no unvested shares of Restricted Stock may be sold hereunder unless and until it becomes vested in accordance with the terms of the Restricted Stock Agreement.

10. Additional Rights of Management Stockholders. Notwithstanding anything herein to the contrary, in the event that the Company receives notice of any event giving rise to any of the tag-along or piggyback registration rights set forth in Section 9 hereof or in the Sale Participation Agreement, in each such case with respect to a Senior

Management Stockholder, the Board shall promptly (and in event within such period of time to allow the Management Stockholder to exercise such right, if applicable) after being informed of such notice consult with the Chief Executive Officer, Chief Operating Officer and Chief Financial Officer of the Company to determine whether and to what extent any such rights shall be granted to the Management Stockholder and the Other Management Stockholders who are not Senior Management Stockholders. Any such grant shall be effective upon, and to the extent set forth in, any applicable resolution passed by the Board, and the Company shall give prompt notice to the Management Stockholder and the Other Management Stockholders of the adoption thereof.

11. Rights to Negotiate Repurchase Price. Nothing in this Agreement shall be deemed to restrict or prohibit the Company from purchasing, redeeming or otherwise acquiring for value shares of Stock or Options from the Management Stockholder, at any time, upon such terms and conditions, and for such price, as may be mutually agreed upon in writing between the Parties, whether or not at the time of such purchase, redemption or acquisition circumstances exist which specifically grant the Company the right to purchase, or the Management Stockholder the right to sell, shares of Stock or any Options under the terms of this Agreement; provided that no such purchase, redemption or acquisition shall be consummated, and no agreement with respect to any such purchase, redemption or acquisition shall be entered into, without the prior approval of the Board.

12. Notice of Change of Beneficiary. Immediately prior to any transfer of Stock to a Management Stockholder's Trust, the Management Stockholder shall provide the Company with a copy of the instruments creating the Management Stockholder's Trust and with the identity of the beneficiaries of the Management Stockholder's Trust. The Management Stockholder shall notify the Company as soon as practicable prior to any change in the identity of any beneficiary of the Management Stockholder's Trust.

13. Recapitalizations, etc. The provisions of this Agreement shall apply, to the full extent set forth herein with respect to the Stock or the Options, to any and all shares of capital stock of the Company or any capital stock, partnership units or any other security evidencing ownership interests in any successor or assign of the Company (whether by merger, consolidation, sale of assets or otherwise) which may be issued in respect of, in exchange for, or substitution of the Stock or the Options by reason of any stock dividend, split, reverse split, combination, recapitalization, liquidation, reclassification, merger, consolidation or otherwise.

14. Management Stockholder's Employment by the Company. Except as may be set forth in the Employment Agreement, nothing contained in this Agreement or in any other agreement entered into by the Company and the Management Stockholder contemporaneously with the execution of this Agreement (i) obligates the Company or any subsidiary of the Company to employ the Management Stockholder in any capacity whatsoever or (ii) prohibits or restricts the Company (or any such subsidiary) from terminating the employment of the Management Stockholder at any time or for any reason whatsoever, with or without Cause, and the Management Stockholder hereby acknowledges and agrees that neither the Company nor any other person has made any representations or promises whatsoever to the Management Stockholder concerning the Management Stockholder's employment or continued employment by the Company or any subsidiary of the Company.

15. Binding Effect. The provisions of this Agreement shall be binding upon and accrue to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns. In the case of a transferee permitted under Section 2(a) or Section 3(a) (other than clauses (iii) or (iv) thereof) hereof, such transferee shall be deemed the Management Stockholder hereunder; provided, however, that no transferee (including without limitation, transferees referred to in Section 2(a) or Section 3(a) hereof) shall derive any rights under this Agreement unless and until such transferee has delivered to the Company a valid undertaking and becomes bound by the terms of this Agreement. No provision of this Agreement is intended to or shall confer upon any Person other than the Parties any rights or remedies hereunder or with respect hereto.

16. Amendment. This Agreement may be amended by the Company at any time upon notice to the Management Stockholder thereof; provided that any amendment (i) that materially disadvantages the Management Stockholder shall not be effective unless and until the Management Stockholder has consented thereto in writing and (ii) that disadvantages a class of stockholders in more than a de minimis way but less than a material way shall require the consent of a majority of the equity interests held by such affected class of stockholders.

17. Closing. Except as otherwise provided herein, the closing of each purchase and sale of shares of Stock pursuant to this Agreement shall take place at the principal office of the Company on the tenth business day following delivery of the notice by either Party to the other of its exercise of the right to purchase or sell such Stock hereunder.

18. Applicable Law; Jurisdiction; Arbitration; Legal Fees.

(a) The laws of the State of Tennessee applicable to contracts executed and to be performed entirely in such state shall govern the interpretation, validity and performance of the terms of this Agreement.

(b) In the event of any controversy among the parties hereto arising out of, or relating to, this Agreement which cannot be settled amicably by the parties, such controversy shall be finally, exclusively and conclusively settled by mandatory arbitration conducted expeditiously in accordance with the American Arbitration Association rules by a single independent arbitrator. Such arbitration process shall take place in Nashville, TN. The decision of the arbitrator shall be final and binding upon all parties hereto and shall be rendered pursuant to a written decision, which contains a detailed recital of the arbitrator's reasoning. Judgment upon the award rendered may be entered in any court having jurisdiction thereof.

(c) Notwithstanding the foregoing, the Management Stockholder acknowledges and agrees that the Company, its subsidiaries, the Investors and any of their respective affiliates shall be entitled to injunctive or other relief in order to enforce the covenant not to compete, covenant not to solicit and/or confidentiality covenants as set forth in Section 22(a) of this Agreement.

(d) In the event of any arbitration or other disputes with regard to this Agreement or any other document or agreement referred to herein, each Party shall pay its own legal fees and expenses, unless otherwise determined by the arbitrator.

19. Assignability of Certain Rights by the Company. The Company shall have the right to assign any or all of its rights or obligations to purchase shares of Stock pursuant to Sections 4, 5 and 6 hereof; provided, however, that no such assignment shall relieve the Company from its obligations hereunder.

20. Miscellaneous.

(a) In this Agreement all references to “dollars” or “\$” are to United States dollars and the masculine pronoun shall include the feminine and neuter, and the singular the plural, where the context so indicates.

(b) If any provision of this Agreement shall be declared illegal, void or unenforceable by any court of competent jurisdiction, the other provisions shall not be affected, but shall remain in full force and effect.

21. Withholding. The Company or its subsidiaries shall have the right to deduct from any cash payment made under this Agreement to the applicable Management Stockholder Entities any federal, state or local income or other taxes required by law to be withheld with respect to such payment, if applicable.

22. Notices. All notices and other communications provided for herein shall be in writing. Any notice or other communication hereunder shall be deemed duly given (i) upon electronic confirmation of facsimile, (ii) one (1) business day following the date sent when sent by overnight delivery and (iii) five (5) business days following the date mailed when mailed by registered or certified mail return receipt requested and postage prepaid, in each case as follows:

23. Confidential Information; Covenant Not to Compete; Covenant Not to Solicit.

(a) In consideration of the Company entering into this Agreement with the Management Stockholder, unless there exists any covenant that pertains to the same subject matter as set forth in this Section 23 in any employment agreement or change in control agreement, which covenant is in effect at the time of termination of employment between the Management Stockholder and the Company or any of its subsidiaries or Affiliates (the "Existing Restrictive Covenants"), such covenants shall supersede the covenants contained in this Section 23, and, for which purpose, the parties hereby acknowledge that the Employment Agreement is such an agreement the covenants of which on the date hereof supersede this Section 23; then, if by agreement of the parties such covenants are hereafter removed from the Employment Agreement then the Management Stockholder shall be subject to the covenants contained in this Section 23 if the parties so agree in writing at the time such covenants are removed:

(i) at any time during or after the Management Stockholder's employment with the Company or its subsidiaries, disclose any Confidential Information pertaining to the business of the Company or any of its subsidiaries or any of the Investors or any of their respective Affiliates, except when required to perform his or her duties to the Company or one of its subsidiaries, by law or judicial process;

(ii) at any time during the Management Stockholder's employment with the Company or its subsidiaries and for a period of two (2) years thereafter, directly or indirectly, act as a proprietor, investor director, officer, employee, substantial stockholder, consultant, or partner in any business that directly or indirectly competes, at the relevant determination date, with the business of the Company, any Investor or any of their respective Affiliates in any geographic area where the Company, any Investor or any of their respective Affiliates manufactures, produces, sells, leases, rents, licenses or otherwise provides products or services, including, for the avoidance of doubt, directly or indirectly, acting as proprietor, investor, director, officer, employee, stockholder, consultant or partner for the following businesses: Costco; BJ's Wholesale Club; Casey's General Stores Inc.; Pantry Inc.; Wal-Mart; Target; K-Mart; Family Dollar Stores; Fred's; the 99 Cents Stores; and Dollar Tree Stores;

(iii) at any time during the Management Stockholder's employment with the Company or its subsidiaries and for a period of two (2) years thereafter, directly or indirectly (A) solicit customers or clients of the Company, any of its subsidiaries, the Investors or any of their respective Affiliates to terminate their relationship with the Company, any of its subsidiaries, the Investors or any of their respective Affiliates or otherwise solicit such customers or clients to compete with any business of the Company, any of its subsidiaries, the Investors or any of their respective Affiliates or (B) solicit or offer employment to any person who is, or has been at any time during the twelve (12) months immediately preceding the termination of the Management Stockholder's employment, employed by the Company or any of its Affiliates;

provided that in each of clauses (ii) and (iii) above, such restrictions shall not apply with respect to any Investor or any of their Affiliates that is not engaged in any business that competes, directly or indirectly, with the Company or any of its subsidiaries. If the Management Stockholder is bound by any other agreement with the Company regarding the use or disclosure of Confidential Information, the provisions of this Agreement shall be read in such a way as to further restrict and not to permit any more extensive use or disclosure of Confidential Information. Notwithstanding the foregoing, for the purposes of Section 23(a)(ii), the Management Stockholder may, directly or indirectly own, solely as an investment, securities of any Person engaged in the business of the Company or its affiliates which are publicly traded on a national or regional stock exchange or quotation system or on the over the counter market if the Management Stockholder (I) is not a controlling person of, or a member of a group which controls, such person and (II) does not, directly or indirectly, own 5% or more of any class of securities of such Person.

(b) Notwithstanding clause (a) above, if at any time a court holds that the restrictions stated in such clause (a) are unreasonable or otherwise unenforceable under circumstances then existing, the parties hereto agree that the maximum period, scope or geographic area determined to be reasonable under such circumstances by such court will be substituted for the stated period, scope or area. Because the Management Stockholder's services are unique and because the Management Stockholder has had access to Confidential Information, the parties hereto agree that money damages will be an inadequate remedy for any breach of this Agreement. In the event of a breach or threatened breach of this Agreement, the Company or its successors or assigns may, in addition to other rights and remedies existing in their favor, apply to any court of competent jurisdiction for specific performance and/or injunctive relief in order to enforce, or prevent any violations of, the provisions hereof (without the posting of a bond or other security).

(c) In the event that the Management Stockholder breaches any of the provisions of Section 23(a), in addition to all other remedies that may be available to the Company, the Management Stockholder shall be required to pay to the Company any amounts actually paid to him or her by the Company in respect of any repurchase by the Company of any Options or Stock held by such Management Stockholder; provided that with respect to Option Stock, the Management Stockholder shall be required to pay to the Company only such amounts, if any, that the Management Stockholder received in excess of the exercise price paid by the Management Stockholder in acquiring such Option Stock, on a net after-tax basis.

24. Irrevocable Proxy. In accordance with Tenn. Code Ann. § 48-17-203, each Management Stockholder hereby irrevocably appoints Buck Holdings, L.P. and any authorized representatives and designees thereof as its lawful proxy and attorney-in-fact to exercise with full power in such Management Stockholder's name and on its behalf such Management Stockholder's right to vote all of the shares of outstanding Common Stock owned by the Management Stockholder at any regular or special meeting of the stockholders of the Company for the express purpose of electing any one or more members to the Board. Buck Holdings, L.P. and any authorized representatives and designees thereof shall vote under this proxy on behalf of each such Management Stockholder in the same manner as Buck Holdings, L.P. votes any outstanding shares of Common Stock owned by it at any such regular or special meeting of the stockholders of the Company for the express purpose of electing any one or more members to the Board. **This proxy is irrevocable and is coupled with an interest and shall not be terminable as long as this Agreement remains effective**

**among the parties hereto, their successors, transferees and assigns and, if such Management Stockholder is a natural person, shall not terminate on the disability or incompetence of such Management Stockholder.** The Company is hereby requested and directed to honor this proxy upon its presentation by Buck Holdings, L.P. and any authorized representatives and designees thereof, without any duty of investigation whatsoever on the part of the Company. Each such Management Stockholder agrees that the Company, and the Company's secretary shall not be liable to such Management Stockholder for so honoring this proxy.

25. Shareholder Actions by Written Consent. The Management Stockholder (a) agrees that, in respect of actions undertaken without a meeting pursuant to Article I, Section 6 of the bylaws of the Company, which are attached as Schedule II hereto, and T.C.A. section 48-17-104, unless otherwise provided by the Company's charter or bylaws or applicable law, any action required or permitted to be taken at any meeting of the shareholders may be taken without a meeting, without prior notice and without a vote if a consent in writing, setting forth the action so taken, is signed in one or more counterparts by shareholders having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and (b) hereby consents to the taking of any such action as set forth in this Section 25 and in Article I, Section 6 of the bylaws of the Company.

26. Effectiveness. Except for Sections 1, 2(a), 2(f), 2(g), 3, 14, 15, 16, 18, 20 and 22 and this Section 26, which shall become effective as of the execution and delivery of this Agreement by the Parties, this Agreement shall become effective upon the Effective Time and prior thereto shall be of no force or effect. If the Merger Agreement shall be terminated in accordance with its terms prior to the Effective Time, this Agreement shall automatically terminate and be of no force or effect.

SALE PARTICIPATION AGREEMENT

January 21, 2008

To: The Person whose name is  
set forth on the signature page hereof

Dear Sir or Madam:

You have entered into a Management Stockholder's Agreement, dated as of the date hereof, between Dollar General Corporation, a Tennessee corporation (the "Company"), Buck Holdings, L.P. ("Parent") and you (the "Stockholder's Agreement") relating to (i) the purchase by you of Purchased Stock (as defined in the Stockholder's Agreement); and/or (ii) the grant by the Company to you of (x) options ("Options") to purchase shares of common stock, par value \$0.50 per share, of the Company ("Common Stock") and (y) restricted shares of Common Stock ("Restricted Stock"). Parent hereby agrees with you as follows, effective as of the date hereof:

1. (a) In the event that at any time on or after the date hereof Parent or any of its Affiliates (as defined in the Stockholder's Agreement) proposes to sell directly for cash or any other consideration any shares of Common Stock owned by Parent or any such Affiliate, in any transaction other than a Public Offering (as defined in the Stockholder's Agreement) or a sale, directly or indirectly, to an Affiliate of Parent, then, unless Parent is entitled to and does exercise the drag-along rights pursuant to Paragraph 7 below and the Drag Transaction is consummated, solely to the extent you are a Senior Management Stockholder (as defined in the Stockholder's Agreement) or the provisions hereof are otherwise applicable to you pursuant to and in accordance with Section 9 of the Stockholder's Agreement or as a result of a decision by the Board (as defined in the Stockholder's Agreement), after consultation with the Chief Executive Officer, Chief Operating Officer and Chief Financial Officer of the Company, to extend the rights under this Section 1 to you, Parent will notify you or your Management Stockholder's Estate or Management Stockholder's Trust (as such terms are defined in the Stockholder's Agreement, and collectively with you, the "Management Stockholder Entities"), as the case may be, in writing (a "Notice") of such proposed sale (a "Proposed Sale") specifying the principal terms and conditions of the Proposed Sale (the "Material Terms") including (A) the amount of Common Stock to be included in the Proposed Sale, (B) the percentage of the outstanding Common Stock at the time the Notice is given that is represented by the number of shares to be included in the Proposed Sale, (C) the price per share of Common Stock subject to the Proposed Sale, including a description of any pricing formulae and of any non-cash consideration sufficiently detailed to permit valuation thereof, (D) the Tag Along Sale Percentage (as defined below) of Parent and (E) the name and address of the Person (as defined in the Stockholder's Agreement) to whom the offered Common Stock is proposed to be issued.

(b) If, within 10 business days after the delivery of Notice under Section 1(a), Parent receives from a Management Stockholder Entity a written request (a "Request") to include Common Stock held by the Management Stockholder Entity in the Proposed Sale (which

---

Request shall be irrevocable except (a) as set forth in clauses (c) and (d) of this Section 1 below or (b) if otherwise mutually agreed to in writing by the Management Stockholder Entity and Parent), the Common Stock held by you (not in any event to exceed the Tag Along Sale Percentage multiplied by the total number of shares of Common Stock held by the Management Stockholder Entities in the aggregate) will be so included as provided herein. Promptly after the execution of the Sale Agreement, Parent will furnish each Management Stockholder Entity with a copy of the Sale Agreement, if any. For purposes of this Agreement, the “Tag Along Sale Percentage” shall mean the fraction, expressed as a percentage, determined by dividing the number of shares of Common Stock to be purchased from Parent by the total number of shares of Common Stock owned directly or indirectly by Parent.

(c) Notwithstanding anything to the contrary contained in this Agreement, if any of the economic terms of the Proposed Sale change, including without limitation if the per share price will be less than the per share price disclosed in the Notice, or any of the other principal terms or conditions will be materially less favorable to the selling Management Stockholder Entities than those described in the Notice, Parent will provide written notice thereof to each such Management Stockholder Entity who has made a Request and each such Management Stockholder Entity will then be given an opportunity to withdraw the offer contained in such holder’s Request (by providing prompt (and in any event within five (5) business days; provided that, notwithstanding the foregoing, if the proposed closing with respect to the Proposed Sale is to occur within five (5) business days or less, no later than three (3) business days prior to such closing) written notice of such withdrawal to Parent), whereupon such withdrawing Management Stockholder Entity will be released from all obligations thereunder.

(d) If Parent does not complete the Proposed Sale by the end of the 120th day following the date of the effectiveness of the Notice, each selling Management Stockholder Entity may elect to be released from all obligations under the applicable Request by notifying the Parent in writing of its desire to so withdraw. Upon receipt of that withdrawal notice, the Notice of the relevant Management Stockholder Entity shall be null and void, and it will then be necessary for a separate Notice to be furnished, and the terms and provisions of clauses (a) and (b) of this Section 1 separately complied with, in order to consummate such Proposed Sale pursuant to this Section 1, unless the failure to complete such proposed sale resulted from any failure by any selling Management Stockholder Entity to comply with the terms of this Section 1.

2. (a) The number of shares of Common Stock that you will be permitted to include in a Proposed Sale pursuant to a Request will be the lesser of (A) the number of shares of Common Stock that you have offered to sell in the Proposed Sale as set forth in the Request (it being understood that you may not offer to sell any unvested shares of Restricted Stock) and (B) the number of shares of Common Stock determined by multiplying (i) the number of shares of Common Stock to be included in the Proposed Sale by (ii) a fraction the numerator of which is the number of shares of Common Stock owned by you plus all shares of Common Stock which you are then entitled to acquire under any unexercised portion of Options, to the extent such Option is then exercisable or would become exercisable as a result of the consummation of the Proposed Sale, and the denominator of which is the total number of shares of Common Stock owned by the Management Stockholder Entities and all other Persons participating in such sale

as tag-along sellers pursuant to Other Management Stockholder Agreements (as defined in the Stockholder's Agreement) or other agreements (all such participants, the "Tag Along Sellers") plus all shares of Common Stock which you and such Persons are then entitled to acquire under any unexercised portion of Options, to the extent such Options are then exercisable or would become exercisable as a result of the consummation of the Proposed Sale, plus all shares of Common Stock owned by Parent.

(b) If one or more Tag Along Sellers elect not to include the maximum number of shares of Common Stock which such holders would have been permitted to include in a Proposed Sale pursuant to paragraph 2(a) (such non-included shares, the "Eligible Shares"), then each of Parent or the remaining Tag Along Sellers, or any of them, will have the right to sell in the Proposed Sale a number of additional shares of their Common Stock equal to their pro rata portion of the number of Eligible Shares, based on the relative number of shares of Common Stock then held by each such holder, plus all shares of Common Stock which you are then entitled to acquire under any unexercised portion of the Option, to the extent such Option is then exercisable or would become exercisable as a result of the consummation of the Proposed Sale, and such additional shares of Common Stock which any such holder or holders propose to sell shall not be included in any calculation made pursuant to paragraph 2(a) for the purpose of determining the number of shares of Common Stock which the Management Stockholder Entities will be permitted to include in a Proposed Sale. Parent will have the right to sell in the Proposed Sale additional shares of Common Stock owned by it equal to the number, if any, of remaining Eligible Shares which will not be included in the Proposed Sale pursuant to the foregoing.

3. Except as may otherwise be provided herein, shares of Common Stock subject to a Request will be included in a Proposed Sale pursuant hereto and in any agreements with purchasers relating thereto on the same terms and subject to the same conditions applicable to the shares of Common Stock which Parent proposes to sell in the Proposed Sale. Such terms and conditions shall include, without limitation: the sale price; the payment of fees, commissions and expenses; the provision of, and customary representations and warranties as to, information reasonably requested by Parent covering matters regarding the Management Stockholder Entities' ownership of shares; and the provision of requisite indemnification; provided that any indemnification provided by the Management Stockholder Entities shall be pro rata in proportion with the number of shares of Common Stock to be sold; provided, further, that no Management Stockholder Entity shall be required to indemnify any Person for an amount, in the aggregate, in excess of the gross proceeds received in such Proposed Sale. Notwithstanding anything to the contrary in the foregoing, if the consideration payable for shares of Common Stock is securities and the acquisition of such securities by a Management Stockholder Entity would reasonably be expected to be prohibited under U.S., foreign or state securities laws, such Management Stockholder Entity shall be entitled to receive an amount in cash equal to the value of any such securities such Person would otherwise be entitled to receive.

4. Upon delivering a Request, the Management Stockholder Entities will, if requested by Parent, execute and deliver a custody agreement and power of attorney in form and substance reasonably satisfactory to Parent with respect to the shares of Common Stock which are to be sold by the Management Stockholder Entities pursuant hereto (a "Custody Agreement and Power of Attorney"). The Custody Agreement and Power of Attorney will contain

customary provisions and will provide, among other things, that the Management Stockholder Entities will deliver to and deposit in custody with the custodian and attorney-in-fact named therein a certificate or certificates (if such shares are certificated) representing such shares of Common Stock (duly endorsed in blank by the registered owner or owners thereof) and irrevocably appoint said custodian and attorney-in-fact as the Management Stockholder Entities' agent and attorney-in-fact with full power and authority to act under the Custody Agreement and Power of Attorney on the Management Stockholder Entities' behalf with respect to the matters specified therein.

5. Your right pursuant hereto to participate in a Proposed Sale shall be contingent on your material compliance with each of the provisions hereof and your willingness to execute such documents in connection therewith as may be reasonably requested by Parent.

6. If the consideration to be paid in exchange for shares of Common Stock in a Proposed Sale pursuant to Section 1 includes any securities, and the receipt thereof by Parent and a Management Shareholder Entity would require under applicable law (a) the registration or qualification of such securities or of any Person as a broker or dealer or agent with respect to such securities or (b) the provision to any selling Management Shareholder Entity of any information regarding the Company, its subsidiaries, such securities or the issuer thereof that would not be required to be delivered in an offering solely to a limited number of "accredited investors" under Regulation D promulgated under the Securities Act of 1933, as amended, and the rules and regulations in effect thereunder, Parent and such Management Shareholder Entity shall not, subject to the following sentence, have the right to sell shares of Common Stock in such proposed sale. In such event, Parent shall have the right to cause to be paid to such selling Management Shareholder Entity in lieu thereof, against surrender of the shares of Common Stock which would have otherwise been sold by such selling Management Shareholder Entity to the prospective buyer in the proposed sale, an amount in cash equal to the Fair Market Value (as defined in the Stockholder's Agreement) of such shares of Common Stock as of the date such securities would have been issued in exchange for such shares of Common Stock.

7. (a) If Parent or any of its Affiliates that directly owns shares of Common Stock proposes to transfer, directly or indirectly, a number of shares of Common Stock equal to 50% or more of the outstanding shares of Common Stock (such Person, the "Drag-Along Purchaser"), then if requested by Parent, the Management Stockholder Entities shall be required to sell a number of shares of Common Stock equal to the aggregate number of shares of Common Stock held by the Management Stockholder Entities (including shares of Common Stock underlying exercisable Options and unvested shares of Restricted Stock that would vest upon consummation of such transaction) multiplied by the Tag Along Sale Percentage (such transaction, a "Drag Transaction").

(b) Shares of Common Stock held by the Management Stockholder Entities included in a Drag Transaction will be included in any agreements with the Drag-Along Purchaser relating thereto on the same terms and subject to the same conditions applicable to the shares of Common Stock which Parent proposes to sell in the Drag Transaction. Such terms and conditions shall include, without limitation: the pro rata reduction of the number of shares of Common Stock to be sold by Parent and the Management Stockholder Entities to be included in the Drag Transaction if required by the Drag-Along Purchaser; the sale price; the payment of

fees, commissions and expenses; the provision of, and representation and warranty as to, information reasonably requested by Parent covering matters regarding the Management Stockholder Entities' ownership of shares; and the provision of requisite indemnification; provided that any indemnification provided by the Management Stockholder Entities shall be pro rata in proportion with the number of shares of Common Stock to be sold; provided, further, that no Management Stockholder Entity shall be required to indemnify any Person for an amount, in the aggregate, in excess of the gross proceeds received in such Proposed Sale.

(c) Your pro rata share of any amount to be paid pursuant to Paragraph 3 or 7(b) shall be based upon the number of shares of Common Stock intended to be transferred by the Management Stockholder Entities plus the number of shares of Common Stock you would have the right to acquire under any unexercised portion of the Option which is then vested or would become vested as a result of the consummation of the Proposed Sale or Drag Transaction, assuming that you receive a payment in respect of such Option, plus the number of unvested shares of Restricted Stock that would vest as a result of the consummation of the Proposed Sale or Drag Transaction.

(d) Notwithstanding anything to the contrary in the foregoing, if the consideration payable for shares of Common Stock is securities and the acquisition of such securities by a Management Stockholder Entity would reasonably be expected to be prohibited under U.S., foreign or state securities laws, such Management Stockholder Entity shall be entitled to receive an amount in cash equal to the value of any such securities such Person would otherwise be entitled to receive.

8. The obligations of Parent hereunder shall extend only to you and your transferees ("Permitted Transferees") who (a) are Other Management Stockholders (as defined in the Stockholder's Agreement), (b) are party to a Management Stockholder's Agreement with the Company and (c) have acquired Common Stock pursuant to a Permitted Transfer (as defined in the Stockholder's Agreement), and none of the Management Stockholder Entities' successors or assigns, with the exception of any Permitted Transferee and only with respect to the Common Stock acquired by such Permitted Transferee pursuant to a Permitted Transfer, shall have any rights pursuant hereto.

9. This Agreement shall terminate and be of no further force and effect on the occurrence of the earlier of the consummation of a Qualified Public Offering (as defined in the Stockholder's Agreement) or a Change in Control (as defined in the Stockholder's Agreement).

10. All notices and other communications required or permitted hereunder shall be in writing and shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by confirmed facsimile if sent during normal business hours of the recipient, if not, then on the next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid or (d) one (1) business day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. All communications shall be sent to such party's address as set forth below or at such other address or to such other person as the party shall have furnished to each other party in writing in accordance with this provision:

In the event of any controversy among the parties hereto arising out of, or relating to, this Agreement which cannot be settled amicably by the parties, such controversy shall be finally, exclusively and conclusively settled by mandatory arbitration conducted expeditiously in accordance with the American Arbitration Association rules, by a single independent arbitrator. Such arbitration process shall take place in Nashville, Tennessee. The decision of the arbitrator shall be final and binding upon all parties hereto and shall be rendered pursuant to a written decision, which contains a detailed recital of the arbitrator's reasoning. Judgment upon the award rendered may be entered in any court having

jurisdiction thereof. Each party shall bear its own legal fees and expenses, unless otherwise determined by the arbitrator; provided that if the Management Stockholder substantially prevails on any of his or her substantive legal claims, then the Investors shall reimburse all legal fees and arbitration fees incurred by the Management Stockholder to arbitrate the dispute. Each party hereto hereby irrevocably waives any right that it may have had to bring an action in any court, domestic or foreign, or before any similar domestic or foreign authority with respect to this Agreement.

14. 15. Capitalized terms used but not defined herein shall have the meaning ascribed to such terms in the Stockholder's Agreement.

RESTRICTED STOCK AWARD AGREEMENT

THIS AGREEMENT (the "Agreement") is made effective as of January 21, 2008 (the "Grant Date"), between Dollar General Corporation, a Tennessee corporation (hereinafter called the "Company"), and Richard Dreiling, an employee of the Company, hereinafter referred to as the "Grantee." Capitalized terms not otherwise defined herein shall have the same meanings as in the Plan or the Management Stockholder's Agreement (each as defined below).

WHEREAS, pursuant to the Employment Agreement entered into between Grantee and the Company of even date herewith ("Employment Agreement"), the Company desires to grant the Grantee shares of Common Stock, pursuant to the terms and conditions of this Agreement (the "Restricted Stock Award"), the 2007 Stock Incentive Plan for Key Employees of Dollar General Corporation and its Affiliates (the "Plan") (the terms of which are hereby incorporated by reference and made a part of this Agreement), and a Management Stockholder's Agreement entered into by and between the Company and the Grantee as of the date hereof (the "Management Stockholder's Agreement").

WHEREAS, the Board has determined that it would be to the advantage and best interest of the Company and its shareholders to grant the shares of Common Stock provided for herein to the Grantee as an incentive for increased efforts during his employment with the Company, and has advised the Company thereof and instructed the undersigned officer to grant said Restricted Stock Award;

NOW, THEREFORE, in consideration of the mutual covenants herein contained and other good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto do hereby agree as follows:

1. Grant of the Restricted Stock. Subject to the terms and conditions of the Plan, the Management Stockholder's Agreement (and the agreements incorporated by reference therein), and the additional terms and conditions set forth in this Agreement, the Company hereby grants to the Grantee 890,000 shares of Common Stock (hereinafter called the "Restricted Stock"). The Restricted Stock shall vest and become nonforfeitable in accordance with Section 2 hereof.

2. Vesting.

(a) Unless otherwise provided in the Management Stockholder's Agreement, so long as the Grantee continues to be employed by the Company or its Subsidiaries through the applicable vesting date: all Restricted Stock shall become vested as to 100% of such shares upon earliest to occur of (1) a Change in Control of the Company, (2) an initial Public Offering of the Company, (3) Grantee's termination without Cause by the Company or any of its Subsidiaries or by Grantee for Good Reason or due to his death or Disability and (4) the last day of the Company's 2011 fiscal year. Any stock that becomes vested pursuant to this Section 2(a) shall hereafter be referred to as "Vested Restricted Stock." "Cause," "Good Reason" and "Disability" shall have the meanings as defined under the Employment Agreement.

(b) If the Grantee's employment with the Company or any of its Subsidiaries is terminated for any reason other than as set forth in Section 2(a)(3) above, by the Company or its Subsidiaries or by the Grantee, any Restricted Stock that has not yet become Vested Restricted Stock at such time shall be forfeited by the Grantee without consideration therefor.

3. Book Entry.

(a) A book entry evidencing the Restricted Stock shall be made in the Company's stock ledger in the Grantee's name promptly after the date hereof. As a condition to the receipt of this Restricted Stock Award, the Grantee shall deliver to the Company a stock power, duly endorsed in blank,

---

relating to the Restricted Stock.

(b) As soon as practicable following the vesting of any Restricted Shares pursuant to Section 2, the book entry of such Shares shall be changed to reflect that such Shares are fully vested and freely transferable.

4. Rights as a Stockholder. The Grantee shall be the record owner of the Restricted Stock unless or until such Restricted Stock is forfeited pursuant to Section 2 or is otherwise sold or disposed of as permitted under Section 6 of this Agreement, and as record owner shall be entitled to all rights of a common stockholder of the Company (including, without limitation, the payment of any dividends on the shares of Restricted Stock).

5. Legend in Stock Ledger. The Restricted Shares shall contain a legend stating that they are subject to transfer restrictions and shall be subject to such stop transfer orders and other restrictions as the Board may deem reasonably advisable under the Plan, the Management Stockholder's Agreement or the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Restricted Shares are listed, any applicable federal or state laws and the Company's Articles of Incorporation and Bylaws, and the Committee may cause a legend or legends to be put in any book entry to make appropriate reference to such restrictions.

6. Transferability. The Restricted Stock may not at any time be transferred, sold, assigned, pledged, hypothecated or otherwise disposed of unless such transfer, sale, assignment, pledge, hypothecation or other disposition complies with the provisions of this Agreement and the Management Stockholder's Agreement.

7. Securities Laws. The Company may require the Grantee to make or enter into such written representations, warranties and agreements as the Committee may reasonably request in order to comply with applicable securities laws or with this Agreement. The granting of the Restricted Stock hereunder shall be subject to all applicable laws, rules and regulations and to such approvals of any governmental agencies as may be required.

8. Grantee's Continued Employment with the Company. Nothing contained in this Agreement or in any other agreement entered into by the Company and the Grantee guarantees that the Grantee will continue to be employed by the Company or any of its Subsidiaries for any specified period of time.

9. Change in Capitalization. If the Company shall be reorganized, recapitalized or restructured, consolidated or merged with another corporation, or otherwise undergo a significant corporate event, (a) the Restricted Stock may be adjusted and (b) any stock, securities or other property exchangeable for Common Stock pursuant to such reorganization, recapitalization, restructuring, consolidation, merger or other corporate event, shall be deposited with the Company and shall become subject to the restrictions and conditions of this Agreement to the same extent as if it had been the original property granted hereby, all pursuant to Sections 8 and 9 of the Plan.

10. Payment of Taxes. The Grantee shall have full responsibility, and the Company shall have no responsibility, for satisfying any liability for any federal, state or local income or other taxes required by law to be paid with respect to such Restricted Stock, including upon the vesting of the Restricted Stock; provided, however, the Grantee shall be permitted to satisfy the minimum withholding tax obligation with respect to which such Restricted Stock by providing notice in writing that the Grantee elects to have the number of Shares that would otherwise be issued to the Grantee reduced by a number of Shares having an equivalent Fair Market Value to the payment that would otherwise be made by Grantee to the Company pursuant to this Section 10. *In connection with the foregoing, the Grantee may, at his*

*option, elect to recognize the fair value of the Restricted Stock upon the Grant Date pursuant to Section 83 of the Internal Revenue Code of 1986, as amended. The Grantee is hereby advised to seek his own tax counsel regarding the taxation of the grant of Restricted Stock made hereunder . Notwithstanding the above, if the Company's accountants determine that there would be no adverse accounting implications to the Company, the Grantee may be permitted to elect to use Common Stock otherwise deliverable to the Grantee hereunder to satisfy any such obligations, subject to such procedures as the Company's accountants may require.*

11. Limitation on Obligations. The Company's obligation with respect to the Restricted Stock granted hereunder is limited solely to the delivery to the Grantee of shares of Common Stock on the date when such shares are due to be delivered hereunder, and in no way shall the Company become obligated to pay cash in respect of such obligation. This Restricted Stock Award shall not be secured by any specific assets of the Company or any of its Subsidiaries, nor shall any assets of the Company or any of its subsidiaries be designated as attributable or allocated to the satisfaction of the Company's obligations under this Agreement.

12. Notices. Any notice to be given under the terms of this Agreement to the Company shall be addressed to the Company in care of its Secretary, and any notice to be given to the Grantee shall be addressed to him at the address given beneath his signature hereto. By a notice given pursuant to this Section 12, either party may hereafter designate a different address for notices to be given to him. Any notice that is required to be given to the Grantee shall, if the Grantee is then deceased, be given to the Grantee's personal representative if such representative has previously informed the Company of his status and address by written notice under this Section 12. Any notice shall have been deemed duly given when enclosed in a properly sealed envelope or wrapper addressed as aforesaid, deposited (with postage prepaid) in a post office or branch post office regularly maintained by the United States Postal Service

13. Governing Law. The laws of the State of Delaware shall govern the interpretation, validity and performance of the terms of this Agreement regardless of the law that might be applied under principles of conflicts of laws.

14. Arbitration. If any contest or dispute arises between the parties with respect to this Agreement, such contest or dispute shall be submitted to binding arbitration for resolution in Nashville, Tennessee in accordance with the rules and procedures of the Employment Dispute Resolution Rules of the American Arbitration Association then in effect. The Company and the Grantee shall each bear 50% of the costs related to such arbitration. If the arbitrator determines that the Grantee is the prevailing party in the dispute, then the Company shall reimburse the Grantee for his reasonable legal or other fees and expenses incurred in such arbitration subject to and within ten days after his request for reimbursement accompanied by evidence that the fees and expenses were incurred. Any reimbursement hereunder shall be paid to the Grantee promptly and in no event later than the end of the year next following the date the expense was incurred. The decision of the arbitrator shall be final and binding upon all parties hereto and shall be rendered pursuant to a written decision, which contains a detailed recital of the arbitrator's reasoning.

15. Restricted Stock Subject to Plan and Management Stockholder's Agreement. The Restricted Stock shall be subject to all terms and provisions of the Plan, to the extent applicable to the Restricted Stock and, to the extent applicable to Vested Restricted Stock, the Management Stockholder's Agreement and the Sale Participation Agreement. In the event of any conflict between this Agreement and the Plan, the terms of this Agreement shall control. In the event of any conflict between this Agreement or the Plan and the Management Stockholder's Agreement or the Sale Participation Agreement, the terms of this Agreement shall control. For all purposes of the Management Stockholder's Agreement and Sale Participation Agreement, only Vested Restricted Stock shall be considered "Stock" for purposes of the Management Stockholder's Agreement, or "Common Stock" that is eligible to be

included in any Request (as defined in the Sale Participation Agreement) for purposes of the Sale Participation Agreement.

16. Modification of the Plan . For all purposes under this Agreement:

(a) The terms of the Plan to the contrary notwithstanding, Section 3(c) of the Plan shall be deemed modified by disregarding the sentence: “All actions taken and all interpretations and determinations made by the Committee in good faith shall be final and binding upon all Participants, the Company and all other interested persons.”

(b) The terms of the Plan to the contrary notwithstanding, no amendment shall be made to Section 9 of the Plan pursuant to Section 10(a) or Section 10(b) of the Plan except as is necessary to satisfy Section 409A of the Code.

17. Signature in Counterparts . This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

[ *Continued on next page.* ]

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

Re: Extension of Initial Term of Employment Agreement

Dear David:

In connection with the closing of the acquisition contemplated in that certain Agreement and Plan of Merger, dated as of March 11, 2007, by and among Buck Holdings, L.P., a Delaware corporation ("Parent"), Buck Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of Parent, and the Dollar General Corporation ("Company"), you and the Company executed an employment agreement (the "Employment Agreement"), the terms of which became effective on July 6, 2007. All capitalized terms not defined herein shall have the meaning set forth in your Employment Agreement.

Pursuant to the terms of your Employment Agreement, you currently serve as the Interim Chief Executive Officer of the Company. The Employment Agreement provides that you will hold this position during the Initial Term, which runs from the Effective Date of the Employment Agreement through December 31, 2007. Pursuant to Section 3 of your Employment Agreement, the Company seeks to extend the Initial Term for a period of one calendar month following the end of the current Initial Term (the "Initial Term Extension", as used in the Employment Agreement). The Company further proposes that this Initial Term Extension will automatically renew for an additional one calendar-month period beginning immediately following the last day of this first Initial Term Extension and each one calendar-month period thereafter, unless you or the Company provide the other party with written notice of non-renewal at least five (5) business days prior to the end of the applicable Initial Term Extension. The Company agrees that its written notice of non-renewal (without any extension otherwise contemplated under the Employment Agreement) will constitute a failure to offer to renew, extend or replace the Employment Agreement for purposes of Section 12(a) (iii) of the Employment Agreement.

If you choose to agree to the Company's proposal to extend the Initial Term as provided above, please sign where indicated below and return this letter agreement to me before December 31, 2007. By signing below, you and the Company agree that the Employment Agreement is deemed amended to incorporate the terms of this letter agreement solely to the extent of the subject matter contained herein, but shall in all other respects remain in full force and effect in accordance with its terms.

---

In the event of any dispute over the terms of this letter agreement, Section 22(h) of the Employment Agreement shall govern. This letter agreement may be executed in counterparts.

Re: Notice of Initiation of Transition Period under Employment Agreement

Dear David:

In connection with the closing of the acquisition contemplated in that certain Agreement and Plan of Merger, dated as of March 11, 2007, by and among Buck Holdings, L.P., a Delaware corporation ("Parent"), Buck Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of Parent, and the Dollar General Corporation ("Company"), you and the Company executed an employment agreement (the "Employment Agreement"), the terms of which became effective on July 6, 2007. All capitalized terms not defined herein shall have the meaning set forth in your Employment Agreement.

Pursuant to the terms of your Employment Agreement, you currently serve as the Interim Chief Executive Officer of the Company. Section 3 of your Employment Agreement provides that at the Company's option the Company may extend your service under the Employment Agreement for three (3) months if a new Chief Executive Officer is hired by the Company during the Initial Term or any Initial Term Extension (the "Transition Period" as used in the Employment Agreement). Further, Section 3 of your Employment Agreement provides that the Company is required to provide you with notice of its intent to initiate the Transition Period at least five (5) business days prior to the date of the new Chief Executive Officer's commencement of employment with the Company. By this letter, the Company hereby provides you notice of the initiation of the Transition Period, such period to last for three (3) calendar months from the date the new Chief Executive Officer commences employment with the Company, in lieu of any month-to-month renewal of the Initial Term Extension as currently in effect (which was put into effect by the mutual agreement between you and the Company under the terms of the letter executed by you and the Company on December 28, 2007).

In the event of any dispute over the terms of this letter agreement, Section 22(h) of the Employment Agreement shall govern. This letter agreement may be executed in counterparts.

Sincerely,

## Supplemental Release

This Supplemental Release agreement is between Dollar General Corporation and David Perdue (collectively "the Parties"). Reference is made to that Employment Agreement entered by the Parties on September 18, 2006 (the "Employment Agreement") and to that Release Agreement entered between the Parties dated July 16, 2007 (the "Release").

**WHEREAS**, a dispute has arisen between the parties as to the meaning and interpretation of Section 11(a)(iv) of the Employment Agreement;

**WHEREAS**, in compromise of that dispute and to fully and finally resolve the matter, Dollar General has agreed to provide Perdue certain payments as fully described below.

**NOW, THEREFORE**, the Parties agree as follows:

1. On January 7, 2008, Dollar General will pay Perdue \$24,892 plus the amount described in no. 2 below; provided that no payment shall be made unless this Supplemental Release has been executed and the revocation period described in no. 7 below has expired. Such amount represents approximately 36 times the monthly cost to Perdue of his current COBRA premiums.
  2. Dollar General will also pay Perdue an additional amount (the "gross up" amount) that will be sufficient to cover the tax impact to him resulting from the payment referenced in no. 1 above as required under the last sentence of Section 11(a)(iv) and Section 11(b) of the Employment Agreement. The intention of this payment is that the net total payment to Perdue will be the \$24,892 referenced in no. 1 above.
  3. In exchange for the payments referenced in nos. 1 and 2 above, Perdue hereby voluntarily and irrevocably waives, releases, and withdraws all claims, complaints, suits or demands which he ever had, may have or now has relating to Section 11(a)(iv) of the Employment Agreement, retiree medical benefits, and/or health insurance, or any direct or indirect payment or reimbursement for such benefits or insurance, or any obligation on the part of Dollar General to procure any such benefits or insurance.
  4. This Supplemental Release is solely for the purposes specifically described herein and in no other way supersedes, waives, amends or alters the Employment Agreement or the Release.
  5. This Supplemental Release shall not in any way be construed as an admission by Dollar General or Perdue of any improper actions or liability whatsoever as to one another, and each specifically disclaims any liability to or improper actions against the other or any other person, on the part of itself or himself, its or his employees or agents.
  6. Employee warrants, represents and agrees that he has been encouraged in writing to seek advice from anyone of his choosing regarding this Supplemental Release, including his attorney and account or tax advisor, prior to his signing it; that this Supplemental Release represents written notice to do so; that he has been given the opportunity and sufficient time to seek
-

such advice; and that he fully understands the meaning and contents of this Supplemental Release. He further represents and warrants that he was not coerced, threatened or otherwise forced to sign this Supplemental Release, and that his signature appearing hereinafter is voluntary and genuine. **PERDUE UNDERSTANDS THAT HE MAY TAKE UP TO TWENTY-ONE (21) DAYS TO CONSIDER WHETHER OR NOT HE DESIRES TO ENTER INTO THIS RELEASE.**

7. **PERDUE UNDERSTANDS THAT HE MAY REVOKE THIS RELEASE BY NOTIFYING DOLLAR GENERAL IN WRITING OF SUCH REVOCATION WITHIN SEVEN (7) DAYS OF HIS EXECUTION OF THIS RELEASE AND THAT THIS RELEASE IS NOT EFFECTIVE UNTIL THE EXPIRATION OF SUCH SEVEN (7) DAY PERIOD. HE UNDERSTANDS THAT UPON THE EXPIRATION OF SUCH SEVEN (7) DAY PERIOD, THIS RELEASE WILL BE BINDING UPON HIM AND HIS HEIRS, ADMINISTRATORS, REPRESENTATIVES, EXECUTORS, SUCCESSORS AND ASSIGNS AND WILL BE IRREVOCABLE.**
